**ADMINISTRATION**

**ARTICLE I – GENERAL CODE PROVISIONS**

**DIVISION I - TITLE**

**1-1-1** **TITLE.** Upon the adoption by the Village Board of Trustees, this Village Code is hereby declared to be and shall hereafter constitute the official **"Revised Code of Ordinances of the Village of Beckemeyer"**. The Revised Code of Ordinances shall be known and cited as the **"Village Code"**, and it is hereby published by authority of the Village Board and shall be kept up-to-date as provided in **Section 1-1-3** under the direction of the Village Attorney, acting for said Village Board. Any reference to the number of any section contained herein shall be understood to refer to the position of the same number, its appropriate chapter and article heading and to the general penalty clause relating thereto as well as to the section itself when reference is made to this Village Code by title in any legal document. **(See 65 ILCS 5/1-2-3)**

**1-1-2** **ACCEPTANCE.** The Village Code as hereby presented in printed form shall hereafter be received without further proof in all courts and in all administrative tribunals of this State as the ordinances of the Village of general and permanent effect, except the excluded ordinances enumerated in **Section 1-1-8**. **(See 65 ILCS 5/1-2-6)**

**1-1-3** **AMENDMENTS.** Any ordinance amending this Village Code shall set forth the article, chapter, and section number of the section or sections to be amended, and this shall constitute a sufficient compliance with any statutory requirement pertaining to the amendment or revision by ordinance of any part of this Village Code. All such amendments or revisions by ordinance shall be forwarded to the codifiers on an annual basis and the ordinance material shall be prepared for insertion in its proper place in each copy of this Village Code. Each such replacement page shall be properly identified and shall be inserted in each individual copy of the Village Code on an annual basis. **(See 65 ILCS 5/1-2-3)**

**1-1-4** **CODE ALTERATION.** It shall be deemed unlawful for any person to alter, change, replace or deface in any way, any section or any page of this Code in such a manner that the meaning of any phrase or order may be changed or omitted. Replacement pages may be inserted according to the official instructions when so authorized by the Village Board. The Clerk shall see that the replacement pages are properly inserted in the official copies maintained in the office of the Clerk.

Any person having in his custody an official copy of this Code shall make every effort to maintain said Code in an up-to-date and efficient manner. He shall see to the immediate insertion of new or replacement pages when such are delivered to him or made available to him through the office of the Village Clerk. Said Code books, while in actual possession of officials and other interested persons shall be and remain the property of the Village and shall be returned to the office of the Clerk upon termination of office or separation of duties.

**1-1-5** **JURISDICTION.** Unless otherwise provided herein, this Code applies to acts performed within the corporate limits of the Village. Provisions of this Code also apply to acts performed outside the corporate limits and up to the limits prescribed by law, where the law confers power on the Village to regulate such particular acts outside the corporate limits.

**1-1-6 - 1-1-7** **RESERVED.**

## **DIVISION II - SAVING CLAUSE**

**1-1-8            REPEAL OF GENERAL ORDINANCES.** All general ordinances of the Village passed prior to the adoption of this Code are hereby repealed, except such as are referred to herein as being still in force or are, by necessary implication, herein reserved from repeal **[subject to the saving clauses contained in the following sections]**, from which are excluded the following ordinances, which are not hereby repealed:

Tax Levy Ordinances; Appropriation Ordinances; Ordinances Relating to Boundaries and Annexations; other Ordinances Granting Special Rights to Persons or Corporations; Contract Ordinances and Ordinances Authorizing the Execution of a Contract or the Issuance of Warrants; Ordinances Establishing, Naming, or Vacating Streets, Alleys, or Other Public Places; Improvement Ordinances; Bond Ordinances; Ordinances Relating to Elections; Ordinances Relating to the Transfer or Acceptance of Real Estate by or from the Village; and all Special Ordinances.

**1-1-9            PUBLIC UTILITY ORDINANCES.** No ordinance relating to railroads or railroad crossings with streets and other public ways or relating to the conduct, duties, service or rates of public utilities shall be repealed by virtue of the adoption of this Code or by virtue of the preceding section, excepting as this Code shall be considered as amending such ordinance or ordinances in respect to such provisions only.

**1-1-10          COURT PROCEEDINGS.** No new ordinance shall be construed or held to repeal a former ordinance, whether such former ordinance is expressly repealed or not, as to any offense committed against such former ordinance or as to any act done, any penalty, forfeiture or punishment so incurred, or any right accrued or claim arising under the former ordinance, or in any way whatever to affect any claim arising under the former ordinance or in any way whatever to affect any such offense or act so committed or so done, or any penalty, forfeiture or punishment so incurred or any right accrued or claim arising before the new ordinance takes effect, save only that the proceedings thereafter shall conform to the ordinance in force at the time of such proceeding, so far as practicable. If any penalty, forfeiture or punishment be mitigated by any provision of a new ordinance, such provision may be, by the consent of the party affected, applied to any judgment announced after the new ordinance takes effect.

This Section shall extend to all repeals, either by express words or implication, whether the repeal is in the ordinance making any new provisions upon the same subject or in any other ordinance.

Nothing contained in this Chapter shall be construed as abating any action now pending under or by virtue of any general ordinance of the Village herein repealed and the provisions of all general ordinances contained in this Code shall be deemed to be continuing provisions and not a new enactment of the same provision; nor shall this Chapter be deemed as discontinuing, abating, modifying or altering any penalty accrued or to accrue, or as affecting the liability of any person, firm or corporation, or as waiving any right of the Village under any ordinance or provision thereof in force at the time of the adoption of this Code.

**1-1-11          SEVERABILITY OF PROVISIONS.** Each section, paragraph, sentence, clause and provision of this Code is severable, and if any provision is held unconstitutional or invalid for any reason, such decision shall not affect the remainder of this Code, nor any part thereof, other than that part affected by such decision.

**1-1-12** **VILLAGE CLERK'S CERTIFICATE.** The Village Clerk's Certificate shall be substantially in the following form:

- (1) Call to order by presiding officer.

- (9) Reports of Special Committees.
- (10) Presentation of communications, petitions, resolutions, orders, and ordinances by the Board of Trustees.
- (11) Unfinished business.
- (12) Miscellaneous business.

All questions relating to the priority of business shall be decided by the Chair without debate, subject to appeal.

\* **(See Section 1-2-13)**

(B) **Duties of Presiding Officer.** The presiding officer shall preserve order and decorum and may speak to points of order in preference to other Trustees, and shall decide all question of order, subject to appeal.

(C) **Duties of Members.** While the presiding officer is putting the question, no member shall walk across or out of the Board Chamber.

Every member, prior to his speaking, making a motion or seconding the same shall not proceed with his remarks until recognized and named by the Chair. He shall confine himself to the question under debate, avoiding personalities and refraining from impugning the motives of any other Trustee's argument or vote.

(D) **Visitors.** After the public comment period, no person other than a member of the Board of Trustees shall address that body on the same question unless such person has been recognized by the presiding officer.

(E) **Presentation of New Business.** When a Trustee wishes to present a communication, petition, order, resolution, ordinance or other original matter, the member shall read such matter when reached in its proper order.

(F) **Debate.** No Trustee shall speak more than once on the same question, except by consent of the presiding officer or unless **three-fourths (3/4)** of the corporate authorities agree that one's right to debate should be limited to speak only once and then not until every other Trustee desiring to speak shall have had an opportunity to do so; provided, however, that the proponent of the matter under consideration, as the case may be, shall have the right to open and close debate.

The Village Board, by motion, may limit debate. The presiding officer shall have the right to participate in debate.

While a member is speaking, no Trustee shall hold any private discussion, nor pass between the speaker and the Chair.

(G) **Call of Trustees to Order.** A Trustee, when called to order by the Chair, shall thereupon discontinue speaking and take his seat and the order or ruling of the Chair shall be binding and conclusive, subject only to the right to appeal.

(H) **Appeals from Decision of the Chair.** Any Trustee may appeal to the Board from a ruling of the Chair, and if the appeal is seconded, the Trustee making the appeal may briefly state his reason for the same, and the Chair may briefly explain his ruling; but there shall be no debate on the appeal and no other person shall participate in the discussion. The presiding officer shall have the right to participate in debate.

The Chair shall then put the question, "**Shall the decision of the Chair be sustained?**". If a majority of the Trustees present vote "**No**", the decision of the Chair shall be overruled; otherwise, it shall be sustained.

(I) **Question of Personal Privilege.** The right of a member to address the Board on a question of personal privilege shall be limited to cases in which his integrity, character, or motives are assailed, questioned or impugned.

(J) **Voting.** Every other member who shall be present when a question is stated from the Chair shall vote thereon, unless he is personally interested in the question, in which case, he shall take whatever steps are necessary to insure that his vote is not taken.

(K) **Special Order of Business.** Any matter before the Village Board may be set down as a special order of business at a time certain if **two-thirds (2/3)** of the Trustees present vote in the affirmative, but not otherwise.

(L) **Seconding of Motions Required; Written Motions.** No motion shall be put or debated in the meeting or in committee unless it be seconded. When a motion is seconded, it shall be stated by the presiding officer before debate, and every motion in the Board, except motions of procedure, shall be reduced to writing if required by a member, and the proposer of the motion shall be entitled to the floor.

(M) **Division of Questions.** If any question under consideration contains several distinct propositions, the Trustees, by a majority vote of the Trustees present may divide such question.

(N) **Record of Motions.** In all cases where a resolution or motion is entered in the journal, the name of the Trustee moving the same shall be entered also.

(O) **Announcement and Changes of Vote.** The result of all votes by yeas and nays shall not be announced by the Clerk, but shall be handed by him to the Chairman for announcement, and no vote shall be changed after the tally list has passed from the hands of the Clerk.

(P) **Precedence of Motions.** When a question is under debate, the following motions shall be in order and shall have precedence over each other in order, as listed:

- (1) To adjourn to a day certain.
- (2) To adjourn.
- (3) To take a recess.
- (4) To lay on the table.
- (5) The previous question.
- (6) To refer.
- (7) To amend.
- (8) To defer or postpone to a time certain.
- (9) To defer or postpone (without reference to time.)
- (10) To defer or postpone indefinitely.

Numbers (2), (4), and (5) to be decided without debate.

(Q) **Motions to Adjourn.** A motion to adjourn the Village Board shall always be in order, except:

- (1) When a Trustee is in possession of the floor.
- (2) While the yeas and nays are being called.
- (3) When the members are voting.
- (4) When adjournment was the last preceding motion.
- (5) When it has been decided that the previous question shall be taken.

A motion simply to adjourn shall not be subject to amendment or debate, but a motion to adjourn to a time certain shall be.

The Village Board may, at any time, adjourn over **one (1)** or more regular meetings on a vote of a majority of all the Trustees authorized by law to be elected.

(R) **Previous Question.** When the previous question is moved on the main question and seconded, it shall be put on this form: "**Shall the main question now be put?**". If such motion be carried, all further amendments and all further motions and debate shall be excluded, and the question put without delay upon the pending amendment in proper order and then upon the main question.

(S) **Motions to Lay on the Table and to Take From the Table.** A motion simply to lay the question on the table shall not be debatable, but a motion to lay on the table and publish, or with any other condition shall be subject to amendment and debate.

A motion to take any motion or other proposition from the table may be proposed at the same meeting at which such motion or proposition was laid upon the table, provided **two-thirds (2/3)** of the Trustees vote therefor.

A motion to lay any particular motion or proposition on the table shall apply to that motion or proposition only. An amendment to the main question or other pending question may be laid on the table and neither the main question nor such other pending question shall be affected thereby.

(T) **Indefinite Postponement; Motion to Defer or Postpone Without Any Reference to Time.** When consideration of a motion or other proposition is postponed indefinitely, it shall not be again taken up at the same meeting.

A motion to postpone indefinitely shall not open the main question to debate.

A motion to defer or postpone without any reference to time shall not be construed as a motion to postpone indefinitely, but shall be considered to be of the same general nature and to possess the same general attributes so far as applicable under these rules, as a motion to postpone indefinitely or to a time certain.

(U) **Motion to Refer.** A motion to refer to a standing committee shall take precedence over a similar motion to refer to a special committee.

(V) **Motion to Amend.** A motion to amend an amendment shall be in order, but one to amend an amendment to an amendment shall not be entertained.

An amendment modifying the intention of a motion shall be in order; but an amendment relating to a different subject shall not be in order.

On an amendment to "**Strike Out and Insert**", the paragraph to be amended shall first be read as it stands, then the words proposed to be stricken out, then those to be inserted, and finally, the paragraph as it will stand if so amended shall be read.

An amendment to the main question or other pending questions may be referred to a committee and neither the main question nor such other pending question shall be affected thereby.

(W) **Filling of Blanks.** When a blank is to be filled and different sums or times proposed, the question shall be taken first on the least sum or the longest time.

(X) **Motion to Substitute.** A substitute for any original proposition under debate or for any pending amendment or such proposition may be entertained notwithstanding that at such time, further amendment is admissible; and if accepted by the Trustees by a vote shall entirely supersede such original proposition or amendment, as the case may be, and cut off all amendments appertaining thereto.

(Y) **Reconsideration.** A vote or question may be reconsidered at any time during the same meeting, or at the first regular meeting held thereafter. A motion for reconsideration having been once made and decided in the negative shall not be renewed, nor shall a motion to reconsider be reconsidered.

A motion to reconsider must be made and seconded by Trustees who voted on the prevailing side of the question to be reconsidered, unless otherwise provided by law; provided, however, that where a motion has received a majority vote in the affirmative, but is declared lost solely on the ground that a greater number of affirmative votes is required by statute for the passage or adoption of such motion, then in such case, a motion to reconsider may be made and seconded only by those who voted in the affirmative on such question to be reconsidered.

(Z) **Adoption of Robert's "Rules of Order Revised".** The rules of parliamentary practice comprised in the latest published edition of **Robert's "Rules of Order Revised"** shall govern the Board in all cases to which they are applicable and in which they are not inconsistent with the special rules of the Board.

(AA) **Temporary Suspension of Rules - Amendment of Rules.** These rules may be temporarily suspended by a vote of **two-thirds (2/3)** of the corporate authorities entitled by law to be elected and shall not be repealed, altered or amended, unless by concurrence of **two-thirds (2/3)** of all the corporate authorities entitled by law to be elected.

(BB) **Censure of Trustees - Expulsion of Trustees.** Any Trustee acting or appearing in a lewd or disgraceful manner, or who uses opprobrious, obscene and insulting language to or about any member of the Board, or who does not obey the order of the Chair, shall be, on motion, censured by a majority vote of the members present, or expelled by a **two-thirds (2/3) vote** of all Trustees elected. **(See 65 ILCS 5/3.1-40-15)**

**1-2-12** **AGENDA.** An itemized agenda, along with all necessary supporting documentation shall be furnished to each member of the Village Board no later than **forty-eight (48) hours** prior to the regular Village Board meeting. In the case of matters of emergency which could not have been reasonably foreseen in sufficient time to comply with this section, a revised agenda shall be furnished to each member of the Village Board prior to the opening of the Board meeting. The final agenda shall be the only agenda posted for public viewing. **(See 5 ILCS 120/2.02)**

**1-2-13** **ADDRESS BY NON-MEMBERS.**

(A) **Public Comment Request.** Any person not a member of the Village Board may address the Village Board with regard to items of proposed business under the following rules:

- (1) He or she shall rise (if not physically impaired) and state his or her name for the record and unless further time is granted by the Board to limit remarks to **five (5) minutes**. All remarks shall be addressed to the Village Board, not to any member thereof.
- (2) No person other than the Board member recognizing the individual addressing the Board and the person having the floor shall be permitted to enter into any discussion directly or through a member of the Board without the permission of the Mayor. No questions shall be asked of a Trustee except through the Mayor. Any person making personal or impertinent remarks or who shall become disruptive addressing the Village Board shall be forthwith evicted from the Board room by the Mayor.

(B) **Auxiliary Aid or Service.** The Village shall take appropriate steps to ensure that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications with orders.

(1) The Village shall furnish appropriate auxiliary aid(s) and service(s) where necessary to afford qualified individuals with disabilities including applicants, participants, companions, and members of the public, an equal opportunity to participate in, and enjoy the benefits, of a service, program, or activity of the Village.

(2) Auxiliary aids and services shall be provided in a timely manner.

(3) Individuals shall notify the Village Clerk **fourteen (14) days** in advance specifying the appropriate auxiliary aids or services required. **(See Addendum "B", Request for Auxiliary Aid(s) and/or Services)**

(C) The chief of Police or his authorized designee shall be the Sergeant at Arms at the Board meetings. He or she shall carry out all orders and instructions of the Mayor for the purposes of maintaining order and decorum. The Sergeant at Arms shall remove any person violating order and decorum of the meeting. Such removal may be accompanied by further prosecution for any violation of any ordinance under this Code. **[See 5 ILCS 120/2.06]**

### **DIVISION III - ORDINANCES**

#### **1-2-14 ORDINANCES.**

(A) **Attorney.** It shall be the duty of the Village Attorney to review such ordinances as may be required by the Village Board.

(B) **Introduced.** When a proposed ordinance is introduced, it shall be read one time by title only and referred to the proper committee unless the Board of Trustees shall otherwise specifically direct.

(C) **Vote required-Yeas and Nays Record.** The passage of all ordinances for whatever purpose, and of any resolution or motion (1) to create any liability against a Village or (2) for the expenditure or appropriation of its money, shall require the concurrence of a majority of all members then holding office on the Village Board, including the Mayor, unless otherwise expressly provided by the Code or any other act governing the passage of any ordinance, resolution, or motion; provided that, where the Board consists of an odd number of Trustees, the vote of the majority of the trustees shall be sufficient to pass an ordinance. The yeas and nays shall be taken upon the question of the passage of the designated ordinances, resolutions, or motions and recorded in the journal of the Village Board. In addition, the corporate authorities at any meeting may by unanimous consent to take a single vote by yeas or nays on the several questions of the passage on any **two (2)** or more of the designated ordinances, orders, resolutions or motions placed together for voting purposes in a single group. The single vote shall be entered separately in the journal under the designation "omnibus vote", and in such event the Village Clerk may enter the words "omnibus vote" or "consent agenda" in the journal in each case in lieu of entering names of the members of Village Board voting "yea" and of those voting "nay" on the passage of each of the designated ordinances, orders, resolutions and motions included in such omnibus group or consent agenda. The taking of such single or omnibus vote and such entries of the words "omnibus vote" or "consent agenda" in the journal shall be a sufficient compliance with the requirements of this Section to all intents and purposes and with like effect as if the vote in each case had been separately by yeas and nays on the question of the passage of each ordinance, order, resolution and motion included in such omnibus group, and separately recorded in the journal. Likewise, the yeas and nays shall be taken upon the question of the passage of any other resolution or motion at the request of any trustee and shall be recorded in the journal. **(See 65 ILCS Sec. 5/3.1-40-40)**

(D) **Ordinances - Approval-Veto.** All resolutions and motions (1) which create any liability against the Village, or (2) that provide for the expenditure or appropriation of its money, or (3) to sell any Village property, and all ordinances, passed by the Village Board shall be deposited with the Village Clerk. If the Mayor approves an ordinance or resolution, the Mayor shall sign it. Those ordinances, resolutions and motions which the Mayor disapproves shall be returned to the Village Board, with the Mayor's written objections, at the next regular meeting of the Village Board occurring not less than **five (5) days** after their passage. The Mayor may disapprove of any **one (1)** or more sums appropriated in any ordinance, resolution, or motion making an appropriation, and, if so, the remainder shall be effective. However, the Mayor may disapprove entirely of an ordinance, resolution, or motion making an appropriation. If the Mayor fails to return any ordinance or any specified resolution or motion with his written objections, within the designated time, it shall become effective despite the absence of the Mayor's signature. **(See 65 ILCS 5/3.1-40-45)**

**1-2-15**            **RECONSIDERATION--PASSING OVER VETO.** Every resolution and motion, specified in **Section 1-2-14** and every ordinance, that is returned to the Village Board by the Mayor shall be reconsidered by the Village Board at the next regular meeting following the regular meeting at which the Village Board receives the Mayor's written objection. If, after reconsideration, **two-thirds (2/3)** of all the Trustees then holding office on the Village Board agree at that regular meeting to pass an ordinance, resolution, or motion, notwithstanding the Mayor's refusal to approve it, then it shall be effective. The vote on the question of passage over the Mayor's veto shall be by yeas and nays, and shall be recorded in the journal. **(See 65 ILCS 5/3.1-40-50)**

**1-2-16**            **NO VOTE TO BE RECONSIDERED AT SPECIAL MEETING.** No vote of the Village Board shall be reconsidered or rescinded at a special meeting unless there are present at the special meeting at least as many Village Trustees as were present when the vote was taken. **(See 65 ILCS 5/3.1-40-55)**

**1-2-17**            **RESERVED.**

#### **DIVISION IV - GENERAL PROVISIONS**

**1-2-18**            **CORPORATE SEAL.**  
(A)                The Corporate Seal of the Village shall be the same as that heretofore provided and used by the Village. It shall be circular in form, with the words, "**Village of Beckemeyer, Clinton County, Illinois**" in the exterior circle, and the words "**Organized Seal**" and the date "**1905**" in the center. **(See 65 ILCS 5/2-2-12)**

(B)                The Corporate Seal shall be used as such seal in all cases provided for by law or by the ordinances of the Village and in all other cases in which, by law and custom, it is usual and necessary for the corporation to use a seal. **INTERESTS IN CONTRACTS PROHIBITED.**

(A) A municipal officer shall not be financially interested directly in the officer's own name or indirectly in the name of any other person, association, trust, or corporation, in any contract, work, or business of the municipality or in the sale of any article whenever the expense, price, or consideration of the contract, work, business, or sale is paid either from the treasury or by an assessment levied by statute or ordinance. A municipal officer shall not be interested, directly or indirectly, in the purchase of any property that (1) belongs to the municipality, (2) is sold for taxes or assessments, or (3) is sold by virtue of legal process at the suit of the municipality. For the purposes of this Section only, however, a municipal officer shall not be deemed interested if the officer is an employee of a company or owns or holds an interest of **one percent (1%)** or less in the municipal officer's individual name in a company, or both, that company is involved in the transaction of business with the municipality, and that company's stock is traded on a nationally recognized securities market, provided the interested member (i) publicly discloses the fact that he or she is an employee or holds an interest of **one percent (1%)** or less in a company before deliberation of the proposed award of the contract; (ii) refrains from evaluating, recommending, approving, deliberating, or otherwise participating in the negotiation, approval, or both, of the contract, work, or business; (iii) abstains from voting on the award of the contract though he or she shall be considered present for purposes of establishing a quorum; and (iv) the contract is approved by a majority vote of those members currently holding office.

A municipal officer shall not be deemed interested if the officer owns or holds an interest of **one percent (1%)** or less, not in the officer's individual name but through a mutual fund or exchange-traded fund, in a company, that company is involved in the transaction of business with the municipality, and that company's stock is traded on a nationally recognized securities market.

This Section does not prohibit any person serving on a municipal advisory panel or commission or nongoverning board or commission from having an interest in a contract, work, or business of the municipality unless the municipal officer's duties include evaluating, recommending, approving, or voting to recommend or approve the contract, work, or business.

(B) **Exceptions.** Any elected or appointed member of the governing body may, however, provide materials, merchandise, property, services, or labor, subject to the following provisions under either (1) or (2):

  - (b) the interested member publicly discloses the nature and extent of the interest before or during deliberations concerning the proposed award of the contract;
  - (c) the interested member abstains from voting on the award of the contract (though the member shall be considered present for the purposes of establishing a quorum);
  - (d) the contract is approved by a majority vote of those members presently holding office;
  - (e) the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the contract exceeds **One Thousand Five Hundred Dollars (\$1,500.00)** (but the contract may be awarded without bidding if the amount is less than **One Thousand Five Hundred Dollars (\$1,500.00)**); and
  - (f) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed **Twenty-Five Thousand Dollars (\$25,000.00)**.

- (2) If:
- (a) the award of the contract is approved by a majority vote of the governing body of the municipality (provided that the interested member shall abstain from voting);
  - (b) the amount of the contract does not exceed **Two Thousand Dollars (\$2,000.00)**;
  - (c) the award of the contract would not cause the aggregate amount of all contracts so awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed **Four Thousand Dollars (\$4,000.00)**;
  - (d) the interested member publicly discloses the nature and extent of his interest before or during deliberations concerning the proposed award of the contract; and
  - (e) the interested member abstains from voting on the award of the contract (though the member shall be considered present for the purposes of establishing a quorum).
- (3) In addition to the above exemptions, any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:
- (a) the contract is with a person, firm, partnership, association, corporation, or cooperative association in which the interested member of the governing body of the municipality, advisory panel, or commission has less than a **one percent (1%)** share in the ownership; and
  - (b) the award of the contract is approved by a majority vote of the governing body of the municipality provided that any such interested member shall abstain from voting; and
  - (c) such interested member publicly discloses the nature and extent of his interest before or during deliberations concerning the proposed award of the contract; and
  - (d) such interested member abstains from voting on the award of the contract, though he shall be considered present for the purposes of establishing a quorum.

(C) A contract for the procurement of public utility services by a municipality with a public utility company is not barred by this Section by one or more members of the governing body being an officer or employee of the public utility company, or holding an ownership interest in no more than **seven and one-half percent (7 ½%)** in the public utility company, or holding an ownership interest of any size if the municipality has a population of less than **seven thousand five hundred (7,500)** and the public utility's rates are approved by the Illinois Commerce Commission. An elected or appointed member of the governing body or a nongovernmenting board or commission having an interest described in this subsection (D) does not have a prohibited interest under this Section.

(D) An officer who violates this Section is guilty of a Class 4 felony. In addition, any officer held by an officer so convicted shall become vacant and shall be so declared as part of the judgment of the court.

(E) Nothing contained in this Section, including the restrictions set forth in subsections (B) and (C), shall preclude a contract of deposit of moneys, loans, or other financial services by a municipality with a local bank or local savings and loan association, regardless of whether a member of the governing body of the municipality is interested in the bank or savings and loan association as an officer or employee or as a holder of less than **seven and one-half percent (7 ½%)** of the total ownership interest. A member holding an interest described in this subsection (E) in a contract does not hold a prohibited interest for purposes of this Act. The interested member of the governing body must publicly state the nature and extent of the interest during deliberations concerning the proposed award of the contract but shall not participate in any further deliberations concerning the proposed award. The interested member shall not vote on the proposed award. A member abstaining from participation in

deliberations and voting under this Section may be considered present for purposes of establishing a quorum. Award of the contract shall require approval by a majority vote of those members presently holding office. Consideration and award of a contract in which a member is interested may only be made at a regularly scheduled public meeting of the governing body of the municipality.

(F) Notwithstanding any other provision of this Section or any other law to the contrary, until January 1, 1994, a member of the city council of a municipality with a population under **twenty thousand (20,000)** may purchase real estate from the municipality, at a price of not less than **one hundred percent (100%)** of the value of the real estate as determined by a written MAI certified appraisal or by a written certified appraisal of a State certified or licensed real estate appraiser, if the purchase is approved by a unanimous vote of the city council members then holding office (except for the member desiring to purchase the real estate, who shall not vote on the question).

(G) Under either of the following circumstances, a municipal officer may hold a position on the board of a not-for-profit corporation that is interested in a contract, work, or business of the municipality:

- (1) If the municipal officer is appointed by the governing body of the municipality to represent the interests of the municipality on a not-for-profit corporation's board, then the municipal officer may actively vote on matters involving either that board or the municipality, at any time, so long as the membership on the not-for-profit board is not a paid position, except that the municipal officer may be reimbursed by the not-for-profit board for expenses incurred as the result of membership on the not-for-profit board.
- (2) If the municipal officer is not appointed to the governing body of a not-for-profit corporation by the governing body of the municipality, then the municipal officer may continue to serve; however, the municipal officer shall abstain from voting on any proposition before the municipal governing body directly involving the not-for-profit corporation and, for those matters, shall not be counted as present for the purposes of a quorum of the municipal governing body.

## DIVISION V - VACANCIES

**1-2-40**      **VACANCY BY RESIGNATION.** A resignation is not effective unless it is in writing, signed by the person holding the elective office, and notarized.

(A)      **Unconditional Resignation.** An unconditional resignation by a person holding the elective office may specify a future date, not later than **sixty (60) days** after the date the resignation is received by the officer authorized to fill the vacancy, at which time it becomes operative, but the resignation may not be withdrawn after it is received by the officer authorized to fill the vacancy. The effective date of a resignation that does not specify a future date at which it becomes operative is the date the resignation is received by the officer authorized to fill the vacancy. The effective date of a resignation that has a specified future effective date is that specified future date or the date the resignation is received by the officer authorized to fill the vacancy, whichever date occurs later.

(B)      **Conditional Resignation.** A resignation that does not become effective unless a specified event occurs can be withdrawn at any time prior to the occurrence of the specified event, but if not withdrawn, the effective date of the resignation is the date of the occurrence of the specified event or the date the resignation is received by the officer authorized to fill the vacancy, whichever date occurs later.

The date of the death may be established by the date shown on the death certificate. A vacancy occurs in an office by permanent physical or mental disability rendering the person incapable of performing the duties of the office. The corporate authorities have the authority to make the determination whether an officer is incapable of performing the duties of the office because of a permanent physical or mental disability. A finding of mental disability shall not be made prior to the appointment by a court of a guardian ad litem for the officer or until a duly licensed doctor certifies, in writing, that the officer is mentally impaired to the extent that the officer is unable to effectively perform the duties of the office. If the corporate authorities find that an officer is incapable of performing the duties of the office due to permanent physical or mental disability, that person is removed from the office and the vacancy of the office occurs on the date of the determination.

**1-2-42**      **VACANCY BY OTHER CAUSES.**

(A)      **Abandonment and Other Causes.** A vacancy occurs in an office by reason of abandonment of office; removal from office; or failure to qualify; or more than temporary removal of residence from the Municipality, as the case may be. The corporate authorities have the authority to determine whether a vacancy under this Section has occurred. If the corporate authorities determine that a vacancy exists, the office is deemed vacant as of the date of that determination for all purposes including the calculation under **Sections 1-2-44 or 1-2-45.**

(B)      **Guilty of a Criminal Offense.** An admission of guilt of a criminal offense that upon conviction would disqualify the municipal officer from holding the office, in the form of a written agreement with State or federal prosecutors to plead guilty to a felony, bribery, perjury, or other infamous crime under State or federal law, constitutes a resignation from that office, effective on the date the plea agreement is made. For purposes of this Section, a conviction for an offense that disqualifies a municipal officer from holding that office occurs on the date of the return of a guilty verdict or, in the case of a trial by the court, on the entry of a finding of guilt.

(C) **Election Declared Void.** A vacancy occurs on the date of the decision of a competent tribunal declaring the election of the officer void.

**1-2-43 ELECTION OF AN ACTING MAYOR.** The election of an acting Mayor pursuant to **Section 1-2-45 or 1-2-46** does not create a vacancy in the original office of the person on the Village Board, unless the person resigns from the original office following election as acting Mayor. If the person resigns from the original office following election as acting Mayor, then the original office must be filled pursuant to the terms of this Section and the acting Mayor shall exercise the powers of the Mayor and shall vote and have veto power in the manner provided by law for a Mayor. If the person does not resign from the original office following election as acting Mayor, then the acting Mayor shall exercise the powers of the Mayor but shall be entitled to vote only in the manner provided for as the holder of the original office and shall not have the power to veto. If the person does not resign from the original office following election as acting Mayor, and if that person's original term of office has not expired when a Mayor is elected and has qualified for office, the acting Mayor shall return to the original office for the remainder of the term thereof.

**1-2-44 APPOINTMENT TO FILL TRUSTEE VACANCY.** An appointment by the Mayor or acting Mayor, as the case may be, of a qualified person as described in **Section 1-2-23** of this Code to fill a vacancy in the office of Trustee must be made within **sixty (60) days** after the vacancy occurs. Once the appointment of the qualified person has been forwarded to the corporate authorities, the corporate authorities shall act upon the appointment within **thirty (30) days**. If the appointment fails to receive the advice and consent of the corporate authorities within **thirty (30) days**, the Mayor or acting Mayor shall appoint and forward to the corporate authorities a second qualified person as described in **Section 1-2-23**. Once the appointment of the second qualified person has been forwarded to the corporate authorities, the corporate authorities shall act upon the appointment within **thirty (30) days**. If the appointment of the second qualified person also fails to receive the advice and consent of the corporate authorities, then the Mayor or acting Mayor, without the advice and consent of the corporate authorities, may make a temporary appointment from those persons who were appointed but whose appointments failed to receive the advice and consent of the corporate authorities. The person receiving the temporary appointment shall serve until an appointment has received the advice and consent and the appointee has qualified or until a person has been elected and has qualified, whichever first occurs.

**1-2-45 ELECTION TO FILL VACANCIES IN MUNICIPAL OFFICES WITH FOUR (4) YEAR TERMS.** If a vacancy occurs in an elective municipal office with a **four (4) year term** and there remains an unexpired portion of the term of at least **twenty-eight (28) months**, and the vacancy occurs at least **one hundred thirty (130) days** before the general municipal election next scheduled under the general election law, then the vacancy shall be filled for the remainder of the term at that general municipal election. Whenever an election is held for this purpose, the Village Clerk shall certify the office to be filled and the candidates for the office to the proper election authorities as provided in the general election law. If a vacancy occurs with less than **twenty-eight (28) months** remaining in the unexpired portion of the term or less than **one hundred thirty (130) days** before the general municipal election, then:

(A) **Mayor.** If the vacancy is in the office of Mayor, the vacancy must be filled by the corporate authorities electing one of their members as acting Mayor. Except as set forth in **Section 1-2-43**, the acting Mayor shall perform the duties and possess all the rights and powers of the Mayor until a Mayor is elected at the next general municipal election and has qualified. However, in villages with a population of less than **five thousand (5,000)**, if each of the trustees either declines the election as acting Mayor or is not elected by a majority vote of the trustees presently holding office, then the trustees may elect, as acting Mayor, any other Village resident who is qualified to hold municipal office, and the acting Mayor shall exercise the powers of the Mayor and shall vote and have veto power in the manner provided by law for a Mayor.

(B) **Trustee.** If the vacancy is in the office of Trustee, the vacancy must be filled by the Mayor or acting Mayor, as the case may be, in accordance with **Section 1-2-44.**

(C) **Other Elective Office.** If the vacancy is in any elective municipal office other than Mayor or Trustee, the Mayor or acting Mayor, as the case may be, must appoint a qualified person to hold the office until the office is filled by election, subject to the advice and consent of the Board of Trustees, as the case may be.

**1-2-46** **VACANCIES DUE TO ELECTION BEING DECLARED VOID.** In cases of vacancies arising by reason of an election being declared void pursuant to **Section 1-2-42(C)**, persons holding elective office prior thereto shall hold office until their successors are elected and qualified or appointed and confirmed by advice and consent, as the case may be.

**1-2-47** **OWING A DEBT TO THE MUNICIPALITY.** A vacancy occurs if a municipal official fails to pay a debt to a municipality in which the official has been elected or appointed to an elected position subject to the provisions of **65 ILCS 5/3.1-10-50(C)(4).**

The Mayor shall report the reasons for the removal to the corporate authorities at a meeting to be held not less than **five (5) days** nor more than **ten (10) days** after the removal. If the Mayor fails or refuses to report to the corporate authorities the reasons for the removal, or if the corporate authorities by a **two-thirds (2/3) vote** of all members authorized by law to be elected disapprove of the removal, the officer thereupon shall be restored to the office from which the officer was removed. **4-1-1**            **ESTABLISHED.** A Plan Commission is hereby created under authority of the **Illinois Compiled Statutes, Chapter 65, Sections 5/11-12-4 through 5/11-12-12.**

**4-1-2**            **MEMBERSHIP.** The Plan Commission shall consist of **seven (7) members;** said members to be residents of the Village, appointed by the Mayor and the Village Board, on the basis of their particular fitness for their duty on the Plan Commission and subject to the approval of the Village Board.

**4-1-3**            **TERM OF OFFICE.** The members shall serve for a period of **five (5) years.** Vacancies shall be filled by appointment for the unexpired term only. All members of the Commission shall serve without compensation, except that if the Board deems it advisable, they may receive such compensation as provided by the Village Board by appropriation.

**4-1-4**            **PROCEDURE.** The Plan Commission shall elect such officers as it may deem necessary and adopt rules and regulations of organization and procedure consistent with the Village Code and State Law. The Commission shall keep written records of its proceedings. It shall be open at all times for and to the inspection of the public, and the Commission shall file an annual report with the Mayor and Village Board, setting forth its transactions and recommendations.

**4-1-5**            **POWERS AND DUTIES.** The Plan Commission shall have the following powers and duties:

(A)                To prepare and recommend to the Village Board a comprehensive plan for the present and future development or redevelopment of the Village and contiguous unincorporated territory not more than **one and one-half (1 1/2) miles** beyond the corporate limits of the Village and not included in any other municipality. Such plan may be adopted in whole or in separate geographical or functional parts, each of which, when adopted, shall be the official comprehensive plan or part thereof of the Village. Such plan shall be advisory, except as to such part thereof as has been implemented by ordinances duly enacted by the Village Board.

All requirements for public hearing, filing of notice of adoption with the County Recorder of Deeds, and filing of the plan and ordinances with the Village Clerk shall be complied with as provided for by law. To provide for the health, safety, comfort, and convenience of the inhabitants of the Village and contiguous territory, such plan or plans shall establish reasonable standards of design for subdivisions and for resubdivisions of unimproved land and of areas subject to redevelopment in respect to public improvements as herein defined and shall establish reasonable requirements governing the location, width, course, and surfacing of public streets and highways, alleys, ways for public service facilities, curbs, gutters, sidewalks, street lights, parks, playgrounds, school grounds, size of lots to be used for residential purposes, storm water drainage, water supply and distribution, sanitary sewers, and sewage collection and treatment. (B)                To designate land suitable for annexation to the Village and the recommended zoning classification for such land upon annexation.

(C)                To recommend to the Village Board, from time to time, such changes in the comprehensive plan or any part thereof, as may be deemed necessary.

**4-1-6** **LAND SUBDIVISION OR RE-SUBDIVISION AND THE OFFICIAL MAP.** At any time or times before or after the formal adoption of the official comprehensive plan by the corporate authorities, an official map may be designated by ordinance, which may consist of the whole area included within the official comprehensive plan or one or more geographical or functional parts and may include all or any part of the contiguous unincorporated area within **one and one-half (1 1/2) miles** from the corporate limits of the Village. All requirements for public hearing, filing notice of adoption with the County Recorder of Deeds and filing of the plan and ordinances, including the official map with the Clerk shall be complied with as provided for by law. No map or plat of any subdivision or re-subdivision presented for record affecting land within the corporate limits of the Village or within contiguous territory which is not more than **one and one-half (1 1/2) miles** beyond the corporate limits shall be entitled to record or shall be valid unless the subdivision shown thereon provides for standards of design and standards governing streets, alleys, public ways, ways for public service facilities, street lights, public grounds, size of lots to be used for residential purposes, and distribution, sanitary sewers, and sewage collection and treatment in conformity with the applicable requirements of the Code, including the official map. **(See 65 ILCS 5/11-12-12)**

## CHAPTER 7

### BUSINESS CODE

#### ARTICLE I - ADMINISTRATION

##### **7-1-1            APPLICATIONS.**

(A) Applications for all licenses and permits required by this Chapter shall be made in writing to the Village Clerk in the absence of provision to the contrary.

- (B) Each application shall contain:
- (1) the name of the applicant;
  - (2) the permit or license desired;
  - (3) the location to be used, if any;
  - (4) Zoning district, if any;
  - (5) the time covered; and
  - (6) the fee to be paid.

(C) Each application shall also contain the number the Certificates of Registration required under the Retailer's Occupation Tax Act, Service Occupation Tax Act, and/or Use Tax Act, if applicable. Each application shall contain such additional information as may be needed for the proper guidance of the municipal officials in the issuing of the license or permit applied for.

**7-1-2            PERSONS SUBJECT TO LICENSE.** Whenever a license or permit is required in this Code or in any municipal ordinance for the maintenance, operation, or conduct of any business or establishment, or for doing business or engaging in any activity or occupation, any person, firm, or corporation shall be subject to the requirement if by himself or itself, or through an agent, employee or partner, he or it is held forth as being engaged in the business, activity or occupation, or if he or it solicits patronage therefor actively or passively; or if he or it performs or attempts to perform any part of such business, activity or occupation in this Municipality.

**7-1-3            FORM OF LICENSE.** Every license shall be signed by the Mayor and attested by the Clerk under the corporate seal, and no license shall be valid until signed and countersigned as aforesaid, nor shall any person be deemed to be licensed until the same shall have been issued to him in due form.

##### **7-1-4            INVESTIGATIONS.**

(A) Upon the receipt of an application for a license or permit, where an investigation or inspection is required by ordinance before the issuance of such permit or license, or where an inspection or investigation shall be deemed reasonably necessary or appropriate, the Clerk, within **forty-eight (48) hours** shall refer the application to the appropriate official(s) for the making of such investigation or inspection,

(B) The official(s) to whom the application has been referred shall make a report thereon, favorable or otherwise within **ten (10) days** after receiving such application or a copy thereof.

(C) The Chief of Police or the County Health Department shall make or cause to be made an inspection regarding such permits and licenses as relate to the care and handling of food, the prevention of nuisances and the spread of disease, and the protection of health. **[If a Zoning Code is in effect, the Zoning Administrator shall make or cause to be made any inspections which relate to compliance with the Zoning Code and other related regulations.]** All other investigations, except where otherwise provided, shall be made by the Chief of Police or by some other officer designated by the Mayor.

(D) Upon receipt of all related investigative reports, the Clerk shall forward such reports, together with the application, to the Mayor for evaluation and determination.

(E) If it shall appear to the Mayor that the matters and circumstances relating to an application require further information before a proper determination can be made, such application shall be returned to the Clerk for the inclusion of such additional information as may be specified necessary and appropriate.

(F) If, after due consideration of the information contained with the application and the related investigative reports, the Mayor shall determine that the matters concerning the application are unsatisfactory, he may disapprove such application, indicating the reasons therefor. Thereupon, the Clerk shall be directed to promptly notify the applicant that his application is disapproved and that no license or permit will be issued.

(G) If, after due consideration of the information contained within the application and the related investigative reports, the Mayor shall determine that the application is satisfactory, he shall approve the application. Thereupon, the Clerk shall be directed to promptly notify the applicant that his application is approved, and the license or permit may be issued.

**7-1-5 FEES.** In the absence of provision to the contrary, all fees and charges for licenses or permits shall be paid in advance at the time application therefor is made to the Clerk in the amounts prescribed by the corporate authorities. When an applicant has not engaged in the business or activity until after the expiration of the current license year, the license fee shall be prorated by quarters and the fee paid for each quarter or fraction thereof during which the business or activity has been or will be conducted. Except as otherwise provided, all license and permit fees shall become a part of the corporate fund. In no event shall any rebate or refund be made of any license or permit fee, or part thereof, by reason of death or departure of the licensee or permittee; nor shall any rebate or refund be made by reason of non-use of the license or discontinuance of the operation or conduct of the licensed establishment, business or activity.

