Instructions to Applicants: Before beginning any construction, a Certificate of Zoning Compliance and a Building Permit must be obtained from the Zoning/Building Administrator. Application for permits must be made by the owner of the property on which the construction is to take place or his duly authorized agent. A legal description of the property and a site plan of the proposed construction must be included with this application. The attached sheet, which may be used for drawing the site plan, lists information which must be shown.

If the proposed construction meets the zoning requirements, a permit shall be issued. If the Zoning Administrator determines that it does not comply with requirements of the Zoning Code, the applicant may request an interpretation of the regulations by the Zoning Board of Appeals (if he disagrees with the Zoning Administrator) or he may request a variance or zoning amendment.

All information requested below must be provided before any permits will be issued. Applicants are encouraged to visit the office of the Zoning Administrator for any assistance needed in completing this form.