**7-1-6 TERMINATION OF LICENSES.** All annual licenses shall be operative and the license year for this Municipality shall commence on **May 1<sup>st</sup> of each year** and shall terminate on **April 30<sup>th</sup>** of the following year, where no provision to the contrary is made.

The Clerk shall notify all licensees of this Municipality of the time of expiration of the license held by the licensee (if an annual), **three (3) weeks** prior to the date of such expiration. Provided, however, that a failure to make such notification or the failure of the licensee to receive it shall not excuse the licensee from the obligation to obtain a new licensee or a renewal thereof, nor shall it be a defense in an action based upon operation without a license.

**7-1-7 BUILDING AND PREMISES.** No license shall be issued for the conduct of any business, and no permit shall be issued for any purpose or activity, if the premises and building to be used for the purpose do not fully comply with all applicable ordinances and regulations of this Municipality and the State of Illinois. No such license or permit shall be issued for the conduct of any business or performance of any act which would involve a violation of this Code and/or other applicable regulations of this Municipality. **(See Chapter 40 - Zoning Code)**

**7-1-8 CHANGE OF LOCATION.** The location of any licensed business or occupation, or the location of any permitted act may be changed, provided that **ten (10) days** notice thereof is given to the Clerk, in the absence of any provision to the contrary; provided further, however, that all applicable ordinances and regulations of this Municipality shall be complied with. **(See Chapter 40 - Zoning Code)**

**7-1-9 LOCATION.** No license for the operation of a business or establishment in this Municipality shall be construed to permit the operation of a licensed business or establishment in more than **one (1) location** in this Municipality; a separate license shall be required for each location of a

licensed establishment. For the purpose of this Code, the existence of a single location shall be evidenced by the fact that all buildings containing the principal or accessory uses shall be connected or shall be located on the same lot or parcel; shall be operated and managed by the same person or owner; and shall be an establishment with the same classification.

**7-1-10            NUISANCES PROHIBITED.**

**7-1-10.1        GENERALLY.** No business or establishment, whether licensed or not, shall be so conducted or operated as to constitute a nuisance in fact, and no building, vehicle or structure, yard, lot, premises or part thereof shall be used, kept, maintained, or operated in connection with any business or establishment so as to occasion any nuisance or so as to be dangerous to life or detrimental to health.

**[ED. NOTE: The County Health Department should be consulted.]**

**7-1-11            INSPECTIONS.**

(A)            Whenever inspections of the premises for or in connection with the operation of a licensed business or occupation are provided for or required by ordinance or are reasonably necessary to assure compliance with the provisions of any ordinance or regulation of this Municipality, or to detect violations thereof, it shall be the duty of the licensee or the person in charge of the premises to admit thereto, for the purpose of making the inspection, any officer or employee of this Municipality who is duly authorized to make such inspection at any reasonable time that such admission or entry is requested.

(B)            Whenever an analysis of any commodity or material is reasonably necessary to assure compliance with the provisions of any ordinance or regulation, or to detect violations thereof, it shall be the duty of the licensee or the person in charge of the premises to give to any duly authorized officer or employee of this Municipality requesting the same, sufficient samples of such material or commodity for such analysis upon official request.

(C)            In addition to any other penalty which may be provided, the Mayor may revoke the license of any owner or operator of a licensed business in this Municipality who refuses to permit any

duly authorized officer or employee to make such inspection or to take adequate sample(s) of said commodity, or who interferes with such officer or employee while in the performance of his duties; provided, however, that no license shall be subject to revocation for such cause unless such officer or employee has been refused permission to enter upon the premises in the name of this Municipality after having first presented a warrant authorizing such entry.

**7-1-12                    SUSPENSION, REVOCATION OF LICENSE OR PERMIT.**

**7-1-12.1                NUISANCE.** When the conduct or operation of any business or establishment, whether or not licensed, shall constitute a nuisance in fact and a clear and present danger to the public health, safety or general welfare, the Mayor shall be authorized to summarily order the cessation of business, the closing of the premises, and the suspension of any license or permit for a period not to exceed **ten (10) days.**

**7-1-12.2                HEARING.** Within **eight (8) days** after he has so acted, the Mayor shall call a hearing for the purpose of determining whether or not the license or permit should be revoked.

**7-1-12.3                REVOCATION.** Licenses and permits issued in this Municipality, unless otherwise provided, may be revoked by the Mayor after notice and hearing as provided in **Subsections 7-1-12.4** and **7-1-12.5** of this Section for any of the following causes:

- (E) Refusal to permit an inspection or sampling, or any interference with a duly authorized officer or employee in the performance of his duties in making such inspections, as provided in **Section 7-1-11.**

Such revocation, if ordered, shall not preclude prosecution and imposition of any other penalties provided for the violation of other applicable Code regulations of this Municipality.

**7-1-12.4                HEARING NOTICE.** Notice of the hearing for revocation of a license or permit shall be given in writing setting forth specifically the grounds of the complaint and the time and place of the hearing. Such notice shall be sent by certified mail [return receipt requested] to the licensee or permittee at his last known address at least **five (5) days** prior to the date set for the hearing.

**7-1-12.5                COUNSEL.** At the hearing, the attorney for the Municipality shall present the complaint and shall represent the Municipality. The licensee or permittee shall be permitted counsel and shall have the right to submit evidence and cross-examine witnesses. The Mayor shall preside and shall render the decision.

The Mayor shall thereupon set the time and place for a hearing on such appeal and notice of such hearing shall be given to the applicant or licensee or permittee in the same manner as provided in **Section 7-1-12** hereof. ## CHAPTER 8

### CABLE TELEVISION

#### ARTICLE I – CABLE/VIDEO SERVICE PROVIDER FEE

**8-1-1**            **DEFINITIONS.** As used in this Article, the following terms shall have the following meanings:

(A)            **"Cable Service"** means that term as defined in 47 U.S.C. § 522(6).  
(B)            **"Commission"** means the Illinois Commerce Commission.  
(C)            **"Gross Revenues"** means all consideration of any kind or nature, including, without limitation, cash, credits, property, and in-kind contributions received by the holder for the operation of a cable or video system to provide cable service or video service within the holder's cable service or video service area within the Village.

- (1) Gross revenues shall include the following:
- (a) Recurring charges for cable or video service.
  - (b) Event-based charges for cable service or video service, including, but not limited to, pay-per-view and video-on-demand charges.
  - (c) Rental of set top boxes and other cable service or video service equipment.
  - (d) Service charges related to the provision of cable service or video service, including but not limited to activation, installation, and repair charges.
  - (e) Administrative charges related to the provision of cable service or video service, including but not limited to service order and service termination charges.
  - (f) Late payment fees or charges, insufficient funds check charges, and other charges assessed to recover the costs of collecting delinquent payments.
  - (g) A *pro rata* portion of all revenue derived by the holder or its affiliates pursuant to compensation arrangements for advertising or for promotion or exhibition of any products or services derived from the operation of the holder's network to provide cable service or video service within the Village. The allocation shall be based on the number of subscribers in the Village divided by the total number of subscribers in relation to the relevant regional or national compensation arrangement.
  - (h) Compensation received by the holder that is derived from the operation of the holder's network to provide cable service or video service with respect to commissions that are received by the holder as compensation for promotion or exhibition of any products or services on the holder's network, such as a "home shopping" or similar channel, subject to subsection (i).
  - (i) In the case of a cable service or video service that is bundled or integrated functionally with other services, capabilities, or applications, the portion of the holder's revenue attributable to the other services, capabilities, or applications shall be included in the gross revenue unless the holder can reasonably identify the division or exclusion of the revenue from its books and records that are kept in the regular course of business.
  - (j) The service provider fee permitted by 220 ILCS 5/21-801(b).

- (2) Gross revenues do not include any of the following:
- (a) Revenues not actually received, even if billed, such as bad debt, subject to 220 ILCS 5/21-801(c)(1)(vi).
  - (b) Refunds, discounts, or other price adjustments that reduce the amount of gross revenues received by the holder of the State-issued authorization to the extent the refund, rebate, credit, or discount is attributable to cable service or video service.
  - (c) Regardless of whether the services are bundled, packaged, or functionally integrated with cable service or video service, any revenues received from services not classified as cable service or video service, including, without limitation, revenue received from telecommunication services, information services, or the provision of directory or Internet advertising, including yellow pages, white pages, banner advertisement, and electronic publishing or any other revenues attributed by the holder to noncable service or non-video service in accordance with the holder's books and records and records kept in the regular course of business and any applicable laws, rules, regulations, standards, or orders.
  - (d) The sale of cable services or video services for resale in which the purchaser is required to collect the service provider fee from the purchaser's subscribers to the extent the purchaser certifies in writing that it will resell the service within the Village and pay the fee permitted by 220 ILCS 5/21-801(b) with respect to the service.
  - (e) Any tax or fee of general applicability imposed upon the subscribers or the transaction by a city, state, federal, or any other governmental entity and collected by the holder of the State-issued authorization and required to be remitted to the taxing entity, including sales and use taxes.
  - (f) Security deposits collected from subscribers.
  - (g) Amounts paid by subscribers to "home shopping" or similar vendors for merchandise sold through any home shopping channel offered as part of the cable service or video service.
- (3) Revenue of an affiliate of a holder shall be included in the calculation of gross revenues to the extent the treatment of the revenue as revenue of the affiliate rather than the holder has the effect of evading the payment of the fee permitted by 220 ILCS 5/21-801(b) which would otherwise be paid by the cable service or video service.

(D) **"Holder"** means a person or entity that has received authorization to offer or provide cable or video service from the Commission pursuant to 220 ILCS 5/21-401.

(E) **"Service"** means the provision of "cable service" or "video service" to subscribers and the interaction of subscribers with the person or entity that has received authorization to offer or provide cable or video service from the Commission pursuant to 220 ILCS 5/21-401.

(F) **"Service Provider Fee"** means the amount paid under this Article and 220 ILCS 5/21-801 by the holder to a Village for the service areas within its territorial jurisdiction.

(G) **"Video Service"** means video programming and subscriber interaction, if any, that is required for the selection or use of such video programming services, and which is provided through wireline facilities located at least in part in the public right-of-way without regard to delivery technology, including Internet protocol technology. This definition does not include any video programming provided by a commercial mobile service provider defined in 47 U.S.C. § 332(d) or any video programming provided solely as part of, and via, service that enables users to access content, information, electronic mail, or other services offered over the public Internet.

**8-1-2**                    **CABLE/VIDEO SERVICE PROVIDER FEE IMPOSED.**

(A)                    **Fee Imposed.** A fee is hereby imposed on any holder providing cable service or video service in the Village.

(B)                    **Amount of Fee.** The amount of the fee imposed hereby shall be **three percent (3%)** of the holder's gross revenues.

(C)                    **Notice to the Village.** The holder shall notify the Village at least **ten (10) days** prior to the date on which the holder begins to offer cable service or video service in the Village.

(D)                    **Holder's Liability.** The holder shall be liable for and pay the service provider fee to the Village. The holder's liability for the fee shall commence on the first day of the calendar month following **thirty (30) days** after receipt of the ordinance adopting this Article by the holder. The ordinance adopting this Article shall be sent by mail, postage prepaid, to the address listed on the holder's application notice sent pursuant to 220 ILCS 5/21-401(b)(6) to the Village.

(E)                    **Payment Date.** The payment of the service provider fee shall be due on a quarterly basis, **forty-five (45) days** after the close of the calendar quarter. If mailed, the fee is considered paid on the date it is postmarked. Each payment shall include a statement explaining the basis for the calculation of the fee.

(F)                    **Exemption.** The fee hereby imposed does not apply to existing cable service or video service providers that have an existing franchise agreement with the Village in which a fee is paid.

(G)                    **Credit for Other Payments.** An incumbent cable operator that elects to terminate an existing agreement pursuant to 220 ILCS 5/21-301(c) with credit to prepaid franchise fees under that agreement may deduct the amount of such credit from the fees that operator owes under Section 116.02(b).

**8-1-3**                    **APPLICABLE PRINCIPLES.** All determinations and calculations under this Article shall be made pursuant to generally accepted accounting principles.

**8-1-4**                    **NO IMPACT ON OTHER TAXES DUE FROM HOLDER.** Nothing contained in this Article shall be construed to exempt a holder from any tax that is or may later be imposed by the Village, including any tax that is or may later be required to be paid by or through the holder with respect to cable service or video service. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the Village's simplified municipal telecommunications tax or any other tax as it applies to any telephone service provided by the holder. A State-issued authorization shall not affect any requirement of the holder with respect to payment of the local unit of government's 911 or E911 fees, taxes or charges.

**8-1-5**                    **AUDITS OF CABLE/VIDEO SERVICE PROVIDER.**

(A)                    **Audit Requirement.** The Village will notify the holder of the requirements it imposes on other cable service or video service providers to submit to an audit of its books and records. The holder shall comply with the same requirements the Village imposes on other cable service or video service providers in its jurisdiction to audit the holder's books and records and to recomputed any amounts determined to be payable under the requirements of the Village. If all local franchises between the Village and cable operator terminate, the audit requirements shall be those adopted by the Village pursuant to the Local Government Taxpayers' Bill of Rights Act, 50 ILCS 45/1 *et seq.* found in Chapter 36. No acceptance of amounts remitted should be construed as an accord that the amounts are correct. **(See Chapter 36 - Taxation)**

(B)                    **Additional Payments.** Any additional amount due after an audit shall be paid within **thirty (30) days** after the municipality's submission of an invoice for the sum.

**8-1-6**                    **LATE FEES/PAYMENTS.** All fees due and payments which are past due shall be governed by ordinances adopted by this municipality pursuant to the Local Government Taxpayers' Bill of Rights Act, 50 ILCS 45/1 *et seq.*

**(See 220 ILCS 5/21-801)**

(B) **Amendments.** Any amendment to the Cable and Video Customer Protection Law that becomes effective after the effective date of this Article shall be incorporated into this Article by reference and shall be applicable to cable or video providers offering services within the municipality's boundaries. However, any amendment that makes its provisions optional for adoption by municipalities shall not be incorporated into this Article by reference without formal action by the corporate authorities of the Village.

8-2-2 **ENFORCEMENT.** The Village does hereby pursuant to law declare its intent to enforce all of the customer service and privacy protection standards of the Cable and Video Protection Law with respect to complaints received from residents within the Village.

8-2-3 **CUSTOMER CREDITS.** The Village hereby adopts the schedule of customer credits for violations. Those credits shall be as provided for in the provisions of 220 ILCS 5/70-501(s) and applied on the statement issued to the customer for the next billing cycle following the violation or following the discovery of the violation. The cable or video provider is responsible for providing the credits and the customer is under no obligation to request the credit.

8-2-4 **PENALTIES.** The Village, pursuant to 220 ILCS 5/70-501(r)(1), does hereby provide for a schedule of penalties for any material breach of the Cable and Video Protection Law by cable or video providers in addition to the penalties provided in the law. The monetary penalties shall apply on a competitively neutral basis and shall not exceed **Seven Hundred Fifty Dollars (\$750.00)** for each day of the material breach, and shall not exceed **Twenty-Five Thousand Dollars (\$25,000.00)** for each occurrence of a material breach per customer.

(A) Material breach means any substantial failure of a cable or video provider to comply with service quality and other standards specified in any provision of the law.

(B) The Village shall give the cable or video provider written notice of any alleged material breaches of the law and allow such provider at least **thirty (30) days** from the receipt of the notice to remedy the specified material breach.

(C) A material breach, for the purposes of assessing penalties, shall be deemed to occur for each day that a material breach has not been remedied by the cable or video service provider after the notice in (B).

2. **Granting of Franchise.** The Grantor hereby grants to Grantee a non-exclusive Franchise which authorizes the Grantee to erect, construct, operate and maintain in, upon, along, across, above, over and under the Streets now in existence and as may be created or established during its terms; any poles, wires, cable, antennae, underground conduits, manholes, and other conductors, fixtures, equipment and other facilities used for the construction, operation and maintenance of the Cable System, upon the terms and conditions set forth herein. Nothing in this Franchise shall be construed to prohibit the Grantee from offering any service over its Cable System that is not prohibited by federal or state law.

3. **Term.** The Franchise shall be for a term of **five (5) years**, commencing on the Effective Date of this Franchise as set forth in Section 16. This Franchise will be automatically extended for an

**6. Service.**

- A. The Grantee shall continue to provide Cable Service to all residences within the Service Area where Grantee currently provides Cable Service. Grantee shall have the right, but not the obligation, to extend the Cable System into any other portion of the Service Area, including annexed areas. Cable Service officer to Subscribers pursuant to this Franchise shall be conditioned upon Grantee having legal access on reasonable terms and conditions to any such Subscriber's dwelling unit or other units wherein such Cable Service is provided.
- B. The Grantee agrees to provide, without charge, one outlet of Basic Service as required by 220 ILCS 5/22-501(f). The outlets of Basic Service shall not be used to distribute or sell services in or throughout such buildings, nor shall such outlets be located in areas open to the public. The Grantor shall take reasonable precautions to prevent any use of Grantee's Cable System in any manner that results in the inappropriate use thereof or any loss or damage to the Cable System.
- C. The Grantor shall promptly provide written notice to the Grantee of its annexation of any territory which is being provided Cable Service by the Grantee or its affiliates. Such annexed area will be subject to the provisions of this Franchise upon **sixty (60) days'** written notice from the Grantor, subject to the conditions set forth below and subsection A. above. The Grantor shall also notify Grantee in writing of all new street address assignments or changes within the Service Area. Grantee shall within **ninety (90) days** after receipt of the annexation notice, pay the Grantor franchise fees on revenue received from the operation of the Cable System to provide Cable Services in any area annexed by the Grantor if the Grantor has provided a written annexation notice that includes the addresses that will be moved into the Service Area in an Excel format or in a format that will allow Grantee to change its billing system. If the annexation notice does not include the addresses that will be moved into the Service Area, Grantee shall pay franchise fees within **ninety (90) days** after it receives the annexed addresses as set forth above. All notices due under this Section shall be sent by electronic or certified

mail, return receipt requested to the addresses set forth in Section 13 with a copy to the Director of Government Relations. In any audit of franchise fees due under this Agreement, Grantee shall not be liable for franchise fees on annexed areas unless and until Grantee has received notification and information that meets the standards set forth in this Section.

**7. Insurance/Indemnity.**

- A. The Grantee shall maintain throughout the term of the Franchise insurance in amounts at least as follows:

Workers' Compensation	Statutory Limits
Commercial General Liability	\$1,000,000 per occurrence, Combined Single Liability (C.S.L.) \$2,000,000 General Aggregate
Auto Liability including coverage on all owned, non-owned hired autos	\$1,000,000 per occurrence C.S.L.
Umbrella Liability	\$1,000,000 per occurrence C.S.L.

- B. The Grantor shall be added as an additional insured, arising out of work performed by Grantee, to the above Commercial General Liability, Auto Liability and Umbrella Liability insurance coverage.
- C. The Grantee shall furnish the Grantor with current certificates of insurance evidencing such coverage upon request.
- D. Grantee hereby agrees to indemnify and hold the Grantor, including its agents and employees, harmless from any claims or damages resulting from the actions of Grantee in constructing, operating or maintaining the Cable System. Grantor agrees to give the Grantee written notice of its obligation to indemnify Grantor within **ten (10) days** of receipt of a claim or action pursuant to this Section. Notwithstanding the foregoing, the Grantee shall not be obligated to indemnify Grantor for any damages, liability or claims resulting from the willful misconduct or negligence of Grantor or for the Grantor's use of the Cable System.

**8. Revocation.**

- A. Prior to revocation or termination of the Franchise, the Grantor shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have **sixty (60) days** from such notice to either object in writing and to state its reasons for such objection and provide any explanation or to cure the alleged noncompliance. If Grantee has not cured the breach within such **sixty (60) day** time period or if the Grantor has not otherwise received a satisfactory response from Grantee, the Grantor may then seek to revoke the Franchise at a public hearing. The Grantee shall be given at least **thirty (30) days** prior written notice of such public hearing, specifying the time and place of such hearing and stating its intent to revoke the Franchise.
- B. At the hearing, the Grantor shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript, and a certified copy of the findings shall be made available to the Grantee within **ten (10) business days**. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Grantor *de novo*.

- C. Upon revocation of the Franchise, Grantee may remove the Cable System from the Streets of the Grantor or abandon the Cable System in place.
9. **Equal Protection.** If any other provider of cable services or video services (without regard to the technology used to deliver such service) is lawfully authorized by the Grantor or by any other state or federal governmental entity to provide such services using facilities located wholly or partly in the public rights-of-way of the Grantor, the Grantor shall, within **thirty (30) days** of a written request from Grantee, modify this Franchise to insure that the obligations applicable to Grantee are no more burdensome than those imposed on the new competing provider. If the Grantor fails to make modifications consistent with this requirement, Grantee's Franchise shall be deemed so modified **thirty (30) days** after the Grantee's initial written notice. As an alternative to the Franchise modification request, the Grantee shall have the right and may choose to have this Franchise with the Grantor be deemed expired **thirty (30) days** after written notice to the Grantor. Nothing in this Franchise shall impair the right of the Grantee to terminate this Franchise and, at Grantee's option, negotiate a renewal or replacement franchise, license, consent, certificate or other authorization with any appropriate government entity. Nothing in this Section 9 shall be deemed a waiver of any remedies available to Franchisee under federal, state or municipal law, including but not limited to Section 625 of the Cable Act, 47 U.S.C. § 545.
10. **Compliance with Laws.** Grantor and Grantee shall conform to all applicable state and federal laws and rules regarding cable television as they become effective. Grantee shall also conform with all generally applicable Grantor ordinances, resolutions, rules and regulations heretofore or hereafter adopted or established during the entire term of the Franchise. In the event of a conflict between Grantor ordinances, resolutions, rules or regulations and the provisions of this Franchise, the provisions of this Franchise shall govern.
11. **Change in Law.** Notwithstanding any other provision in this Franchise, in the event any change to state or federal law occurring during the term of this Franchise eliminates the requirement for any person desiring to provide video service or Cable Service to obtain a franchise from the Grantor, then Grantee shall have the right to terminate this Franchise and operate the system under the terms and conditions established in applicable law. If Grantee chooses to terminate this Franchise pursuant to this provision, this Franchise shall be deemed to have expired by its terms on the effective date of any such change in law, whether or not such law allows exiting franchise agreements to continue until the date of expiration provided in any existing franchise.
12. **Confidentiality.** If Grantee provides any books, records or maps to the Grantor, the Grantor agrees to treat as confidential such books, records or maps that constitute proprietary or confidential information. Until otherwise ordered by a court or agency of competent jurisdiction, the Grantor agrees that, to the extent permitted by state and federal law, it shall deny access to any of Grantee's books, records or maps marked confidential to any person.
13. **Notices, Miscellaneous.**
- A. Unless otherwise provided by Federal, State or Local law, all notices, reports or demands pursuant to this Franchise shall be in writing and shall be deemed to be sufficiently given upon delivery to a Person at the address set forth below, or by U.S. certified mail, return receipt requested, nationally or internationally recognized courier service such as Federal Express or electronic mail communication to the designated electronic mail address provided below. Grantee shall provide **thirty (30) days** written notice of any changes in rates, programming services or channel positions using any reasonable written means. As set forth above, notice served upon the Grantor shall be delivered or sent to:

- B. All provisions of this Franchise shall apply to the respective parties, their lawful successors, transferees and assigns.
- C. If any particular section of this Franchise shall be held invalid, the remaining provisions and their application shall not be affected thereby.
- D. In the event of any conflict between this Franchise and any Grantor ordinance or regulation, this Franchise will prevail.

**14. Force Majeure.** The Grantee shall not be held in default under, or in noncompliance with the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes, but is not limited to, severe or unusual weather conditions, fire, flood, or other acts of God, strikes, work delays caused by failure of utility providers to service, maintain or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

**15. Franchise Fee.**

- A. Grantee shall pay to the Grantor quarterly an amount equal to **three percent (3%)** of the Gross Revenues for such calendar quarter, transmitted by electronic funds transfer to a bank account designated by Grantor. Franchise fees may be passed through to Subscribers as a line item on Subscriber bills or otherwise as Grantee chooses, consistent with federal law.
- B. The amount of franchise fee and the method of calculation shall be competitively neutral when compared to the amount or method of calculation of the franchise fee in any other cable franchise or authorization to provide video service granted by Grantor. In the event any other cable franchise or authorization to provide video service provides for a lesser franchise fee than this Franchise, Grantee's obligation to pay a Franchise Fee under this Section 15 shall be reduced by an equivalent amount.
- C. Each year during which the Franchise is in force, Grantee shall pay Grantor no later than **forty-five (45) days** after the end of each calendar quarter the franchise fees required by this Section. The City and Grantee acknowledge that the audit standards are set forth in the Illinois Municipal Code at 65 ILCS 5/11-42-11.05 (Franchise Fees Subject to Audit). Any audit shall be conducted in accordance with generally applicable auditing standards.

The City and/or its designee may be required to execute a non-disclosure agreement with the Grantee prior to inspection of the Grantee's financial records. Enforcement of such requirements and standards and the penalties for non-compliance with such standards shall be consistent with 65 ILCS 5/11-42-11.05.

**16. Effective Date.** The Franchise granted herein will take effect and be in full force from such date of acceptance by Grantee recorded on the signature page of this Franchise.

**17. Acceptance and Entire Agreement.** The Grantor and the Grantee, by virtue of the signatures set forth below, agree to be legally bound by all provisions and conditions set forth in this Franchise. The Franchise constitutes the entire agreement between the Grantor and the Grantee. No modifications to this Franchise may be made without an appropriate written amendment signed by both parties. Any determination by the Grantor regarding the interpretation or enforcement of this Franchise shall be subject to de novo judicial review. If any fee or grant that is passed through to Subscribers is required by this Franchise, other than the franchise fee, such fee or grant shall go into effect **sixty (60) days** after the Effective Date of this Franchise.

Considered and approved this 18<sup>th</sup> day of November, 2019.

## **DIVISION II - DRUG FREE WORKPLACE POLICY**

**11-9-20**      **DRUG FREE WORKPLACE.** All employees, as a condition of employment, shall comply with the Village's Drug Free Workplace Policy that is found in this Division.

**11-9-21**      **PURPOSE OF POLICY.** Drug abuse affects all aspects of our lives - it threatens the workplace as well as the home, the school, and the community. The Village must take a firm stance against illicit drug use. The use of drugs, which term for the purposes of this policy shall include alcohol in the workplace, is unacceptable since it can adversely affect health, safety, and productivity, as well as public confidence and trust. When drug use and/or involvement interferes with an employee's efficient and safe performance of work responsibilities and/or reduces the employee's dependability and accountability, it creates a problem for the whole organization.

Drug abuse inflicts notable human expense. Personal tragedies, feelings of anxiety and depression, and diminishing coping skills are reflected on an individual level. Dysfunctional and strained relationships mark the heavy burden felt by the families of the drug and alcohol abuser.

The cost of drug abuse, both on a personal and organizational level, is unacceptable. The rising incidence in substance abuse makes it imperative that the Village combat this issue by implementing a zero tolerance policy of drug use in the workplace.

**11-9-22 DRUG FREE WORKPLACE STATEMENT.** In order to ensure a safe work environment and compliance with the Drug Free workplace Act of 1988 (41 U.S.C. 8101 et seq.), Village of Beckemeyer maintains a drug-free workplace. Accordingly, the Village prohibits employees from engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in accordance with the requirements of the Anti-Drug Abuse Act of 1988 (Public Law 100-690, 102 Stat. 4181), use of drugs, and use of alcohol in the workplace. The foregoing prohibition shall apply to Village property, including in Village vehicles and any private vehicles parked on Village premises or worksites.

For purposes of this policy, the term "drugs" includes, but shall not be limited to: (i) any non-prescribed controlled substance that the employee is not authorized to possess or consume by law; (ii) any substance listed in the Controlled Substances Act (**720 ILCS 570 et seq.**); (iii) any substance listed in the Cannabis Control Act (**720 ILCS 550 et seq.**); and (iv) drugs or substances which may not be listed in the Controll Substances Act or the Cannabis Control Act but which have adverse effects on perception, judgment, memory, or coordination. - (3) Employees must submit to drug testing in accordance with this policy and applicable law.

(C) **Voluntary Treatment for Abuse of Drugs and/or Alcohol.** The Village strongly encourages employees who believe or suspect that they may be abusing drugs and/or alcohol to voluntarily seek treatment before their job performance is affected. Any employee who notifies the Village of alcohol or drug abuse problems will be treated in the same manner as any other employee with an illness. Information and communications regarding an employee's voluntary treatment or counseling due to actual or suspected drug and/or alcohol abuse shall remain confidential in accordance with state and federal law.

Employees who voluntarily seek treatment for drug and/or alcohol abuse shall not be subject to discipline, discharge, or discrimination based solely on such voluntary treatment if the treatment is sought prior to:

- (1) The employee testing positive for illegal drugs and/or alcohol;
- (2) The employee being notified of an upcoming drug and/or alcohol test;
- (3) The occurrence of an event that gives rise to reasonable suspicion that the employee is under the influence of drugs and/or alcohol;

Employees may request a medical leave of absence to obtain treatment for drug and/or alcohol abuse in accordance with the Family and Medical Leave Act of 1993 and other applicable law. Such leave requests shall be treated in the same manner as any other request for leave pursuant to this policy. The Village may also grant reasonable accommodations for employees being treated for drug and/or alcohol abuse so long as those employees are participating in a treatment program and are not currently abusing drugs and/or alcohol. The Village will not retaliate or discriminate against any employee for requesting leave or a reasonable accommodation to obtain treatment for drug and/or alcohol abuse.

(D) **Acknowledgement.** In accordance with applicable law, employees are required to acknowledge and agree to this policy as a condition of employment. Any employee violating this policy is subject to discipline, up to and including termination of employment.

### **11-9-23 DRUG AND ALCOHOL TESTING OF ALL EMPLOYEES.**

(A) **Reasonable Suspicion.** All employees are required to submit to alcohol and/or drug testing if a supervisor determines that there is reasonable suspicion to believe that an employee has been using illegal drugs, abusing prescribed drugs, is under the influence of alcohol or cannabis, or is consumig alcohol or cannabis while working.

For purposes of this policy, reasonable suspicion means a belief based on objective facts sufficient to lead a reasonable prudent person to find that an employee is using, or has used, drugs or alcohol in violation of this policy. Such a suspicion shall be drawn from specific, objective facts and reasonable inferences drawn from those facts in light of experience.

Some factors that may be considered in determining whether a finding of reasonable suspicion is appropriate may include, but are not limited to, any of the following, alone or in combination:

- (1) Observable phenomena, such as direct observation of drug or alcohol use, the presence of the odor of drugs or alcohol on or about the employee and/or the physical symptoms or manifestations of being under the influence of drugs or alcohol;
- (2) Abnormal conduct or erratic behavior;
- (3) Excessive unexcused absenteeism, tardiness, or deterioration in work performance;
- (4) Slurred speech or unsteady walking or movement;
- (5) Illegal possession of drugs or controlled substances or an arrest for violation of a drug statute;
- (6) Information obtained from a reliable and credible source with personal knowledge that has been independently corroborated;
- (7) Testing for cannabis based on reasonable suspicion shall be supported by the good faith belief that there is some impairment of the employee while at the workplace, while engaged in work for the employer or while

on call subject to the definition of those terms in the Cannabis Regulation and Tax Act, **410 ILCS 705/10-50**.

Once reasonable suspicion has been determined, the employee shall be required to take the applicable drug and/or alcohol test. An order to submit to testing shall be in writing and signed by a supervisor. If an employee declines the test, it will be treated as a positive test and the employee will be subject to discipline up to and including termination. When an employee is ordered to submit to a drug and/or alcohol test as a result of a supervisor's reasonable suspicion, the employee will not be allowed to return to work pending the results of the drug and/or alcohol test.

(B) **Post-Accident Testing.** All accidents, including those involving a vehicle, must immediately be reported to an employee's supervisor. The supervisor shall investigate the circumstances of the accident and determine if there is reasonable suspicion to require a drug and/or alcohol test. If it is determined that the employee caused or contributed to occurrence of the accident or the employee was otherwise at fault, the employee may be required to submit to a drug and alcohol test regardless of the existence of reasonable suspicion.

Post-accident testing for cannabis shall be supported by the good faith belief that there is some impairment of the employee while at the workplace, while engaged in work for the employer or while on call subject to the definition of those terms in the Cannabis Regulation and Tax Act, **410 ILCS 705/10-50**.

If post-accident drug and/or alcohol testing is ordered, the employee involved must submit to a drug and/or alcohol test within **two (2) hours** of the accident. An employee who fails to remain readily available for post-accident testing or leaves the scene of an accident without a valid reason or permission by his or her supervisor will be deemed to have refused to submit to testing. The employee to be tested shall not be permitted to drive himself or herself to the collection site.

(C) **Types of Testing.** Any of the following methods may be utilized to test an employee for the presence of drugs and/or alcohol:

- (1) Urine testing;
- (2) Evidentiary breath testing device (Breathalyzer);
- (3) Blood testing;
- (4) Hair follicle testing; or
- (5) Saliva testing.

(D) **Licensed Clinical Laboratory Only.** The Village shall use only licensed clinical laboratories for drug and/or alcohol testing. Such laboratories shall be responsible for maintaining a proper chain of custody of any samples. If an employee tests positive for drugs and/or alcohol, a confirming test shall be conducted. The laboratory will not submit a positive test result to the Village unless the confirming test result is also positive for the same sample. The laboratory shall retain a portion of the tested sample so the employee can arrange for another confirming test to be conducted by a licensed clinical laboratory of the employee's choice and at the employee's expense. Once the portion of the tested sample is delivered to the clinical laboratory selected by the employee, the employee shall be responsible for maintaining the proper chain of custody for that portion of the sample.

Employees who test positive for drugs may request a second test of the remaining portion of the split sample within **seventy-two (72) hours** of notification of a positive test result by a medical review officer. A medical review officer is a licensed physician responsible for receiving and interpreting laboratory results from applicable tests.

(E) **Records Relating to Drug and/or Alcohol Tests.** Records reflecting positive drug and/or alcohol tests will be kept in the employee's file and will be kept confidential in accordance with applicable law. Information regarding drug and/or alcohol tests and an employee's participation in a substance abuse rehabilitation program may be disclosed to supervisors only if such information relates to the employee's ability to perform his or her work duties or the employee's need for a reasonable accommodation under the Americans with Disabilities Act of 1990 or other applicable law.

For employees in safety sensitive positions, the following records shall be maintained for a minimum of **five (5) years**; (i) records of annual management information system reports; (ii) records regarding employee evaluations and referrals to substance abuse professionals; (iii) records relating to follow-up tests and follow-up schedules; (iv) records relating to refusals to submit to drug and/or alcohol tests; (v) records of alcohol test results indicating an alcohol concentration of .02 or greater; (vi) verified positive drug test results; and (vii) breath testing device calibration documentation.

(F) **Required Records from Prior Employment as Driver of a Commercial Vehicle.** In accordance with applicable law, any individual who is given an offer of employment for a safety-sensitive position requiring a commercial driver's license (CDL) and who has worked as a driver of a commercial vehicle during the **two (2) year** period immediately preceding the offer of employment, must authorize his or her prior employer(s) during the **two (2) year** period immediately preceding the offer of employment to release information to the Village regarding any positive alcohol or drug tests and/or any refusal to submit to an alcohol or drug test.

This information must be obtained before the individual can be hired by the Village. However, if the information has not arrived by the individual's anticipated start date and the individual has passed a pre-employment drug test, the individual may be hired, and the requested information can be obtained from the individual's prior employer(s) within **fourteen (14) calendar days** of the individual's date of hire. If the information has not been received within **fourteen (14) days** of the individual's date of hire, the individual will not be permitted to drive a commercial vehicle until the information has arrived. If the information obtained from any prior employer indicates that the individual tested positive for drugs or alcohol or refused to be tested during the past **two (2) years**, that individual will not be permitted to drive a commercial vehicle unless subsequent information indicates that the individual was evaluated by a substance abuse professional and successfully completed return to duty testing.

(G) **Compensation.** If an employee is ordered to submit to an involuntary post-employment drug and/or alcohol test, the time spent by the employee traveling to and from the test and waiting for and undergoing the test will be considered compensable working time unless otherwise provided by law or contract. Pre-employment drug and/or alcohol tests will not be compensated.

(H) **Cutoff Levels for Drugs and Drug Metabolites; Blood Alcohol Exceedances.** Cutoff levels for all drug and drug metabolite testing shall be consistent with the guidelines established by the U.S. Department of Health and Human Services (HHS). An employee shall be deemed to be under the influence of alcohol if the applicable blood alcohol test demonstrates a level of .02 or greater.

(I) **Policy Violations.** Any employee testing positive for drug usage, blood alcohol levels greater than .02, or engaging in any other prohibited conduct concerning drug or alcohol shall be subject to disciplinary action up to and including immediate termination. Regardless of disciplinary action taken, all such employees will be advised of resources available to evaluate and treat problems associated with drug and/or alcohol abuse.

Employees in safety-sensitive positions, including those that require a CDL, who are not terminated for violation of this policy shall be subject to the following conditions of continued employment:

- (1) If an employee has a breath alcohol concentration of at least .02 but less than .04, he or she shall not drive a commercial vehicle or engage in any other safety sensitive activities for at least **twenty-four (24) hours**.
- (2) If an employee tests positive for drugs, tests positive for a blood alcohol level of .04 or greater, and/or engages in any other conduct prohibited by this policy relating to drugs and/or alcohol, the employee will be immediately removed from duties requiring the driving of a commercial vehicle and will not be permitted to return to work unless the employee:
  - (i) has been evaluated by a substance abuse professional;
  - (ii) has complied with any rehabilitation prescribed by a substance abuse professional; and
  - (iii) has successfully completed a return to duty test for drugs and/or alcohol.
- (3) Upon completion of a recommended rehabilitation program and successful return to work, the employee will be subject to follow-up random testing for up to **sixty (60) months** as recommended by the substance abuse professional and the Village with a minimum of **six (6)** such unscheduled tests within the first **twelve (12) months** of returning to duty.

**11-9-24**      **DRUG AND ALCOHOL TESTING OF SPECIFIC EMPLOYEES.** In accordance with the Omnibus Transportation Employee Testing Act of 1994 and other applicable law, the Village requires employees in safety-sensitive positions and applicants for safety sensitive positions to submit to mandatory drug and alcohol testing pursuant to this policy. Applicants for non-safety-sensitive positions may be required to submit to pre-employment testing. All employees are subject to random drug and alcohol testing.

Safety-sensitive positions are those positions where there exists a high risk of injury to others with disastrous consequences if the employee has even a momentary lapse of attention. Some examples of safety-sensitive positions include law enforcement personnel, firefighters, paramedics, health care professionals responsible for direct patient care, employees who transport passengers, and employees who operate large or heavy equipment.

Under this policy, employees in safety-sensitive positions specifically include all employees whose positions may involve driving a commercial vehicle and that require the possession of a CDL. For purposes of this policy, a commercial vehicle means a vehicle that either: (i) has a gross weight of over **twenty-six thousand (26,000) pounds** (including combined weight if towed unit weighs over **ten thousand (10,000) pounds**); (ii) is designed to transport **sixteen (16)** or more persons, including the driver; or (iii) is used to transport hazardous materials.

An employee is considered to be "driving a commercial vehicle" under this policy if he or she is performing any safety sensitive function defined in 49 CFR 382.107, which includes all time working in a position requiring a CDL.

With respect to employees who work in a position requiring a CDL, alcohol testing for reasonable suspicion may be conducted just before, during, or after an employee operates a commercial vehicle.

(A)      **Drug and Alcohol Testing for Safety-Sensitive Positions.** Employees in safety-sensitive positions are subject to drug and alcohol testing under different and additional circumstances than employees who are not in safety sensitive positions.

(1)      **Reasonable Suspicion.** Any employee in a safety-sensitive position shall submit to a drug and/or alcohol test when any supervisor has reasonable suspicion to believe that an employee has been using illegal drugs, abusing prescribed drugs, is under the influence of alcohol or cannabis, or is consuming alcohol or cannabis while working or while on call.

Testing for cannabis based on reasonable suspicion shall be supported by the good faith belief that there is some impairment of the employee while at the workplace, while engaged in work for the employer or while on call subject to the definition of those terms in the Cannabis Regulation and Tax Act, **410 ILCS 705/10-50**. If an employee is removed from duty based on reasonable suspicion of alcohol use and an alcohol test is not administered within **eight (8) hours**, the employee will not be allowed to perform or continue to perform safety-sensitive functions until: (i) an alcohol test determines that the employee's breath alcohol concentration measures less than .02; and (ii) **twenty-four (24) hours** have elapsed following the determination that there is reasonable suspicion to believe that the employee has been using alcohol.

(2)      **Post-Accident Testing Involving a Commercial Vehicle.** An employee is required by law and this policy to submit to an alcohol test whenever he or she is involved in an accident while driving a commercial vehicle on a public road which results in: (i) a fatality; (ii) bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident; and/or (iii) one or more motor vehicles incurring disabling damage requiring the vehicle to be transported away from the scene by a tow truck or other vehicle.

Post-accident testing for cannabis shall be supported by the good faith belief that there is some impairment of the employee while at the workplace, while engaged in work for the employer or while on call subject to the definition of those terms in the Cannabis Regulation and Tax Act, **410 ILCS 705/10-50.**

(3) **Return to Duty Testing.** Any employee who has violated this policy and/or has tested positive on a drug or alcohol test and is subsequently permitted to return to work, must pass a drug and/or alcohol test in accordance with this policy prior to returning to duty.

(4) **Follow-Up Testing.** An employee in a safety-sensitive position who is referred for assistance related to alcohol and/or drug abuse is subject to unannounced follow-up testing for a period not to exceed **sixty (60) months** as directed by a substance abuse professional and the Village. The number and frequency of follow-up tests will be determined by the substance abuse professional and the Village but will not be less than **six (6)** tests in the first **twelve (12) months** following the employee's return to duty.

For purposes of this policy, a substance abuse professional is a licensed physician, or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and drug-related disorders.

(B) **Pre-Employment Drug Testing.** Employees in safety-sensitive positions must pass a drug test as a post-offer condition of employment. Employees in non-safety sensitive positions may be required to take and pass a drug test as a post-offer condition of employment. Failure to successfully pass a post-offer pre-employment drug test may result in the offer of employment being revoked. An applicant who is denied employment because of a positive drug test may not reapply for employment with the Village for a period of **six (6) months.**

(C) **Random Drug and/or Alcohol Testing.** Employees may be randomly selected to submit to drug and/or alcohol testing. The process will be unannounced, and employee shall be selected in a non-discriminatory manner. After an employee is notified that he or she has been selected for random testing, the employee shall be required to report immediately to the testing location no later than **one (1) hour** after notification. Upon arrival at the testing location, the employee must identify him or herself by use of a photo identification card and present any applicable documentation. Upon completion of the drug and/or alcohol testing, the employee will, if his or her shift is not completed, immediately return to duty status.

**11-9-25** **DRUG AND ALCOHOL TESTING OF PUBLIC SAFETY EMPLOYEES.** For purposes of this policy, public safety employees include law enforcement officers, corrections officers, probation officers, paramedics, and firefighters.

(A) **Prohibition.** The Village prohibits law enforcement officers, corrections officers, probation officers, paramedics, and firefighters from the consumption, possession, sale, purchase, or delivery of cannabis or cannabis-infused substances while on or off duty.

(B) **Collective Bargaining Agreements.** Any drug and alcohol testing procedures in the collective bargaining agreement shall remain in full force and effect.

(C) **Discipline.** Employee supervisors and their superiors, as applicable, are responsible for administering disciplinary measures, when in the sole discretion of the appropriate supervisor, based on the facts and circumstances of the situation, discipline is warranted. Prior to the administration of any disciplinary action, the applicable supervisor may give the employee the opportunity to respond to the allegations made against the employee. Employees subject to discipline for being under the influence of, in possession of or consuming cannabis shall be provided a reasonable opportunity to contest the basis for the imposition of discipline. The disciplinary procedures set forth in this Section apply to all employees, unless otherwise subject to a collective bargaining agreement. These policies and procedures should not be construed as preventing, limiting, or delaying the Village from taking appropriate disciplinary action, including immediate dismissal without prior warning or notice, as the facts and circumstances warrant.

All discipline issued will be based on the applicable facts and circumstances, and at the level applicable in the sole and exclusive judgment of the applicable supervisor.

**11-9-26**      **VIOLATIONS.**

- (A)              Employees are subject to discipline, including discharge for violation of the above policy.
- (B)              Require the satisfactory participation and completion of a State licensed drug rehabilitation program, as sanctioned by the employer.
- (C)              The Village shall notify the appropriate State Agency from which grant funds were received of the employee's conviction within **ten (10) days** after receiving notice from an employee of any criminal drug statute conviction for a violation in the workplace.

**11-9-27**      **EMPLOYEE ASSISTANCE.** A referral network to assist those who may be experiencing problems with drugs and/or alcohol will be established for all Village employees.

## **ARTICLE XV - MISCELLANEOUS**

**11-15-1** **GRIEVANCE PROCEDURE.** The purpose of a grievance procedure is to establish and maintain harmonious and cooperative working relationships between the Village and its employees, to assure equitable treatment of employees, and to provide expeditious means of resolving employee dissatisfaction over circumstances or conditions of employment.

Strict adherence to the grievance procedures and time limits is mandatory, except that the time limits may be extended for good cause.

A grievance is defined as a dispute, disagreement, complaint, or any matter concerning any terms or conditions of employment, or concerning the application of any departmental policy, or concerning any employee relationship, or work-related issue.

As used in this Article, the term days shall mean working days of the employee filing the grievance.

At any step, if a written response is not provided to the grieving employee within the **ten (10) day** time frame, the grievance will be considered denied at that step, and the employee may proceed to the next step.

If any Superintendent is disciplined and/or discharged by the Mayor with the advice and consent of the Village Board, the discipline and/or discharge shall constitute the final resolution of the matter and there shall be no access in this instance to the various steps of the grievance procedure. The failure of a reappointment of a Superintendent by the Mayor shall not be interpreted to constitute discipline and/or discharge of an ongoing employment relationship with the Village.

Steps:

(A) A grieving employee shall within **five (5) days** after he learns of the circumstances or conditions which prompted the grievance, submit the grievance to the employee's Superintendent, in writing, informing such Superintendent of the grievance and the particulars concerning the same. Workplace bullying has been linked to absenteeism, drug and alcohol use, and sexual violence. The Village considers workplace bullying unacceptable and will not tolerate it. The anti-bullying policy shall apply to all individuals who are employees, volunteers and contractors. For purposes of this policy:

- (A)            **"Employee"** is defined as an individual working for the Village for remuneration;
- (B)            **"Volunteer"** is defined as an individual who volunteers services to the Village without remuneration;
- (C)            **"Contractor"** is defined as an individual who contracts with the Village to provide services, or an individual who works for a contractor of the Village.

**11-17-2      DEFINITION.** Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a person that has or can be reasonably predicted to have the effect of one or more of the following:

- (A)            placing the person in reasonable fear of harm to the person or the person's property;
- (B)            causing a substantially detrimental effect on the person's physical or mental health;
- (C)            substantially interfering with the person's productivity; or
- (D)            substantially interfering with the person's ability to participate in or benefit from the opportunities offered by the employer.

Bullying may be intentional or unintentional. The Village considers the following types of behavior illustrative examples of bullying: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, pushing; shoving; kicking; poking; tripping; assault, or threat of physical assault; theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

**11-17-3      BULLYING PROHIBITED.** Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, and any other distinguishing characteristic is prohibited in all places of employment, and an employer shall prevent bullying in its place of employment.

- (A)            No person shall be subjected to bullying:
  - (1)            during any period of employment activity;

**11-17-4      DISCIPLINARY ACTION.** Any employee or volunteer who is determined, after an investigation, to have engaged in bullying in violation of this policy shall be subject to disciplinary action up to and including immediate discharge. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment. Contractors are likewise prohibited from retaliating.

**11-17-5 REPORTING AND COMPLAINT PROCEDURE.** The Village encourages all employees, volunteers or contractors to promptly report any instance of bullying behavior. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of bullying. Therefore, while no fixed reporting period has been established, prompt reporting of complaints or concerns is encouraged so that rapid and constructive action can be taken. The Village shall make every effort to stop alleged workplace bullying before it becomes severe or pervasive, but can only do so with the cooperation of its employees.

Reports of bullying will be treated seriously, and investigated promptly and impartially. The Village further encourages all individuals to whom this policy applies to formally report any concerns of assault, battery, or other bullying behavior of a criminal nature to the Village Attorney's office. The Village Board requires any supervisor who witnesses bullying, irrespective of reporting relationship or his/her responsibility to address it, to promptly report this conduct to the Police Chief or the Mayor.

Individuals who believe they have experienced conduct that they believe violates this policy, or who have concerns about such matter, should report their complaints or concerns verbally or in writing to his or her supervisor, or the Village Attorney, before the conduct becomes severe or pervasive. If a verbal report is made, it shall be documented in writing by the official to whom it is reported. Individuals should not feel obligated to report their complaints to their immediate supervisor first before bringing the matter to the attention of one of the other designated Village representatives identified above.

The availability of this complaint procedure does not preclude individuals who believe they are being subjected to bullying conduct from promptly advising the offender that his or her behavior is unwelcome and requesting that such behavior immediately stop.

## ARTICLE XVIII – DOMESTIC AND SEXUAL VIOLENCE POLICY

**11-18-1**      **PURPOSE OF POLICY.** Domestic violence can permeate the lives and compromise the safety of employees with tragic, destructive and often fatal results. Domestic violence occurs within a wide spectrum of relationships, including married and formerly married couples, couples with children in common, couples who live together or have lived together, gay, lesbian, bisexual and transgender couples, and couples who are dating or who have dated in the past. Domestic violence represents a pattern of coercive tactics which can include physical, psychological, sexual, economic and emotional abuse perpetrated by one person against another in an intimate relationship or in the same household, with the goal of establishing and maintaining power and control over the victim. In addition to exacting a tremendous toll from the individuals it directly affects, domestic violence often spills over into the workplace, compromising the safety of both victims and co-workers and resulting in lost productivity, increased health care costs, increased absenteeism, and increased employee turnover. The Village will take appropriate actions to promote safety in the workplace and respond effectively to the needs of victims of domestic violence.

**11-18-2**      **DEFINITION.** For purposes of this policy and pursuant to the Illinois Victims' Economic Security and Safety Act (VESSA), the following terms are defined as follows:

(A)              **"Abuser":** A person who perpetrates a pattern of coercive tactics which can include physical, psychological, sexual, economic, and emotional abuse against an adult intimate partner, with the goal of establishing and maintaining power and control over the victim.

(B)              **"Domestic Violence":** Domestic violence means abuse by a family or household member, as defined by this policy pursuant to Section 103 of the Illinois Domestic Violence Act of 1986. Domestic violence includes sexual assault or stalking.

(C)              **"Employee":** A person working for the Village for remuneration for services.

(D)              **"Family or Household Member":** For employees with a family or household member who is a victim of domestic or sexual violence, this means spouse, parent, son, daughter, other person related by blood or by present or prior marriage, another person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

(E)              **"Parent"** means biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter as defined herein.

(F)              **"Son or Daughter"** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is under **eighteen (18) years** of age, or is **eighteen (18) years** of age or older and incapable of self-care because of a mental or physical disability.

**11-18-3**      **VICTIMS' ECONOMIC SECURITY AND SAFETY ACT (VESSA).** The person against whom an abuser directs coercive and/or violent acts, including an employee who is a victim of domestic or sexual violence, or an employee's family or household member who is a victim of domestic or sexual violence, and whose interests are not adverse to the employee as it related to domestic or sexual violence.

**11-18-4**      **POLICY.**

(A)              **Employee Awareness.** The Village shall take reasonable actions to educate employees regarding the effects of domestic violence and methods to report such violence to authorities. It is the policy of the Village that information on domestic violence and available resources shall be available to employees through the Village Board and by this written policy, which shall be disseminated to employees.

(B)              **Non-Discriminatory Policy.** Non-Discriminatory and Responsive Personnel Policies for Victimized Employees of the Village shall ensure that personnel policies and procedures do not

discriminate against victims of domestic violence and are responsive to the needs of victims of domestic violence.

- (1) Illinois law prohibits employers from interfering with, restraining, or denying the exercise of any right provided under VESSA. This law requires employers, when given **forty-eight (48) hours** prior notification, to allow time off for employed victims of domestic or sexual violence and employees with a family or household member who is a victim of domestic or sexual violence, to take unpaid leave to seek medical help, legal assistance, counseling, safety planning, and other assistance without penalty from the employer for the employee or the family or household member who is a victim.
- (2) Illinois law prohibits employers from discriminating against any employee who is a victim of domestic or sexual violence or any employee who has a family or household member who is a victim of domestic or sexual violence.
- (3) An employee who is a victim of domestic or sexual violence, or has a family or household member who is a victim of domestic or sexual violence and whose interests are not adverse to the employee as it relates to domestic or sexual violence, may take unpaid leave from work to address domestic or sexual violence by:
  - (a) seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the victim;
  - (b) obtaining services from a victim services organization for the victim;
  - (c) obtaining psychological or other counseling for the victim;
  - (d) participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the victim;
  - (e) seeking legal assistance or remedies to ensure the health and safety of the victim, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.
- (4) The employee shall be entitled to a total of **twelve (12) workweeks** of leave during any **twelve (12) month** period. This policy does not create a right for an employee to take an unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to, the unpaid leave time permitted by the federal Family Medical Leave Act. Leave may be taken intermittently or on a reduced work schedule. An employee may substitute accumulated paid leave for unpaid leave; however, the paid leave will count toward the number of workweeks used for purposes of this policy. The employee shall provide at least **forty-eight (48) hours** advance notice of the employee's intention to take leave, unless providing such notice is not practicable. No action will be taken against an employee for failing to provide **forty-eight (48) hours** advance notice if the employee provides certification that leave was used for the purposes outlined in **Section 11-18-4(B)(2)** of this Section and can demonstrate that advance notice was not practicable.
- (5) During a leave taken pursuant to this policy, the Village shall maintain coverage under its group health plan for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment for the duration of such leave. If the employee fails to return from leave, however, the Village may recover any premium costs it paid for such coverage if the reason

for the employee not returning is other than the continuation, recurrence, or onset of domestic or sexual violence or circumstances beyond the control of the employee. Neither seniority nor leave benefits will accrue to the employee during unpaid leave.

- (6) The Village, upon request, will assist the employee in determining the best use of his/her attendance and leave benefits when an employee needs to be absent as a result of being a victim of domestic violence. If an employee requests time off to care for and/or assist a family or household member who has been a victim of domestic violence, the employee's supervisor or the Village Board (or their designee) will evaluate the employee's request for leave for eligibility under existing law and collective bargaining agreements applicable to the employee and the attendance rules.
- (7) The Village requires certification from an employee for leave under this policy. The employee shall certify that the leave is for one of the purposes enumerated in **Section 11-18-4(B)** of this Section. Certification shall be provided to the employer within a time period set by the employer.
- (8) The Village understands that victims of domestic violence may lack the required documentation or have difficulty obtaining the required certification to justify absences without compromising their safety. Therefore, the Mayor or his designee shall consult with the employee to identify what documentation she/he might have, or be able to obtain, that will not compromise his/her safety-related needs and will satisfactorily meet the documentation requirement of the employer.
- (9) All information provided to the employer pursuant to notification and certification requirements of this policy, and the purposes for which leave may be requested pursuant to this policy, shall be retained in strictest confidence by the employer, except to the extent that disclosure is requested or consented to in writing by the employee, or otherwise required by applicable federal or State law. Reported information shall be kept private to the greatest extent possible by Federal law, State law, and Village policy; however, information may have to be disclosed pursuant to a subpoena, Illinois Supreme Court Rules, a court of law, or where otherwise required by law. Where medical information is received by the Village from an employee who is the victim of domestic violence, such medical information shall be kept confidential.
- (10) Employees who are victims of domestic violence and who are legally separated from a covered spouse or civil-union partner, shall be allowed to make reasonable changes in benefits at any time during the calendar year, provided the change is requested within **thirty (30) days** of the separation and is in accordance with the Village policies, rules, and regulations.
- (11) The Village will not make inquiries about a job applicant's current or past domestic violence victimization, and employment decisions will not be based on any assumptions about or knowledge of such exposure.

(C) **Accountability for Employees Who are Abusers.** The Village will hold employees, individuals who volunteer services to the Village without remuneration (hereafter "volunteers"), and individuals who contract with the Village or work for contractors of the Village (hereafter "contractors"), accountable for engaging in the following behavior: (i) using Village resources to commit an act of domestic violence; (ii) committing an act of domestic violence from or at the workplace or from any other location while on official Village business; or (iii) using their job-related authority and/or Village resources in order to negatively affect victims and/or assist perpetrators in locating a victim and/or in perpetrating an act of domestic violence.

Any physical assault or threat made by an employee, volunteer, or contractor, while on Village premises, during working hours, while representing the Village, or at a Village-sponsored event, is a serious violation of this policy. This policy applies not only to acts against employees, but to acts against all other persons. Those found to have violated this policy will be subject to corrective or disciplinary action, up to and including discharge.

- (1) In cases in which the Village has found that an employee, volunteer, or contractor, has threatened, harassed, or abused an intimate partner at the workplace using Village resources such as work time, workplace telephones, facsimile machines, mail, e-mail or other means, said employee shall be subject to corrective or disciplinary action.
- (2) In cases in which the Village has verification that an employee, volunteer, or contractor is responsible for a domestic violence-related offense, or is the subject of any order of protection, including temporary, final or out-of-state order, as a result of domestic violence, and said employee, volunteer or contractor has job functions that include the authority to take actions that directly impact victims of domestic violence and/or actions that may protect abusers from appropriate consequences for their behavior, the Mayor shall determine if corrective action is warranted.
- (3) In cases in which any employee, volunteer, or contractor intentionally uses his/her job-related authority and/or intentionally uses Village resources in order to negatively impact a victim of domestic violence, assist an abuser in locating a victim, assist an abuser in perpetrating acts of domestic violence, or protect an abuser from appropriate consequences for his/her behavior, said individual may be subject to corrective or disciplinary action.

## CHAPTER 14

### FLOOD PLAIN CODE

#### ARTICLE I – GENERALLY

**14-1-1 PURPOSE.** This Code is enacted pursuant to the police powers granted to the Village by the Illinois Municipal Code (65 ILCS 5/1-2-1, 5/11-12-12, 5/11-30-2, 5/11-30-8, and 5/11-31-2) in order to accomplish the following purposes:

- (A) To prevent unwise developments from increasing flood or drainage hazards to others;
- (B) To protect new buildings and major improvements to buildings from flood damage;
- (C) To lessen the burden on the taxpayer for flood control, repairs to public facilities and utilities, as well as flood rescue and relief operations;
- (D) To maintain property values and a stable tax base by minimizing the potential for creating blight areas;
- (E) To make federally subsidized flood insurance available; and
- (F) To preserve the natural characteristics and functions of watercourses and floodplains in order to moderate flood and stormwater impacts, improve water quality, reduce soil erosion, protect aquatic and riparian habitat, provide recreational opportunities, provide aesthetic benefits and enhance community and economic development.

**14-1-2 DEFINITIONS.** Unless specifically defined below, word or phrases used in this Chapter shall be interpreted so as to give them the same meaning as they have in common usage and so as to give this Chapter its most reasonable application.

**DEVELOPMENT:** Any man-made change to real estate including, but not necessarily limited to:

- (A) Demolition, construction, reconstruction, repair, placement of a building, or any structural alteration to a building;
- (B) Substantial improvement of an existing building;
- (C) Installation of a manufactured home on a site, preparing a site for a manufactured home, or installing a travel trailer on a site for more than **one hundred eighty (180) days** per year;
- (D) Installation of utilities, construction of roads, bridges, culverts or similar projects;
- (E) Construction or erection of levees, dams, walls, or fences;
- (F) Drilling, mining, filling, dredging, grading, excavating, paving, or other alterations of the ground surface;
- (G) Storage of materials including the placement of gas and liquid storage tanks; and
- (H) Channel modifications or any other activity that might change the direction, height, or velocity of flood or surface waters.

“Development” does not include routine maintenance of existing buildings and facilities; resurfacing roads; or gardening, plowing, and similar practices that do not involve filling, grading, or construction of levees.

**FLOOD:** A general and temporary condition of partial or complete inundation of normally dry land areas from the overflow, the unusual and rapid accumulation, or the runoff of surface waters from any source.

**FLOODPLAIN:** Any land area susceptible to being inundated by water from any source (See “Flood”).

**FLOODPROOFING:** Any combination of structural or nonstructural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitary facilities, structures and their contents.

**MANUFACTURED HOME:** A structure transportable in **one (1)** or more sections, that is built on a permanent chassis and is designed to be used with or without a permanent foundation when connected to required utilities.

**STRUCTURE:** For floodplain management purposes, a walled and roofed building, including gas or liquid storage tanks, that is principally above ground. The term includes RVs and travel trailers on site for more than **one hundred eighty (180) days**.

**SUBSTANTIAL DAMAGE:** Damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damage condition would equal or exceed **fifty percent (50%)** of the market value of the structure before the damage occurred regardless of actual repair work performed. Volunteer labor and materials must be included in this determination.

**SUBSTANTIAL IMPROVEMENT:** Any reconstruction, rehabilitation, addition, or improvement of a structure, the cost of which equals or exceeds **fifty percent (50%)** of the market value of the structure before the improvement or repair is started. "Substantial improvement" is considered to occur when the first alteration of any wall, ceiling, floor, or other structural part of the building commences, whether or not that alteration affects the external dimensions of the structure. The term does not, however, include either (1) any project for improvement of a structure to comply with existing state or local health, sanitary, or safety code specifications which are solely necessary to assure safe living conditions or (2) any alteration of a structure listed on the National Register of Historic Places or the Illinois Register of Historic Places.

**14-1-3**            **PERMIT REQUIREMENTS.** No person, firm, corporation, or governmental body not exempted by state law shall commence any development activity without first obtaining a development permit from the Zoning Administrator.

**14-1-4**            **PERMIT APPLICATION.** To obtain a permit the applicant must first file a permit application on a form furnished for that purpose. The form must be completed and submitted to the Zoning Administrator.

**14-1-5**            **DUTIES OF THE ZONING ADMINISTRATOR.** The Zoning Administrator shall be responsible for the general administration of this Code and ensure that all development activities under the jurisdiction of the Village meet the requirements of this Code. The Zoning Administrator shall be responsible for receiving applications and examining the plans and specifications for the application, he shall require any additional measures which are necessary to meet the minimum requirements of this Code.

**14-1-6**            **REVIEW OF PROPOSED DEVELOPMENT.**  
(A)            The Zoning Administrator shall review proposed development to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State law, including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 U.S.C. 1334.  
(B)            If the development is proposed for a channel or adjacent area of a stream draining **one (1) square mile** or more, the applicant must first secure a permit from the Illinois Division of Water Resources, or a letter stating, "Permit Not Required."

**14-1-7**            **REVIEW OF PERMIT APPLICATION.** The Zoning Administrator shall review all permit applications to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a flood prone area, all new construction and substantial improvements (including the placement of prefabricated buildings and manufactured homes) shall:

- (A)            be designed (or modified) and adequately anchored to prevent flotation, collapse, or lateral movement of the structure,
- (B)            be constructed with materials resistant to flood damage,
- (C)            be constructed by methods and practices that minimize flood damage,
- (D)            be constructed with electrical, heating, ventilation, plumbing and air conditioning equipment and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during flooding.

**14-1-8**            **REVIEWS OF SUBDIVISION PROPOSALS.** The Zoning Administrator shall review subdivision proposals and other proposed new development to determine whether such proposals will be reasonably safe from flooding. If a subdivision proposal or other proposed new development is in a flood prone area, any such proposals shall be reviewed to assure that:

- (A)            all such proposals are consistent with the need to minimize flood damage within the flood prone area,
- (B)            all public utilities and facilities, such as sewer, gas, electrical, and water systems are located and constructed to minimize or eliminate flood damage, and
- (C)            adequate drainage is provided to reduce exposure of flood hazards.

**14-1-9**            **WATER SUPPLY SYSTEMS.** The Zoning Administrator shall require within flood prone areas new and replacement water supply systems to be designed to minimize or eliminate infiltration of flood waters into the systems.

**14-1-10**          **SANITARY SEWAGE AND WASTE DISPOSAL SYSTEMS.** The Zoning Administrator shall require within flood prone areas:

- (A)            new and replacement sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters and
- (B)            on-site waste disposal systems to be located to avoid impairment to them or contamination from them during flooding.

**14-1-11**          **VARIANCES.** Whenever the standards of this Code place undue hardship on a specific development proposal, the applicant may apply to the Zoning Board of Appeals for a variance. The President of the Zoning Board of Appeals shall review the applicant's request for a variance and shall submit its recommendation to the Village Board. The Board of Trustees may attach such conditions to granting of a variance as it deems necessary to further the intent of this Code.

- (A)            No variance shall be granted unless the applicant demonstrates that all of the following conditions are met:
  - (1)            The development activity cannot be located outside the floodplain;
  - (2)            An exceptional hardship would result if the variance were not granted;
  - (3)            The relief requested is the minimum necessary;
  - (4)            There will be no additional threat to public health, safety or creation of a nuisance;
  - (5)            There will be no additional public expense for flood protection, rescue or relief operations, policing, or repairs to roads, utilities, or other public facilities;

  - (2) Increase the risks to life and property; and
  - (3) Require that the applicant proceed with knowledge of these risks and that the applicant acknowledge in writing the assumption of the risk and liability.

## **ADDENDUM "A"**

### **NATURAL GAS FRANCHISE**

**AN ORDINANCE RENEWING AN EXISTING FRANCHISE AND GRANTING FOR A PERIOD OF 20 YEARS TO AMEREN ILLINOIS, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, THE FRANCHISE, RIGHT, PERMISSION AND AUTHORITY TO CONSTRUCT, RECONSTRUCT, EXCAVATE FOR, PLACE, REMOVE, EXTEND, MAINTAIN, AND OPERATE A GAS UTILITY SYSTEM IN THE VILLAGE OF BECKEMEYER, COUNTY OF CLINTON AND STATE OF ILLINOIS.**

**BE IT ORDAINED BY THE PRERSIDENT AND THE BOARD OF TRUSTEES OF THE VILLAGE OF BECKEMEYER, COUNTY OF CLINTON, AND THE STATE OF ILLINOIS, AS FOLLOWS:**

**Section 1.** It is the intent of the parties by this Ordinance to extend for an additional term, subject to the terms and conditions here stated, the authorization to Ameren Illinois, its successors and assigns, to construct, operate and maintain a gas utility system within the Village as originally authorized by an Ordinance No. 226 approved on May 12, 1958. The parties acknowledge that by so doing they are continuing an existing relationship authorizing the services of a utility for the provision of gas energy and other purposes within the Village for the benefit of its citizens and residents as well as other consumers of gas energy located within its corporate limits.

**Section 2.** There is hereby given and granted to Ameren Illinois, its successors and assigns (hereinafter referred to as the "Company"), the right, privilege and authority to construct, operate, maintain and/or extend within the corporate limits, as the same now exists or may hereafter be extended, of the Village of Beckemeyer (hereinafter referred to as "Municipality"), a gas utility system for the transmission, distribution and/or sale of gas energy and other purposes (the "System"), together with the right, privilege and authority to lay, erect, construct, install, operate and/or maintain all necessary mains, pipes, valves, equipment and/or other apparatus as may be necessary or convenient for the System, in, upon, along, over, under, through and/or across each and all of the streets, avenues, alleys, bridges, easements, rights of way and/or other public places as agreed upon by both parties.

**Section 3.** All mains, pipes, valves and apparatus shall, so far as practicable, be placed underground and shall be so located and laid as not to interfere unnecessarily with any pipes, conduits, sewers, drains, pavements, public places, or right-of-way existing at the time of such location, and said Company shall forthwith repair any damage caused to such improvements to the satisfaction of the official or officials of said Municipality having charge of the supervision thereof. There shall be no unnecessary obstruction to the streets, avenues, alleys, public places and right-of-way of said Municipality in the laying, installation, operation or maintenance of any of said mains, pipes, valves or other equipment. All facilities of Company in said Municipality shall be installed and maintained in accordance with the applicable rules and regulations of the Illinois Commerce Commission.

When any roadway within a right-of-way shall be graded, curbed, paved or otherwise changed or when there is a relocation of such right-of-way, so as to make the resetting or relocation of any mains, pipes, valves or other equipment placed or installed under this Ordinance necessary, the Company shall make such resetting or relocation, at the Company's

cost and expense. Municipality shall provide the Company with a suitable location for the resetting or relocation of such mains, pipes, valves or other equipment, and the Company's obligation shall be limited to resetting or relocating mains, pipes, valves or other equipment of the same type and configuration as the displaced mains, pipes, valves or other equipment. Company shall make such resetting or relocation within a reasonable time after receiving written notice of the need for the same from the authorized representative of the Municipality, and the establishment by the Municipality of the permanent grade at the new location. Except as expressly stated, nothing in this Section requires the Company to bear responsibility for any costs or expenses to relocate its mains, pipes, valves or other equipment for any other reason or cause.

**Section 4.** When any street, avenue, alley, bridge, easement, right of way and/or other public place, upon which or in which any facilities of Company have been placed, shall be graded, curbed, paved or otherwise changed by the Municipality so as to make the resetting or reconstruction of such facilities necessary, Company shall make such necessary change in construction at no cost to Municipality. Should it become necessary or should the Company desire to use conduits or other similar fixtures, Company shall make application to the Municipality for the establishment of permanent grades and such conduits or other similar fixtures shall not be installed until such permanent grades have been established. The Municipality agrees to establish promptly such permanent grades upon such application.

**Section 5.** The rates to be charged by the Company for gas service rendered under this Ordinance shall be such as are approved from time to time by the Illinois Commerce Commission of the State of Illinois and/or such other duly constituted governmental authority as shall have jurisdiction thereof. All Rules and Regulations of the Illinois Commerce Commission of the State of Illinois applicable to the rights, privileges and authority granted by this Ordinance, in the event of conflict herewith, shall govern.

**Section 6.** As a further consideration for the rights, privileges and authorities granted by this Ordinance, the Company shall, in Year 1 of the agreement, furnish Municipality compensation in the amount of **\$3,025**, payable within **thirty (30) days** of the acceptance of this Ordinance by the Municipality. In subsequent years, payment will be made within **thirty (30) days** of the anniversary date of the Ordinance on the following graduated scale: Year 2 - **\$2,805**; Year 3 - **\$2,585**; Year 4 - **\$2,365**; and Year 5 and all remaining years - **\$2,150**. Municipality may request a revision to the compensation amount after **five (5) years** from the date of passage of this Ordinance if Municipality has a reasonable belief that its population has increased or decreased by **three percent (3%)** or more. Municipality must request the revision at least **sixty (60) days** prior to the next anniversary date. If Company confirms that the number of customers served by the System within Municipality's corporate limits has increased or decreased by **three percent (3%)** or more, the compensation amount will be revised by that percentage for the next and succeeding payments. Municipality may request similar revisions to compensation amounts under these criteria in additional **five (5) year periods** throughout the term of this Ordinance.

**Section 7.** The rights, privileges and authority hereby granted shall inure to and be vested in Company, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Company shall devolve and be binding upon its successors and assigns, successively, in the same manner.

**Section 8.** This Ordinance shall confer no right, privilege or authority on Company, its successors or assigns, unless Company shall within **ninety (90) days** after due notice to the Company of the enactment of this Ordinance, file with the Village Clerk an acceptance of the terms and provisions hereof; provided, however, that if such acceptance be not so filed within said period of **ninety (90) days**, all rights, privileges, and authority herein granted shall become null and void.

**Section 9.** All rights, privileges and authority given and granted by this Ordinance are granted for a term of **twenty (20) years** from and after the acceptance of this Ordinance as hereinafter provided (the "Initial Term"), and thereafter on a year-to-year basis (each a "Subsequent Term") unless either the Company or Municipality notifies the other in writing of its desire to terminate this Ordinance at least **six (6) months** prior to the expiration of the Initial Term or any Subsequent Term.

**Section 10.** The Municipality acknowledges that Company is vested in rights, permissions and authority independent of this Ordinance. Neither acceptance of this Ordinance nor compliance with its provisions shall impair in any way or waive any right, permission or authority which Company may have independent of this Ordinance. In addition, neither use by Company of public property or places as authorized by this Ordinance nor service rendered by Company in said Municipality shall be treated as use solely of the rights, permission and authority provided for by this Ordinance and in no way shall indicate non-use of any right, permission or authority vested in the Company independent of this Ordinance. In the event the Municipality vacates any streets, avenues, alleys, easements, rights of way, bridges or other public places during the term of this Ordinance, Municipality agrees to reserve unto Company the rights, privileges and authority herein given and granted to the Company in, upon, under, along, over and across each and all of such vacated premises which are at that time in use by the Company.

**Section 11.** All ordinances and parts of ordinances in conflict with this Ordinance or with any of its provisions are, to the extent of such conflict, hereby repealed.

**Section 12.** This Ordinance shall not relieve Company of the obligation to comply with any ordinance now existing in the Municipality or enacted in the future requiring Company to obtain written permits or other approval from the Municipality prior to commencement of construction of facilities within the streets thereof, except Company shall not be required to obtain permits or other approval from the Municipality for the maintenance, upgrading and repair of its facilities. Except in cases of emergency, prior to engaging in any excavation activity that is expected to create an obstruction or other hazardous condition in any street avenue, alley or public place, the Company shall notify Municipality of the location and extent of the planned excavation. In cases of emergency, Company shall notify Municipality of the location and extent of any such activity as soon as practicable after the emergency has been abated.

**Section 13.** If any provision of this Ordinance, or the application of such provision to particular circumstances, shall be held invalid, the remainder of this Ordinance, or the application of such provision to circumstances other than those as to which it is held invalid, shall not be affected thereby.

**Section 14.** If, at any time, during the term of this contract, Municipality permits another entity or person to provide gas distribution or similar services, and Company reasonably believes the other entity or person is granted more favorable treatment, terms, or conditions, then Company shall notify Municipality of such treatment, terms, or conditions. Alternatively, if Municipality reasonably believes the other entity or person grants Municipality more favorable treatment, terms, or conditions, then Municipality shall notify Company of such treatment, terms, or conditions. Upon receipt of such notice, Municipality and Company shall negotiate in good faith to amend this Ordinance to provide Company or Municipality such more favorable treatment, terms or conditions on an equivalent basis. Such amendment shall take into consideration all circumstances that distinguish between Company and the entity or person receiving the more favorable or less favorable treatment, terms, or conditions.

**Section 15.** The Company shall be exempt from any special tax, assessment, license, rental or other charge during the term of this Ordinance, on all mains, pipes, valves, equipment and other apparatus placed under the streets, alleys, avenues, bridges, easements, rights of way or other public places within the corporate limits of Municipality.

**Section 16.** This Ordinance shall take effect and the rights, privileges and authority hereby granted and renewed shall vest in Company upon its filing of an acceptance with the Village Clerk according to the terms prescribed herein. This Ordinance shall be in full force from and after its passage, approval and **ten (10) day period** of publication in the manner provided by law.

## ADDENDUM "B"

**AN ORDINANCE RENEWING AN EXISTING FRANCHISE AND GRANTING FOR A PERIOD OF 20 YEARS TO AMEREN ILLINOIS, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, THE FRANCHISE, RIGHT, PERMISSION AND AUTHORITY TO CONSTRUCT, RECONSTRUCT, EXCAVATE FOR, PLACE, REMOVE, EXTEND, MAINTAIN, AND OPERATE AN ELECTRIC UTILITY SYSTEM IN THE VILLAGE OF BECKEMEYER, COUNTY OF CLINTON AND STATE OF ILLINOIS.**

**BE IT ORDAINED BY THE PRERESIDENT AND THE BOARD OF TRUSTEES OF THE VILLAGE OF BECKEMEYER, COUNTY OF CLINTON, AND THE STATE OF ILLINOIS, AS FOLLOWS:**

**Section 1.** It is the intent of the parties by this Ordinance to extend for an additional term, subject to the terms and conditions here stated, the authorization to Ameren Illinois, its successors and assigns, to construct, operate and maintain a utility system within the Village as originally authorized by an Ordinance No. 246 approved on January 11, 1965. The parties acknowledge that by so doing they are continuing an existing relationship authorizing the services of a utility for the provision of electric energy and other purposes within the Village for the benefit of its citizens and residents as well as other consumers of electric energy located within its corporate limits. For purposes of construing the terms, rights and obligations of the parties this authorization is granted pursuant to Section 14 of the Electric Supplier Act, **220 ILCS 30/14**, and the Illinois Municipal Code, **65 ILCS 5/1-1-1 et seq.**

**Section 2.** There is hereby given and granted to Ameren Illinois, its successors and assigns (hereinafter referred to as the "Company"), the right, privilege and authority to construct, operate, maintain and/or extend within the corporate limits, as the same now exists or may hereafter be extended, of the Village of Beckemeyer (hereinafter referred to as "Municipality"), an electric utility system for the transmission, distribution and/or sale of electric energy and other purposes (the "System"), together with the right, privilege and authority to erect, construct, install, operate and/or maintain all poles, conductors, wires, cables, conduits, equipment and/or other apparatus as may be necessary or convenient for the System, in, upon, along, over, under, through and/or across each and all of the streets, avenues, alleys, bridges, easements, rights of way and/or other public places.

**Section 3.** All poles and other equipment placed or installed under this Ordinance in streets, alleys, avenues, public places, or right-of-way, shall be so placed as not to interfere unnecessarily with travel on such streets, alleys, avenues, public places, or right-of-way. All poles and other equipment placed or installed under this Ordinance shall be so located as not to injure unnecessarily any pipes, conduits, sewers, drains, pavement or other like public improvements, and said Company shall forthwith repair any damage caused to such improvements to the satisfaction of the official or officials of said Municipality having charge of the supervision thereof and in default thereof said Municipality may repair such damage and charge the cost thereof to, and collect the same from, the Company. All facilities of Company in said Municipality shall be installed and maintained in accordance with the applicable rules and regulations of the Illinois Commerce Commission.

When any roadway within a right-of-way shall be graded, curbed, paved or otherwise changed or when there is a relocation of such right-of-way, so as to make the resetting or relocation of any poles or other equipment placed or installed under this Ordinance necessary, the Company shall make such resetting or relocation, at the Company's cost and expense. Municipality shall provide the Company with a suitable location for the resetting or relocation of such poles or other equipment, and the Company's obligation shall be limited to resetting or relocating poles or other equipment of the same type and configuration as the displaced poles or other equipment. Company shall make such resetting or relocation within a reasonable time after receiving written notice of the need for the same from the authorized representative of the Municipality, and the establishment by the Municipality of the permanent grade at the new location. Except as expressly stated, nothing in this Section requires the Company to bear responsibility for any costs or expenses to relocate its poles or other equipment for any other reason or cause.

**Section 4.** In order for Company to render efficient, safe, and continuous services, it will be necessary for Company to conduct vegetation management activities, including the trimming or pruning and cutting down of the trunks and branches of trees and/or vines and shrubs along or over the streets, sidewalks, alleys, avenues, squares, bridges and other public places in said Municipality, and areas dedicated to the Municipality for public utility use, wherever the same are likely to interfere with its equipment; therefore, Company is hereby granted the right to conduct such vegetation management activities so as to enable it to erect, operate and maintain its equipment in a regular and consistent form and manner and to enable it to provide the most efficient, safe, and continuous service that the circumstances will permit; provided, however, that Company shall exercise proper care and discretion in its vegetation management activities. Company shall conduct its vegetation management activities in accordance with applicable law, including without limitation, **220 ILCS 5/8-505.1**, and any amendments thereto. Notwithstanding the foregoing, to the extent applicable law may be superseded or modified by an agreement between Municipality and Company, Municipality and Company reserve the right to enter into such an agreement.

**Section 5.** The rates to be charged by the Company for electric service rendered under this Ordinance shall be such as are approved from time to time by the Illinois Commerce Commission of the State of Illinois and/or such other duly constituted governmental authority as shall have jurisdiction thereof. All Rules and Regulations of the Illinois Commerce Commission of the State of Illinois applicable to the rights, privileges and authority granted by this Ordinance, in the event of conflict herewith, shall govern.

**Section 6.** As a further consideration for the rights, privileges and authorities granted by this Ordinance, the Company shall, in Year 1 of the agreement, furnish Municipality compensation in the amount of **\$17,100**, payable within **thirty (30) days** of the acceptance of this Ordinance by the Municipality. In subsequent years, payment will be made within **thirty (30) days** of the anniversary date of the Ordinance on the following graduated scale: Year 2 - **\$14,025**; Year 3 - **\$10,950**; Year 4 - **\$7,875**; and Year 5 and all remaining years - **\$4,800**. Municipality may request a revision to the compensation amount after **five (5) years** from the date of passage of this Ordinance if Municipality has a reasonable belief that its population has increased or decreased by **three percent (3%)** or more. Municipality must request the revision at least **sixty (60) days** prior to the next anniversary date. If Company confirms that the number of customers served by the System within Municipality's corporate limits has increased or decreased by **three percent (3%)** or more, the compensation amount will be revised by that percentage for the next and succeeding payments. Municipality may request similar revisions to compensation amounts under these criteria in additional **five (5) year periods** throughout the term of this Ordinance.

**Section 7.** If, at any time, during the term of this contract, Municipality permits another entity or person to provide electric distribution or similar services, and Company reasonably believes the other entity or person is granted more favorable treatment, terms, or conditions, then Company shall notify Municipality of such treatment, terms, or conditions. Alternatively, if Municipality reasonably believes the other entity or person grants Municipality more favorable treatment, terms, or conditions, then Municipality shall notify Company of such treatment, terms, or conditions. Upon receipt of such notice, Municipality and Company shall negotiate in good faith to amend this Ordinance to provide Company or Municipality such more favorable treatment, terms or conditions on an equivalent basis. Such amendment shall take into consideration all circumstances that distinguish between Company and the entity or person receiving the more favorable or less favorable treatment, terms, or conditions.

**Section 8.** The Company shall be exempt from any special tax, assessment, license, rental or other charge during the term of this Ordinance, on all poles, conductors, wires, cables, conduits, equipment and other apparatus placed in the streets, alleys, avenues, bridges, easements, rights of way or other public places within the corporate limits of Municipality.

**Section 9.** The Company shall indemnify and save harmless the Municipality and all contractors, officers, employees and representatives thereof from all claims, demands, causes of action, liability, judgements, costs and expenses or losses for injury or death to persons or damage to property owned by, and Worker's Compensation claims against any parties indemnified herein, arising out of, caused by, or as

a result of the Company's construction, erection, maintenance, use or presence of, or removal of any poles, wires, lines, cables, conduit, appurtenances thereto, or equipment or attachments thereto. The foregoing indemnification shall not apply to the extent any such claim, demand, cause of action, liability, judgment, cost, expense or loss arises out of, is caused by, or results from the negligent or wrongful willful act or omission of the Municipality or any contractor, officer, employee or representative thereof.

**Section 10.** The rights, privileges and authority hereby granted shall inure to and be vested in Company, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Company shall devolve and be binding upon its successors and assigns, successively, in the same manner.

**Section 11.** This Ordinance shall confer no right, privilege or authority on Company, its successors or assigns, unless Company shall within **ninety (90) days** after due notice to the Company of the enactment of this Ordinance, file with the Village Clerk an acceptance of the terms and provisions hereof; provided, however, that if such acceptance be not so filed within said period of **ninety (90) days**, all rights, privileges, and authority herein granted shall become null and void.

**Section 12.** All rights, privileges and authority given and granted by this Ordinance are granted for a term of **twenty (20) years** from and after the acceptance of this Ordinance as hereinafter provided (the "Initial Term"), and thereafter on a year-to-year basis (each a "Subsequent Term") unless either the Company or Municipality notifies the other in writing of its desire to terminate this Ordinance at least **six (6) months** prior to the expiration of the Initial Term or any Subsequent Term.

**Section 13.** The Municipality acknowledges that Company is vested in rights, permissions and authority independent of this Ordinance. Neither acceptance of this Ordinance nor compliance with its provisions shall impair in any way or waive any right, permission or authority which Company may have independent of this Ordinance. In addition, neither use by Company of public property or places as authorized by this Ordinance nor service rendered by Company in said Municipality shall be treated as use solely of the rights, permission and authority provided for by this Ordinance and in no way shall indicate non-use of any right, permission or authority vested in the Company independent of this Ordinance. In the event the Municipality vacates any streets, avenues, alleys, easements, rights of way, bridges or other public places during the term of this Ordinance, Municipality agrees to reserve unto Company the rights, privileges and authority herein given and granted to the Company in, upon, along, over and across each and all of such vacated premises which are at that time in use by the Company.

**Section 14.** All ordinances and parts of ordinances in conflict with this Ordinance or with any of its provisions are, to the extent of such conflict, hereby repealed.

**Section 15.** This Ordinance shall not relieve Company of the obligation to comply with any ordinance now existing in the Municipality or enacted in the future requiring Company to obtain written permits or other approval from the Municipality prior to commencement of construction of facilities within the streets thereof, except Company shall not be required to obtain permits or other approval from the Municipality for the maintenance, upgrading and repair of its constructed facilities. Company shall provide notice of excavation hereunder in accordance with the Illinois Underground Utility Damage Prevention Act (**220 ILCS 50/1 et seq.**)

**Section 16.** If any provision of this Ordinance, or the application of such provision to particular circumstances, shall be held invalid, the remainder of this Ordinance, or the application of such provision to circumstances other than those as to which it is held invalid, shall not be affected thereby.

**Section 17.** Any conflict between the Franchise Ordinance and the provisions contained in the Electric Service Customer Choice and Rate Relief Law of 1997 (Public Act 90-561) will be resolved by giving the state statute mandatory priority over any contrary language contained in the Franchise Ordinance.

**Section 18.** This Ordinance shall take effect and the rights, privileges and authority hereby granted and renewed shall vest in Company upon its filing of an acceptance with the Village Clerk according to the terms prescribed herein and as provided for in Section 13 and in **35 ILCS 645/5-4**. This Ordinance shall be in full force from and after its passage, approval and **ten (10) day period** of publication in the manner provided by law.

(E)                To receive complaint from any citizen within his jurisdiction that any of the provisions of this Act, or any rules or regulations adopted pursuant hereto, have been or are being violated and to act upon such complaints in the manner hereinafter provided;

(F)                The Local Liquor Control Commissioner shall also have the power to levy fines in accordance with **Section 21-4-10** of this Code. **(See 235 ILCS 5/4-4) (In Part 1990 Code; Sec. 8.23)**

**21-4-9**            **COMPLAINT BY RESIDENTS.** Any **five (5) residents** of the municipality shall have the right to file a complaint with the Liquor Commissioner, stating that a licensee under this Code has been or is violating the provisions of this Code or any amendments hereto, or of any of the statutes of this State of Illinois, enacted with reference to the control of liquor. Such complaint shall be made in writing and shall be signed and sworn to by the parties complaining.

The complaint shall state the particular provision, rule or regulation believed to have been violated and the facts in detail upon which such belief is based. If the Liquor Commissioner is satisfied that the complaint substantially charges a violation, and that from the facts alleged, there is reasonable cause for such belief, he shall set the matter for hearing, and shall serve notice upon the licensee of the time and place of such hearing and of the particular charges in the complaint. **(See 235 ILCS 5/7-7)**

**21-4-10**          **REVOCATION OR SUSPENSION OF LOCAL LICENSE; - NOTICE AND HEARING.** The Liquor Commissioner may revoke or suspend any license issued by him if he determines that the licensee has violated any of the provisions of the **Illinois Liquor Act**, any valid ordinance adopted by the municipality, any applicable rule or regulation established by the Liquor Commissioner or the State Commission which is not inconsistent with law.

(A)                **Fine as Opposed to Suspension or Revocation.** In addition to the suspension, the Local Liquor Control Commissioner in any county or municipality may levy a fine on the licensee for such violations. The fine imposed shall not exceed **One Thousand Dollars (\$1,000.00)** for a first violation within a twelve (12) month period, **One Thousand Five Hundred Dollars (\$1,500.00)** for a second violation within a twelve (12) month period, and **Two Thousand Five Hundred Dollars (\$2,500.00)** for a third or subsequent violation within a twelve (12) month period. Each day on which a violation continues shall constitute a separate violation. Not more than **Fifteen Thousand Dollars (\$15,000.00)** in fines under this Section may be imposed against any licensee during the period of his license. Proceeds from such fines shall be paid into the general corporate fund of the municipal treasury. **(See P.A. 89-0063)**

(B)                **Revocation and Suspension: Notice.** However, no such license shall be so revoked or suspended and no licensee shall be fined except after a public hearing by the Local Liquor Control Commissioner with a **three (3) day** written notice to the licensee affording the licensee an

opportunity to appear and defend. All such hearings shall be open to the public and the Liquor Commissioner shall reduce all evidence to writing and shall maintain an official record of the proceedings. If the Liquor Commissioner has reason to believe that any continued operation of a particular licensed premises will immediately threaten the welfare of the community he may, upon the issuance of a written order stating the reason for such conclusion and without notice or hearing order the licensed premises closed for not more than **seven (7) days**, giving the licensee an opportunity to be heard during that period, except that if such licensee shall also be engaged in the conduct of another business or businesses on the licensed premises such order shall not be applicable to such other business or businesses.

(C) **Hearing.** The Liquor Commissioner shall, within **five (5) days** after such hearing, if he determines after such hearing that the license should be revoked or suspended, state the reason or reasons for such determination in a written order of revocation or suspension and shall serve a copy of such order within the **five (5) days** upon the license. The findings of the Commissioner shall be predicted upon competent evidence. **(See 235 ILCS 5/7-5)**

**21-4-11** **APPEALS FROM ORDER OF LIQUOR COMMISSIONER.** Except as provided in this section, any order or action of a Local Liquor Control Commissioner levying a fine or refusing to levy a fine on a licensee, granting or refusing to grant a license, revoking or suspending or refusing to revoke or suspend a license or refusing for more than **thirty (30) days** to grant a hearing upon a complaint to revoke or suspend a license may within **twenty (20) days** after notice of such order or action by appealed by any resident of the municipality under the jurisdiction of the Liquor Commissioner or any person interested, to the State Commission.

In any case where a licensee appeals to the State Commission from an order or action of the Liquor Commissioner having the effect of suspending or revoking a license, denying a renewal application, or refusing to grant a license, the licensee shall resume the operation of the licensed business pending the decision of the State Commission and the expiration of the time allowed for an application for rehearing. If an application for rehearing is filed, the licensee shall continue the operation of the licensed business until the denial of the application or, if the rehearing is granted, until the decision on rehearing. **(See 235 ILCS 5/7-9)**

**21-4-12** **SUBSEQUENT VIOLATIONS IN A YEAR.** In any case in which a licensee appeals to the State Commission a suspension or revocation by a Local Liquor Control Commissioner that is the second or subsequent such suspension or revocation placed on that licensee within the preceding **twelve (12) month period**, the licensee shall consider the suspension or revocation to be in effect until a reversal of the Liquor Commissioner's action has been issued by the State Commission and shall cease all activity otherwise authorized by the license. The State Commission shall expedite, to the greatest extent possible, its consideration of any appeal that is an appeal of a second or subsequent suspension or revocation within the past **twelve (12) month period**. **(See 235 ILCS 5/7-9)**

**21-4-13** **APPEAL LIMITATIONS FOR SUBSEQUENT VIOLATION.** Any appeal of the decision and findings of the Liquor Commissioner in **Section 21-4-12** shall be limited to a review of the official record of the proceedings of said Liquor Commissioner. The official record shall be a "certified official record" of the proceedings taken and prepared by a certified court reporter or certified shorthand reporter. A copy of this record shall be filed by the Liquor Commissioner within **five (5) days** after notice of the filing of such appeal is received by the municipality from State Commission. **(See 235 ILCS 5/7-9)**

## CHAPTER 22

### MANDATED POLICIES

#### ARTICLE I – IDENTITY THEFT PREVENTION POLICY

##### DIVISION I - PREVENTION POLICY

**22-1-1**        **PROGRAM ADOPTION.** The Village developed this Identity Theft Prevention Program pursuant to the Federal Trade Commission's Red Flags Rule, which implements Section 114 of the Fair and Accurate Credit Transactions of 2003. 16 C.F.R. § 681.2. This Program was developed with oversight and approval of the Village. After consideration of the size and complexity of the Utility's operations and account systems, and the nature and scope of the Utility's activities, the Village Board determined that this Program was appropriate for the Village, and therefore approved this Program on February 9, 2009.

**22-1-2**        **PROGRAM PURPOSE AND DEFINITIONS.**

(A)        **Fulfilling Requirements of the Red Flags Rule.** Under the Red Flag Rule, every financial institution and creditor is required to establish an "Identity Theft Prevention Program" tailored to its size, complexity and the nature of its operation. Each program must contain reasonable policies and procedures to:

- (1) Identify relevant Red Flags for new and existing covered accounts and incorporate those Red Flags into the Program;
- (2) Detect Red Flags that have been incorporated into the Program;
- (3) Respond appropriately to any Red Flags that are detected to prevent and mitigate Identity Theft; and
- (4) Ensure the Program is updated periodically, to reflect changes in risks to customers or to the safety and soundness of the creditor from Identity Theft.

(B)        **Red Flags Rule Definitions Used in this Program.** The Red Flags Rule defines "Identity Theft" as "fraud committed using the identifying information of another person" and a "Red Flag" as "a pattern, practice, or specific activity that indicates the possible existence of Identity Theft."

According to the Rule, a municipal utility is a creditor subject to the Rule requirements. The Rule defines creditors "to include finance companies, automobile dealers, mortgage brokers, utility companies, and telecommunications companies. Where non-profit and government entities defer payment for goods or services, they, too, are to be considered creditors."

All the Utility's accounts that are individual utility service accounts held by customers of the utility whether residential, commercial or industrial are covered by the Rule. Under the Rule, a "covered account" is:

- (1) Any account the Utility offers or maintains primarily for personal, family or household purposes, that involves multiple payments or transactions; and
- (2) Any other account the Utility offers or maintains for which there is a reasonably foreseeable risk to customers or to the safety and soundness of the Utility from Identity Theft.

"Identifying information" is defined under the Rules as "any name or number that may be used, alone or in conjunction with any other information, to identify a specific person," including: name, address, telephone number, social security number, date of birth, government issued driver's license or identification number, alien registration number, government passport number, employer or taxpayer identification number, unique electronic identification number, computer's Internet Protocol address, or routing code.

**22-1-3 IDENTIFICATION OF RED FLAGS.** In order to identify relevant Red Flags, the Utility considers the types of accounts that it offers and maintains, the methods it provides to open its accounts, the methods it provides to access its accounts, and its previous experiences with Identity Theft. The Utility identifies the following red flags, in each of the listed categories:

- (A) **Notifications and Warnings From Credit Reporting Agencies; Red Flags.**
- (1) Report of fraud accompanying a credit report;
  - (2) Notice or report from a credit agency of a credit freeze on a customer or applicant;
  - (3) Notice or report from a credit agency of an active duty alert for an applicant; and
  - (4) Indication from a credit report of activity that is inconsistent with a customer's usual pattern or activity.
- (B) **Suspicious Documents; Red Flags.**
- (1) Identification document or card that appears to be forged, altered or inauthentic;
  - (2) Identification document or card on which a person's photograph or physical description is not consistent with the person presenting the document;
  - (3) Other document with information that is not consistent with existing customer information (such as if a person's signature on a check appears forged); and
  - (4) Application for service that appears to have been altered or forged.
- (C) **Suspicious Personal Identifying Information; Red Flags.**
- (1) Identifying information presented that is inconsistent with other information the customer provides (example: inconsistent birth dates);
  - (2) Identifying information presented that is inconsistent with other sources of information (for instance, an address not matching an address on a credit report);
  - (3) Identifying information presented that is the same as information shown on other applications that were found to be fraudulent;
  - (4) Identifying information presented that is consistent with fraudulent activity (such as an invalid phone number or fictitious billing address);
  - (5) Social security number presented that is the same as one given by another customer;
  - (6) An address or phone number presented that is the same as that of another person;
  - (7) A person fails to provide complete personal identifying information on an application when reminded to do so (however, by law social security numbers must not be required); and
  - (8) A person's identifying information is not consistent with the information that is on file for the customer.
- (D) **Suspicious Account Activity or Unusual Use of Account; Red Flags.**
- (1) Change of address for an account followed by a request to change the account holder's name;
  - (2) Payments stop on an otherwise consistently up-to-date account;
  - (3) Account used in a way that is not consistent with prior use (example: very high activity);
  - (4) Mail sent to the account holder is repeatedly returned as undeliverable;
  - (5) Notice to the Utility that a customer is not receiving mail sent by the Utility;
  - (6) Notice to the Utility that an account has unauthorized activity;
  - (7) Breach in the Utility's computer system security; and
  - (8) Unauthorized access to or use of customer account information.

(E) **Alerts From Others; Red Flag.**

- (1) Notice to the Utility from a customer, identity theft victim, law enforcement or other person that it has opened or is maintaining a fraudulent account for a person engaged in Identity Theft.

**22-1-4** **DETECTING RED FLAGS.**

(A) **New Accounts.** In order to detect any of the Red Flags identified above associated with the opening of a **new account**, Utility personnel will take the following steps to obtain and verify the identity of the person opening the account:

- (1) Require certain identifying information such as name, date of birth, residential or business address, principal place of business for an entity, driver's license or other identification;
- (2) Verify the customer's identity (for instance, review a driver's license or other identification card);
- (3) Review documentation showing the existence of a business entity; and
- (4) Independently contact the customer.

(B) **Existing Accounts.** In order to detect any of the Red Flags identified above for an **existing account**, Utility personnel will take the following steps to monitor transactions with an account:

- (1) Verify the identification of customers if they request information (in person, via telephone, via facsimile, via email);
- (2) Verify the validity of requests to change billing addresses; and
- (3) Verify changes in banking information given for billing and payment purposes.

**22-1-5** **PREVENTING AND MITIGATING IDENTITY THEFT.**

(A) **Prevent and Mitigate.** In the event Utility personnel detect any identified Red Flags, such personnel shall take one or more of the following steps, depending on the degree of risk posed by the Red Flag:

- (1) Continue to monitor an account for evidence of Identity Theft;
- (2) Contact the customer;
- (3) Change any passwords or other security devices that permit access to accounts;
- (4) Not open a new account;
- (5) Close an existing account;
- (6) Reopen an account with a new number;
- (7) Notify the Program Administrator for determination of the appropriate step(s) to take;
- (8) Notify law enforcement; or
- (9) Determine that no response is warranted under the particular circumstances.

(B) **Protect Customer Identifying Information.** In order to further prevent the likelihood of Identity Theft occurring with respect to Utility accounts, the Utility will take the following steps with respect to its internal operating procedures to protect customer identifying information:

- (1) Ensure that its website is secure or provide clear notice that the website is not secure;
- (2) Ensure complete and secure destruction of paper documents and computer files containing customer information;
- (3) Ensure that office computers are password protected and that computer screens lock after a set period of time;
- (4) Keep offices clear of papers containing customer information;
- (5) Request only the last 4 digits of social security numbers (if any);
- (6) Ensure computer virus protection is up to date; and
- (7) Require and keep only the kinds of customer information that are necessary for utility purposes.

**22-1-6**            **PROGRAM UPDATES.** The Program Administrator will periodically review and update this Program to reflect changes in risks to customers and the soundness of the Utility from Identity Theft. In doing so, the Program Administrator will consider the Utility's experiences with Identity Theft situations, changes in Identity Theft methods, changes in Identity Theft detection and prevention methods, and changes in the Utility's business arrangements with other entities. After considering these factors, the Program Administrator will determine whether changes to the Program, including the listing of Red Flags, are warranted. If warranted, the Program Administrator will update the Program or present the Village Board with his or her recommended changes and the Village Board will make a determination of whether to accept, modify or reject those changes to the Program.

**22-1-7**            **PROGRAM ADMINISTRATION.**

(A)            **Oversight.** Responsibility for developing, implementing and updating this Program lies with an Identity Theft Committee for the Utility. The Committee is headed by a Program Administrator who may be the head of the Utility or his or her appointee. Two or more other individuals appointed by the head of the Utility or the Program Administrator comprise the remainder of the committee membership. The Program Administrator will be responsible for the Program administration, for ensuring appropriate training of Utility staff on the Program, for reviewing any staff reports regarding the detection of Red Flags and the steps for preventing and mitigating Identity Theft, determining which steps of prevention and mitigation should be taken in particular circumstances and considering periodic changes to the Program.

(B)            **Staff Training and Reports.** Utility staff responsible for implementing the Program shall be trained either by or under the direction of the Program Administrator in the detection of Red Flags, and the responsive steps to be taken when a Red Flag is detected.

(C)            **Service Provider Arrangements.** In the event the Utility engages a service provider to perform an activity in connection with one or more accounts, the Utility will take the following steps to ensure the service provider performs its activity in accordance with reasonable policies and procedures designed to detect, prevent, and mitigate the risk of Identity Theft.

- (1)            Require, by contract, that service providers have such policies and procedures in place; and

The notification shall state the reason(s) for the **five (5) business day's** extension and contain a date certain on which the requested record(s) will be available. The failure to grant or deny a request within the additional **five (5) business days** shall operate as a denial. The person making the request and the Village may agree in writing to extend the time for compliance for a period to be determined by the parties. Prior to denying a request based upon the burdensome nature of the request, an opportunity to narrow the request to manageable proportions shall be provided. If the attempt to narrow the request fails, the request may be denied because compliance will unduly burden the operations of the Village and the burden outweighs the public interest in the information. The denial shall be in writing, specifying the reasons why compliance will be unduly burdensome and the extent to which compliance will so burden the operations of the Village. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided are properly denied under the Freedom of Information Act shall be deemed unduly burdensome under this Section.

The notice shall include:

- (1) a copy of the request for access to records;
- (2) the proposed response from the Village;
- (3) a detailed summary of the Village's basis for asserting its exemption.

If the Public Access Counselor determines that further inquiry is warranted, the procedures set forth in the Freedom of Information Act, as amended from time to time, regarding the review of denials shall be applicable. Times for response compliance by the Village to the request shall be tolled until the Public Access Counselor concludes his or her inquiry.

**22-7-3**            **CONTRACTING WITH NON-COMPLAINTS.** The Village will not contract with other agencies, banks, businesses, vendors, etc., who practice or establish a pattern of discrimination based on sex, color, race, religion, age, national origin, political affiliation or belief.

(A)            The Village will incorporate into any contract for construction work, or modification thereof, subject to the relevant rules, regulations, and orders of the Secretary of Labor or of any prior authority that remain in effect, which is paid for in whole or in part with the aid of such financial assistance, the following "Equal Opportunity Clause":

- (1)            The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, disability or national origin. The contractor will take affirmative action to ensure that applicants are employed, and the employees are treated during employment, without regard to their race, color, religion, sex, national origin or disability. ## ARTICLE VIII – POLICY PROHIBITING SEXUAL HARASSMENT

**22-8-1 PROHIBITION ON SEXUAL HARASSMENT.** It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of this Village to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

**22-8-2 DEFINITION OF SEXUAL HARASSMENT.** This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

(A) Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

(B) Conduct which may constitute sexual harassment includes:

- (1) **Verbal.** Sexual innuendoes, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside their presence, of a sexual nature.
- (2) **Non-verbal.** Suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- (3) **Visual.** Posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- (4) **Physical.** Touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- (5) **Textual/Electronic.** "Sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking or threats via all forms of electronic communication (e-mail, text/picture/ video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

(C) The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

**22-8-3 PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT.**

(A) An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible

by clearly communicating his/her position to the offending employee, and his/her immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

(B) Any employee may report conduct which is believed to be sexual harassment, including the following:

- (1) **Electronic/Direct Communication.** If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express his/her objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- (2) **Contact with Supervisory Personnel.** At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the village manager or administrator, or the chief executive officer of the Municipality.  
The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the Municipality will not be presumed to have knowledge of the harassment.
- (3) **Resolution Outside Municipality.** The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within **three hundred (300) days** of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must also be filed within **three hundred (300) days. (Ord. No. 18-8; 11-12-18)**
- (4) **Allegations Made Against an Elected Official by Another Elected Official.** In addition to the methods of reporting included above, an elected official may request an independent review of a complaint of sexual harassment by another elected official. The request shall be made to the human resources director, the village manager or administrator or the chief elected official of the Village. The official receiving the request shall take immediate action in keeping with the procurement process of the Village to retain a qualified individual or entity for the independent review of the allegations of sexual harassment in violation of this policy. The outcome of the independent review shall be reported to the corporate authorities. **(Ord. No. 20-13; 09-14-20)**

(C) Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages.

(D) All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

**22-8-4**  
**ALLEGATIONS.**

**PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT**

(A) No municipal official, municipal agency, municipal employee or municipal agency or office shall take any retaliatory action against any municipal employee due to a municipal employee's:

- (1) Disclosure or threatened disclosure of any violation of this policy,
- (2) The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
- (3) Assistance or participation in a proceeding to enforce the provisions of this policy.

(B) For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's involvement in protected activity pursuant to this policy.

(C) No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

(D) Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (**5 ILCS 430/15-10**) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

- (1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation;
- (2) Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee; or
- (3) Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act.

(E) Pursuant to the Whistleblower Act (**740 ILCS 174/15(a)**), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. (**740 ILCS 174/15(b)**).

(F) According to the Illinois Human Rights Act (**775 ILCS 5/6-101**), it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

(G) An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – either due within **three hundred (300) days** of the alleged retaliation. (**Ord. No. 18-8; 11-12-18**)

**22-8-5**  
**HARASSMENT.**

**CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL**

In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in **5 ILCS 430/5-65**, may be subject to a fine of up to **Seven Hundred Fifty Dollars (\$750.00)** per offense, applicable discipline or discharge by the Municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the Municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

**22-8-6**      **CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT.** A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to **Seven Hundred Fifty Dollars (\$750.00)** against any person who intentionally makes a false, frivolous or bad faith allegation.

**(Ord. No. 17-16; 12-18-17)**

## **ARTICLE IX – STANDARDS OF ETHICAL CONDUCT TO ADDRESS FRAUD, WASTE AND ABUSE**

**22-9-1**            **POLICY.** In the spirit of sound and ethical governance and other applicable laws and regulations, the Village believes that the ethical conduct of those in public service is of utmost importance. This policy is set forth in order to address fraud, waste and abuse in Village government and establishes reasonable standards of ethical conduct for all Village employees and officers. It is the intent of this policy to establish minimum expectations relative to employee and officer behavior and conduct in the execution of their duties as representatives of the Village.

**22-9-2**            **SCOPE.** This policy applies to all Village employees and officers (hereinafter “employees”). This policy is not intended to be all-inclusive or address every possible eventuality or circumstance. Instead, it is intended to establish reasonable standards and provide guidance relative to the ethical conduct of Village employees while fulfilling the expectations of Village residents.

**22-9-3**            **INTERPRETATION.** This policy does not supplant any of the Village’s labor contracts or Memoranda of Understanding (MOUs). Should this policy conflict with any law, regulation, or labor contract of which the Village or its employees may be subject, that law, regulation, or contract shall take precedence. In the event this policy conflicts with any precedent or past practice of the Village, management will resolve that conflict by means consistent with established procedures or practices.

**22-9-4**            **DEFINITIONS.**

(A)            **Fraud, Waste and Abuse.** Any illegal, wasteful, or improper activity involving Village assets or resources. **22-9-5 EXPECTATIONS.** Village employees shall adhere to and uphold this policy both in practice and in spirit. It is expected that employees act in the public's interest first and not their own. It is further expected that their behavior, both on the job and off, reflects positively on the Village, its reputation, and its employees. Pursuant to this policy, an employee's duties and responsibilities include, but are not limited to:

(A) **Duty to Protect the Reputation of the Village.** It is the duty of every employee to uphold and protect the good reputation of the Village and his or her fellow workers.

(B) **Duty to Obey the Law.** It is the responsibility of every employee to obey the law in the execution of his or her duties. Ignorance of the law or a particular regulation may not be considered an excuse for committing a violation or oversight.

(C) **Duty to Comply with Village Policies.** It is the responsibility of every employee to comply with all Village policies.

(D) **Conflicts of Interest Must be Avoided.** In the broadest sense of the meaning, no employee shall engage in a behavior that may appear to be or give rise to a conflict of interest between him or herself and that employee's official capacity or duties. Should a conflict of interest arise, the employee involved shall report it in the manner described below.

(E) **Disqualification from Acting on Village Business.** An employee shall disqualify him or herself and shall not act on any matter in which he or she, a member of his or her immediate family, or another employer of the employee has a financial interest.

(F) **Prohibition of Certain Financial Interest or Activity.** No employee, regardless of any prior disclosure, who has a material interest, personally or through a member of his or her immediate family, in any business entity doing or seeking to do business within the Village shall influence or attempt to influence the selection of the business entity or the making of a contract between such business entity and the Village. Employees may not have financial interests in contracts.

(G) **Solicitation of Gifts or Loans is Prohibited.** No employee shall solicit anything of monetary value (even such things which might be returned or repaid) if it would appear to have been solicited with intent of obtaining something in return. (H) **Gifts in Excess of the \$300 Annual Gift Limitation Amount are Prohibited.** No employee or family member of an employee shall accept gifts that exceed an aggregate value of the adjusted annual gift limitation amount in accordance with Government Code in any **twelve (12) consecutive months** from an individual or entity that is doing business with the Village.

(I) **Improper Disclosure of Privileged, Personal or Confidential Information.** Unless expressly authorized, no employee shall intentionally disclose privileged, personal or confidential information obtained as a result of, or in connection with, his or her employment with the Village for any purpose. Privileged, personal or confidential information does not include information that is a matter of public knowledge or that is available to the public on request. Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state and federal constitutions as well as labor or other applicable laws.

(J) **Improper Using One's Village Employment.** No employee shall use or permit the use of any Village assets for a non-Village purpose that is for the private benefit of the employee or any other person unless available on equal terms to the general public.

(K) **Improper Influence.** No employee, except in the course of his or her official duties, shall assist any person in any transaction with the Village when such employee's assistance would appear to a reasonable person to be enhanced by that employee's position with the Village for their own personal benefit. This subsection shall not apply to any employee appearing on his own behalf or representing himself as to any matter in which he has a proprietary interest, if not otherwise prohibited by law.

(L) **Duty to Identify, Report and Work to Eliminate Fraud, Waste and Abuse.**

It is the responsibility and duty of every employee to identify, report and work to eliminate fraud, waste and abuse at all levels of the Village administration and operations. Employees are encouraged to bring to the attention of management any opportunity to reduce or eliminate fraud, waste and abuse.

(M) **Duty to Cooperate.**

It is the duty of every employee to cooperate in an investigation involving a violation or an alleged violation of this policy. Upon the Village's request, an employee will participate and fully cooperate in any investigation. This policy does not preclude an employee from exercising his or her Constitutional rights or those afforded to him or her by a Village recognized labor contract. However, the exercising of one's rights does not preclude Village from disciplining an employee for his or her failure to participate or cooperate in an investigation if the Village may lawfully do so.

(N) **Handling of Anonymous Complaints or Allegations of Violations of this**

**Policy.** Employees are prohibited from attempting to identify or intentionally exposing the identity of any party making an anonymous report or complaint pursuant to this policy.

**22-9-6** **REPORTING.**

Employees are expected to report all violations or suspected violations of this policy to management in a timely and professional manner. The Village recognizes that the reporting party may desire or require anonymity. Thus, anonymous reports or concerns may be reported by any party to the Village President or the Village Trustees. It is the duty of every employee to report any known violation of this policy or what would appear to a reasonable person to be a violation of this policy. Employees are reminded that they may report anonymously any actions that detract from the efficiency and effectiveness of Village operations include, but not limited to, fraud, waste, abuse, ethics violations, retaliation, discrimination and safety violations. It is a violation of this policy to retaliate against an employee who makes a report anonymously under Illinois Labor Code. The Illinois State Attorney General's Whistleblower Hotline number is (888) 814-4646.

**22-9-7** **INVESTIGATION AND ENFORCEMENT.**

All violations or alleged violations of this policy will be investigated. As stated above, it is the duty of every employee to cooperate in an investigation involving a violation or an alleged violation of this policy. Upon the request of the Village, an employee will participate and fully cooperate in any investigation, whether conducted by the Village or its agent(s). If as a result of good faith investigation and a resultant reasonable conclusion that a violation of this policy has occurred, the offending employee may be subject to disciplinary action up to and including termination.

## ARTICLE X – WHISTLEBLOWER PROTECTION POLICY

**22-10-1**      **PURPOSE.** The Village provides whistleblower protections in two important areas: confidentiality and against retaliation. The confidentiality of a whistleblower will be maintained to the extent allowable by law, however, an identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense. A whistleblower may also waive confidentiality in writing. The Village will not retaliate against a whistleblower. This includes, but is not limited to, protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or poor work assignments and threats of physical harm. Any whistleblower who believes they are being retaliated against must submit a written report to the Auditing Official within **sixty (60) days** of gaining knowledge of the retaliatory action. The right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged and investigated.

**22-10-2**      **DEFINITIONS.**

(A)      **Whistleblower** means an employee, as defined in this Section, of the Village who:

- (1) reports an improper governmental action as defined under **50 ILCS 105/4.1** (hereinafter Section 4.1);
- (2) cooperates with an investigation by an Auditing Official related to a report of improper governmental action; or,
- (3) testifies in a proceeding or prosecution arising out of an improper governmental action.

(B)      **Auditing Official** means any elected, appointed or employed individual, by whatever name, in the Village whose duties may include receiving, registering, and investigating complaints and information concerning misconduct, inefficiency and waste within the Village; investigating the performance of officers, employees, functions and programs; and promoting economy, efficiency, effectiveness and integrity in the administration of the programs and operations of the Village.

The Auditing Official shall be the Mayor until replaced by the Village.

(C)      **Employee** means anyone employed by the Village, whether in a permanent or temporary position, including full-time, part-time, and intermittent workers. Employee also includes members of appointed boards or commissions, whether paid or unpaid. Employee also includes persons who have been terminated because of any report or complaint submitted under Section 4.1.

(D)      **Improper governmental action** means any action by an employee of the Village; an appointed member of a board, commission, or committee; or an elected official of the Village that is undertaken in violation of a federal or state law or local ordinance; is an abuse of authority; violates the public's trust or expectation of their conduct; is of substantial and specific danger to the public's health or safety; or is a gross waste of public funds. The action need not be within the scope of the employee's, elected official's, board member's, commission member's or committee member's official duties to be subject to claim of "improper governmental action."

- (1) Improper governmental action does not include the Village's personnel actions, including, but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, reemployment, performance evaluations, reductions in pay, dismissals, suspensions, demotions, reprimands, or violations of collective bargaining agreements, except to the extent that the action amounts to retaliation.

(E)      **Retaliate, retaliation or retaliatory action** means any adverse change in an employee's employment status or the terms and conditions of employment that results from an employee's protected activity under Section 4.1. Retaliatory action includes, but is not limited to, denial of adequate staff to perform duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unsubstantial letters of reprimand or unsatisfactory performance

The Auditing Official must provide each employee a written summary or a complete copy of Section 4.1 upon commencement of employment and at least once each year of employment. At the same time, the employee shall also receive a copy of the written processes and procedures for reporting improper governmental actions from the applicable Auditing Official.

#### ARTICLE II - GENERAL REGULATIONS

**24-2-1** **OBEDIENCE TO POLICE.** Members of the Police Department, Special Police, and Auxiliary Police assigned to traffic duty are hereby authorized to direct all traffic in accordance with the provisions of this Article or in emergencies as public safety or convenience may require, and it shall be unlawful for any person to fail or refuse to comply with any lawful order, signal or direction of a policeman. Except in cases of emergency, it shall be unlawful for any person not authorized by law to direct or attempt to direct traffic. **(See 625 ILCS 5/11-203)**

**24-2-2** **SCENE OF FIRE.** The Fire Department officer in command or any fireman designated by him may exercise the powers and authority of a policeman in directing traffic at the scene of any fire or where the Fire Department has responded to an emergency call for so long as the Fire Department equipment is on the scene in the absence of or in assisting the Police Department.

**24-2-3** **SIGNS AND SIGNALS.** It shall be unlawful for the driver of any vehicle to disobey the instructions of any traffic sign or signal placed in view by authority of the corporate authorities or in accordance with the laws of the State of Illinois except upon direction of a police officer. All signs and signals established by direction of the governing body shall conform to the Illinois State Manual of Uniform Traffic Control Devices for Streets and Highways. **(See 625 ILCS 5/11-301)**

**24-2-4** **UNAUTHORIZED SIGNS.** No person shall place, maintain or display upon or in view of any street, any unauthorized sign, signal, marking, light, reflector or device which purports to be or is an imitation of or resembles an official traffic-control device or railroad sign or signal, or which attempts to direct the movement of traffic, nor shall any person or place, maintain or display upon or in view of any street, any other sign which hides from view or interferes with the movement of traffic or effectiveness of any traffic-control device or any railroad sign or signal, and no person shall place or maintain, nor shall any public authority permit upon any highway, any traffic sign or signal bearing thereon any commercial advertising. No tree, bush or foliage of any kind shall be so placed, maintained, allowed to remain, or be displayed upon either public or private property in such a manner as to hide from view or interfere with the movement of traffic or the effectiveness of any traffic-control device, sign or signal.

It shall be unlawful to maintain or operate any flashing or rotating beacon of light in view of any street or highway.    **(See Chapter 27 and 33) (Also See Chapter 40 - Zoning Code)**

**24-2-7**            **ANIMALS OR BICYCLES.** Any person riding a bicycle or an animal or driving any animal drawing a vehicle upon any street shall be subject to the provisions of this Code applicable to the driver of a vehicle, except those provisions which can have no application to one riding a bicycle or driving or riding an animal. **(See 625 ILCS 5/11-206)**

**24-2-8**            **BICYCLE LAMPS, REFLECTORS, AND EQUIPMENT.** When used at nighttime, every bicycle shall be equipped with the following:

(A)                A lamp upon the front which emits a white light visible from a distance of at least **five hundred (500) feet** to the front.

(C)                A reflex reflector on each pedal visible from the front and rear of the bicycle from a distance up to **two hundred (200) feet** when viewed within the lawful lower beams of headlights on a motor vehicle.

(D)                Side reflectors upon each side of the bicycle which shall be visible up to a distance of **five hundred (500) feet** when viewed directly in front of a lawful lower beam of motor vehicle headlights. ## ARTICLE III - STOP AND THROUGH STREETS

**24-3-1**        **THROUGH STREETS.** The streets and parts of streets of the Village designated by ordinance as "through streets" are hereby declared to be through streets. The driver of a vehicle shall stop at the entrance to a through street and shall yield the right-of-way to other vehicles which have entered the intersection, or which are approaching so close on a through street as to constitute an immediate hazard unless directed otherwise by the traffic officer. See **Schedule "A"** for applicable through and stop streets.

See **Schedule "A"** for designated stop intersections. **(See 625 ILCS 5/11-302)**

**24-3-4**        **YIELD RIGHT-OF-WAY STREETS.** The driver of a vehicle approaching a yield sign, in obedience to such sign, shall slow down to a speed reasonable for the existing conditions and if required for safety to stop, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After slowing or stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection. **(See Schedule "C")**

- (A)            **Omissions:**
- (1)          Omit Sections 11-207, 11-208.1, 11-208.2, 11-209.1, 11-302, 11-303, 11-310(f), 11-313, 11-401 to and including 11-416, 11-500 to and including 11-502, 11-602, 11-603, 11-604, 11-606(b), 11-608, 11-1419, and 11-1422.
- (B)            **Changes and Additions:**
- (1)          Change 11-904(a) to read: "Preferential right-of-way at an intersection may be indicated by stop or yield signs as authorized by this Code."
- (2)          Change 11-1416(a) to read: "Any person who shall willfully and unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving and traveling upon or along any highway within this State or who shall offer for barter or sale, merchandise on said highway so as to interfere with the effective movement of traffic shall, upon conviction, be guilty of a violation of this Code."

**24-4-2**      **DRIVING RULES.**

(A)            **Careless Driving.** It shall be unlawful to operate a vehicle in the Village in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

(B)            **Drag Racing.** No person shall participate within the Village in drag racing as such activity is defined by **625 ILCS 5/11-504**.

(C)            **Fleeing or Attempting to Elude Police Officer.** Any driver or operator of a motor vehicle who, having been given a visual or audible signal by a police officer directing such driver or operator to bring his vehicle to a stop, willfully fails to or refuses to obey such direction, increases his speed, extinguishes his lights or otherwise flees or attempts to elude the officer is guilty of a violation of this Chapter. The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D)            **Unlawful Possession of Highway Sign or Marker.** Traffic control signals, signs or markers owned by the Village shall be possessed only by the Village's employees, police officers, contractors, or their employees engaged in highway construction, contract or work upon the roadways or public ways approved by the Village. No person shall possess a traffic control signal, sign or marker owned by the Village except as provided in this paragraph without the prior written authority of the Village. It shall be a violation of this Chapter for a person to possess such a traffic control signal, sign or marker without lawful authority. **(See 625 ILCS 5/11-313)**

(G) **Failure to Reduce Speed.** A vehicle shall be driven upon the streets and alleys of this Village at a speed which is reasonable and proper with regard to traffic conditions and the use of the street or alley. The fact that the vehicle does not exceed the applicable maximum speed limit does not relieve the driver of the duty to decrease speed when approaching and crossing an intersection or when special hazard exists with respect to pedestrian or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(H) **Traffic Lane Usage.** Whenever any roadway within the Village has been divided into **two (2)** or more clearly marked lanes for traffic, a vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

**24-4-6** **EXCESSIVE NOISE - WHEELS.** No operator of a motor vehicle shall when the motor vehicle is stopped, accelerate the engine with the gears of such vehicle in neutral and while so accelerating the engine, shift the gears of the vehicle into a forward or reverse movement, thereby causing an unreasonably loud noise with the drive wheels of the vehicle.

**24-4-7** **EXCESSIVE NOISE - SQUEALING TIRES.** No operator of a motor vehicle shall cause the wheels of such vehicle to spin violently, thereby causing an unreasonably loud or excessive noise. **(See 625 ILCS 5/11-505)**

**24-4-8** **RECKLESS, NEGLIGENT OR CARELESS DRIVING.** It shall be unlawful to operate any vehicle in the Village in a careless, reckless, negligent or wanton manner, or carelessly so as to endanger life or property.

This Section shall not apply to authorized emergency vehicles. **(See 625 ILCS 5/12-611)**

**24-5-4**        **EXCESSIVE ENGINE BRAKING NOISE PROHIBITED.** It shall be unlawful for an operator of a commercial vehicle as defined in **625 ILCS 5/1-111.8** to operate or actuate any engine braking system within the Village that emits excessive noise unless it is an emergency. (B) For any motor vehicle, operated with the express or implied permission of the owner of record, that is used in connection with any violation of federal, state, or local law that is not listed in paragraph (A) of this Section, including arrest warrants, which results in seizure and impoundment of the vehicle by the Village, the owner of record of said motor vehicle shall be liable to the Village for a **Two Hundred Dollar (\$200.00)** administrative fee, as provided for in this Article, in addition to any towing and storage fees as hereinafter provided.

**24-10-3 SEIZURE AND IMPOUNDMENT.**

(A) Whenever a police officer has reason to believe that a motor vehicle is subject to seizure and impoundment pursuant to this Article, the police officer shall provide for the towing of the motor vehicle to a facility approved by the Village. This Article shall not apply if the motor vehicle used in the violation was stolen at the time and the theft was reported to the appropriate police authorities within **twenty-four (24) hours** after the theft was discovered or reasonably should have been discovered.

(B) The police officer shall notify any person identifying himself as the owner of the motor vehicle or any person who is found to be in control of the motor vehicle at the time of the alleged violation, if there is such a person, of the fact of the seizure and of the motor vehicle owner's right to an administrative hearing to be conducted under this Section.

**24-10-4 ADMINISTRATIVE HEARING.**

(A) Within **ten (10) days** after a motor vehicle is seized and impounded pursuant to this Article, the Village shall notify by personal service or by first class mail the owner of record, lessee, and all lien holders of record, of the right to a hearing, along with the date, time and location of the hearing, to challenge whether a violation of this Article has occurred. The hearing date must be scheduled and convened no later than **forty-five (45) days** after the mailing of the notice, or issuance of the notice of hearing. All interested persons shall be given a reasonable opportunity to be heard at the hearing. The formal rules of evidence shall not apply at the hearing and hearsay evidence shall be admissible.

(B) If, after the hearing, the hearing officer determines by a preponderance of the evidence that the motor vehicle was used in violation of this Article, then the hearing officer shall enter an order finding the owner of record of the motor vehicle liable to the Village for the applicable administrative fee.

(C) If, after the hearing, the hearing officer does not determine by a preponderance of the evidence that the motor vehicle was used in such a violation, the hearing officer shall enter an order finding for the owner and for the return of the motor vehicle, or the administrative fees if already paid.

(D) If the owner of record fails to appear at the hearing, the owner of record shall be deemed to have waived his or her right to a hearing. If the owner of record pays such administrative fee and the motor vehicle is returned to the owner, no default order need be entered if the owner was informed of his or her right to a hearing, in which case an order of liability shall be deemed to have been made when the Village receives the written waiver.

(E) If a bond in the amount equal to the applicable administrative fee is posted with the Police Department, the impounded motor vehicle shall be released to the owner of record. The owner of the motor vehicle shall still be liable to the towing agent for any applicable towing fees.

(F) If an administrative fee is imposed for a violation of this Article, the bond will be forfeited to the Village; however, if a violation of this Article is not proven by preponderance of the

evidence, the bond will be returned to the person posting the bond. All bond money posted pursuant to this Article shall be held by the Village until the hearing officer issues a decision, or, if there is a judicial review, until the court of jurisdiction issues its orders.

(G) All decisions of the administrative hearing officer shall be subject to review under the provisions of the Illinois Administrative Review Law.

(H) **Penalty.** The owners of the motor vehicle, or the person in control, may waive his or her right to a hearing under this Section by agreeing and stipulating in writing that the seized motor vehicle was being used in violation of this Section. Once the stipulation is signed and the penalty is paid, the seized vehicle will be released.

If, after a hearing, the hearing officer determines by a preponderance of evidence that a violation for which a penalty is applicable under this Article has occurred; the hearing officer shall enter an order finding the operator of the vehicle guilty of violating this Article and shall be liable to the Village for the penalty of provided for in this Article, and also liable to the agent for any applicable towing and storage fees.

If the operator of the vehicle fails to appear at the hearing, the hearing officer may enter a default order in favor of the Village requiring payment to the Village of a penalty in the amount provided for in this Article as well as payment to the towing agent for any applicable towing and storage fees. If the hearing officer finds that no such violation occurred, the hearing officer shall order the immediate return of the vehicle to the owners of record.

The penalty to any Owner or Operator of any motor vehicle found to be in violation of any paragraph of this Article shall be liable for a penalty as follows:

- (1) The sum of **Two Hundred Dollars (\$200.00)**.
- (2) All attorney fees incurred by the Village in the proceeding.

**24-10-5 DISPOSITION OF IMPOUNDED MOTOR VEHICLE.** An administrative fee imposed pursuant to this Article shall constitute a debt due and owing the Village. A motor vehicle impounded pursuant to this Article shall remain impounded until:

(A) The administrative fee is paid to the Village and all applicable towing fees are paid to the towing agent, in which case the owner of record shall be given possession of the motor vehicle;

(B) A bond in an amount equal to the applicable administrative fee is posted with the Police Department and all applicable towing fees are paid to the towing agent, at which time the motor vehicle will be released to the owner of record; or

(C) The motor vehicle is deemed abandoned in which case the motor vehicle shall be disposed of in the manner provided by law for the disposition of abandoned motor vehicles.

**24-10-6 MOTOR VEHICLE POSSESSION.** Any motor vehicle that is not reclaimed within **thirty-five (35) days** after: (1) the expiration of the time during which the owner of record may seek judicial review of the Village's action under this Article, or (2) the time at which a final judgment is rendered against an owner of record who is in default; may be disposed of as an unclaimed motor vehicle as provided by law; provided, however, that where proceedings have been instituted under state or federal drug asset forfeiture laws, the subject motor vehicle may not be disposed of by the Village except as consistent with those proceedings.

**24-10-7 TOWING AGENCY.**

(A) It shall be the duty of the towing or storage company in possession of the motor vehicle to obtain documentation issued by the Police Department confirming compliance with foregoing requirements, and retain photocopies of that documentation in their files for a period of not less than **six (6) months** following release of the motor vehicle. The foregoing information shall be made available to the authorities of the Village for inspection and copying, upon their request, by the towing or storage company. The towing or storage company is prohibited from releasing any motor vehicle they may tow within the Village until and unless they obtain documentation as aforesaid.

(B) The towing or storage company shall be entitled to receive a reasonable fee from the owner or person entitled to possession of any such motor vehicle prior to the release of the motor vehicle. The fee shall be to cover the cost of removing said motor vehicle and, in addition thereto, the cost of storage of said motor vehicle for each day or fraction thereof that said motor vehicle shall have remained stored.

(C) The fees in this Section shall be in addition to any fee levied or assessed against the owner or operator of said motor vehicle by reason of violation of any ordinance or statute and any arrest which may have resulted from such violation.

**24-10-8**      **REFUND OF ADMINISTRATIVE FEE.** In the event a judgment of "Not Guilty" is entered by a court of competent jurisdiction on all underlying charges that could have resulted in the impoundment of a motor vehicle, or the prosecuting attorney dismisses all underlying charges that could have resulted in the impoundment of a motor vehicle, then within **thirty (30) days** of presentation of a certified copy of said judgment to the Police Department, any administrative fees or posted bonds obtained by the Village shall be refunded to the paying party.

At the conclusion of the hearing, the Police Chief or his designated representative shall render his decision and the reasons therefor in writing. If he finds that a nuisance exists, he shall order it abated within an additional time which must be reasonable under the circumstances.

## ARTICLE XI – ADULT USES REGULATED

### 27-11-1 **PURPOSE AND ADDITIONAL FINDINGS.**

(A) **Purpose.** It is the purpose of this Article to regulate public nudity in order to promote the health, safety, morals, and general welfare of the citizens of the Village. The provisions of this Article have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials.

(B) **Findings.** The Village Board finds:

- (1) Public places allowing nudity lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled.
- (2) Sexual acts, including masturbation, and oral and anal sex, occur at adult-oriented businesses, especially those which provide private or semi-private booths or cubicles for viewing films, videos, live sex shows or public nudity.
- (3) Allowing public nudity creates unhealthy conditions.
- (4) Persons frequent certain adult theaters, adult arcades, and other adult oriented businesses for the purpose of engaging in sex within the premises of such adult oriented businesses.
- (5) At least **fifty (50)** communicable diseases may be spread by activities occurring in adult-oriented businesses involving public nudity, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections and shigella infections.
- (6) Since 1981 and to the present, there has been an increasing cumulative number of reported cases of AIDS caused by the human immunodeficiency virus (HIV) in the United States.
- (7) The Surgeon General of the United States in his report of **October 22, 1986**, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.
- (8) According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.
- (9) Sanitary conditions in some adult oriented businesses and those places allowing public nudity are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities, including nudity, and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.
- (10) Numerous studies and reports have determined that semen is found in the areas of adult oriented businesses allowing public nudity and where persons view "adult" oriented films.
- (11) The findings noted in paragraphs (1) through (10) raise substantial governmental concerns.
- (12) Public places allowing nudity have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.
- (13) The general welfare, health, morals and safety of the citizens of the Village will be promoted by the enactment of this Article.

This term shall not be deemed to include places where a person's conduct of being nude is used for his or her profit or where being nude is used for the promotion of business or is otherwise commercially exploited.

(F) **"Public Place"** means any location frequented by the public, or where the public is present or likely to be present, or where a person may reasonably be expected to be observed by members of the public. ## ARTICLE XVII - OBSCENITY

### 27-17-1 **OBSCENITY.**

(A) **Elements of the Offense.** A person commits an obscenity offense when, with the knowledge of the nature or content thereof or recklessly failing to exercise reasonable inspection which would have disclosed the nature or content thereof, he:

- (1) sells, delivers or provides or offers or agrees to sell, deliver or provide any obscene writing, picture, record or other representation or embodiment of the obscene; or
- (2) presents or directs an obscene play, dance, or other performance or participates directly in that portion thereof which makes it obscene; or
- (3) publishes, exhibits or otherwise makes available anything obscene; or
- (4) performs an obscene act or otherwise presents an obscene exhibition of his body for gain; or
- (5) creates, buys, procures or possesses obscene matter or material with intent to disseminate it in violation of this Section, or of the penal laws or regulations of any other jurisdiction; or
- (6) advertises or otherwise promotes the sale of material represented or held out by him to be obscene, whether or not it is obscene.

(B) **Obscene Defined.** Any material or performance is obscene if:

- (1) the average person, applying contemporary adult community standards, would find that, taken as a whole, it appeals to the prurient interest; and
- (2) the average person, applying contemporary adult community standards, would find that it depicts or describes, in a patently offensive way, ultimate sexual acts or sadomasochistic sexual acts, whether normal or perverted, actual or simulated, or masturbation, excretory functions or lewd exhibition of the genitals; and
- (3) taken as a whole, it lacks serious literary, artistic, political or scientific value.

(C) **Interpretation of Evidence.** Obscenity shall be judged with reference to ordinary adults except that it shall be judged with reference to children or other specially susceptible audiences if it appears from the character of the material or the circumstances of its dissemination to be specially designed for or directed to such an audience.

Where circumstances of production, presentation, sale, dissemination, distribution, or publicity indicate that material is being commercially exploited for the sake of its prurient appeal, such evidence is probative with respect to the nature of the matter and can justify the conclusion that the matter is lacking in serious literary, artistic, political or scientific value.

In any prosecution for an offense under this Section, evidence shall be admissible to show:

- (1) the character of the audience for which the material was designed or to which it was directed;
- (2) what the predominant appeal of the material would be for ordinary adults or a special audience, and what effect, if any, it would probably have on the behavior of such people;
- (3) the artistic, literary, scientific, educational or other merits of the material, or the absence thereof;
- (4) the degree, if any, of public acceptance of the material in this State;
- (5) appeal to prurient interest or absence thereof in advertising or other promotion of the material;
- (6) purpose of the author, creator, publisher or disseminator.

(D) **Prima Facie Evidence.** The creation, purchase, procurement or possession of a mold, engraved plat or other embodiment or obscenity, specially adapted for reproducing multiple copies, or the possession of more than **three (3) copies** of obscene material shall be prima facie evidence of an intent to disseminate. **(See 65 ILCS 5/11-5-1)**

**27-17-2 HARMFUL MATERIAL.**

(A) **Elements of the Offense.** A person who, with knowledge that a person is a child; that is, a person under **eighteen (18) years** of age, or who fails to exercise reasonable care in ascertaining the true age of a child, knowingly distributes to, or sends or causes to be sent to, or exhibits to or offers to distribute or exhibit any harmful material to a child is guilty of a violation of this Code.

(B) **Definitions.**

- (1) Material is harmful if, to the average person applying contemporary standards, its predominant appeal, taken as a whole, is to prurient interest; that is, shameful or morbid interest in nudity, sex, or excretion which goes substantially beyond customary limits of candor in description or representation of such matters and is material, the redeeming social importance of which is substantially less than its prurient appeal.
- (2) **"Material"** as used in this Code means any writing picture, record or other representation or embodiment.
- (3) **"Distribute"** means to transfer possession of material whether with or without consideration.
- (4) **"Knowingly"** as used in this Section means having knowledge of the contents of the subject matter or recklessly failing to exercise reasonable inspection which would have disclosed the contents thereof.

(C) **Interpretation of Evidence.** The predominant appeal to prurient interest of the material shall be judged with reference to average children of the same general age of the child to whom such material was offered, distributed, sent or exhibited unless it appears from the nature of the matter or the circumstances of its dissemination, distribution or exhibition that it is designed for specially susceptible groups, in which case, the predominant appeal of the material shall be judged with reference to its intended or probable recipient group.

In prosecutions under this Section where circumstances of production, presentation, sale, dissemination, distribution, or publicity, indicate the material is being commercially exploited for the sake of its prurient appeal, such evidence is probative with respect to the nature of the material and can justify the conclusion that the redeeming social importance of the material is, in fact, substantially less than its prurient appeal.

(D) **Affirmative Defenses.**

- (1) Nothing in this Section shall prohibit any public library or any library operated by an accredited institution of higher education from circulating harmful material to any person under **eighteen (18) years** of age, provided such circulation is in aid of a legitimate scientific or educational purpose, and it shall be an affirmative defense in any prosecution for a violation of this Section that the act charged was committed in aid of legitimate scientific or educational purposes.
- (2) Nothing in this Section shall prohibit any parent from distributing to his child any harmful material.
- (3) Proof that the defendant demanded, was shown and acted in reliance upon any of the following documents as proof of the age of a child shall be a defense to any criminal prosecution under this Section:
  - (a) A document issued by the federal government or any state, county or municipal government, or subdivision or agency thereof, including, but not limited to a motor vehicle operator's license, a registration certificate issued under the Federal Selective Service Act or an identification card issued to a member of the armed forces.
- (4) In the event an advertisement of harmful material as defined in this Section culminates in the sale or distribution of such harmful material to a child, under circumstances where there was no personal confrontation of the child by the defendant, his employees or agents as where the order or request for such harmful material was transmitted by mail,

telephone, or similar means of communication and delivery of such harmful material to the child was by mail, freight, or similar means of transport, it shall be a defense in any prosecution for a violation of this Section that the advertisement contained the following statement or a statement substantially similar thereto, and that the defendant required the purchaser to certify that he was not under the age of **eighteen (18) years** and that the purchaser falsely stated that he was not under the age of **eighteen (18) years**:

**"NOTICE: It is unlawful for any person under eighteen (18) years of age to purchase the matter herein advertised. Any person under eighteen (18) years of age who falsely states that he is not under eighteen (18) years of age for the purpose of obtaining the material advertised herein is guilty of a misdemeanor."**

(E) **Child Falsifying Age.** Any person under **eighteen (18) years** of age who falsely states, either orally or in writing that he is not under the age of **eighteen (18) years**, or who presents or offers to any person any evidence of age and identity which is false or not actually his own for the purpose of ordering, obtaining, viewing or otherwise procuring or attempting to procure or view any harmful material is guilty of a misdemeanor. **(See 65 ILCS 5/11-5-1)**

**27-17-3 TIE-IN SALES OF OBSCENE PUBLICATIONS TO DISTRIBUTORS.** Any person, firm or corporation, or any agent, officer or employee thereof engaged in the business of distributing books, magazines, periodicals, comic books or other publications to retail dealers who shall refuse to furnish to any retail dealer such quantity of books, magazines, periodicals, comic books or other publications as such retail dealer normally sells because the retail dealer refuses to sell, or offer for sale, any books, magazines, periodicals, comic books or other publications which are obscene, lewd, lascivious, filthy or indecent is guilty of an offense. Each publication sold or delivered in violation of this Section shall constitute a separate offense. **(See 720 ILCS 5/11-22)**

## ARTICLE XVIII – SMOKE FREE AIR CODE

**27-18-1 BACKGROUND.** Smoking creates the hazard of injury to the personal health of those in the environment of such smoke as well as the potential of damage to property that may result from the incendiary nature of such activity. It has been determined that breathing ambient smoke is a health hazard to both smokers and nonsmokers. Cigarette smoking also produces several substances that are considered hazardous to health including carbon monoxide, hydrogen cyanide, nitrous oxide and formaldehyde. Secondhand smoke (68% of the total smoke produced by a cigarette) affects the health of the bystander, interfering with respiratory tract defenses, often causing nonsmokers to have allergic or irritative reactions, and is a known cause of lung cancer.

Because the hazards of smoking have a potentially harmful effect, material and direct, on the public health, safety, welfare, comfort, and property of residents of the Village, it is necessary and desirable to establish regulations that prohibit smoking in all enclosed public places, in all enclosed places of employment, near entrances to all such public places and places of employment, in and near open air public dining areas, and within certain unenclosed public places including school grounds, parks and recreation areas and outdoor venues.

**(See 65 ILCS 5/11-1-2)**

## **DIVISION II – USE OF FORCE POLICY**

**30-2-22      PURPOSE.** The purpose of this General Order is to provide law enforcement officers of this Department with guidelines for a deadly or non-deadly response to an act of aggressive behavior and/or resistance in order to bring an incident under control.

**30-2-23      GENERAL.** Officers of this Department will only use a response that reasonably appears necessary to effectively bring an incident under control, while protecting the lives of the officer(s) and others. The response must be objectively reasonable. The officer must only use a response which a reasonably prudent officer would use under the same or similar circumstances. The response should terminate once the incident is under control.

**30-2-24      DEADLY RESPONSE TO AGGRESSIVE BEHAVIOR AND/OR RESISTANCE.** Officers empowered by statutory law may use a deadly response to aggressive behavior and/or resistance when in the considered opinion of the officer there is a danger of loss of life or great bodily harm to the officer or to another person.

**30-2-25      DEFINITIONS.**  
(A) **Deadly Response.** Deadly response is any response that is reasonably likely to cause death.

(B) **Non-Deadly Response.** Non-deadly response is any response other than that which is considered a deadly response. This includes any physical effort used to control or restrain an aggressive other and/or overcome the resistance of another.

(C) **Objectively Reasonable.** Objectively reasonable means that, in determining the necessity for the response and the level of the response, officer shall evaluate each situation in light of the known circumstances, including, but not limited to, the seriousness of the crime/incident, the level of threat, aggressive behavior and/or resistance presented by the subject, and the danger to the community.

### **30-2-26 PROCEDURES.**

(A) **Deadly Response.** Officers are authorized to use a deadly response to:

- (1) Protect the officer or others from what is reasonably believed to be a threat of death or great bodily harm; and/or
- (2) To prevent the escape of a fleeing violent felon who the officer has probable cause to believe will pose a significant threat of death or great bodily harm to the officer or others.

**NOTE:** For firearms and the use of firearms guidelines, see **Section 30-2-30, Firearms**, of this Chapter.

(B) **Non-Deadly Response.** When a deadly response is not authorized, officers may use techniques and/or Department approved equipment, with a level of response that is objectively reasonable to:

- (1) Protect the officer and others from physical harm;
- (2) Restrain or subdue a resistant and/or aggressive individual; and/or
- (3) Bring an unlawful situation safety and effectively under control.

(C) The following are considered authorized non-deadly weapons.

- (1) Police baton, collapsible baton, a sap, or a blackjack.
- (2) a flashlight

**NOTE:** In the event it becomes necessary to use a flashlight as a defensive weapon, officers will use it in the same manner as a baton.

**NOTE:** In the use of the above authorized non-deadly weapons, suspects should not be struck in the head or neck area unless a deadly response has been justified.

- (3) Oleoresin Capsicum (OC) Spray. In use of OC Spray, officers must successfully complete a training course approved by the Chief of Police in the use of OC Spray prior to carrying or deploying the agent. The course must include guidelines for proper cleanup/treatment of persons exposed, including bystanders, officers, and suspects.

(D) **Reports for Responses to Aggressive Behavior and/or Resistance.**

(1) A written report prepared according to Department procedures will be required in the following situations:

- (a) when a firearm is discharged outside the firing range;
- (b) when a response to aggressive behavior and/or resistance results in death or injury; or
- (c) when a non-lethal weapon is used in a response against an aggressive and/or resisting person to affect an arrest.
- (d) a pepper ball launcher/gun may be utilized in lieu of or in conjunction with OC spray in addition to impact or conducted electrical weapons, providing they are compatible.

**NOTE:** The use of handcuffs will be excluded from this report requirement.

- (2) A response report will outline the circumstances surrounding the response; the specific degree, amount and type of response employed; and the results of the response, including who, what, when, where, why and how.

- (3) The Chief of Police will be notified as soon as practical, and will comply with investigative procedures as required by the Department in the following situations:
- (a) when a firearm is discharged outside the firing range; (exception: not necessary when euthanizing an injured animal, unless damage to property or a bystander occurs).
  - (b) when a response results in death or injury; or
  - (c) when a subject complains that an injury has been inflicted.
- (E) **Department Procedures for Deadly Response or Other Types of Incidents.**
- (1) **Deadly Response Incidents.**
- (a) An officer shall be placed on administrative leave when his/her response to an incident causes death or he/she shoots another person with a firearm.
  - (b) At the officer's request or if the Department believes it is necessary, arrangements will be made with a mental health professional for counseling purposes to help the officer cope with the stress and reactions to the deadly response incident.
  - (c) The officer will be allowed to return to duty only after all investigative requirements are complete and/or if counseling was conducted, a mental health professional determines the officer is ready to return to duty.
  - (d) The Department will conduct both administrative and criminal investigations in any incident involving the use of a deadly response. This Department, if it feels necessary, may use an outside Department to conduct the criminal and/or forensic investigation of the deadly response incident.
  - (e) The officer will complete a urinalysis or other means of drug screen as soon as practical.
- (2) **Administrative Review of Response Incidents.**
- (a) All reported response incidents will be reviewed by the Chief of Police to determine whether any Department rules, general orders, or procedures were violated and whether the relevant procedure(s) was/were understandable and effective to cover the situation.
  - (b) All findings of the investigation will be reported to the Chief of Police for resolution and/or discipline.
  - (c) All response incident reports shall be retained indefinitely.

**30-2-27** **RESERVED.**

**(Ord. No. 22-03; 01-10-22)**

### **DIVISION III – USE OF DEADLY FORCE WITH FIREARMS**

**30-2-28** **PURPOSE.** The purpose of this General Order is to provide a single source of reference for all officers of this Department as to the authorization, discharge, and carrying of firearms; and to define the procedures and responsibilities of those concerned after a firearm has been discharged.

**30-2-29** **DEADLY RESPONSE TO AGGRESSIVE BEHAVIOR AND/OR RESISTANCE.** Officers empowered by statutory law may use a deadly response to aggressive behavior and/or resistance when in the considered opinion of the officer there is a danger of loss of life or great bodily harm to the officer or to another person.

**30-2-30 FIREARMS.**

(A) Only firearms approved prior to their use may be carried by officers while on or off duty. All firearms will be approved by the Chief of Police and the Department firearms instructor(s). Firearms may be department issued or individually owned by an officer.

(B) Rifles, shotguns, pistols, and revolvers whether individually owned, or department issued, may be utilized on or off duty providing the officer has qualified with that specific weapon.

Off-duty carry is recommended for the purpose of responding to or dealing with a catastrophic event, in addition to defense of oneself or another, when faced with great bodily harm, kidnapping, rape or any other situation where lethal force is authorized. Off-duty carry is not required. It is also highly recommended for the carry of a less lethal option such as OC spray or small baton, in addition to handcuffs. The reason for this is to help bridge the gap on the force continuum scale between officer presence and lethal force. The officer must have their department issued identification on their person.

Department approved firearms are limited to the following:

- (1) On duty semi-auto pistols shall be:
  - (a) An approved name brand;
  - (b) In caliber 9mm, .40 S&@, or .45 ACP;
  - (c) Must have a loaded capacity of at least 6 rounds.
- (2) On duty revolvers shall be:
  - (a) An approved name brand;
  - (b) In caliber, either .38 special, or .357 magnum;
  - (c) Barrel length will be 2 to 6 inches.
- (3) Off duty/backup, semi-auto pistols shall be:
  - (a) An approved name brand;
  - (b) In caliber, either .32 auto, .380 auto, .22 magnum, .40 S&W, or .45 ACP.
- (4) Off duty/backup revolvers shall be:
  - (a) An approved name brand;
  - (b) In caliber, either .38 special (or 38+p), .357 magnum, or .22 magnum.
- (5) Shotguns may be 12-gauge pump or semi auto.
  - (a) Acceptable ammunition for lethal purposes shall be #1 buckshot, #4 buckshot, 00 buckshot, 000 buckshot, or slug;
  - (b) Shell length shall be between 1 ¾" and 3 ½" in length.
- (6) Rifle/carbine calibers will be in either .223/5.56, .308 Winchester or 7.62x51, 9mm, or .40 S&W, .22 short, long, or long rifle is acceptable for the dispatch of an injured or sick animal if the officer feels that it is a safer application for the surrounding area.
- (7) A backup handgun may be carried.
- (8) Carrying a firearm off duty is authorized and recommended providing the officer has their department issued identification on their person.
- (9) It is encouraged but not mandatory that an article of clothing that would plainly identify the officer as POLICE, to be kept in the officer's vehicle should the need arise to respond to the Village or other location for a catastrophic event, it could quickly be worn.
- (10) All ammunition is subject to approval by the Chief of Police prior to carry.
- (11) **Bean Bag Ammunition Load/Shotgun Procedures.** Because of the specialized nature of Bean Bag ammunition loads and the training necessary to properly deploy them, their use shall be restricted to trained personnel from the Department.
  - (a) Justification for Use. Bean Bag ammunitions may be considered for use whenever time is available to properly plan for and execute a tactical mission in order to reduce the risk to officers, innocent citizens, and/or suspects.

- (b) Situations that may call for the use of less lethal impact ammunitions. Since it is impractical to list all possible scenarios in which less lethal ammunitions can be useful, here are a few:
  - (i) violent subject who is armed with a non-lethal weapon,
  - (ii) civil disturbance, or
  - (iii) armed suicidal person who may force police officer(s) into shooting him in order to achieve suicide.
- (c) **Precautions.**
  - (i) Safety is paramount for both police officer(s) and innocent citizens;
  - (ii) generally, pending circumstances, Bean Bag ammunition loads should not be used by an individual police officer without cover police officers or a tactical plan; unless it involves a violent subject with a non-lethal weapon.
  - (iii) only factory loaded Bean Bag ammunition loads should be used during actual operations;
  - (iv) Bean Bag ammunition rounds
  - (v) less lethal impact Bean Bag ammunition loads should not be used when the suspect is in danger of falling from a significant height;
  - (vi) each Bean Bag ammunition load will be inspected prior to being loaded into the weapon; and
  - (vii) special consideration should be given when information indicates that the suspect has preexisting physical or medical conditions which could exacerbate the effects of the Bean Bag ammunition loads.
- (d) **Medical Treatment.**
  - (i) Once an individual has been struck with one or more Bean Bag ammunition load rounds, they should be examined by on scene paramedics.
  - (ii) In critical cases, it may be necessary to transport to the nearest medical facility.
  - (iii) Each impact area on the suspect's body should be photographed to document the existence or lack of visible injury and the police officer will complete a Response to Aggressive Behavior and/or Resistance Report to be included in his/her Records Management System (RMS) report.

**30-2-31      DE-ESCALATION.**

(A) When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

(B) Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor as soon as feasible.

**30-2-32**      **FACTORS TO DETERMINE THE REASONABLENESS OF FORCE.**      When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (A)              Immediacy and severity of the threat to officers or others.
- (B)              The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (C)              Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (D)              The effects of suspected drug or alcohol use.
- (E)              The individual's mental state or capacity.
- (F)              The individual's ability to understand and comply with officer commands.
- (G)              Proximity of weapons or dangerous improvised devices.
- (H)              The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (I)              The availability of other reasonable and feasible options and their possible effectiveness.
- (J)              Seriousness of the suspected offense or reason for contact with the individual.
- (K)              Training and experience of the officer.
- (L)              Potential for injury to officers, suspects, and others.
- (M)              Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (N)              The risk and reasonably foreseeable consequences of escape.
- (O)              The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (P)              Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (Q)              Prior contacts with the individual or awareness of any propensity for violence.
- (R)              Any other exigent circumstances.

**30-2-33**      **PAIN COMPLIANCE TECHNIQUE.** Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed agency-approved training. Officers utilizing any pain compliance technique should consider:

- (A)              The degree to which the application of the technique may be controlled given the level of resistance.
- (B)              Whether the individual can comply with the direction or orders of the officer.
- (C)              Whether the individual has been given sufficient opportunity to comply.
- (D)              The restriction of the Carotid Artery or any airway is prohibited unless deadly force is authorized.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

**30-2-34**      **TRAINING.** Training will be in compliance with Illinois training standards.

**30-2-35**      **CHIEF OF POLICE RESPONSIBILITY.** The Chief of Police shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

**30-2-36**      **RESERVED.**

## DIVISION IV – BODY-WORN CAMERA POLICY

### 30-2-37

### OPERATIONS.

(A) when the officer is:

If an officer decides to wear a body-worn camera it must be turned on at all times

- (1) On duty,
- (2) Visibly wearing:
  - (a) Any officially authorized uniform designated by a law enforcement agency, or,
  - (b) Articles of clothing, a badge, tactical gear, gun belt, a patch, or other insignia that he or she is a law enforcement officer acting in the course of his/her duties.
- (3) And is:
  - (a) Responding to calls for service, or
  - (b) Engaged in any law enforcement-related encounter or activity:
    - (i) This includes, but is not limited to, traffic stop, pedestrian stops, arrests, searches, interrogations, investigations, pursuits, crowd control, traffic control, non-community caretaking interactions with an individual while on patrol, or any other instance in which the officer is enforcing the laws of the Village or acting as a backup officer to another agency.
    - (ii) This does not include when the officer is completing paperwork alone or only in the presence of another law enforcement officer.

(B) Officer(s) must provide notice of recording, verbal or otherwise, to any person if the person has a reasonable expectation of privacy and proof of notice must be evident in the recording. If exigent circumstances exist which prevents the officer from providing notice, notice must be provided as soon as practical.

(C) If exigent circumstances exist which prevent the camera from being turned on, the camera must be turned on as soon as possible.

(D) Since the Police Department has only one camera and the camera is a point and view camera, the body-worn camera may be used inside the patrol car. The camera can be used to establish probable cause or reasonable suspicion for a traffic stop or an investigative stop.

(E) Cameras must be turned off when:

- (1) the victim of a crime requests that the camera be turned off, and unless impractical or impossible, that request is made on the recording.
- (2) a witness of a crime or a community member who wishes to report a crime requests the camera be turned off, and unless impractical or impossible that request is made on the recording; or
- (3) the officer is interacting with a confidential informant used by the law enforcement agency.

(F) An officer may continue to record or resume recording a victim or a witness, if exigent circumstances exist, or if the officer has reasonable articulable suspicion that a victim or witness, or confidential informant has committed or is in the process of committing a crime. Under these circumstances, and unless impractical or impossible, the officer must indicate on the recording the reason for continuing to record despite the request of the victim or witness.

(G) Camera may be turned off when the officer is engaged in community caretaking functions. This applies to any task undertaken by a law enforcement officer in which the officer is performing an articulable act unrelated to the investigation of a crime. "Community caretaking function" includes, but is not limited to, participating in town halls, village board meetings, or other community outreach, helping a child find his or her parents, providing death notifications, and performing in-home or hospital well-being checks on the sick, elderly, or person presumed missing. However, the camera must be turned on when the officer has reason to believe that the person whose behalf the officer is

performing a community caretaking function has committed or is in the process of committing a crime. If exigent circumstances exist which prevent the camera from being turned on, it must be turned on as soon as practicable. The camera should be used to document a death scene.

**30-2-38**      **REVIEW.** Each officer is responsible for burning to disk, any incident, which requires a report to be made. This disk must be labeled with the incident/case number, name and DSN number of the officer(s) involved in the incident/case. Officers must watch the entire disk to ensure the incident was captured in its entirety. A case folder should be made and contain the report along with the aforementioned burned disk of the incident/case.

**30-2-39**      **RETENTION.** Recordings made on officer-worn cameras must be retained by the Police Department, on a DVD for a period of **ninety (90) days**. Under no circumstances shall any recording made with an officer-worn body camera be altered, erased, or destroyed prior to the expiration of the **ninety (90) day** storage period.

**30-2-40**      **ALTERED, ERASED OR DESTROYED DATA.** If any data is altered, erased, or destroyed prior to the expiration of **ninety (90) day** storage period, the Chief of Police must complete an accidental deletion report indicating the name of the individuals involved, the dates of the recording, review and/or deletion, the reason for the deletion, and any corrective actions taken as a result. This report must be reviewed and verified by the Chief of Police. An annual report must be made to the Law Enforcement Training and Standards Board by the Chief of Police.

**30-2-41**      **STATUTE OF LIMITATIONS.** Because the statutes of limitations both criminal and civil along with the amount of time allowed to file formal charges, the **ninety (90) day** window is a guideline. No recording will be destroyed prior to **ninety (90) days**. The Chief of Police will determine what if any recording will be destroyed after **ninety (90) days**, unless a court order has been issued ordering the Police Department to destroy a recording.

Reasons for the Police Chief to retain recordings past **ninety (90) days**:

- (A)      A formal or informal complaint has been filed or expected to be filed;
- (B)      The officer discharged his/her firearm or used force during the encounter;
- (C)      Death or great bodily harm occurred to any person in the recording;
- (D)      The encounter resulted in a detention or an arrest, excluding traffic stops which resulted in only a minor traffic offense or business offense;
- (E)      The officer is the subject of an internal investigation or otherwise being investigated of possible misconduct;
- (F)      The Mayor, Police/Fire Trustee, Chief of Police, prosecutor, defendant, or court determines that the encounter has evidentiary value in a criminal prosecution; or
- (G)      The recording officer request that the video be flagged for official purposes related to his or her official duties.
- (H)      If the Chief of Police feels the recording may have some future evidentiary value or liability use.

**30-2-42**      **DESTRUCTION OF RECORDINGS.** Under no circumstances shall any recording made with an officer-worn body camera involving an incident, case, or encounter be altered or destroyed prior to **two (2) years** after the recording was memorialized in DVD. If the incident, case, or encounter was used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

The recording may be used for training purposes, only if all persons involved in the recording agrees to allow the recording be used as a training tool.

**30-2-43**      **PURPOSE.**

(A)            Recording shall not be used to discipline law enforcement officers unless:

- (1)        a formal or informal complaint of misconduct has been made;
- (2)        a use of force incident has occurred;
- (3)        the encounter on the recording could result in a formal investigation under the Uniform Peace Officers' Disciplinary Act; or
- (4)        as corroboration of other evidence of misconduct.

(B)            Nothing in this Section shall be construed to limit or prohibit a law enforcement officer from being subject to an action that does not amount to discipline. Example: to comment the officer for actions for above and beyond the call of duty.

**30-2-44**      **CARE AND MAINTENANCE.** All officers are responsible for the proper maintenance and care of the Police Department's only camera. Upon becoming aware, officers must leave a note for the Chief of Police accurately describing what problems they have encountered when using the body-worn camera. The Chief of Police will make every reasonable effort to correct or get the camera repaired.

**30-2-45**      **PUBLIC RECORDING.**

(A)            No officer may hinder or prohibit any person who is not a law enforcement officer, from recording a law enforcement officer in the performance of his or her duties in a public place or when the officer has no expectation of privacy. The person who is publicly recording an incident is not immune from arrest simply because he or she is recording an incident, if probable cause exists for that person(s) arrest.

(B)            Any officer who cannot articulate good reason to seize a citizen's recording device could be subject to departmental discipline and/or prosecution.

(C)            However, an officer may take reasonable action to maintain safety and control, secure crime scenes and accident sites, protect the integrity of confidentiality of investigations, and protect the public safety and order. A search warrant should be applied for as soon as possible after seizing a citizen recording device.

**30-2-46**      **REPORTING.**

## **ARTICLE III - EMERGENCY MANAGEMENT AGENCY (EMA)**

### **30-3-1            POLICY AND PROCEDURES.**

(A)            Because of the possibility of the occurrence of disasters of unprecedented size and destructiveness resulting from the explosion in this or in a neighboring municipality of atomic or other means from without, or by means of sabotage or other disloyal actions within, or from fire, flood, earthquake, or other natural or man-made causes, and in order to insure that this Village will be prepared to and will adequately deal with any such disasters, preserve the lives and property of the people of this Village and protect the public peace, health and safety in the event of such a disaster, it is found and declared to be necessary:

- (1)            To create a municipal management agency;
- (2)            To confer upon the Mayor the extraordinary power and authority set forth under Article I of this Chapter **(65 ILCS Sec. 5/11-1-6)**.
- (3)            To provide for the rendering of mutual aid to other cities and political subdivisions with respect to the carrying out of emergency management operations.

(B)            Whenever the Mayor determines after an investigation that a dangerous situation or a potentially dangerous situation exists which could cause death to individuals or serious injury to property or the health and welfare of public, the Mayor may declare that a state of emergency exists. The extraordinary powers may not be exercised until an ordinance shall have been adopted which shall establish standards for the determination by the Mayor of when the state of emergency exists and shall provide that the Mayor may not exercise such extraordinary power and authority except after signing under oath a statement finding that such standards have been met, setting forth facts to substantiate such findings, describing the nature of the emergency and declaring that a state of emergency exists. This statement shall be filed with the Clerk of the Village as soon as practical. A state of emergency shall expire not later than the adjournment of the first regular meeting of the corporate authorities after the state of emergency is declared. A subsequent state of emergency may be declared if necessary.

(C)            It is further declared to be the purpose of this Code and the policy of the Village that all emergency management programs of this Village be coordinated to the maximum extent with the comparable functions of the federal and state governments, including their various departments and agencies, of other municipalities and localities and private agencies of every type, to the end that the most effective preparation and use may be made of the nation's manpower, resources, and facilities for dealing with any disaster that may occur.

### **30-3-2            LIMITATIONS. Nothing in this Code shall be construed to:**

(A)            Interfere with the course or conduct of a private labor dispute, except that actions otherwise authorized by this Code or other laws may be taken when necessary to forestall or mitigate imminent or existing danger to public health or safety;

(B)            Interfere with dissemination of news or comment of public affairs; but any communications facility or organization (including but not limited to radio and television stations, wire services, and newspapers) may be requested to transmit or print public service messages furnishing information or instructions in connection with a disaster;

(C)            Affect the jurisdiction or responsibilities of police forces, fire fighting forces, units of the armed forces of the United States, or of any personnel thereof, when on active duty; but state and local emergency operations plans shall place reliance upon the forces available for performance of functions related to disaster emergencies;

(D)            Limit, modify, or abridge the authority of the Mayor and the Village Board to exercise any other powers vested in them under the constitution, statutes, or common law of this State, independent of or in conjunction with any provisions of this Code.

  - (b) The implementation of a 911 system.

**30-3-5      POWERS OF THE MAYOR.**

(A) The Mayor shall have the general direction and control of the emergency management agency and shall be responsible for the carrying out of the provisions of this Code.

(B) In performing his duties under this Code, the Mayor is authorized to cooperate with state and federal governments and with other municipalities and political subdivisions in all matters pertaining to emergency management operations defined in this Code.

(C) In performing his duties under this Code, the Mayor is further authorized:

- (1) To make, amend and rescind all lawful necessary orders, rules and regulations of the local disaster plan to carry out the provisions of this Code within the limits of the authority conferred upon him.
- (2) To cause to be prepared a comprehensive plan and program for the emergency management of this Village which plan and program shall be integrated into and coordinated with disaster plans of the state and federal governments and other political subdivisions, and which plan and program may include:
  - (a) Prevention and minimization of injury and damage caused by disaster;
  - (b) Prompt and effective response to disaster;
  - (c) Emergency relief;
  - (d) Identification of areas particularly vulnerable to disasters;

- (4) Out of funds appropriated for such purposes, to make such studies and surveys of the industries, resources and facilities in this Village as may be necessary to ascertain the capabilities of the Village for the emergency management phases of preparedness, response, and recovery, and to plan for the most efficient emergency use thereof.

(D) The Mayor is authorized to designate space in a municipal building, or elsewhere for the emergency services and disaster agency as its office.

**30-3-6 FINANCING.**

(A) It is the intent of the Village Board and declared to be the policy of the Village that every effort shall be made to provide funds for disaster emergencies.

(B) It is the Village Board's intent that the first recourse shall be to funds regularly appropriated to the agency. If the Mayor finds that the demands placed upon these funds in coping with a particular disaster are unreasonably great, and the Governor has proclaimed the Village a disaster, he may make application for funds from the state disaster relief fund. If monies available from the fund are insufficient, and if the Mayor finds that other sources of money to cope with the disaster are not available or are insufficient, he shall issue a call for an immediate session of the Village Board for the purpose of enacting ordinances as the Village Board may deem necessary to transfer and expend monies appropriated for other purposes or borrow monies from the United States Government or other public or private sources. If less than a quorum of the members of the Village Board is capable of convening in session to enact such ordinances for the transfer, expenditure or loan of such monies, the Mayor is authorized to carry out those decisions until such time as a quorum of the Village Board can convene.

(C) Nothing contained in this Section shall be construed to limit the Mayor's authority to apply for, administer and expend grants, gifts, or payments in aid of disaster prevention, preparedness, response or recovery.

**30-3-7 LOCAL DISASTER EMERGENCIES.**

(A) A local disaster emergency may be declared only by the Mayor or Village Board. If declared by the Mayor, it shall not be continued for a period in excess of **seven (7) days** except by or with the consent of the Village Board. Any order or proclamation declaring, continuing or terminating a local disaster emergency shall be given prompt and general publicity, and shall be filed promptly with the municipal clerk.

(B) The effect of a declaration of a local disaster emergency is to activate any and all applicable local emergency operations plans and to authorize the furnishing of aid and assistance thereunder.

(C) During a local disaster emergency, the Mayor may suspend the provisions of any municipal ordinance prescribing procedures for the conduct of municipal business, or the orders, rules and regulations of any municipal agency, if strict compliance with the provisions of any ordinance, rule or regulation would in any way prevent, hinder or delay necessary action in coping with the emergency, as authorized by "**The Illinois Emergency Management Agency Act**", provided that, if the Village Board meets at such time, he shall act subject to the directions and restrictions imposed by that body.

**30-3-8 TESTING OF DISASTER WARNING DEVICES.** The testing of disaster devices including outdoor warning sirens shall be held only on the first Tuesday of each month at **10 o'clock** in the morning.

**30-3-9**            **MUTUAL AID ARRANGEMENTS BETWEEN POLITICAL SUBDIVISIONS.**

The coordinator for emergency management operations may, in collaboration with other public agencies within his immediate vicinity, develop or cause to be developed mutual aid arrangements with other political subdivisions, municipal corporations or bodies politic within this state for reciprocal disaster response and recovery in case a disaster is too great to be dealt with unassisted. The mutual aid shall not, however, be effective unless and until approved by each of such political subdivisions, municipal corporations or bodies politic as are parties thereto, in the manner provided by law, and unless and until filed with and approved in writing by the state director. Such arrangements shall be consistent with the state and local emergency management operations plan and program, and in the event of such disaster as described in **Section 30-3-3** of this Code, it shall be the duty of each local and department for emergency management operations to render assistance in accordance with the provisions of such mutual aid arrangements.

**30-3-10**           **COMMUNICATIONS.** The local Emergency Management Agency shall ascertain

what means exist for rapid and efficient communications in times of disaster emergencies. The agency shall consider the desirability of supplementing these communications resources or of integrating them into a comprehensive system or network. In studying the character and feasibility of any system or its several parts, the agency shall evaluate the possibility of multipurpose use thereof for general municipal and local governmental purposes. The agency shall make recommendations to the Mayor as appropriate.

**30-3-11**           **IMMUNITY.** Neither the Village, the agency or any member thereof or any person

acting at their direction, engaged in any emergency management operations or disaster activities, while complying with or attempting to comply with this Code or any rule or regulations promulgated pursuant to this Code is liable for the death of or any injury to persons, or damage to property, as a result of such activity. This Section does not, however, affect the right of any person to receive benefits to which he would otherwise be entitled under this act under the Worker's Compensation Act or the Worker's Occupational Diseases Act, or under any pension law, and this Section does not affect the right of any such person to receive any benefits or compensation under any Act of Congress.

**30-3-12**           **PROFESSIONS, TRADES AND OCCUPATIONS.** If such disaster as is described

in **Section 30-3-3** occurs in this Village and the services of persons who are competent to practice any profession, trade or occupation are required in this Village to cope with the disaster situation and it appears that the number of persons licensed or registered in this Village to practice such profession, trade or occupation may be insufficient for such purpose, then any persons who are licensed elsewhere to practice any such profession, trade or occupation may, if a member of another political subdivision rendering aid in this Village pursuant to the order of the head of that political subdivision and upon the request of the Village, or if otherwise requested so to do by the Mayor or the coordinator of this Village, during the time the disaster condition continues, practice such profession, trade or occupation in this Village without being licensed or registered in this Village.

**30-3-13**           **APPROPRIATIONS AND LEVY OF TAX.** The Village Board may make

appropriations for emergency management operations in the manner provided by law for making appropriations for the ordinary expenses of such political subdivision. The Village Board may also levy for emergency management operations a tax not to exceed **.05%** of the full, fair cash value as equalized or assessed by the Department of Revenue on all taxable property in the Village for the current year. However, the amount collectible under such a levy shall in no event exceed **Twenty-Five Cents (\$0.25)** per capita. The annual tax shall be in addition to and in excess of the amount authorized to be levied for general corporate purposes.

**30-3-14**        **AUTHORITY TO ACCEPT SERVICES, GIFTS, GRANTS OR LOANS.** Whenever the federal or state governments, or any agency or officer thereof, or whenever any person, firm or corporation shall offer to the Village services, equipment, supplies, materials or funds by way of gift or grant for purposes of emergency management, the Village, acting through the Mayor or through its Village Board, may accept such offer and upon such acceptance the Mayor or the Village Board may authorize any officer of the Village to receive such services, equipment, supplies, materials or funds on behalf of the Village.

**30-3-15**        **ORDERS, RULES AND REGULATIONS.**  
(A)                The Mayor shall file a copy of every rule, regulation or order and any amendment thereof made by him pursuant to the provisions of this Code in the office of the Municipal Clerk. No such rule, regulation or order, or any amendment thereof, shall be effective until **ten (10) days** after such filing; provided, however, that upon the declaration of such a disaster emergency by the Mayor as is described in **Section 30-3-7**, the provision relating to the effective date of any rule, regulation order or amendment issued pursuant to this Code and during the state of such disaster emergency, is abrogated, and said rule, regulation, order or amendment shall become effective immediately upon being filed with the Village Clerk, accompanied by a certificate stating the reason for the emergency.

(B)                The Emergency Management Agency established pursuant to this Code, and the coordinator thereof, shall execute and enforce such orders, rules and regulations as may be made by the Governor under authority of the Illinois Emergency Management Agency Act. The local Emergency Management Agency shall have available for inspection at its office all orders, rules and regulations made by the Governor, or under this authority. The State Emergency Management Agency shall furnish such orders, rules and regulations to the agency.

**30-3-16**        **UTILIZATION OF EXISTING AGENCY, FACILITIES AND PERSONNEL.** In carrying out the provisions of this Code, the Mayor and the coordinator of the emergency management agency are directed to utilize the services, equipment, supplies and facilities of existing departments, offices and agencies of the Village to the maximum extent practicable, and the officers and personnel of all such departments, offices and agencies are directed, upon request, to cooperate with and extend such services and facilities to the coordinator and the emergency management agency.

**30-3-17**        **SEVERABILITY.** If any provision of this Code or the application thereof to any person or circumstances be held invalid, such invalidity shall not affect such other provisions or applications of the ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Code are hereby declared to be severable.

**30-3-18**        **NO PRIVATE LIABILITY.**  
(A)                Any person owning or controlling real estate or other premises who voluntarily and without compensation grants a license or privilege, or otherwise permits the designation or use of the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual or impending disaster, or a mock or practice disaster response activity together with his successors in interest, if any, shall not be civilly liable for negligently causing the death of, or injury to, any person on or about such real estate or premises under such license, privilege or other permission, or for negligently causing loss of, or damage to, the property of such person.

(B)                Any private person, firm or corporation and employees and agents of such person, firm or corporation in the performance of a contract with, and under the direction of, the Village under the provisions of this Code, shall not be civilly liable for causing death of, or injury to, any person or damage to any property except in the event of willful misconduct.

(C)                Any private person, firm or corporation, and any employee or agency of such person, firm or corporation, who renders assistance or advice at the request of the Village, shall not be civilly liable for causing the death of, or injury to, any person or damage to any property except in the

event of willful misconduct. The immunities provided in Subsection (C) shall not apply to any private person, firm or corporation, or to any employee or agent of such person, firm or corporation whose act or omission caused in whole or in part such actual or impending disaster and who would otherwise be liable therefore.

**30-3-19**        **SUCCESSION.** In the event of the death, absence from the Village or other disability of the Mayor preventing him from acting under this Code or for any other municipal purpose, and until the office is filled in the manner prescribed by law, the coordinator of the emergency services and disaster agency shall succeed to the duties and responsibilities of the Mayor.

**30-3-20**        **COMPENSATION.** The Village Board, by its annual appropriations ordinance, may provide for the payment of the salary of the coordinator and such other office staff and personnel as may be expressly provided for in the ordinance. Nothing herein contained shall prohibit any member of the agency from receiving compensation from the State of Illinois Emergency Management Agency under any provisions of that agency.

**30-3-21**        **PERSONNEL OATH.** Each person, whether compensated or non-compensated, who is appointed to serve in any capacity in the municipal Emergency Management Agency, shall, before entering upon his duties, take an oath, in writing, before the coordinator of the municipal Emergency Management Agency before a person authorized to administer oaths in this Village, which oath shall be filed with the coordinator of the Emergency Management Agency, and which oath shall be substantially as follows:

“I, \_\_\_\_\_ do solemnly swear (or affirm) that I will support and defend and bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of Illinois, and the territory, institutions and facilities thereof, both public and private, against all enemies, foreign and domestic; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter. And I do further swear (or affirm) that I do not advocate, nor am I, nor have I been a member of any political party or organization that advocates the overthrow of the government of the United States or of this State by force or violence; and that during such time I am affiliated with the Village, I will not advocate nor become a member of any political party or organization that advocates the overthrow of the government of the United States or of this State by force or violence.”

**30-3-22**        **EMERGENCY TERMINATION OR REDUCTION OF ELECTRICAL SERVICE.**  
(A)            **Declaration of Emergency Condition.** When in the judgment of the Mayor or Village Board, as provided herein in **Section 30-3-7(A)**, a local disaster emergency requires the termination or reduction of electrical service, the Mayor or Village Board shall forthwith declare in writing the existence of the emergency condition and order the termination or reduction.

**30-3-23**        **PENALTY.** Any person convicted of violating this Code or any order thereunder shall be punished, upon conviction, by a fine as provided by **Section 1-1-20** of this Code.

**33-2-2**            **REPAIRING SIDEWALKS, ETC.** Whenever any sidewalk, pavement, or cellar door on the same becomes worn out or out of repair, or is torn up or broken and uneven, it shall be the duty of the Street Superintendent to immediately repair such sidewalk or cellar door without delay.

**33-2-3**            **CLOSING STREET.** Whenever public safety or the improvement or repair of any street, alley or public place requires it, the Mayor may order any street, alley, or public place temporarily closed to traffic and the placing of signs indicating that the street, alley or public place is closed by order of the Mayor. Whenever such signs are so placed, no person shall ride or drive upon or cross such street, alley or public place, or in any manner, destroy, deface, or remove any such sign. **(Sec. 4.06)**

**33-2-4**            **SIGNS ACROSS STREET.** No person shall place any sign, advertisement or banner over any or across any street, alley or sidewalk in the Village, unless he has written approval of the Village Board. **(See 65 ILCS 5/11-80-17)**

### **ARTICLE III – TREE PRESERVATION**

**33-3-1**            **STATEMENT OF PURPOSE.** This Section of the Code is structured to preserve, protect and enhance critical infrastructure – the urban forest that is located on public land. The complete urban forest is comprised of trees across all land uses and ownership. This Section will regulate public property trees but recognizes that trees on private property are part of the collective community resource.

The purpose of this Section is to recognize the services and function that trees provide as a collective asset to the entire community and to state the goals of the Village with respect to the protection, preservation, care and planting of trees on public lands.

The Village hereby recognizes that trees are an integral part of the infrastructure of the Village and as such should be preserved, protected and cared for as other critical Village infrastructure.

**33-3-2**            **DEFINITIONS.** The following words when used in this Section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

(A)            **Damage.** Impact or loss of function to any tree including but not limited to removal, root compaction, root removal, girdling, soil contamination, topping, pruning more than **twenty percent (20%)** of the trees, canopy removal, bark removal, poisoning and/or actions resulting in the decline or death of a tree.

(B)            **Preferred Tree List.** A listing of acceptable tree species that can be planted on public property. The list is available at the Village Hall.

(C)            **Tree.** Any self-supporting woody plant, together with its root system, trunk and canopy; growing upon the earth usually with one trunk, or a multi-stemmed trunk system, supporting a definitely formed crown.

(D)            **Permit.** A written authorization from the Governmental Entity authorizing the applicant to conduct work which may or may not impact a tree.

(E)            **Tree Removal.** The cutting down, destruction, removal or relocation of any tree, including damaging by poison or other direct or indirect action.

**33-3-3**            **ENFORCEMENT.** Under the direction of the Village Board, the Superintendent of Streets shall be in charge of street trees and enforcing this Article and shall have the authority to make decisions regarding their care and maintenance. The Superintendent of Streets shall consult with a certified arborist for tree removals.

**33-3-4**            **TREE PLANTING.** It shall be unlawful to plant any tree or bush in any public street or parkway or other public place without having first secured a permit from the Village, therefore. Applications for such permits shall be made to the Street Superintendent and shall be referred by him to the Village Board.

All trees and shrubs so planted on public right-of-way shall be placed subject to the directions and approval of the Village Board. It shall be unlawful to plant any tree under utility wires that is anticipated to grow to a height that will interfere with the wires.

All planting and maintenance activities for trees shall follow best management practices in accordance with the American National Standards Institute for planting, pruning and maintenance. (ANSI A300)

**33-3-5**            **REMOVAL.** It shall be unlawful to remove or cut down any tree or shrub or portion thereof in any street, parkway or other public place without having first secured a permit, therefore. Applications for such permits shall be made to the Street Superintendent and shall be referred by him to the Village board before permission shall be granted.

Preferences for tree removal on public right-of-way will first be given to Contractors with a certified arborist or Contractors that adequately display arboricultural training, degrees, or certifications.

All trees along any street or in any public right-of-way or on other Village owned property near any excavation or construction of any building, structure or street construction shall be protected so as to avoid all injury to the trunk, crown and unnecessary injury to the root system of the tree.

Building materials, stone, brick, sand, concrete, soil or other debris shall not be placed or stored on or in the critical root zone area of any public tree or other tree or shrub on public right-of-way or Village owned property, without written authorization from the Superintendent obtained prior to storing any such materials or debris.

**33-3-8**            **INSURANCE REQUIRED FOR CONTRACTORS.** All contractors performing forestry activities on Village owned trees shall possess an insurance policy approved by the Village. In addition, preference will be given to entities with a certified arborist on staff.

**33-3-9**            **TREE REPLACEMENT.** Any entity or person who injures a public tree shall be held responsible for the cost of the repairs, such as pruning or cabling, if the injured tree will not die as a result of such injuries. In cases where the tree has been damaged beyond repair and cannot remain in the public right-of-way because it is determined by the Street Superintendent to be a "dangerous tree" the Village or person responsible for the damage shall also pay the cost the Village incurs to remove and replace the tree.

Any tree or limb of a tree which has become likely to fall on or across any public way or place shall be removed by the owner of the premises on which such tree grows or stands.

The Street Superintendent may, at the owner's expense, trim or remove any tree or shrub so that the obstruction or danger to traffic or passage shall be done away with.

**33-3-13**           **WIRES.** It shall be unlawful to attach any wires or rope to any tree or shrub in any public street, parkway or other public place without the permission of the Village Board.

Any person or company given the right to maintain the poles and wires in the streets, alleys, or other public places in the municipality shall, in the absence of provision in the franchise concerning the subject, keep such wires and poles free from and away from any trees or shrubs in such places so far as may be possible and shall keep all such trees and shrubs properly trimmed, subject to the supervision of the Street Superintendent so that no injury shall be done either to the poles or wires or the shrubs and trees by their conduct.

**33-3-14**           **GAS PIPES.** Any person or company maintaining any gas pipe in the municipality shall, in the absence of provision in the franchise concerning the subject, keep such pipes free from leaks so that no injury shall be done to any trees or shrubs.

**33-3-17**           **SPECIES LIST.** Trees planted by the Village on a public right-of-way shall be selected from the Preferred Species List, which can be obtained from Village Hall. A restricted species list can be found at the Northwest Illinois Forest Association and is on file at the Village Hall. Any tree species listed on the restricted species list are prohibited from being planted on Village right-of-way and in Village parks.

**33-3-18**           **EXCEPTIONS.** If because of emergency weather or other casualty conditions a tree is endangering health, safety or property and requires immediate removal, verbal authorization may be given by the Superintendent for the tree removal without obtaining a written permit. Such verbal authorization shall later be confirmed in writing by the Village.

**33-3-19**           **SEVERABILITY.** Should any part or provision of this Article be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the Article as a whole or any part thereof other than the part held to be invalid.

### 33-4-1 PURPOSE AND SCOPE.

(A) **Purpose.** The purpose of this Article is to establish policies and procedures for constructing facilities on rights-of-way within the Village's jurisdiction, which will provide public benefit consistent with the preservation of the integrity, safe usage, and visual qualities of the Village rights-of-way and the Village as a whole.

(B) **Intent.** In enacting this Article, the Village intends to exercise its authority over the rights-of-way in the Village and, in particular, the use of the public ways and property by utilities, by establishing uniform standards to address issues presented by utility facilities, including without limitation:

- (1) prevent interference with the use of streets, sidewalks, alleys, parkways and other public ways and places;
- (2) prevent the creation of visual and physical obstructions and other conditions that are hazardous to vehicular and pedestrian traffic;
- (3) prevent interference with the facilities and operations of the Village's utilities and of other utilities lawfully located in rights-of-way or public property;
- (4) protect against environmental damage, including damage to trees, from the installation of utility facilities;
- (5) protect against increased stormwater run-off due to structures and materials that increase impermeable surfaces;
- (6) preserve the character of the neighborhoods in which facilities are installed;
- (7) preserve open space, particularly the tree-lined parkways that characterize the Village's residential neighborhoods;
- (8) prevent visual blight from the proliferation of facilities in the rights-of-way; and

If the application does not conform to the requirements of all applicable ordinances, codes, laws, rules, and regulations, the Superintendent shall reject such application in writing, stating the reasons therefor. If the Superintendent is satisfied that the proposed work conforms to the requirements of this Article and all applicable ordinances, codes, laws, rules, and regulations, the Superintendent shall issue a permit therefor as soon as practicable. In all instances, it shall be the duty of the applicant to demonstrate, to the satisfaction of the Superintendent, that the construction proposed under the application shall be in full compliance with the requirements of this Article.

- (B) **Additional Village Review of Applications of Telecommunications Retailers.**
- (1) Pursuant to Section 4 of the Telephone Company Act, 220 ILCS 65/4, a telecommunications retailer shall notify the Village that it intends to commence work governed by this Article for facilities for the provision of telecommunications services. Such notice shall consist of plans, specifications, and other documentation sufficient to demonstrate the purpose and intent of the facilities and shall be provided by the telecommunications retailer to the Village not less than **ten (10) days** prior to the commencement of work requiring no excavation and not less than **thirty (30) days** prior to the commencement of work requiring excavation. The Superintendent shall specify the portion of the right-of-way upon which the facility may be placed, used or constructed.
  - (2) In the event that the Superintendent fails to provide such specification of location to the telecommunications retailer within either (a) **ten (10) days** after service of notice to the Village by the telecommunications retailer in the case of work not involving excavation for new construction or (b) **twenty-five (25) days** after service of notice by the telecommunications retailer in the case of work involving excavation for new construction, the telecommunications retailer may commence work without obtaining a permit under this Article.
  - (3) Upon the provision of such specification by the Village, where a permit is required for work pursuant to **Section 33-4-4** of this Article the telecommunications retailer shall submit to the Village an application for a permit and any and all plans, specifications and documentation available regarding the facility to be constructed. Such application shall be subject to the requirements of paragraph (A) of this Section.

(C) **Additional Village Review of Applications of Holders of State Authorization Under the Cable and Video Competition Law of 2007.** Applications by a utility that is a holder of a State-issued authorization under the Cable and Video Competition Law of 2007 shall be deemed granted **forty-five (45) days** after submission to the Village, unless otherwise acted upon by the Village, provided the holder has complied with applicable Village codes, ordinances, and regulations.

**33-4-6** **EFFECT OF PERMIT.**

(A) **Authority Granted; No Property Right or Other Interest Created.** A permit from the Village authorizes a permittee to undertake only certain activities in accordance with this Article on Village rights-of-way and does not create a property right or grant authority to the permittee to impinge upon the rights of others who may have an interest in the public rights-of-way.

(B) **Duration.** No permit issued under this Article shall be valid for a period longer than **six (6) months** unless construction is actually begun within that period and is thereafter diligently pursued to completion.

(C) **Pre-Construction Meeting Required.** No construction shall begin pursuant to a permit issued under this Article prior to attendance by the permittee and all major contractors and subcontractors who will perform any work under the permit at a pre-construction meeting. The pre-construction meeting shall be held at a date, time and place designated by the Village with such Village representatives in attendance as the Village deems necessary. The meeting shall be for the purpose of reviewing the work under the permit, and reviewing special considerations necessary in the areas where work will occur, including, without limitation, presence or absence of other utility facilities in the area and their locations, procedures to avoid disruption of other utilities, use of rights-of-way by the public during construction, and access and egress by adjacent property owners.

(D) **Compliance With All Laws Required.** The issuance of a permit by the Village does not excuse the permittee from complying with other requirements of the Village and applicable statutes, laws, ordinances, rules, and regulations.

**33-4-7**            **REVISED PERMIT DRAWINGS.** In the event that the actual locations of any facilities deviate in any material respect from the locations identified in the plans, drawings and specifications submitted with the permit application, the permittee shall submit a revised set of drawings or plans to the Village within **ninety (90) days** after the completion of the permitted work. The revised drawings or plans shall specifically identify where the locations of the actual facilities deviate from the locations approved in the permit. If any deviation from the permit also deviates from the requirements of this Article, it shall be treated as a request for variance in accordance with **Section 33-4-21** of this Article. If the Village denies the request for a variance, then the permittee shall either remove the facility from the right-of-way or modify the facility so that it conforms to the permit and submit revised drawings or plans therefor.

**33-4-8**            **INSURANCE.**

(A)            **Required Coverages and Limits.** Unless otherwise provided by franchise, license, or similar agreement, each utility occupying right-of-way or constructing any facility in the right-of-way shall secure and maintain the following liability insurance policies insuring the utility as named insured and naming the Village, and its elected and appointed officers, officials, agents, and employees as additional insureds on the policies listed in paragraphs (1) and (2) below:

- (1) Commercial general liability insurance, including premises-operations, explosion, collapse, and underground hazard (commonly referred as "X", "C", and "U" coverages) and products-completed operations coverage with limits not less than:
  - (a) **Five Million Dollars (\$5,000,000.00)** for bodily injury or death to each person;
  - (b) **Five Million Dollars (\$5,000,000.00)** for property damage resulting from any one accident; and
  - (c) **Five Million Dollars (\$5,000,000.00)** for all other types of liability;
- (2) Automobile liability for owned, non-owned and hired vehicles with a combined single limit of **One Million Dollars (\$1,000,000.00)** for personal injury and property damage for each accident;
- (3) Worker's compensation with statutory limits; and
- (4) Employer's liability insurance with limits of not less than **One Million Dollars (\$1,000,000.00)** per employee and per accident.

If the utility is not providing such insurance to protect the contractors and subcontractors performing the work, then such contractors and subcontractors shall comply with this Section.

(B)            **Excess or Umbrella Policies.** The coverages required by this Section may be in any combination of primary, excess, and umbrella policies. Any excess or umbrella policy must provide excess coverage over underlying insurance on a following-form basis such that when any loss covered by the primary policy exceeds the limits under the primary policy, the excess or umbrella policy becomes effective to cover such loss.

(C)            **Copies Required.** The utility shall provide copies of any of the policies required by this Section to the Village within **ten (10) days** following receipt of a written request therefor from the Village.

(D)            **Maintenance and Renewal of Required Coverages.** The insurance policies required by this Section shall contain the following endorsement:

"It is hereby understood and agreed that this policy may not be canceled nor the intention not to renew be stated until **thirty (30) days** after receipt by the Village, by registered mail or certified mail, return receipt requested, of a written notice addressed to the Village Administrator of such intent to cancel or not to renew."

Within **ten (10) days** after receipt by the Village of said notice, and in no event later than **ten (10) days** prior to said cancellation, the utility shall obtain and furnish to the Village evidence of replacement insurance policies meeting the requirements of this Section.

(E) **Self-Insurance.** A utility may self-insure all or a portion of the insurance coverage and limit requirements required by paragraph (A) of this Section. A utility that self-insures is not required, to the extent of such self-insurance, to comply with the requirement for the naming of additional insureds under paragraph (A), or the requirements of paragraphs (B), (C) and (D) of this Section. A utility that elects to self-insure shall provide to the Village evidence sufficient to demonstrate its financial ability to self-insure the insurance coverage and limit requirements required under paragraph (A) of this Section, such as evidence that the utility is a "private self insurer" under the Workers Compensation Act.

(F) **Effect of Insurance and Self-Insurance on Utility's Liability.** The legal liability of the utility to the Village and any person for any of the matters that are the subject of the insurance policies or self-insurance required by this Section shall not be limited by such insurance policies or self-insurance or by the recovery of any amounts thereunder.

(G) **Insurance Companies.** All insurance provided pursuant to this Section shall be effected under valid and enforceable policies, issued by insurers legally able to conduct business with the licensee in the State of Illinois. All insurance carriers and surplus line carriers shall be rates "A-" or better and of a class size "X" or higher by A.M. Best Company.

**33-4-9 INDEMNIFICATION.** By occupying or constructing facilities in the right-of-way, a utility shall be deemed to agree to defend, indemnify and hold the Village and its elected and appointed officials and officers, employees, agents and representatives harmless from and against any and all injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense, arising out of, resulting from or alleged to arise out of or result from the negligent, careless or wrongful acts, omissions, failures to act or misconduct of the utility or its affiliates, officers, employees, agents, contractors or subcontractors in the construction of facilities or occupancy of the rights-of-way, and in providing or offering service over the facilities, whether such acts or omissions are authorized, allowed or prohibited by this Article or by a franchise, license, or similar agreement; provided, however, that the utility's indemnity obligations hereunder shall not apply to any injuries, claims, demands, judgments, damages, losses or expenses arising out of or resulting from the negligence, misconduct or breach of this Article by the Village, its officials, officers, employees, agents or representatives.

**33-4-10 SECURITY.**

(A) **Purpose.** The permittee shall establish a Security Fund in a form and in an amount as set forth in this Section. The Security Fund shall be continuously maintained in accordance with this Section at the permittee's sole cost and expense until the completion of the work authorized under the permit. The Security Fund shall serve a security for:

- (1) The faithful performance by the permittee of all the requirements of this Article;
- (2) Any expenditure, damage, or loss incurred by the Village occasioned by the permittee's failure to comply with any codes, rules, regulations, orders, permits and other directives of the Village issued pursuant to this Article; and
- (3) The payment by permittee of all liens and all damages, claims, costs, or expenses that the Village may pay or incur by reason of any action or non-performance by permittee in violation of this Article including, without limitation, any damage to public property or restoration work the permittee is required by this Article to perform that the Village must perform itself or have completed as a consequence solely of the permittee's failure to perform or complete, and all other payments due the Village from the permittee pursuant to this Article or any other applicable law.

(B) **Form.** The permittee shall provide the Security Fund to the Village in the form, at the permittee's election, of cash, a surety bond in a form acceptable to the Village, or an unconditional

letter of credit in a form acceptable to the Village. Any surety bond or letter of credit provided pursuant to this paragraph shall, at a minimum:

- (1) Provide that it will not be canceled without prior notice to the Village and the permittee;
- (2) Not require the consent of the permittee prior to the collection by the Village of any amounts covered by it; and
- (3) Shall provide a location convenient to the Village and within the State of Illinois at which it can be drawn.

(C) **Amount.** The dollar amount of the Security Fund shall be sufficient to provide for the reasonably estimated cost to restore the right-of-way to at least as good a condition as that existing prior to the construction under the permit, as determined by the Superintendent, and may also include reasonable, directly related costs that the Village estimates are likely to be incurred if the permittee fails to perform such restoration. Where the construction of facilities proposed under the permit will be performed in phases in multiple locations in the Village, with each phase consisting of construction of facilities in one location or related group of locations, and where construction in another phase will not be undertaken prior to substantial completion of restoration in the previous phase or phases, the Superintendent may, in the exercise of sound discretion, allow the permittee to post a single amount of security which shall be applicable to each phase of the construction under the permit. The amount of the Security Fund for phased construction shall be equal to the greatest amount that would have been required under the provisions of this paragraph (C) for any single phase.

(D) **Withdrawals.** The Village, upon **fourteen (14) days'** advance written notice clearly stating the reason for, and its intention to exercise withdrawal rights under this paragraph, may withdraw an amount from the Security Fund, provided that the permittee has not reimbursed the Village for such amount within the **fourteen (14) day** notice period. Withdrawals may be made if the permittee:

- (1) Fails to make any payment required to be made by the permittee hereunder;
- (2) Fails to pay any liens relating to the facilities that are due and unpaid;
- (3) Fails to reimburse the Village for any damages, claims, costs or expenses which the Village has been compelled to pay or incur by reason of any action or non-performance by the permittee; or
- (4) Fails to comply with any provision of this Article that the Village determines can be remedied by an expenditure of an amount in the Security Fund.

(E) **Replenishment.** Within **fourteen (14) days** after receipt of written notice from the Village that any amount has been withdrawn from the Security Fund, the permittee shall restore the Security Fund to the amount specified in paragraph (C) of this Section.

(F) **Interest.** The permittee may request that any and all interest accrued on the amount in the Security Fund be returned to the permittee by the Village, upon written request for said withdrawal to the Village, provided that any such withdrawal does not reduce the Security Fund below the minimum balance required in paragraph (C) of this Section.

(G) **Closing and Return of Security Fund.** Upon completion of the work authorized under the permit, the permittee shall be entitled to the return of the Security Fund, or such portion thereof as remains on deposit, within a reasonable time after account is taken for all offsets necessary to compensate the Village for failure by the permittee to comply with any provisions of this Article or other applicable law. In the event of any revocation of the permit, the Security Fund, and any and all accrued interest therein, shall become the property of the Village to the extent necessary to cover any reasonable costs, loss or damage incurred by the Village as a result of said revocation, provided that any amounts in excess of said costs, loss or damage shall be refunded to the permittee.

(H) **Rights Not Limited.** The rights reserved to the Village with respect to the Security Fund are in addition to all other rights of the Village, whether reserved by this Article or otherwise authorized by law, and no action, proceeding or exercise of right with respect to said Security Fund shall affect any other right the Village may have. Notwithstanding the foregoing, the Village shall not be entitled to a double monetary recovery with respect to any of its rights which may be infringed or otherwise violated.

**33-4-11 PERMIT SUSPENSION AND REVOCATION.**

(A) **Village Right to Revoke Permit.** The Village may revoke or suspend a permit issued pursuant to this Article for one or more of the following reasons:

- (1) Fraudulent, false, misrepresenting, or materially incomplete statements in the permit application;
- (2) Noncompliance with this Article;
- (3) Permittee's physical presence or presence of permittee's facilities on, over, above, along, upon, under, across, or within the rights-of-way presents a direct or imminent threat to the public health, safety, or welfare; or
- (4) Permittee's failure to construct the facilities substantially in accordance with the permit and approved plans.

(B) **Notice of Revocation or Suspension.** The Village shall send written notice of its intent to revoke or suspend a permit issued pursuant to this Article stating the reason or reasons for the revocation or suspension and the alternatives available to permittee under this **Section 33-4-11**.

(C) **Permittee Alternatives Upon Receipt of Notice of Revocation or Suspension.** Upon receipt of a written notice of revocation or suspension from the Village, the permittee shall have the following options:

- (1) Immediately provide the Village with evidence that no cause exists for the revocation or suspension;
- (2) Immediately correct, to the satisfaction of the Village, the deficiencies stated in the written notice, providing written proof of such correction to the Village within **five (5) working days** after receipt of the written notice of revocation; or
- (3) Immediately remove the facilities located on, over, above, along, upon, under, across, or within the rights-of-way and restore the rights-of-way to the satisfaction of the Village providing written proof of such removal to the Village within **ten (10) days** after receipt of the written notice of revocation.

The Village may, in its discretion, for good cause shown, extend the time periods provided in this paragraph.

(D) **Stop Work Order.** In addition to the issuance of a notice of revocation or suspension, the Village may issue a stop work order immediately upon discovery of any of the reasons for revocation set forth within paragraph (A) of this Section.

(E) **Failure or Refusal of the Permittee to Comply.** If the permittee fails to comply with the provisions of paragraph (C) of this Section, the Village or its designee may, at the option of the Village:

- (1) correct the deficiencies;
- (2) upon not less than **twenty (20) days** notice to the permittee, remove the subject facilities or equipment; or
- (3) after not less than **thirty (30) days** notice to the permittee of failure to cure the noncompliance, deem them abandoned and property of the Village. The permittee shall be liable in all events to the Village for all costs of removal.

**33-4-12 CHANGE OF OWNERSHIP OR OWNER'S IDENTITY OR LEGAL STATUS.**

(A) **Notification of Change.** A utility shall notify the Village no less than **thirty (30) days** prior to the transfer of ownership of any facility in the right-of-way or change in identity of the utility. The new owner of the utility or the facility shall have all the obligations and privileges enjoyed by the former owner under the permit, if any, and all applicable laws, ordinances, rules and regulations, including this Article, with respect to the work and facilities in the right-of-way.

(B) **Amended Permit.** A new owner shall request that any current permit be amended to show current ownership. If the new owner fails to have a new or amended permit issued in its name, the new owner shall be presumed to have accepted, and agreed to be bound by, the terms and

conditions of the permit if the new owner uses the facility or allows it to remain on the Village's right-of-way.

(C) **Insurance and Bonding.** All required insurance coverage or bonding must be changed to reflect the name of the new owner upon transfer.

**33-4-13** **GENERAL CONSTRUCTION STANDARDS.**

(A) **Standards and Principles.** All construction in the right-of-way shall be consistent with applicable ordinances, codes, laws, rules and regulations, and commonly recognized and accepted traffic control and construction principles, sound engineering judgment and, where applicable, the principles and standards set forth in the following IDOT publications, as amended from time to time:

- (1) Standard Specifications for Road and Bridge Construction;
- (2) Supplemental Specifications and Recurring Special Provisions;
- (3) Highway Design Manual;
- (4) Highway Standards Manual;
- (5) Standard Specifications for Traffic Control Items;
- (6) Illinois Manual on Uniform Traffic Control Devices (92 Ill. Adm. Code § 545);
- (7) Flagger's Handbook; and
- (8) Work Site Protection Manual for Daylight Maintenance Operations.

(B) **Interpretation of Municipal Standards and Principles.** If a discrepancy exists between or among differing principles and standards required by this Article, the Superintendent shall determine, in the exercise of sound engineering judgment, which principles apply and such decision shall be final. If requested, the Superintendent shall state which standard or principle will apply to the construction, maintenance, or operation of a facility in the future.

**33-4-14** **TRAFFIC CONTROL.**

(A) **Minimum Requirements.** The Village's minimum requirements for traffic protection are contained in IDOT's Illinois Manual on Uniform Traffic Control Devices and this Code.

(B) **Warning Signs, Protective Devices, and Flaggers.** The utility is responsible for providing and installing warning signs, protective devices and flaggers, when necessary, meeting all applicable federal, state, and local requirements for protection of the public and the utility's workers when performing any work on the public rights-of-way.

(C) **Interference with Traffic.** All work shall be phased so that there is minimum interference with pedestrian and vehicular traffic.

(D) **Notice When Access is Blocked.** At least **forty-eight (48) hours** prior to beginning work that will partially or completely block access to any residence, business or institution, the utility shall notify the resident, business or institution of the approximate beginning time and duration of such work; provided, however, that in cases involving emergency repairs pursuant to **Section 33-4-20** of this Article, the utility shall provide such notice as is practicable under the circumstances.

(E) **Compliance.** The utility shall take immediate action to correct any deficiencies in traffic protection requirements that are brought to the utility's attention by the Village.

**33-4-15** **LOCATION OF FACILITIES.**

(A) **General Requirements.** In addition to location requirements applicable to specific types of utility facilities, all utility facilities, regardless of type, shall be subject to the general location requirements of this paragraph.

- (1) **No Interference with Village Facilities.** No utility facilities shall be placed in any location if the Superintendent determines that the proposed location will require the relocation or displacement of any of the Village's utility facilities or will otherwise interfere with the operation or maintenance of any of the Village's utility facilities.

- (2) **Minimum Interference and Impact.** The proposed location shall cause only the minimum possible interference with the use of the right-of-way and shall cause only the minimum possible impact upon, and interference with the rights and reasonable convenience of property owners who adjoin said right-of-way.
- (3) **No Interference with Travel.** No utility facility shall be placed in any location that interferes with the usual travel on such right-of-way.
- (4) **No Limitations on Visibility.** No utility facility shall be placed in any location so as to limit visibility of or by users of the right-of-way.
- (5) **Size of Utility Facilities.** The proposed installation shall use the smallest suitable vaults, boxes, equipment enclosures, power pedestals, and/or cabinets then in use by the facility owner, regardless of location, for the particular application.

(B)

**Parallel Facilities Located Within Highways.**

- (1) **Overhead Parallel Facilities.** An overhead parallel facility may be located within the right-of-way lines of a highway only if:
  - (a) Lines are located as near as practicable to the right-of-way line and as nearly parallel to the right-of-way line as reasonable pole alignment will permit;
  - (b) Where pavement is curbed, poles are as remote as practicable from the curb with a minimum distance of **two (2) feet (0.6m)** behind the face of the curb, where available;
  - (c) Where pavement is uncurbed, poles are as remote from pavement edge as practicable with minimum distance of **four (4) feet (1.2m)** outside the outer shoulder line of the roadway and are not within the clear zone;
  - (d) No pole is located in the ditch line of a highway; and
  - (e) Any ground-mounted appurtenance is located within **one (1) foot (0.3m)** of the right-of-way line or as near as possible to the right-of-way line.
- (2) **Underground Parallel Facilities.** An underground parallel facility may be located within the right-of-way lines of a highway only if:
  - (a) The facility is located as near the right-of-way line as practicable and not more than **eight (8) feet (2.4m)** from and parallel to the right-of-way line;
  - (b) A new facility may be located under the paved portion of a highway only if other locations are impracticable or inconsistent with sound engineering judgment (e.g., a new cable may be installed in existing conduit without disrupting the pavement); and
  - (c) In the case of an underground power or communications line, the facility shall be located as near the right-of-way line as practicable and not more than **five (5) feet (1.5m)** from the right-of-way line and any above-grounded appurtenance shall be located within **one (1) foot (0.3m)** of the right-of-way line or as near as practicable.

(C)

**Facilities Crossing Highways.**

- (1) **No Future Disruption.** The construction and design of crossing facilities installed between the ditch lines or curb lines of Village highways may require the incorporation of materials and protections (such as encasement or additional cover) to avoid settlement or future repairs to the roadbed resulting from the installation of such crossing facilities.
- (2) **Cattle Passes, Culverts, or Drainage Facilities.** Crossing facilities shall not be located in cattle passes, culverts, or drainage facilities.

- (3) **90 Degree Crossing Required.** Crossing facilities shall cross at or as near to a **ninety (90) degree** angle to the centerline as practicable.
- (4) **Overhead Power or Communication Facility.** An overhead power or communication facility may cross a highway only if:
  - (a) It has a minimum vertical line clearance as required by ICC's rules entitled, "Construction of Electric Power and Communication Lines" (83 Ill. Adm. Code 305);
  - (b) Poles are located within **one (1) foot (0.3m)** of the right-of-way line of the highway and outside of the clear zone; and
  - (c) Overhead crossings at major intersections are avoided.
- (5) **Underground Power or Communication Facility.** An underground power or communication facility may cross a highway only if:
  - (a) The design materials and construction methods will provide maximum maintenance-free service life; and
  - (b) Capacity for the utility's foreseeable future expansion needs is provided in the initial installation.
- (6) **Markers.** The Village may require the utility to provide a marker at each right-of-way line where an underground facility other than a power or communication facility crosses a highway. Each marker shall identify the type of facility, the utility, and an emergency phone number. Markers may also be eliminated as provided in current Federal regulations. (49 C.F.R. §192.707 (1989)).

(D) **Facilities to be Located Within Particular Rights-of-Way.** The Village may require that facilities be located within particular rights-of-way that are not highways, rather than within particular highways.

(E) **Freestanding Facilities.**

- (1) The Village may restrict the location and size of any freestanding facility located within a right-of-way.
- (2) The Village may require any freestanding facility located within a right-of-way to be screened from view.

(F) **Facilities Installed Above Ground.** Above ground facilities may be installed only if:

- (1) No other existing facilities in the area are located underground;
- (2) New underground installation is not technically feasible; and
- (3) The proposed installation will be made at a location, and will employ suitable design and materials, to provide the greatest protection of aesthetic qualities of the area being traversed without adversely affecting safety. Suitable designs include, but are not limited to, self-supporting armless, single-pole construction with vertical configuration of conductors and cable. Existing utility poles and light standards shall be used wherever practicable; the installation of additional utility poles is strongly discouraged.

(G) **Facility Attachments to Bridges or Roadway Structures.**

- (1) Facilities may be installed as attachments to bridges or roadway structures only where the utility has demonstrated that all other means of accommodating the facility are not practicable. Other means shall include, but are not limited to, underground, underwater, independent poles, cable supports and tower supports, all of which are completely separated from the bridge or roadway structure. Facilities transmitting commodities that are volatile, flammable, corrosive, or energized, especially those under significant pressure or potential, present high degrees of risk and such installations are not permitted.
- (2) A utility shall include in its request to accommodate a facility installation on a bridge or roadway structure supporting data demonstrating the impracticability of alternate routing. Approval or disapproval of an

application for facility attachment to a bridge or roadway structure will be based upon the following considerations:

- (a) The type, volume, pressure or voltage of the commodity to be transmitted and an evaluation of the resulting risk to persons and property in the event of damage to or failure of the facility;
- (b) The type, length, value, and relative importance of the highway structure in the transportation system;
- (c) The alternative routings available to the utility and their comparative practicability;
- (d) The proposed method of attachment;
- (e) The ability of the structure to bear the increased load of the proposed facility;
- (f) The degree of interference with bridge maintenance and painting;
- (g) The effect on the visual quality of the structure; and
- (h) The public benefit expected from the utility service as compared to the risk involved.

(H)

**Appearance Standards.**

- (1) The Village may prohibit the installation of facilities in particular locations in order to preserve visual quality.
- (2) A facility may be constructed only if its construction does not require extensive removal or alteration of trees or terrain features visible to the right-of-way user or to adjacent residents and property owners, and if it does not impair the aesthetic quality of the lands being traversed.

**33-4-16**

(A)

**CONSTRUCTION METHODS AND MATERIALS.**

**Standards and Requirements for Particular Types of Construction Methods.**

(1) **Boring or Jacking.**

- (a) **Pits and Shoring.** Boring and jacking under rights-of-way shall be accomplished from pits located at a minimum distance specified by the Superintendent from the edge of the pavement. Pits for boring or jacking shall be excavated no more than **forty-eight (48) hours** in advance of boring or jacking operations and backfilled within **forty-eight (48) hours** after boring or jacking operations are completed. While pits are open, they shall be clearly marked and protected by barricades. Shoring shall be designed, erected, supported, braced, and maintained so that it will safely support all vertical and lateral loads that may be imposed upon it during the boring or jacking operation.
- (b) **Wet Boring or Jetting.** Wet boring or jetting shall not be permitted under the roadway.
- (c) **Borings With Diameters Greater than Six (6) Inches.** Borings over **six (6) inches (0.15m)** in diameter shall be accomplished with an auger and following pipe, and the diameter of the auger shall not exceed the outside diameter of the following pipe by more than **one (1) inch (25mm)**.
- (d) **Borings with Diameters Six (6) Inches or Less.** Borings of **six (6) inches** or less in diameter may be accomplished by either jacking, guided with auger, or auger and following pipe method.
- (e) **Tree Preservation.** Any facility located within the drip line of any tree designed by the Village to be preserved shall be bored under or around the root system.

- (2) **Trenching.** Trenching for facility installation, repair, or maintenance on rights-of-way shall be done in accord with the applicable portions of Section 603 IDOT's "Standard Specifications for Road and Bridge Construction".
- (a) **Length.** The length of open trench shall be kept to the practicable minimum consistent with requirements for pipe-line testing. Only one-half of any intersection may have an open trench at any time unless special permission is obtained from the Superintendent.
- (b) **Open Trench and Excavated Material.** Open trench and wind rowed excavated material shall be protected as required by Chapter 6 of the Illinois Manual on Uniform Traffic Control Devices. Where practicable, the excavated material shall be deposited between the roadway and the trench as added protection. Excavated material shall not be allowed to remain on the paved portion of the roadway. Where right-of-way width does not allow for wind rowing excavated material off the paved portion of the roadway, excavated material shall be hauled to an off-road location.
- (c) **Drip Line of Trees.** The utility shall not trench within the drip line of any tree designated by the Village to be preserved.
- (3) **Backfilling.**
- (a) Any pit, trench, or excavation created during the installation of facilities shall be backfilled for its full width, depth, and length using methods and materials in accordance with IDOT's "Standard Specifications for Road and Bridge Construction". When excavated material is hauled away or is unsuitable for backfill, suitable granular backfill shall be used.
- (b) For a period of **three (3) years** from the date construction of a facility is completed, the utility shall be responsible to remove and restore any backfilled area that has settled due to construction of the facility. If so ordered by the Superintendent, the utility, at its expense, shall remove any pavement and backfill material to the top of the installed facility, place and properly compact new backfill material, and restore new pavement, sidewalk, curbs, and driveways to the proper grades, as determined by the Superintendent.
- (4) **Pavement Cuts.** Pavement cuts for facility installation or repair shall be discouraged but may be permitted only upon location specific approval by the Superintendent and only if that portion of the roadway is closed to traffic.
- (a) Any excavation under pavements shall be backfilled and compacted as soon as practicable with granular material of CA-6 or CA-10 gradation, as designated by the Superintendent.
- (b) Restoration of pavement, in kind, shall be accomplished as soon as practicable, and temporary repair with bituminous mixture shall be provided immediately. Any subsequent failure of either the temporary repair or the restoration shall be rebuilt upon notification by the Village.
- (c) All saw cuts shall be full depth.
- (d) For all rights-of-way which have been reconstructed with a concrete surface/base in the last **seven (7) years** or resurfaced in the last **three (3) years**, permits shall not be issued unless such work is determined to be an emergency repair or other work considered necessary and unforeseen before the time of

the reconstruction or unless a pavement cut is necessary for a J.U.L.I.E. locate.

- (5) **Encasement.**
- (a) Casing pipe shall be designed to withstand the load of the highway and any other superimposed loads. The casing shall be continuous either by one-piece fabrication or by welding or jointed installation approved by the Village.
  - (b) The venting, if any, of any encasement shall extend within **one (1) foot (0.3m)** of the right-of-way line. No above-ground vent pipes shall be located in the area established as clear zone for that particular section of the highway.
  - (c) In the case of water main or service crossing, encasement shall be furnished between bore pits unless continuous pipe or Village approved jointed pipe is used under the roadway. Casing may be omitted only if pipe is installed prior to highway construction and carrier pipe is continuous or mechanical joints are of a type approved by the Village. Bell and spigot type pipe shall be encased regardless of installation method.
  - (d) In the case of gas pipelines of **60 psig** or less, encasement may be eliminated.
  - (e) In the case of gas pipelines or petroleum products pipelines with installations of more than **60 psig**, encasement may be eliminated only if:
    - (i) extra heavy pipe is used that precludes future maintenance or repair and
    - (ii) cathodic protection of the pipe is provided;
  - (f) If encasement is eliminated for a gas or petroleum products pipeline, the facility shall be located so as to provide that construction does not disrupt the right-of-way.
- (6) **Minimum Cover of Underground Facilities.** Cover shall be provided and maintained at least in the amount specified in the following table for minimum cover for the type of facility:

Type of Facility	Minimum Cover
Electric Lines	30 inches (0.8m)
Communication, Cable or Video Service Lines	18 to 24 inches (0.6m, as Determined by Village)
Gas or Petroleum Products	30 inches (0.8m)
Water Line	Sufficient Cover to Provide Freeze Protection
Sanitary Sewer, Storm Sewer, Or Drainage Line	Sufficient Cover to Provide Freeze Protection

(B) **Standards and Requirements for Particular Types of Facilities.**

- (1) **Electric Power or Communication Lines.**
- (a) **Code Compliance.** Electric power or communications facilities within Village rights-of-way shall be constructed, operated, and maintained in conformity with the provisions of 83 Ill. Adm. Code 305 (formerly General Order 160 of the Illinois Commerce Commission) entitled "Rules for Construction of Electric Power

and Communications Lines”, and the National Electrical Safety Code.

(b) **Overhead Facilities.** Overhead power or communication facilities shall use single pole construction and, where practicable, joint use of poles shall be used. Utilities shall make every reasonable effort to design the installation so guys and braces will not be needed. Variances may be allowed if there is no feasible alternative and if guy wires are equipped with guy guards for maximum visibility.

(c) **Underground Facilities.**

(i) Cable may be installed by trenching or plowing, provided that special consideration is given to boring in order to minimize damage when crossing improved entrances and side roads.

(ii) If a crossing is installed by boring or jacking, encasement shall be provided between jacking or bore pits. Encasement may be eliminated only if:

a. the crossing is installed by the use of “moles”, “whip augers”, or other approved method which compress the earth to make the opening for cable installation or

b. the installation is by the open trench method which is only permitted prior to roadway construction.

(iii) Cable shall be grounded in accordance with the National Electrical Safety Code.

(iv) **Burial of Drops.** All temporary service drops placed between **November 1** of the prior year and **March 15** of the current year, also known as snowdrops, shall be buried by **May 31** of the current year, weather permitting, unless otherwise permitted by the Village. Weather permitting, utilities shall bury all temporary drops, excluding snowdrops, within **ten (10) business days** after placement.

(2) **Underground Facilities Other Than Electric Power or Communication Lines.** Underground facilities other than electric power or communication lines may be installed by:

(a) The use of “moles”, “whip augers”, or other approved methods which compress the earth to move the opening for the pipe;

(b) jacking or boring with vented encasement provided between the ditch lines or toes of slopes of the highway;

(c) open trench with vented encasement between ultimate ditch lines or toes of slopes, but only if prior to roadway construction; or

(d) tunneling with vented encasement, but only if installation is not possible by other means.

(3) **Gas Transmission, Distribution and Service.** Gas pipelines within rights-of-way shall be constructed, maintained, and operated in a Village approved manner and in conformance with the Federal Code of the Office of Pipeline Safety Operations, Department of Transportation, Part 192 – Transportation of Natural and Other Gas by Pipeline: Minimum Federal Safety Standards (49 CFR §192), IDOT’s “Standard Specifications for Road and Bridge Construction”, and all other applicable laws, rules, and regulations.

- (4) **Petroleum Products Pipelines.** Petroleum products pipelines within rights-of-way shall conform to the applicable sections of ANSI Standard Code for Pressure Piping. (Liquid Petroleum Transportation Piping Systems ANSI-B 31.4).
- (5) **Waterlines, Sanitary Sewer Lines, Storm Water Sewer Lines or Drainage Lines.** Water lines, sanitary sewer lines, storm sewer lines, and drainage lines within rights-of-way shall meet or exceed the recommendations of the current "Standard Specifications for Water and Sewer Main Construction in Illinois".
- (6) **Ground Mounted Appurtenances.** Ground mounted appurtenances to overhead or underground facilities, when permitted within a right-of-way, shall be provided with a vegetation-free area extending **one (1) foot (305mm)** in width beyond the appurtenance in all directions. The vegetation-free area may be provided by an extension of the mounting pad, or by heavy duty plastic or similar material approved by the Superintendent, shrubbery surrounding the appurtenance may be used in place of vegetation-free area. The housing for ground-mounted appurtenances shall be painted a neutral color to blend with the surroundings.

(C)

**Materials.**

- (1) **General Standards.** The materials used in constructing facilities within rights-of-way shall be those meeting the accepted standards of the appropriate industry, the applicable portions of IDOT's "Standard Specifications for Road and Bridge Construction", the requirements of the Illinois Commerce Commission, or the standards established by other official regulatory agencies for the appropriate industry.
- (2) **Material Storage on Right-of-Way.** No material shall be stored on the right-of-way without the prior written approval of the Superintendent. When such storage is permitted, all pipe, conduit, wire, poles, cross arms, or other materials shall be distributed along the right-of-way prior to and during installation in a manner to minimize hazards to the public or an obstacle to right-of-way maintenance or damage to the right-of-way and other property. If material is to be stored on right-of-way, prior approval must be obtained from the Village.
- (3) **Hazardous Materials.** The plans submitted by the utility to the Village shall identify any hazardous materials that may be involved in the construction of the new facilities or removal of any existing facilities.

(D)

**Operational Restrictions.**

- (1) Construction operations on rights-of-way may, at the discretion of the Village, be required to be discontinued when such operations would create hazards to traffic or the public health, safety, and welfare. Such operations may also be required to be discontinued or restricted when conditions are such that construction would result in extensive damage to the right-of-way or other property.
- (2) These restrictions may be waived by the Superintendent when emergency work is required to restore vital utility services.
- (3) Unless otherwise permitted by the Village, the hours of construction are from **6:00 A.M. to 6:00 P.M.**

(E)

**Location of Existing Facilities.**

Any utility proposing to construct facilities in the Village shall contact J.U.L.I.E. and ascertain the presence and location of existing above ground and underground facilities within the rights-of-way to be occupied by its proposed facilities. The Village will make its permit record available to a utility for the purpose of identifying possible facilities. When notified of an excavation or when requested by the Village or by J.U.L.I.E., a utility shall locate and physically mark its underground facilities within **forty-eight (48) hours**, excluding weekends and holidays, in accordance with the Illinois Underground Facilities Damage Prevention Act (220 ILCS 50/1 *et seq.*)

**33-4-17**            **VEGETATION CONTROL.**

(A)            **Electric Utilities - Compliance with State Laws and Regulations.** An electric utility shall conduct all tree-trimming and vegetation control activities in the right-of-way in accordance with applicable Illinois laws and regulations, and additionally, with such local franchise or other agreement with the Village as permitted by law.

(B)            **Other Utilities - Tree Trimming Permit Required.** Tree trimming that is done by any other utility with facilities in the right-of-way and that is not performed pursuant to applicable Illinois laws and regulations specifically governing the same, shall not be considered a normal maintenance operation, but shall require the application for, and the issuance of, a permit, in addition to any other permit required under this Article.

(1)            **Application for Tree Trimming Permit.** Applications for tree trimming permits shall include assurance that the work will be accomplished by competent workers with supervision who are experienced in accepted tree pruning practices. Tree trimming permits shall designate an expiration date in the interest of assuring that the work will be expeditiously accomplished.

(2)            **Damage to Trees.** Poor pruning practices resulting in damaged or misshapen trees will not be tolerated and shall be grounds for cancellation of the tree trimming permit and for assessment of damages. The Village will require compensation for trees extensively damaged and for trees removed without authorization. The formula developed by the International Society of Arboriculture will be used as a basis for determining the compensation for damaged trees or unauthorized removal of trees. The Village may require the removal and replacement of trees if trimming or radical pruning would leave them in an unacceptable condition.

(C)            **Specimen Trees or Trees of Special Significance.** The Village may require that special measures be taken to preserve specimen trees or trees of special significance. The required measures may consist of higher poles, side arm extensions, covered wire or other means.

(D)            **Chemical Use.**

(1)            Except as provided in the following paragraph, no utility shall spray, inject or pour any chemicals on or near any trees, shrubs or vegetation in the Village for any purpose, including the control of growth, insects or disease.

(2)            Spraying of any type of brush-killing chemicals will not be permitted on rights-of-way unless the utility demonstrates to the satisfaction of the Superintendent that such spraying is the only practicable method of vegetation control.

**33-4-18**            **REMOVAL, RELOCATION, OR MODIFICATION OF UTILITY FACILITIES.**

(A)            **Notice.** Within **ninety (90) days** following written notice from the Village, a utility shall, at its own expense, protect, support, temporarily or permanently disconnect, remove, relocate, change or alter the position of any utility facilities within the rights-of-way whenever the corporate authorities have determined that such removal, relocation, change or alteration, is reasonably necessary for the construction, repair, maintenance, or installation of any Village improvement in or upon, or the operations of the Village in or upon, the rights-of-way.

(B)            **Removal of Unauthorized Facilities.** Within **thirty (30) days** following written notice from the Village, any utility that owns, controls, or maintains any unauthorized facility or related appurtenances within the rights-of-way shall, at its own expense, remove all or any part of such facilities or appurtenances from the rights-of-way. A facility is unauthorized and subject to removal in the following circumstances:

(1)            Upon expiration or termination of the permittee's license or franchise, unless otherwise permitted by applicable law;

- (2) If the facility was constructed or installed without the prior grant of a license or franchise, if required;
- (3) If the facility was constructed or installed without prior issuance of a required permit in violation of this Article; or
- (4) If the facility was constructed or installed at a location not permitted by the permittee's license or franchise.

(C) **Emergency Removal or Relocation of Facilities.** The Village retains the right and privilege to cut or move any facilities located within the rights-of-way of the Village, as the Village may determine to be necessary, appropriate or useful in response to any public health or safety emergency. If circumstances permit, the Municipality shall attempt to notify the utility, if known, prior to cutting or removing a facility and shall notify the utility, if known, after cutting or removing a facility.

(D) **Abandonment of Facilities.** Upon abandonment of a facility within the rights-of-way of the Village, the utility shall notify the Village within **ninety (90) days**. Following receipt of such notice the Village may direct the utility to remove all or any portion of the facility if the Superintendent determines that such removal will be in the best interest of the public health, safety and welfare. In the event that the Village does not direct the utility that abandoned the facility to remove it, by giving notice of abandonment to the Village, the abandoning utility shall be deemed to consent to the alteration or removal of all or any portion of the facility by another utility or person.

**33-4-19 CLEANUP AND RESTORATION.** The utility shall remove all excess material and restore all turf and terrain and other property within **ten (10) days** after any portion of the rights-of-way are disturbed, damaged or destroyed due to construction or maintenance by the utility, all to the satisfaction of the Village. This includes restoration of entrances and side roads. Restoration of roadway surfaces shall be made using materials and methods approved by the Superintendent. Such cleanup and repair may be required to consist of backfilling, regrading, reseeding, resodding, or any other requirement to restore the right-of-way to a condition substantially equivalent to that which existed prior to the commencement of the project. The time period provided in this Section may be extended by the Superintendent for good cause shown.

**33-4-20 MAINTENANCE AND EMERGENCY MAINTENANCE.**

(A) **General.** Facilities on, over, above, along, upon, under, across, or within rights-of-way are to be maintained by or for the utility in a manner satisfactory to the Village and at the utility's expense.

(B) **Emergency Maintenance Procedures.** Emergencies may justify noncompliance with normal procedures for securing a permit:

- (1) If an emergency creates a hazard on the traveled portion of the right-of-way, the utility shall take immediate steps to provide all necessary protection for traffic on the highway or the public on the right-of-way including the use of signs, lights, barricades or flags. If a hazard does not exist on the traveled way, but the nature of the emergency is such as to require the parking on the shoulder of equipment required in repair operations, adequate signs and lights shall be provided. Parking on the shoulder in such an emergency will only be permitted when no other means of access to the facility is available.
- (2) In an emergency, the utility shall, as soon as possible, notify the Superintendent or his or her duly authorized agent of the emergency, informing him or her as to what steps have been taken for protection of the traveling public and what will be required to make the necessary repairs. If the nature of the emergency is such as to interfere with the free movement of traffic, the Village police shall be notified immediately.
- (3) In an emergency, the utility shall use all means at hand to complete repairs as rapidly as practicable and with the least inconvenience to the traveling public.

(C) **Emergency Repairs.** The utility must file in writing with the Village a description of the repairs undertaken in the right-of-way within **forty-eight (48) hours** after an emergency repair.

**33-4-21 VARIANCES.**

(A) **Request for Variance.** A utility requesting a variance from one or more of the provisions of this Article must do so in writing to the Superintendent as a part of the permit application. The request shall identify each provision of this Article from which a variance is requested and the reasons why a variance should be granted.

(B) **Authority to Grant Variances.** The Superintendent shall decide whether a variance is authorized for each provision of this Article identified in the variance request on an individual basis.

(C) **Conditions for Granting of Variance.** The Superintendent may authorize a variance only if the utility requesting the variance has demonstrated that:

- (1) One or more conditions not under the control of the utility (such as terrain features or an irregular right-of-way line) create a special hardship that would make enforcement of the provision unreasonable, given the public purposes to be achieved by the provision; and
- (2) All other designs, methods, materials, locations or facilities that would conform with the provision from which a variance is requested are impracticable in relation to the requested approach.

(D) **Additional Conditions for Granting of a Variance.** As a condition for authorizing a variance, the Superintendent may require the utility requesting the variance to meet reasonable standards and conditions that may or may not be expressly contained within this Article, but which carry out the purposes of this Article.

(E) **Right to Appeal.** Any utility aggrieved by any order, requirement, decision or determination, including denial of a variance, made by the Superintendent under the provisions of this Article shall have the right to appeal to the Village Board, or such other board or commission as it may designate. The application for appeal shall be submitted in writing to the Village Clerk within **thirty (30) days** after the date of such order, requirement, decision or determination. The Village Board shall commence its consideration of the appeal at the Board's next regularly scheduled meeting occurring at least **seven (7) days** after the filing of the appeal. The Village Board shall timely decide the appeal.

**33-4-22 PENALTIES.** Any person who violates, disobeys, omits, neglects or refuses to comply with any of the provisions of this Article shall be subject to fine in accordance with the penalty provisions of this Code. There may be times when the Village will incur delay or other costs, including third party claims, because the utility will not or cannot perform its duties under its permit and this Article. Unless the utility shows that another allocation of the cost of undertaking the requested action is appropriate, the utility shall bear the Village's costs of damages and its costs of installing, maintaining, modifying, relocating, or removing the facility that is the subject of the permit. No other administrative agency or commission may review or overrule a permit related cost apportionment of the Village. Sanctions may be imposed upon a utility that does not pay the costs apportioned to it. **(See Section 1-1-20 for additional penalties.)**

**33-4-23 ENFORCEMENT.** Nothing in this Article shall be construed as limiting any additional or further remedies that the Village may have for enforcement of this Article.

## ARTICLE V - STREET IMPROVEMENTS

### 33-5-1 SIDEWALKS.

(A) **Grade.** No sidewalk shall be built above or below the established grade of the Village and in all cases where no grade is established, any person building a sidewalk shall build the same according to the instructions of the Street Superintendent and the Village Board. No one shall build a sidewalk unless it consists of new construction. No one shall remove or destroy a sidewalk without replacing the same with a new sidewalk.

(B) **Permit.** It shall be unlawful for any person to build, lay or construct any sidewalk along any property in the Village or along any of the streets, alleys, or public highways thereon, without first filing an application for a permit with the Village Clerk and approved by the Village Board.

(C) **Subdivisions.** This Section is not applicable to new subdivisions. **(See 65 ILCS 5/11-80-13)**

### 33-5-2 CURBS AND GUTTERS.

(A) **Request in Writing.** Any person owning property within the Village who desires to have new curbs and gutters constructed along the street adjoining his premises shall file a request with the Street Superintendent, giving the location of the property and the length of the curbs and gutters requested.

(B) **Cost to Owner.** If the funds are available and the Village Board approves the request, the property owner shall pay **one-half (1/2)** of the cost of the construction including engineering fees, and thereafter, the curbs and gutters shall be maintained by the Village.

(C) **Approval by Village Board.** The approval of the request for construction of curbs and gutters by the Village Board shall be dependent upon the approval of funds, priority of projects and continuity of construction for the best benefit of the Village as determined by the Village Board.

(D) **Subdivisions.** This Section is not applicable to new subdivisions. **(See 65 ILCS 5/11-80-13)**

### 33-5-3 STORM SEWERS.

(A) **Description of Storm Water Sewers.** Storm water sewers shall be any pipe or sewer used for the carrying of surface drains, ground waters, roof leaders, or storm waters, rain waters, or other waters other than sanitary sewage.

(B) **Supervision.** The Superintendent of the Water and Sewer Departments shall supervise all connections made to the public storm sewer system or excavations for the purposes of installing or repairing the same.

(C) **Permits.** Before any connection is made to the public storm water sewers, a permit shall be applied for and approved by the Superintendent or his designated representative.

(D) **Requirements: Use of Storm Water Sewers.** Where a storm water sewer is accessible in a street, alley or easement to a building or premises abutting thereon, the surface drains, ground waters, roof leaders, or storm waters shall be discharged into the storm water sewer unless otherwise authorized by the Village. Under no conditions shall sanitary sewage or wastes or any substance other than surface waters, ground waters, roof waters or storm waters be permitted to flow into or be connected to the storm water sewer; and no sanitary sewer shall be connected to the storm water sewer system.

**(See 65 ILCS 5/11-80-7)**

## ARTICLE VI - CULVERTS

**33-6-1**        **OBSTRUCTION OF DRAIN OR STORM SEWER.** It shall be unlawful to obstruct any drain or storm sewer in any public street or property.

**33-6-2**        **TYPE OF CULVERT.** Culverts shall be installed where driveways or walkways cross open ditches. The material used for the construction of the culverts shall be reinforced concrete, corrugated steel culvert pipe with a minimum wall thickness of **sixteen (16) gauge**, corrugated aluminum alloy culvert pipe with a minimum wall thickness of **sixteen (16) gauge**, or of such other material as determined by the Street Department, depending upon the conditions existing. The culverts shall be of such size, installed at the grade and constructed with couplings as determined by the Street Superintendent. The person desiring the culvert shall install the culvert purchased by the Village.

**33-6-3**        **COST OF INSTALLATION.**

(A)            Village residents may purchase culverts when requested. Culverts must be installed by maintenance personnel. Culverts will be installed at a cost of **Ten Dollars (\$10.00)** per foot, plus the cost of the culvert. This cost includes the installed cost of rock over the culvert. Anything over **twelve (12) inches** must be brought to the Board for their approval and billed out time and material. Labor rate **Fifty Dollars (\$50.00)** per hour. All costs shall be paid to the Village prior to the installation of the culvert or rock.

(B)            To enclose a ditch will be billed out time and material. Labor rate of **Fifty Dollars (\$50.00)** per hour and must come before the Board to get approval. Tilling and seeding to be done by homeowner.

**33-6-4**        **BACKFILL COST.** Any person installing or replacing a culvert shall, at his own expense, provide and place such backfill material as the Street Superintendent determines necessary to complete the project.

**33-6-5**        **REPLACEMENT COST.** Maintenance and replacement of culverts in Village drainage ditches, after initial installation, is the responsibility of the Village.

**(See 65 ILCS 5/11-80-7)**

**33-7-1**        **FEE.** The fee for all such construction shall be **One Dollar (\$1.00)**.

**33-7-2**        **GRADE SURFACE.** No driveway shall be so constructed or graded as to leave a step, sharp depression or other obstruction in the sidewalk. The grade shall be as nearly as possible the same as that of the adjoining sidewalk. It shall be unlawful to have the surface finish of any driveway where the same crosses the sidewalk constructed of such materials as to render it slippery and hazardous to pedestrians, or to have the grade of such portion vary from the grade of the sidewalk or be other than level.

**33-7-3**        **SPECIFICATIONS.** Driveways across sidewalks shall be constructed in compliance with the specifications required by the Street Superintendent.

**33-7-4**        **BREAKING CURB - BOND REQUIRED.** Before a permit can be issued to break a curb in the Village for the installation of a driveway or any other purpose, a bond or cash in the amount of **One Hundred Dollars (\$100.00)** is required to be posted with the Village Clerk.

**33-7-5**        **REPAIR.** It shall be the duty of the person maintaining the driveway to keep the same in good repair where it crosses the sidewalk and free from obstruction and openings.

## CHAPTER 34

### SUBDIVISION CODE

#### ARTICLE I – GENERAL PROVISIONS

**34-1-1**            **TITLE.** These regulations shall be known as and may be referred to as the Subdivision Code of the **Village of Beckemeyer**.

**34-1-2**            **PURPOSE.** In accordance with State law (**65 ILCS 5/11-12-5, 5/11-12-8 -- 5/11-12-12; 765 ILCS 205/1 et seq.**) this Code regulates the subdivision and development of land in order to implement the Comprehensive Plan and Official Map duly adopted by the Village. Thus, this Code assists in achieving the following specific objectives:

- (A)                to preserve, protect, and promote the public health, safety, and welfare;
- (B)                to provide a pleasant living environment by furthering the orderly and efficient layout and use of land and by facilitating aesthetic urban design;
- (C)                to establish accurate legal records, to avoid development in wetland areas, and to avoid legal and other problems by requiring that subdivided land be properly monumented and recorded;
- (D)                to conserve and increase the value of land, improvements, and buildings throughout the Village;
- (E)                to preserve the natural beauty and topography of the Village to the maximum feasible extent, including preservation of such features as stands of trees, streams, significant archaeological sites, and historical landmarks;
- (F)                to provide adequate light, air, and privacy for all residents of new developments by preventing undue concentration of population;
- (G)                to protect against injury or damage caused by fire, pollution, flooding, storm water runoff, or erosion and sedimentation;
- (H)                to provide safe and convenient access to new developments and to avoid traffic congestion and unnecessary public expenditures by requiring the proper location, design, and construction of streets and sidewalks;
- (I)                to provide an environment whereby the cost of installing and maintaining adequate water mains, sanitary sewers, storm water sewers, and other utilities and services can be kept at a minimum; and
- (J)                to ensure that adequate parks, schools, and similar facilities can be made available to serve the residents.

**34-1-3**            **JURISDICTION.** The provisions of this Code shall apply to all Planned Developments whether Residential, Commercial, or otherwise in nature, and to any other developments whether a Plat is required or not under the law, statutes, ordinances or regulations of the governmental body or agency having jurisdiction or control, and regardless of whether the same is labeled a subdivision or not, it being the intent of this Code to apply to all types of development, both within the Village and to areas lying within **one and one-half (1.5) miles** of the corporate limits of the Village.

**34-1-4**            **INSTANCES WHEN PLATS WILL NOT BE REQUIRED.** The provision of these regulations do not apply and no plat is required in any of the following instances:

- (A)                the division or subdivision of land into parcels or tracts of **five (5) acres** or more in size which does not involve any new streets or easements of access or special utility easements;
- (B)                the division of lots or blocks of less than **one (1) acre** in any recorded subdivision which does not involve any new streets or easements of access or special utility easements;
- (C)                the sale or exchange of parcels of land between owners of adjoining and contiguous land;

(D) the conveyance of parcels of land or interests therein for use as a right-of-way for railroads or other public utility facilities and other pipelines which does not involve any new streets or easements of access or special utility easements;

(E) the conveyance of land for highway or other public purposes or grants or conveyance relating to the dedication of land for public use or instruments relating to the vacation of land impressed with a public use;

(F) conveyance made to correct description in prior conveyances;

(G) the sale or exchange of parcels or tracts of land following the division into no more than **two (2) parts** of a particular parcel or tract of land recorded on or before **July 17, 1959** and not involving any new streets or easements of access or add special utility easements;

(H) the conveyance of land owned by a railroad or other public utility which does not involve any new streets or easements of access or special utility easements;

(I) the sale of a single lot of less than **five (5) acres** from a larger tract when a survey is made by a registered surveyor; provided, however, that this exemption shall not apply to the sale of any subsequent lots from the same larger tract of land, as determined by the dimensions and configuration of the larger tract existing as of **October 1, 1973**.

The Village retains the right to review and approve the infrastructure improvements including, but not limited to stormwater and erosion control regulations. **(See Chapter 32 for Stormwater Code)**

**34-1-5** **INTERPRETATION.** Every provision of this Code shall be construed liberally in favor of the Village, and every regulation set forth herein shall be considered the minimum requirement for the promotion of the public health, safety, and welfare.

(A) **More Restrictive Requirements Apply.** Whenever the requirements of this Code differ from those of any statute, lawfully adopted ordinance or regulation, easement, covenant, or deed restriction, the more stringent requirement shall prevail. Thus, in accordance with State law whenever this Code imposes higher standards than the Village Subdivision Code, said higher standards shall supersede the Village regulations in the unincorporated territory located within the Village's subdivision jurisdiction. **(See 65 ILCS 5/11-12-11)**

**34-1-6** **DISCLAIMER OF LIABILITY.**

(A) Except as may be provided otherwise by statute or ordinance, no officer, council member, agent, or employee of the Village shall render himself personally liable for any damage that may accrue to persons or property as a result of any act required or permitted in the discharge of his duties under this Code. **(See "Local Governmental and Governmental Employees Tort Immunity Act," 745 ILCS 10/1-101.)**

## ARTICLE III - PLATS AND PLANS

### DIVISION I - PRELIMINARY PLATS

**34-3-1 GENERAL PROCEDURE.** Before preparing a proposed plat for an area, the owner, developer, or their representatives should have a pre-application meeting with the Plan Commission and/or the Village Engineer to determine applicable ordinance regulations and standards which must be complied with. The preliminary plat is received with filing fees by the Village Clerk's office, who, in turn, will forward the same to the Plan Commission for their review. Following its review (as well as comments from other appropriate agencies when required), the Plan Commission forwards its recommendation(s) to the Village Board, who then either approve, disapprove, or approve with modifications the preliminary plat.

**34-3-2 FILING PROCEDURE.** Except as specifically provided otherwise below, every person who proposes to subdivide any land located within the subdivision jurisdiction of this municipality shall file **six (6) copies** of the preliminary plat of said subdivision with the Village Clerk.

He shall also file **one (1) copy** of the preliminary plat and supporting data with the appropriate Soil and Water Conservation District and the Superintendent of the School District. Said district shall have not more than **thirty (30) days** to submit any comments it might wish to make to the Administrator. **(See 70 ILCS 405/22.02A)**

Whenever a large tract is to be developed in stages and only a portion of that tract is to be submitted for final plat approval, nonetheless, a Master Development Plan of the entire tract shall be submitted.

All preliminary plats shall be reviewed and acted upon in accordance with **65 ILCS 5/11-12-8** and the provisions of the subsections below.

**EXCEPTION:** The provision of this section shall not apply to:

- (A) minor subdivisions as defined at **Section 34-2-2**; or
- (B) land that is specifically exempted from the Illinois Plats Act as now or hereafter amended.

**(See 765 ILCS 205/1(B)).**

**34-3-3 INFORMATION REQUIRED.** Every preliminary plat shall be prepared by an Illinois Registered Land Surveyor at any scale from **one inch equals twenty feet (1" = 20')** through **one inch equals one hundred feet (1" = 100')** provided the resultant drawing does not exceed **thirty-six (36) inches square**. Applicant shall provide 11" x 17" reduced size copies for Village Board review. Each preliminary plat shall indicate on its face the following information:

- (A) small key map showing the relation of the proposed subdivision to section or U.S. Survey lines and to platted subdivisions and dedicated roads within **three hundred (300) feet** of the proposed subdivision;
- (B) names and addresses of the owner, subdivider (if not the owner), and registered professional engineer;
- (C) proposed name of the subdivision;

- (1) Any person requesting notification of the meeting.
- (2) Any property owner whose property is contiguous to the property, including property across the streets, railroads, creeks, and similar barriers; said information shall be provided by the applicant to the Village Clerk's office when filing the plat.

If the Village Board rejects the preliminary plat, their resolution shall specify the aspects in which the plat fails to comply with this Code and/or the Official Map. The Village Clerk shall attach a certified copy of the Board's resolution of approval or disapproval to the preliminary plat. One copy of the resolution and plat shall be retained by the Clerk, one copy shall be filed with the Administrator, and one copy shall be sent to the subdivider by return receipt mail.

**34-3-6**            **RIGHTS AND PRIVILEGES OF SUBDIVIDER.** Preliminary plat approval shall confer the following rights and privileges upon the subdivider:

(A)                That the preliminary plat will remain in effect for a **one (1) year** period from the day the Village Board approves the same. The applicant may, during this period, submit all or part or parts of said preliminary plat for final approval. In the event that the subdivision is being developed in stages, the applicant may, by written mutual agreement with the Village Board, have final approval of the last part of the plat delayed for a period not to exceed **five (5) years** from the date of the preliminary plat approval. Any part of a subdivision which is being developed in stages shall contain a tract of land at least **one (1) block** in area or **five (5) gross acres**.

(B)                That the general terms and conditions under which the preliminary plat approval was granted will not be changed for final approval.

Actual construction of such facilities and improvements may commence prior to final plat approval if the detailed improvement plans have been recommended by the Village Engineer and approved by the Village Board, provided that such facilities and improvements will be inspected throughout their construction, and final plat approval will be contingent in part upon acceptable compliance to Village improvement and facilities standards. (A) The Village Treasurer may release up to **ninety percent (90%)** of the amount of the performance bond/escrow deposit upon receipt of written authorization from the Village Board. The amount which the Village Board authorizes to be released shall be equal to the value of improvements actually completed in accordance with approved plans.

(B) The balance of the amount of the performance bond/escrow deposit shall not be released by the Village Treasurer until:

- (1) the Village Engineer has certified to the Village in writing that all required improvements have been satisfactorily completed; and
- (2) said improvements have been accepted by and dedicated to this Village or other appropriate entity.

**34-3-19 FAILURE TO COMPLETE IMPROVEMENTS.** If all the required improvements have not been completed by the end of the two-year period (or three-year period, in the case of an extension), the Administrator, with the assistance of the Village Attorney, may:

(A) require the surety to perform on the bond, and to pay to this municipality an equal amount to the cost of completing the required improvements or the amount of the bond not theretofore released, whichever is less; or

(B) order the Village Treasurer to retain all escrow funds needed to complete the required improvements, and to return the balance (if any) of such funds to the subdivider/developer; or

(C) require the subdivider/developer to submit a new performance bond or bank letter of credit in an amount sufficient to cover any increase in the cost of constructing the required improvements. An extension may be granted only for a **one (1) year** period by the Village Board.

**34-3-20 - 34-3-21** **RESERVED.**

However, with the consent of the Village Board, the subdivider may delay application for final approval of part(s) of the tract shown on the preliminary plat for successive one-year periods. No subdivision plat or re-plat shall be filed for record or recorded in the office of the County Recorder of Deeds, unless and until the approval of the Village is endorsed thereon. **34-3-26        ADMINISTRATIVE REVIEW, ADVISORY REPORT.** Within **thirty (30) days** from the date of application for Final Plat approval, the Village Engineer and the Administrator shall review said Final Plat (and supporting data), and shall each advise the Village Board in writing whether it substantially conforms to the approved preliminary plat and improvement plans. A copy of their Advisory Report shall be forwarded to the Plan Commission. The Plan Commission may prepare an addendum to said report (should they so desire), and forward same to the Village Board.

**34-3-27        ACTION BY VILLAGE BOARD.** The Village Board shall either approve or disapprove the application for Final Plat approval by resolution within **sixty (60) days** from the date of said application or the filing of the last item of required supporting data, whichever date is later, unless the Board and the subdivider mutually agree to extend this time limit. The Village Board shall not approve any Final Plat unless:

- (A)                the final plat substantially conforms to the approved preliminary plat; and
- (B)                the final plat manifests substantial compliance with the design and improvements standards of this Code, the Zoning Code, and the Official Map; and
- (C)                to the Board's knowledge and belief, the final plat complies with all pertinent requirements of State law; and
- (D)                either of the following has been met:
  - (1)                all required improvements have been completed, inspected, accepted, and dedicated; or
  - (2)                the subdivider/developer has posted a performance bond to guarantee the satisfactory completion and dedication of all required improvements.

If the Village Board disapproves the Final Plat, their resolution shall specify the aspects in which the Plat fails to meet the above conditions for approval.

The Village Clerk shall attach a certified copy of the Board's resolution of approval or disapproval to the Final Plat. One copy of the resolution and plat shall be retained by the Clerk, one copy shall be filed with the Administrator, and one copy shall be given to the subdivider. **(See 65 ILCS 5/11-2-8)**

**34-3-28**      **CHANGES IN APPROVED FINAL PLATS.** Once a Final Plat is approved by the Village Board, it shall not thereafter be modified; provided, however, that minor changes may be made upon written application to the Administrator. Major changes require the filing of a new Final Plat and complete re-review. **(See Section 34-4-4.6)**

**34-3-29 - 34-3-34**      **RESERVED.**

#### **DIVISION V - MAINTENANCE OF IMPROVEMENTS**

**34-3-35**      **SUBDIVIDER'S RESPONSIBILITIES.** The subdivider/developer shall maintain all the improvements in the subdivision until they have been accepted by and dedicated to the Village or other appropriate entity.

**34-3-36**      **MAINTENANCE BOND.** Prior to dedication, the subdivider/ developer shall post a maintenance bond with the Village Clerk in the form approved by the Village Attorney. Said bond shall be in the amount of **twenty-five percent (25%)** of the approved construction estimate amount as determined by the Village Engineer to be sufficient to guarantee the satisfactory condition of the required improvements for a period of **two (2) years** from the date of their acceptance and dedication. In addition to the improvements, the maintenance bond shall cover any problems developing in the area of the subdivision which can be proven to have created as a result of the construction of the subdivision. If at any time during the **two (2) year** period the improvements are found to be defective or problems above develop, they shall be repaired, replaced, or corrected at the subdivider/developer's expense. If the subdivider/developer fails or refuses to pay such costs within **ninety (90) days** after demand is made upon him by the Administrator, the Village shall use the maintenance bond to make the necessary repairs, replacements, or corrections. If the cost of repairs, replacements, or corrections exceeds the bond amount, the subdivider/developer shall be liable for the excess. At the end of the **two (2) year** period, the maintenance bond shall be released. **[See Schedule "F" at the conclusion of the Chapter.]**

#### **DIVISION VI - VACATION OF PLATS**

**34-3-37**      **VACATION OF PLATS.** In accordance with State law **(765 ILCS 205/6, 205/7, and 205/8)**, any plat or part thereof may be vacated by the owner of the tract, at any time before the sale of any lot therein, by a written vacation instrument to which a copy of the plat is attached. If there are public service facilities in any street, other public way, or easement shown on said plat, the instrument shall reserve to the Village or other public entity or public utility owning such facilities the property, rights-of-way, and easements necessary for continuing public service by means of those facilities and for maintaining or reconstructing the same. The vacation instrument shall be approved by the Board in the same manner as plats of subdivision and shall also be approved by the County Engineer, the Highway Commissioner, the District Engineer of the State Department of Transportation, and the public utilities. In the case of the platted tracts wherein any lots have been sold, the written vacation instrument must also be signed by all the owners of lots in said tracts.

## ARTICLE IV - ADMINISTRATIVE PROCEDURES

**34-4-1**        **ENFORCEMENT OFFICER, DUTIES.** The Administrator is hereby authorized and directed to administer and enforce the provisions of this Code. This broad responsibility encompasses, but is not limited to, the following specific duties.

- (A)            to review and forward preliminary plats to the Plan Commission (**See Art. III; Div. I**);
- (B)            to transmit improvements plans to the Village Engineer for his review (**See Art. III; Div. II**);
- (C)            to review and forward final plats to the Village Board (**See Sec. 34-3-23**);
- (D)            to issue stop orders as necessary when the Zoning Administrator or Village Engineer determines that approved improvements are being constructed in violation of this Code (**See Sec. 34-3-10**);
- (E)            to pursue actions authorized at **Section 34-3-19** when a developer fails to complete required improvements;
- (F)            to evaluate and pass upon proposed changes in approved final plats (**See Sec. 34-3-28**);
- (G)            to review and forward applications for subdivision variances to the Plan Commission (**See Sec. 34-4-2**);
- (H)            to maintain up-to-date records of matters pertaining to this Code including, but not limited to, preliminary plats, as-built records of completed improvements (**See Sec. 34-3-11**), final plats, variances, and amendments;
- (I)            to provide information to subdividers/developers and to the general public on matters related to this Code; and
- (J)            to periodically review the provisions of this Code to determine whether revisions are needed, and to make recommendations on such matters to the Village Planning Commission as necessary.

**34-4-2**        **SUBDIVISION VARIANCES.** Any subdivider/developer desiring a variance from the requirements of this Code shall file a written application therefor with the Administrator at the same time that he files his preliminary plat. The application shall fully explain the grounds for the variance request, and specify the section(s) of this Code which, if strictly applied, would cause great practical difficulties or hardship. The Administrator shall prepare an advisory report on every variance application and submit it, together with the completed application, to the Plan Commission.

**34-4-3**        **REVIEW BY PLAN COMMISSION.** The Plan Commission shall review the variance application and the Administrator's comments, perform on-site review when appropriate, and submit their advisory report to the Village Board together with their recommendation on preliminary plat approval (**See Sec. 34-3-2**). The Plan Commission's advisory report shall be responsive to all the variances standards set forth in **Section 34-4-4**.

**34-4-4**        **ACTION BY VILLAGE BOARD, VARIANCE STANDARDS.** At the same meeting at which they take action on the application for preliminary plat approval (**See Sec. 34-3-3**), the Village Board shall decide by resolution whether to grant or deny the requested subdivision variance. A copy of their decision, clearly stating their reasons therefor and the exact terms of any variance granted, shall be attached to both the preliminary and final plats. The Village Board shall not grant any subdivision variance unless, based upon the information presented to them, they determine that:

- (A)            the proposed variance is consistent with the general purposes of this Code (**See Sec. 34-1-1**); and
- (B)            strict application of the subdivision requirements (**See Article V**) would result in great practical difficulties or hardship to the applicant, not a mere inconvenience; and

(C) the proposed variance is the minimum deviation from the subdivision requirements that will alleviate the difficulties/hardship; and

(D) the plight of the applicant is due to peculiar circumstances not of his own making; and

(E) the peculiar circumstances creating the variance request are not applicable to other tracts and, therefore, that a variance would be a more appropriate remedy than a code amendment; and

(F) the variance, if granted, will not materially frustrate implementation of the comprehensive plan including the Official Map. **(See Section 34-5-2.2)**

Financial consideration or peculiar circumstances do not constitute a hardship.

**34-4-5 AMENDMENTS.** Amendments to this Code may be proposed by the Administrator, any member of the Village Board, any Plan Commission member, or any party in interest. Every amendment proposal shall be filed on a prescribed form in the Administrator's office. The Administrator shall promptly transmit each proposal, together with any comments or recommendations he may wish to make to the Plan Commission for a public hearing.

(A) **Public Hearing, Notice.** The Plan Commission shall hold a public hearing on every amendment proposal within a reasonable time after said proposal is submitted to them. At the hearing any interested party may appear and testify, either in person or by duly authorized agent or attorney. Notice indicating the time, date, and place of the hearing, and the nature of the proposed amendment shall be given not more than **thirty (30)** nor less than **fifteen (15) days** before the hearing by publication in a newspaper of general circulation within this municipality.

(B) **Advisory Report, Action by Village Board.** Within a reasonable time after the public hearing, the Plan Commission shall submit an advisory report to the Village Board. The Village Board shall act on the proposed amendment at their next regularly scheduled meeting following submission of this report. Without another public hearing, the Village Board may either pass or reject the proposed amendment or may refer it back to the Plan Commission for further consideration.

## ARTICLE V - DESIGN AND IMPROVEMENT STANDARDS

### DIVISION I - GENERALLY

**34-5-1**        **APPLICABILITY OF ARTICLE.** No land within the subdivision and development jurisdiction of this municipality shall be subdivided or developed except in compliance with the regulations of this Article and the applicable provisions of State law. **(65 ILCS 5/11-12-8; 765 ILCS 205/1 et seq.)** No lot in any subdivision shall be conveyed until:

(A)            the final plat of said subdivision has been approved by the Village Board and recorded in the office of the County Recorder of Deeds; and

(B)            the portion of said subdivision in which the lot is located has been improved in accordance with the requirements of this Article or until a performance bond or other security has been posted to assure the completion of such improvements.

The Zoning Administrator shall not issue a Certificate of Zoning Compliance for any lot conveyed in violation of this Section; nor shall the Administrator issue a Building Permit for such lot until said Certificate has been issued following correction of violation. **(See Article III in old Code)**

**34-5-2**        **SUITABILITY FOR DEVELOPMENT GENERALLY.** Land that is unsuitable for development due to flooding, poor drainage, rough topography, adverse soil conditions, or other features which will be harmful to the health, safety, and general welfare of the inhabitants of the development and/or its surrounding areas shall not be subdivided or developed unless the subdivider/developer formulates adequate plans/methods to solve the problems caused by the adverse land conditions.

**34-5-3**        **RESERVATIONS FOR PUBLIC USE.** Instead of – or besides – requiring the developer to dedicate parcels, the Village Board may require that the developer reserve land for parks, playgrounds, schools, or other public purposes in locations designated in the Village's Comprehensive Plan, if any.

### DIVISION II - LOT REQUIREMENTS

**34-5-4**        **CONFORMITY WITH ZONING.** All lots in a subdivision shall conform to the minimum lot area and dimensions requirements of the zoning district in which said subdivision is located; land that is under water or reserved for street improvements shall not be counted to satisfy these minimum requirements. Every corner and through lot shall be large enough to permit compliance with the district's front setback requirements on every side of the lot that faces a street. All lot remnants shall be added to adjacent lots to avoid the creation of unbuildable parcels. All lots shall contain adequate space for required off-street parking and loading.

**34-5-5**        **ACCESS AND RELATIONSHIP TO STREET.** Land shall be subdivided in such a way that each lot abuts a street meeting the requirements of **Section 34-5-7**. All side lot lines shall be at right angles to straight street right-of-way lines or radial to curved street right-of-way lines except where a deviation from this rule will provide a better street and lot design.

**34-5-6**        **REFERENCE MONUMENTS.** Stone or reinforced concrete reference monuments, set in the ground in such a manner that they will not be moved by frost, shall be placed in the field in accordance with the Plats Act, as now or hereafter amended. **(765 ILCS 205/1.)** All block corners shall be **thirty-six (36) inches** permanent concrete post monuments and **four (4) inches** in diameter. All lot corners shall be marked by **one-half (0.5) inch** iron pins not less than **thirty (30) inches** long. These pins shall be driven into the ground deep enough that they do not protrude above the ground surface more than **one-half (0.5) inch**.

## DIVISION III - STREET DESIGN STANDARDS

**34-5-7**            **PLAN INTEGRATION.** All streets shall be properly integrated with the existing and proposed street system indicated in the municipal comprehensive plan, and shall meet the specifications set forth in **Table 5-A.**

**34-5-8**            **RIGHT-OF-WAY AND PAVEMENT WIDTHS.** Every right-of-way established for subdivision purposes is to be separate and distinct from the lots or parcels adjoining such right-of-way and not included within the dimensions or areas of such lots or parcels. All rights-of-way shall be dedicated to the public by the developer.

The minimum pavement widths shall be as noted in **Table 5-A.**

**34-5-9**            **TOPOGRAPHICAL CONSIDERATIONS.** Grades of street shall conform as closely as possible to the natural topography but shall not exceed the maximum grade nor be less than the minimum grade indicated in the Table of Street Design Specifications. All streets shall be arranged so that as many as possible of the building sites are at or above street grade.

**34-5-10**          **THROUGH TRAFFIC DISCOURAGED.** Marginal access and local streets shall be laid out so as to discourage use by through traffic. The rigid rectangular gridiron street pattern shall be avoided, and the use of curvilinear streets, cul-de-sacs, or U-shaped streets shall be encouraged to effect a more desirable street layout.

**34-5-11**          **LIMITED ACCESS TO ARTERIALS.** Where a development abuts or contains an existing or proposed arterial street, the Plan Commission may recommend to the Village Board that access to said arterial street be limited by one of the following means:

(A)                by subdividing lots so they back onto the arterial street and front onto a parallel local street (double frontage lots), coupled with the installation of screening in a reserve (access-restricting) strip along the rear lot lines of such lots;

(B)                a series of cul-de-sacs, U-shaped streets, or short loops entered from and generally at right angles to the arterial street, with the rear lot lines of the lots at the termini of such streets backing onto the arterial street; or

(C)                a frontage road separated from the arterial street by a planting strip, but having access thereto at suitable points.

**34-5-12**          **DEAD-END STREETS.**

(A)                **Temporary Stub Streets.** Streets shall be so arranged to provide for the continuation of principal streets between adjacent properties when such continuation is necessary for convenient movement of traffic, effective fire and police protection, and efficient provision of utilities, and where such continuation comports with the Village's Official Map. If the adjacent property is undeveloped and the street must dead-end temporarily, the right-of-way shall be extended to the property line, and no strip that would prevent connections with future streets shall be reserved. A temporary turnabout shall be provided at the terminus of any temporary dead-end street, if required by the Village.

(B)                **Permanent Dead-End Streets.** For greater convenience to traffic and more effective police and fire protection, permanent dead-end streets shall be limited to **five hundred (500) feet** in length.

The terminus of a permanent dead-end street shall not be closer than **fifty (50) feet** to the boundary of an adjacent tract. A cul-de-sac turnaround, having a minimum right-of-way radius of **fifty (50) feet** and a minimum pavement radius of **forty-two (42) feet**, shall be provided at the end of every permanent dead-end street.

**34-5-13**            **INTERSECTIONS.**

(A)            **Only Two Streets.** Not more than **two (2) streets** shall intersect at any one point.

(B)            **Right Angles.** Streets shall be laid out so as to intersect as nearly as possible at right angles; in no case shall **two (2) streets** intersect at an angle of less than **seventy-five (75) degrees**. An oblique street shall be curved approaching an intersection and shall be approximately at right angles with said intersection for at least **one hundred (100) feet** therefrom.

(C)            **Proper Alignment.** Proposed new intersections along one side of an existing street shall, whenever practicable, coincide with any existing intersections on the opposite side of such street. Street jogs with centerline offsets of less than **one hundred twenty-five (125) feet** shall not be permitted, except where the intersected street has divided lanes without median breaks at either intersection. Intersections involving collector or arterial streets shall be at least **eight hundred (800) feet** apart.

(D)            **Curb Radii.** To permit safe vehicular movements at corners, the minimum curb radius at the intersection of two streets shall be **twenty-five (25) feet** from back of curb.

(E)            **Flat Grade.** Intersections shall be designed with a flat grade wherever practical. In hilly terrain, an area having not greater than a **three percent (3%)** slope for a distance of **fifty (50) feet** from the nearest right-of-way line of the intersecting street shall be provided at the approach to an intersection. **(See Sec. 19.05)**

(F)            **Maximum Cross-Slope.** The cross-slopes on all streets, including intersections, shall not exceed **three percent (3%)**.

(G)            **Adequate Sight-Lines.** Where any street intersection will involve earth banks or existing vegetation on the triangular area shown in **Figure 1**, the developer shall cut such ground and/or vegetation (including trees) in connection with the grading of the public right-of-way to the extent necessary to provide an adequate sight distance.

(H)            **Driveways.** It shall be unlawful to construct a driveway in the triangular area shown in **Figure 1**.

**34-5-14**            **REVERSE CURVES.** A tangent at least **one hundred (100) feet** long shall be introduced between reverse curves on local and collector streets **(see Figure 2)**.

**34-5-15**            **IMPROVEMENTS TO EXISTING STREETS.** Whenever any development abuts an existing street that is narrower than the standards indicated in the Table of Street Design Specifications, the subdivider shall dedicate sufficient right-of-way on the side abutting the development to permit compliance with those standards. The developer shall improve said street to the standards imposed at **Section 34-5-21** et seq. and pay one-half the cost of said improvements.

**34-5-16**            **WHEN EXCESS RIGHT-OF-WAY REQUIRED.** Right-of-way width in excess of the standards set forth in the Table of Street Design Specifications may be required by the Plan Commission where:

(A)            due to topography, additional width is necessary to provide adequate earth slopes; or

(B)            due to the location of railroad tracks, additional width is needed to construct overpasses, underpasses, and approaches thereto.

**34-5-17 - 34-5-19**    **RESERVED.**

## DIVISION IV - STREET IMPROVEMENT STANDARDS

**34-5-20 DEVELOPER'S EXPENSE.** All streets and alleys shall be improved solely at the expense of the developer in accordance with the requirements set forth herein. All streets shall be graded as hereinafter provided:

(A) All new streets, which are created and dedicated for use within a subdivision shall be graded, drained and surfaced in accordance with the minimum requirements hereinbelow set forth and in a manner which will provide complete and adequate drainage of all the streets, alleys, and public grounds which may be necessary in order to provide adequate and satisfactory drainage along the side of any existing public street which lies adjacent to the subdivision.

In general, all such new streets within the subdivision and all work to be undertaken thereon shall be designed and constructed according to **IDOT Roads and Bridges Standard Specifications** as the same are in effect at the time the Preliminary Plat and plans for such improvement work are submitted for approval.

(B) **Grading Roadway and Side Slopes.** The roadway shall be considered to be that part of the improvement which lies between the right-of-way lines.

(C) **Street Construction Standards.** All streets within the jurisdictional authority of the Municipality other than state highways shall be improved with pavements bounded by integral concrete curbs and gutter, in accordance with the criteria specified in Table 5-B.

(1) **Collector Street Pavements.** The center **forty (40) feet** of the base course shall have a crown of **three (3) inches** for collector streets.

(2) Local street pavements may be provided with a CA #6 crushed stone base course, having a minimum thickness of **eight (8) inches** compacted. An A-2 surface treatment shall be applied in accordance with the **IDOT Roads and Bridges Standard Specifications** if approved by the Plan Commission.

(3) The crushed stone base course shall be permitted to remain throughout one winter season before the bituminous surface is placed thereon. Following inspection of the base and subbase as to compaction and thickness of the base by the administrative officer, he may, by authority in writing to the subdivider, waive the winter season waiting period. Compaction based on percent of optimum density.

(4) The subdivider shall be required to improve arterial streets only to the width required by the current and immediate needs of his subdivision consistent to the standards and specifications herein contained.

(D) **Alleys.** Alleys where permitted or required, shall be constructed as specified for local streets.

(E) **Utility Lines.** Underground utilities in streets or rights-of-way or in easements shall be installed prior to the construction of such streets and/or alleys. Wherever possible, utilities will be placed in rear lot easements with street placement permitted in only the most unusual circumstances. **(Ord. No. 2001-01; 04-09-01)**

**34-5-21 CURB AND GUTTER.** All streets, except alleys and collector commercial, local commercial, arterial or industrial, shall be constructed with Portland cement concrete vertical curb and gutter and/or V-type gutter in accordance with the dimensions and specifications shown, therefore, in the Appendices. Only vertical curb and gutter shall be constructed in Industrial Streets. The materials and construction methods for curb and/or gutter shall conform with **IDOT Roads and Bridges Standard Specifications**.

**34-5-22 EARTH SUBBASE.** The earth subbase shall be compacted to not less than **ninety-five percent (95%)** of the standard laboratory density and shall extend across the entire width of the roadway. Soil analysis shall be performed to determine the standard laboratory density in accordance

with Article 207.05 of the current edition of the Illinois Department of Transportation's "Standard Specifications for Road and Bridge Construction". Upon request of the Village, the results of the soil analysis shall be filed with the Village Engineer and compaction testing of the earth subbase shall be required in the areas of both driving lanes at a minimum sampling rate of **one (1) test** per lane per **five hundred (500) lineal feet** of roadway length. All tests required shall be run by the subdivider's authorized agent and the results, along with the certification of the subdivider's Engineer, shall be filed with the Village Engineer. The developer shall pay for the testing.

**34-5-23**      **MAINTENANCE RESPONSIBILITY.** Subsequent to completion of street construction by the subdivider, the Village Engineer shall make a final inspection of all streets to ascertain the acceptability of structural condition, earth slopes, drainage structures, etc. if the Village requests this inspection. If said inspection indicates no deficient items, the Village shall take formal action to accept the completed streets for maintenance based upon the Engineer's recommendation.

Should any item need correction or repair, the subdivider will be notified in writing of each deficiency. No street(s) shall be accepted in a subdivision until all streets comply with the Village's requirements to the satisfaction of the Village Engineer. In addition, the developer shall be required to provide a guarantee in the form of a Surety Bond in the amount of **twenty-five percent (25%) of the approved construction cost estimate** for a period of **two (2) years**.

**34-5-24**      **RESERVED.**

#### **DIVISION V - BLOCKS**

**34-5-25**      **BLOCK WIDTH.** Blocks shall be sufficiently wide to accommodate **two (2) tiers** of lots having the minimum depth required by the zoning district regulations; provided, that this requirement may be waived in blocks adjacent to local collector or collector streets, railroads, or watercourses.

**34-5-26**      **BLOCK LENGTH.** No block shall be longer than **one thousand two hundred (1,200) feet** nor shorter than **five hundred (500) feet**. Wherever practicable, blocks along collector streets shall not be less than **one thousand (1,000) feet** in length.

**34-5-27**      **CROSSWALKS.** Crosswalks, not less than **ten (10) feet** wide, may be required through the center of blocks more than **one thousand (1,000) feet** long where necessary to provide circulation or access to schools, playgrounds, shopping centers, transportation, or other community facilities.

**34-5-28**      **RESERVED.**

#### **DIVISION VI - SIDEWALKS**

**34-5-29**      **SIDEWALKS.** Sidewalks shall be required:  
(A) on at least **one (1) side** of a local street, when residential density is **two (2)** or more dwelling units per net acre; and  
(B) along collector streets, near schools, and in shopping areas and similar public places on both sides of the street.

These requirements shall not be waived unless the Planning Commission advises the Village Board that, in the area in question, sidewalks are not needed to ensure public safety, and/or that topographical conditions make the installation of sidewalks impractical.

All sidewalks constructed within the municipality shall meet IDOT standards, policies and specifications.

**34-5-30            SIDEWALK CONSTRUCTION STANDARDS.**

(A)            **Relationship to Curb.** The outside edge of every sidewalk shall be located **twelve (12) inches** inside right-of-way.

(B)            **Width.** Residential sidewalks shall be at least **four (4) feet** wide. Non-residential sidewalks shall be at least **five (5) feet** wide.

(C)            **Thickness of Concrete.** All sidewalks shall be constructed of concrete at least **four (4) inches** thick, except that across driveways the thickness shall be increased to **six (6) inches** and/or number **six (6)** reinforcing mesh shall be used.

(D)            **Grade.** No sidewalk shall be constructed at a grade steeper than **ten percent (10%).**

(E)            **Ramps at Intersections.** Curbs shall be cut and sidewalks shall be ramped at all intersections so as to enhance the mobility of handicapped individuals pursuant to the regulations of the American Disabilities Act and Illinois Department of Transportation.

**34-5-31            RESERVED.**

**DIVISION VII - STREETLIGHTS**

**34-5-32            INTERSECTION LIGHTING.** Streetlights shall be provided at each intersection of streets (or alleys) within a subdivision and at each cul-de-sac, but in no event shall there be less than one streetlight per **four hundred (400) feet** (or portion thereof) of street frontage between intersections, or between a street intersection and the terminus of a dead-end street. Additionally, in multi-family dwelling subdivisions, lighting shall be provided within parking areas at a minimum rate of one light per **twenty-five (25) parking spaces** or any fraction thereof.

**34-5-33            STREETLIGHT SYSTEM STANDARDS.** The design and installation of the streetlight system in every subdivision shall be reviewed by the Administrator and the appropriate electric utility company.

The lighting intensity of each streetlight shall be equivalent, at a minimum, to a **175 watt lamp** or **6800 mercury luminary lamp**. Each streetlight standard (post) shall be at least **sixteen (16) feet** high.

**34-5-34            RESERVED.**

**DIVISION VIII - SIGNS**

**34-5-35            STREET SIGN SPECIFICATIONS.** Street name signs of the size, height, and type approved by Administrator shall be supplied and placed by the developer at all intersections within or abutting any subdivision. Street names shall be sufficiently different in sound and spelling from other street names in this municipality so as to avoid confusion. The Village Clerk shall maintain a list of existing street names for reference. A street which is planned as a continuation of an existing street shall bear the same name.

**34-5-36**      **STOP SIGNS.** Stop signs shall be provided by the developer. The Village Superintendent shall specify the design and the location of the signs. He shall inspect the final installation.

## **DIVISION IX - UTILITIES**

**34-5-37**      **UTILITY LOCATION AND EASEMENTS REQUIRED.** All utility lines shall be located underground throughout the subdivision, in such a manner that the various service lines can be logically extended to adjacent areas and that such underground services do not adversely affect one another. Generally, gas, electric, telephone and CATV utility lines shall be buried a minimum of **one (1) foot** below the finished grade, while water and sewer utility lines shall be a minimum of **three (3) feet**. In addition, any support equipment required to be above ground (e.g., transformer boxes, vaults, etc.) shall be located in a safe and sightly manner. No utility line shall be placed such that it runs parallel within the area bordered by vertical planes located **one (1) foot** inside and outside the curb and gutter lines.

Underground service connections to the property line of each platted lot shall be installed at the subdivider's expense; provided that, on the recommendation of the Plan Commission, the requirement for service connections to each lot may be waived in the case of adjoining lots to be retained in single ownership.

**34-5-38**      **UTILITY EASEMENTS.** Utility easements, not less than **twenty (20) feet** wide for sanitary sewers and water mains and not less than **fifteen (15) feet** wide for gas, electric, telephone, and cable television, shall be provided where necessary. Normally, in the case of abutting lots, an equal amount should be taken from each lot. Property owners may (at their own risk) plant shrubbery or hedges or install fences on the easement areas. Utilities (private and public), however, in order to have access for repair shall have the election to destroy said improvements and restore the area only by grading and seeding, or to have alternate access through the owner's property.

**34-5-39**      **MAINTENANCE EASEMENTS.** Maintenance easements of not less than **five (5) feet** in width shall be provided along all rear and side lot lines.

**34-5-40**      **EXCAVATION BACKFILL.** The trench width for installation of all water and sewer lines shall be a maximum of **one and one-half (1.5) foot** greater the outside diameter of the pipe being placed. Pipe shall be placed on bedding material of select material free of stones, frozen clods, or other materials likely to cause damage to the pipe material. The initial lift of backfill shall be select material free of stones, frozen clods, or other materials likely to cause damage to the pipe, placed such that uniform support of the pipe haunches is obtained and to a depth of one-half diameter of the pipe. The next lift of backfill material shall again be select material free of stones, frozen clods, or other materials likely to cause damage to the pipe, placed for a minimum compacted depth of **six (6) inches** above the top of the pipe. The remaining backfill shall be placed in compacted layers of approximately **six (6) inch** lifts.

Water or sewer lines which fall within the area bounded by an imaginary vertical plane located **one (1) foot** outside the curb and gutter lines, shall be backfilled with sand placed in **six (6) inch** compacted lifts to a depth of **eighteen (18) inches** below the finished grade. Should the line cross beneath the curb and gutter or fall in the roadway, the last **eighteen (18) inches** of backfill shall consist of CA-6 gradation crushed stone compacted in **six (6) inch** lifts. Other areas may be backfilled with select earthen material. Water and sewer lines consisting of non-ferrous pipe materials shall require placing detector wires or tape such that the location of the line may be found using available metal detecting equipment.

**34-5-41**      **RESERVED.**

## DIVISION X - WATER FACILITIES

**34-5-42**      **POTABLE WATER REQUIRED.** An adequate supply of potable water shall be provided to every platted lot in accordance with Illinois Department of Public Health regulations and the Illinois Environmental Protection Agency regulations. If the public water system is reasonably accessible, each lot shall be properly connected thereto at the property line. All water distribution lines shall be at least **six (6) inches** in diameter and shall conform to the latest edition of **Standard Specifications for Water and Sewer Construction in Illinois** and in accordance with all City administrative regulations.

The developer shall provide at his expense a minimum of **one (1)** water main tap per lot and shall be responsible for having a **one (1) inch** service line and curb box installed in accordance with Village administrative regulations on the property line of the lot.

Where public water supply facilities are available, private water wells shall not be installed. Backflow prevention devices shall be provided on public water supply services on properties where an existing well is already located.

Valves shall be located so that no more than **eight hundred (800) feet** of water main shall be put out of service at any one time. **(See Chapter 38 - Utilities)**

**34-5-43**      **FIRE HYDRANTS.** Fire hydrants of the type approved by the Village Fire Chief and the Fire Protection District (where applicable) shall be installed in every subdivision as part of the water distribution system. Unless otherwise stated, fire hydrants shall have at least a **five (5) inch** barrel, be equipped with **two (2) connections** for **two and one-half (2.5) inch** hose and **one (1) four(4) inch** pumper connection and have a separate shutoff valve and box of at least **six (6) inches** in nominal size. In general, said fire hydrants shall be installed throughout the subdivision so that no residence shall be greater than **four hundred (400) feet** from a fire hydrant. This distance being measured from the center line of the street right-of-way to the residence. Commercial and industrial areas shall have **four hundred (400) foot** spacing for fire hydrants.

**34-5-44**      **RESERVED.**

## DIVISION XI - SANITARY SEWERS

**34-5-45**      **COMPLIANCE WITH REGULATIONS.** All proposed sanitary sewer facilities shall comply with the regulations of the Illinois Department of Public Health and the Illinois Environmental Protection Agency and shall be approved by the Village Board. All water and sewer lines shall be constructed as per Standard Specifications for Water and Sewers Mains, State of Illinois, 4th Edition, or as amended. **(See Chapter 38 Article IV - Utilities)**

**34-5-46**      **WHEN PUBLIC SYSTEM AVAILABLE.** Whenever the public sanitary sewerage system is reasonably accessible, the developer shall extend said system throughout the subdivision, and shall provide each lot with a connection thereto. (Note: See Section 38-4-7 of Village's Municipal Code.)

Systems requiring the installation of a lift station must be furnished with a station meeting the approval of the Village and paid for by the developer. Occasionally the Village may require the subdivider to install a system with a capacity greater than the needs of the individual subdivision. In these instances, the Village may participate in the additional costs involved with increasing the capacity of the system.

**34-5-47**      **ALTERNATE METHODS OF DISPOSAL.** In the event it is not possible, or feasible, for the subdivider to extend the public sewer system into the proposed subdivision, for whatever reason, the subdivider has the right to petition the Village to install an alternative method of sewage disposal.

Any such petition shall be considered on an individual basis with each case standing on its own merit. No subdivision shall be approved without the Village's approval of the method of sewage disposal:

(A) **Private Central Sewage Systems.** Upon specific approval of the Village Board, the subdivider may install a private central sewage system. The Village shall reserve the right to review and approve/reject the detailed plans for such a system. Approval of the plans by the Village shall in no way be construed as acceptance of the design or operation or maintenance responsibility for said installation. Such installation shall be designed and constructed in accordance with the rules and regulations of the Illinois Environmental Protection Agency, and the Illinois Department of Public Health. The subdivider shall assume perpetual operational and maintenance responsibilities for such installation unless arrangements to the contrary are provided for in a formal written agreement between homeowners and the subdivider. All owners of a private system shall have a current maintenance contract. Failure of the subdivider to discharge his operational/maintenance responsibilities may result in a fine of **Seven Hundred Fifty Dollars (\$750.00)** per day for each day a deficiency exists and shall apply to the subdivider, his heirs, successors, or assigns.

(B) **Individual Disposal Systems.** Upon written approval of the Village Board, the subdivider may install individual sewage disposal systems providing the lot size is in excess of **fifty thousand (50,000) s.f.** If such installations are permitted, they shall be designed and installed in accordance with the applicable provisions of the requirements and regulations of the "**Private Sewage Disposal Licensing Act and Code**" of the Illinois Department of Public Health or the County Health Department regulations whichever are stricter.

If we have not been notified by the municipality of a default by the owner and/or developer, we shall disburse the funds for labor and materials furnished by contractors in accordance with the sworn statement on order of the owner, the submission of proper lien waivers from the contractors engaged in such work, and the certificate by the municipal engineer, \_\_\_\_\_ [his name] \_\_\_\_\_, that such work has been properly completed, however, that we shall withhold from each payment made under such sworn statement(s) or order(s) an amount equal to ten percent (10%) thereof until all improvements have been completed except final surfacing of the streets and sidewalks, at which time the ten percent (10%) sum withheld shall be disbursed less a sum equal to one hundred and twenty-five percent (125%) of the cost of the final surfacing of the streets, which sum shall be finally disbursed when the work has been completed and the requirements of certification and lien waivers as has been hereinabove set out.

The required improvements shall be completed in accordance with the following schedule: [Insert Schedule].

If we receive a resolution of the corporate authorities of the municipality indicating that the owner and/or developer has failed to satisfactorily complete or carry on the work of the installation and construction of the required improvements, and such resolution indicates that the owner and/or developer has been notified that the municipality finds that a breach of the owner's and/or developer's obligations has occurred and have not been cured within a period of thirty (30) days, that in such case we shall make payments for materials and labor to such contractor(s) or subcontractor(s) retained by the municipality who have completed the improvements in substantial accordance with the plans and specifications of the owner and/or developer; such payments shall be made upon the certification of the municipal engineer that the work has been completed and the submission of proper waiver of liens from the contractor(s) or subcontractor(s). The amount of the payouts shall be in accordance with the retention provisions as previously set out.

The irrevocable credit established by us shall be in force for a period of \_\_\_\_\_ (\_\_\_\_\_) years and shall remain in effect without regard to any default in payments of sums owned us by the owner and/or developer and without regard to other claims which we may have against the owner and/or developer. Sixty (60) days prior to the expiration of this irrevocable credit, we shall notify the corporate authorities of the municipality, by registered letter return receipt requested, of the impending expiration date. This commitment shall not terminate without such notice. If the work covered by this commitment has not been completed within the time set forth in this agreement, the municipality may at its option continue drawing funds as otherwise provided for an additional period of one (1) year. It is recognized that the municipality is according to the owner and/or developer the permission to proceed with the development project expressly upon the guarantee of the irrevocable nature of this commitment. It is further acknowledged that the consideration for this irrevocable commitment is provided by agreements between this financial institution and the developer. The sum of this credit shall, however, be reduced in the amount of disbursements made from time to time in accordance with the terms under which this credit is extended as set out above.

The audit shall be conducted not less than **seven (7) days** nor more than **thirty (30) days** from the date the notice is given, unless the taxpayer and the local tax administrator agreed to some other convenient time. In the event taxpayer is unable to comply with the audit on the date in question, the taxpayer may request another date within the **thirty (30) days**, approved in writing, that is convenient to the taxpayer and the local tax administrator.

(E) It is the duty and responsibility of every taxpayer to make available its books and records for inspection by the Village. The written protest and petition for hearing must be filed with the local tax administrator within **forty-five (45) days** of receipt of the written notice of the tax determination and assessment.

(C) If a timely written notice and petition for hearing is filed, the local tax administrator shall fix the time and place for hearing and shall give written notice to the taxpayer. The hearing shall be scheduled for a date within **fourteen (14) days** of receipt of the written protest and petition for hearing, unless the taxpayer requests a later date convenient to all parties.

(D) If a written protest and petition for hearing is not filed within the **forty-five (45) day** period, the tax determination, audit or assessment shall become a final bill due and owing without further notice.

(E) Upon the showing of reasonable cause by the taxpayer and the full payment of the contested tax liability along with interest accrued as of the due date of the tax, the local tax administrator may reopen or extend the time for filing a written protest and petition for hearing. In no event shall the time for filing a written protest and petition for hearing be reopened or extended for more than **ninety (90) days** after the expiration of the **forty-five (45) day** period.

**36-2-10            HEARING.**

(A)            Whenever a taxpayer or a tax collector has filed a timely written protest and petition for hearing under **Section 36-2-9**, above, the local tax administrator shall conduct a hearing regarding any appeal.

(B)            No continuances shall be granted except in cases where a continuance is absolutely necessary to protect the rights of the taxpayer. Lack of preparation shall not be grounds for a continuance. Any continuance granted shall not exceed **fourteen (14) days**.

(C)            At the hearing the local tax administrator shall preside and shall hear testimony and accept any evidence relevant to the tax determination, audit or assessment. The strict rules of evidence applicable to judicial proceedings shall not apply.

**36-2-11            INTEREST AND PENALTIES.** In the event a determination has been made that a tax is due and owing, through audit, assessment or other bill sent, the tax must be paid within the time frame otherwise indicated.

(A)            **Interest.** The Village hereby provides for the amount of interest to be assessed on a late payment, underpayment, or nonpayment of the tax to be **six percent (6%)** per annum, based on a year of **three hundred sixty-five (365) days** and the number of days elapsed.

(B)            **Late Filing and Payment Penalties.** If a tax return is not filed within the time and manner provided by the controlling tax ordinance, a late filing penalty, of **five percent (5%)** of the amount of tax required to be shown as due on a return shall be imposed; and a late payment penalty of **five percent (5%)** of the tax due shall be imposed. If no return is filed within the time or manner provided by the controlling tax ordinance and prior to the Village issuing a notice of tax delinquency or notice of tax liability, then a failure to file penalty shall be assessed equal to **twenty-five percent (25%)** of the total tax due for the applicable reporting period for which the return was required to be filed. A late filing or payment penalty shall not apply if a failure to file penalty is imposed by the controlling ordinance.

**36-2-12            ABATEMENT.** The local tax administrator shall have the authority to waive or abate any late filing penalty, late payment penalty or failure to file penalty if the local tax administrator shall determine reasonable cause exists for delay or failure to make a filing.

**36-2-13            INSTALLMENT CONTRACTS.** The Village may enter into an installment contract with the taxpayer for the payment of taxes under the controlling tax ordinance. The local tax administrator may not cancel any installment contract so entered unless the taxpayer fails to pay any amount due and owing. Upon written notice by the local tax administrator that the payment is **thirty (30) days** delinquent, the taxpayer shall have **fourteen (14) working days** to cure any delinquency. If the taxpayer fails to cure the delinquency within the **fourteen (14) day** period or fails to demonstrate good faith in restructuring the installment contract with the local administrator, the installment contract shall be canceled without further notice to the taxpayer.

**36-2-14            STATUTE OF LIMITATIONS.** The Village, through the local tax administrator, shall review all tax returns in a prompt and timely manner and inform taxpayers of any amounts due and owing. The taxpayer shall have **forty-five (45) days** after receiving notice of the reviewed tax returns to make any request for refund or provide any tax still due and owing.

(A)            No determination of tax due and owing may be issued more than **four (4) years** maximum after the end of the calendar year for which the return for the applicable period was filed or for the calendar year in which the return for the applicable period was due, whichever occurs later.

(B) If any tax return is not filed or if during any **four (4) year** period for which a notice of tax determination or assessment may be issued by the Village, the tax paid was less than **seventy-five percent (75%)** of the tax due, the statute of limitations shall be **six (6) years** maximum after the end of the calendar year in which return for the applicable period was due or end of the calendar year in which the return for the applicable period was filed.

(C) No statute of limitations shall not apply if a fraudulent tax return was filed by the taxpayer.

**36-2-15**      **VOLUNTARY DISCLOSURE.** For any locally imposed and administered tax for which a taxpayer has not received a written notice of an audit, investigation, or assessment from the local tax administrator, a taxpayer is entitled to file an application with the local tax administrator for a voluntary disclosure of the tax due. A taxpayer filing a voluntary disclosure application must agree to pay the amount of tax due, along with interest of **one percent (1%)** per month, for all periods prior to the filing of the application but not more than **four (4) years** before the date of filing the application. A taxpayer filing a valid voluntary disclosure application may not be liable for any additional tax, interest, or penalty for any period before the date the application was filed. However, if the taxpayer incorrectly determined and underpaid the amount of tax due, the taxpayer is liable for the underpaid tax along with applicable interest on the underpaid tax, unless the underpayment was the result of fraud on the part of the taxpayer, in which case the application shall be deemed invalid and void. The payment of tax and interest must be made by no later than **ninety (90) days** after the filing of the voluntary disclosure application or the date agreed to by the local tax administrator. However, any additional amounts owed as a result of an underpayment of tax and interest previously paid under this Section must be paid within **ninety (90) days** after a final determination and the exhaustion of all appeals of the additional amount owed or the date agreed to by the local tax administrator, whichever is longer.

**36-2-16**      **PUBLICATION OF TAX ORDINANCES.** Any locally administered tax ordinance shall be published via normal or standard publishing requirements. The posting of a tax ordinance on the Internet shall satisfy the publication requirements. Copies of all tax ordinances shall be made available to the public upon request at the Village Clerk's office.

**36-2-17**      **INTERNAL REVIEW PROCEDURE.** The local tax administrator shall establish an internal review procedure regarding any liens filed against any taxpayers for unpaid taxes. If the lien is determined to be improper, the local tax administrator shall:

- (A) timely remove the lien at the Village's expense;
- (B) correct the taxpayer's credit record; and
- (C) correct any public disclosure of the improperly imposed lien.

**36-2-18**      **APPLICATION.** This Ordinance shall be liberally construed and administered to supplement all of the Village's tax ordinances. To the extent that any tax ordinance is in conflict with or inconsistent with this ordinance, this ordinance shall be controlling.

**(See 50 ILCS 45/1 et seq.)**

## ARTICLE III - SIMPLIFIED TELECOMMUNICATIONS TAX

**36-3-1**        **DEFINITIONS.** As used in this Article, the following terms shall have the following meanings:

(A)            **"Amount Paid"** means the amount charged to the taxpayer's service address in such municipality regardless of where such amount is billed or paid.

(B)            **"Department"** means the Illinois Department of Revenue.

(C)            **"Gross Charge"** means the amount paid for the act or privilege of originating or receiving telecommunications in such a municipality and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of the materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel termination point within a municipality that has imposed a tax under this Article and charges for the portion of the inter-office channels provided within that municipality. Charges for that portion of the inter-office channel connecting **two (2)** or more channel termination points, one or more of which is located within the jurisdictional boundary of such municipality, shall be determined by the retailer by multiplying an amount equal to the total charge for the inter-office channel by a fraction, the numerator of which is the number of channel termination points that are located within the jurisdictional boundary of the municipality and the denominator of which is the total number of channel termination points connected by the inter-office channel. However, "gross charge" shall not include any of the following:

- (1) any amounts added to a purchaser's bill because of a charge made pursuant to:
  - (a) the tax imposed by this Section,
  - (b) the tax imposed by the Telecommunications Excise Tax Act,
  - (c) the tax imposed by Section 4251 of the Internal Revenue Code,
  - (d) 911 surcharges, or
  - (e) charges added to customers' bills pursuant to the provisions of Section 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in those provisions of the Public Utilities Act.
- (2) charges for a sent collect telecommunication received outside the Village.
- (3) charges for leased time on equipment or charges for the storage of data or information or subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment, or accounting equipment and also includes the usage of computers under a time-sharing agreement.
- (4) charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges.
- (5) charges to business enterprises certified as exempt under Section 9-222.1 of the Public Utilities Act to the extent of such exemption and during the period of time specified by the Department of Commerce and Economic Opportunity.
- (6) charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax

imposed under this Act has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service.

- (7) bad debts ("bad debt" means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectible, as determined under applicable federal income tax standards; if the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made).
- (8) charges paid by inserting coins in coin-operated telecommunications devices.
- (9) amounts paid by telecommunications retailers under the Telecommunications Infrastructure Maintenance Fee Act.
- (10) Charges for nontaxable services or telecommunications if:
  - (a) those charges are aggregated with other charges for telecommunications that are taxable,
  - (b) those charges are not separately stated on the customer bill or invoice, and
  - (c) the retailer can reasonably identify the nontaxable charges on the retailer's books and records kept in the regular course of business.

If the nontaxable charges cannot reasonably be identified, the gross charge from the sale of both taxable and nontaxable services or telecommunications billed on a combined basis shall be attributed to the taxable services or telecommunications. The burden of proving nontaxable charges shall be on the retailer of the telecommunications.

(D) **"Interstate Telecommunications"** means all telecommunications that either originate or terminate outside this State.

(E) **"Intrastate Telecommunications"** means all telecommunications that originate and terminate within this State.

(F) **"Person"** means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint venture, corporation, limited liability company, or a receiver, trustee, guardian, or other representative appointed by order of any court, the Federal and State governments, including State universities created by statute, or any city, town, county, or other political subdivision of this State.

(G) **"Purchase at Retail"** means the acquisition, consumption or use of telecommunications through a sale at retail.

(H) **"Retailer"** means and includes every person engaged in the business of making sales at retail as defined in this Section. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State. The permit may be revoked by the Department at its discretion.

(I) **"Retailer maintaining a place of business in this State"**, or any like term, means and includes any retailer having or maintaining within the State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(J) **"Sale at Retail"** means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration, to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(K) **"Service address"** means the location of telecommunications equipment from which telecommunications services are originated or at which telecommunications services are received by a taxpayer. In the event this may not be a defined location, as in the case of mobile phones, paging systems, and maritime systems, service address means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems and the like, "service address" shall mean the location of a taxpayer's primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(L) **"Taxpayer"** means a person who individually or through his or her agents, employees, or permittees, engages in the act or privilege of originating or receiving telecommunications in a municipality and who incurs a tax liability as authorized by the Article.

(M) **"Telecommunications"**, in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll, and wide area telephone service, private line services, channel services, telegraph services, teletypewriter, computer exchange services, cellular mobile telecommunications service, specialized mobile radio, stationary two-way radio, paging service, or any other form of mobile and portable one-way or two-way communications, or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber optics, laser, microwave, radio, satellite, or similar facilities. As used in this Article, "private line" means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of "telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code, and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by such provider to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into, end-to-end telecommunications service shall be non-taxable as sales for resale. Prepaid telephone calling arrangements shall not be considered "telecommunications" subject to the tax imposed under this Act. For purposes of this Section, "prepaid telephone calling arrangements" means that term as defined in Section 2-27 of the Retailers' Occupation Tax Act.

**36-3-2 SIMPLIFIED MUNICIPAL TELECOMMUNICATIONS TAX IMPOSED.** A tax is hereby imposed upon any and all of the following acts or privileges:

(A) The act or privilege of originating in the Village or receiving in the Village intrastate telecommunications by a person at a rate of **three percent (3%)** of the gross charge for such telecommunications purchased at retail from a retailer. To prevent actual multi-municipal taxation of the act or privilege that is subject to taxation under this subsection, any taxpayer, upon proof that the taxpayer has paid a tax in another municipality on that event, shall be allowed a credit against any tax enacted pursuant to or authorized by this Section to the extent of the amount of the tax properly due and paid in the municipality that was not previously allowed as a credit against any other municipal tax.

(B) The act or privilege of originating in the Village or receiving in the Village interstate telecommunications by a person at a rate of **three percent (3%)** of the gross charge for such telecommunications purchased at retail from a retailer. To prevent actual multi-state or multi-municipal taxation of the act or privilege that is subject to taxation under this Section, any taxpayer, upon proof that the taxpayer has paid a tax in another state or municipality in this State on such event, shall be allowed a credit against any tax enacted pursuant to or authorized by this Section to the extent of the amount of such tax properly due and paid in such other state or such tax properly due and paid in a municipality in this State which was not previously allowed as a credit against any other state.

(C) The tax imposed by this Article is not imposed on such act or privilege to the extent such act or privilege may not, under the Constitution and statutes of the United States, be made the subject of taxation by the City.

**36-3-3            COLLECTION OF TAX BY RETAILERS.**

(A) The tax authorized by this Article shall be collected from the taxpayer by a retailer maintaining a place of business in this State and shall be remitted by such retailer to the Department. Any tax required to be collected pursuant to or as authorized by this Article and any such tax collected by such retailer and required to be remitted to the Department shall constitute a debt owed by the retailer to the State. Retailers shall collect the tax from the taxpayer by adding the tax to the gross charge for the act or privilege of originating or receiving telecommunications when sold for use, in the manner prescribed by the Department. The tax authorized by this Article shall constitute a debt of the taxpayer to the retailer until paid, and, if unpaid, is recoverable at law in the same manner as the original charge for such sale at retail. If the retailer fails to collect the tax from the taxpayer, then the taxpayer shall be required to pay the tax directly to the Department in the manner provided by the Department.

(B) Whenever possible, the tax authorized by this Article shall, when collected, be stated as a distinct item separate and apart from the gross charge for telecommunications.

**36-3-4            RETURNS TO DEPARTMENT.** Commencing on **February 1, 2003**, the tax imposed under this Article on telecommunication retailers shall be returned with appropriate forms and information as required by the Department pursuant to the Illinois Simplified Municipal Telecommunications Tax Act (Public Act 92-526, Section 5-50) and any accompanying rules and regulations created by the Department to implement this Act.

**36-3-5            RESELLERS.**

(A) If a person who originates or receives telecommunications claims to be a reseller of such telecommunications, such person shall apply to the Department for a resale number. Such applicant shall state facts which will show the Department why such applicant is not liable for the tax authorized by this Article on any of such purchases and shall furnish such additional information as the Department may reasonably require.

(B) Upon approval of the application, the Department shall assign a resale number to the applicant and shall certify such number to the applicant. The Department may cancel any number which is obtained through misrepresentation, or which is used to send or receive such telecommunications tax-free when such actions in fact are not for resale, or which no longer applies because of the person's having discontinued the making of resales.

(C) Except as provided hereinabove in this Section, the act or privilege of originating or receiving telecommunications in this State shall not be made tax-free on the ground of being a sale for resale unless the person has an active resale number from the Department and furnishes that number to the retailer in connection with certifying to the retailer that any sale to such person is non-taxable because of being a sale for resale.

(B)            **Not Liable for Interrupted Service.** The Department shall endeavor at all times to provide a regular and uninterrupted supply of service, however, in case the supply of service shall be interrupted or irregular or defective or fail from causes beyond its control or through ordinary negligence of employees, servants or agents, the Departments shall not be liable therefor.

If service has been discontinued because of nonpayment of bills, or any unpaid obligation and service has again been obtained through subterfuge, misrepresentation or fraud, that service shall be promptly disconnected and the whole or such part of the advanced payment as may be necessary to satisfy the unpaid obligation shall be retained by the Village and credited to the appropriate account.

(F)            **Failure to Receive Bill.** Failure to receive a bill shall not excuse a customer from his obligation to pay within the time specified. Should the Department be unable to bill a customer for services used during any month, the following billing shall include the charges for services used during the unbilled month.

(G)            **Request to Discontinue Service.** Services shall have been deemed to have been supplied to any property connected to the Water and Sewer Systems during a month unless the customer notifies the Village prior to the first day of the new billing month in which the services are to be discontinued.

### (H)            **Billing; Utility Shut-off; Hearing.**

(1)            All bills for utility and refuse services shall be due and payable upon presentation. If a bill is not paid by the **twenty-fifth (25th) day** of the month, a penalty equal to **ten percent (10%)** of the amount due on said bill shall be added thereto. This penalty shall be in addition to the charges heretofore established for the utility services.

(2)            Any customer who fails to pay the utility and refuse bills within **thirty-five (35) days** of presentation shall have the utility services disconnected after a written notice by the Deputy Clerk has been mailed by first-class mail or personal service to the customer, affording the customer an opportunity for a hearing. The aforesaid notice shall be mailed to the customer **thirty (30) days** after billing, specifically advising the customer of the following:

- (a)            Name and address of the customer and amount of the bill.
- (b)            The date, time, and location of the hearing to be held.
- (c)            That the customer has a right to be heard and to present evidence in his behalf if he does not agree with the bill.

(e) The date of termination.

**[See Memphis Light, Gas & Water v. Craft 98 S.Ct 1554 (1978)]**

(3) The time, date and location of the hearing shall be determined by the Mayor, the Deputy Clerk or the Treasurer. One of these officials shall preside over the hearing and shall make a final determination as to the rights of the consumer and the Village based on the information received at the hearing.

**(See Appendix #6)**

(4) The customer shall be notified within **two (2) working days** of the decision rendered by the hearing officer. If the service is to be discontinued, a date and time will be set out in the notice to terminate the service or services of the customer. Notice of the hearing officer's decision shall be made by first-class mail.

(5) If the hearing officer decides in favor of the Village, the Village shall have the right to discontinue the customer's utility services. Should the customer fail to appear at the hearing, or should the notice be returned non-accepted, then the Village shall also have the right to terminate the customer's utility services without further proceedings.

(6) If the customer who has been notified for nonpayment of utility bills is not the owner of record, then the Village shall notify the owner of the property by first-class mail.

This statement shall contain the legal description of the premises served, the amount of the unpaid bill, and a notice that the municipality claims a lien for this amount to the period covered by the bill.

If the consumer of utility services whose bill is unpaid is not the owner of the premises and the Deputy Clerk has notice of this, then notice shall be mailed to the owner of the premises if his address is known to the Deputy Clerk whenever such bill remains unpaid for a period of **fifty (50) days** after it has been rendered.

The failure of the Deputy Clerk to record such lien or to mail such notice, or the failure of the owner to receive such notice shall not affect the right to foreclose the lien for unpaid utility bills as mentioned herein. **(See 65 ILCS 5/11-139-8)**

(J) **Foreclosure of Lien.** Property subject to a lien for unpaid utility charges may be sold for non-payment of the same, and the proceeds of such sale shall be applied to pay the charges, after deducting costs, as is the case in the foreclosure of statutory liens. Such foreclosure shall be by bill-in-equity in the name of the Village.

The Village Attorney is hereby authorized to institute such proceedings in the name of the Village in any Court having jurisdiction over such matters against any property for which the bill for utility services has remained unpaid **sixty (60) days** after it has been rendered. **(See 65 ILCS 5/11-139-8)**

(A)                In the event a customer disputes the accuracy of water consumption indicated on a utility bill, the customer may request a meter to be tested for accuracy.  
(B)                If the meter so tested shall be found to be within **three percent (3%)** of being accurate, the customer requesting such test shall be liable for any charges or fees incurred by the Village in coordinating the test. If upon test the meter is not within **three percent (3%)** of being accurate, it shall be repaired or replaced, and the fee be returned to the consumer.

(B)                **Increased Deposits.** The Village may at any time require a larger deposit or an increase in any deposit previously made if the Village has reasonable cause to believe that the deposits required above are insufficient to fully protect the Village in the event of nonpayment. The amount of such deposit shall be in an amount of at least **two and one-half (2 ½) months** of the reasonably anticipated water and sewer charges to the premises. Such deposits may also be required of customers who are neither renting or leasing.

All building sewers shall be constructed of materials approved by the Village. Generally all building sewer shall be constructed of the following materials:

- (A)                      Ductile iron pipe
- (C)                      PVC solid wall plastic pipe (6" diameter maximum) SDR-35

All pipe joints must be gastight and watertight and are subject to the approval of the Village. Transition joints from one pipe material to another shall be made using fittings manufactured for such transitions.

**38-4-28**      **PLUMBING CODE REQUIREMENTS.** The size, slope, alignment, materials of construction of a building sewer, and the methods to be used in excavating, placing of the pipe, jointing, testing, and backfilling the trench, shall all conform to the requirements of the building and plumbing code or other applicable rules and regulations of the Village. In the absence of code provisions or in amplification thereof, the materials and procedures set forth in appropriate specifications of the American Society of Testing materials, **Water Pollution Control Federation Manual of Practice No. 9**, and **Standard Specifications for Water and Sewer Main Construction in Illinois** shall apply.

**38-4-29**      **ELEVATION.** Whenever possible, the building sewer shall be brought to the building at an elevation below the basement floor. In all buildings in which any building drain is too low to permit gravity flow to the public sewer, sanitary sewage carried by such building drain shall be lifted by a means which is approved in accordance with **Section 38-4-22** and discharged to the building sewer.

**38-4-30**      **PROHIBITED CONNECTIONS.** No person(s) shall make connection of roof downspouts, exterior foundation drains, areaway drains, or other sources of surface runoff or groundwater to a building sewer or building drain which in turn is connected directly or indirectly to public sanitary sewer.

**38-4-31**      **CONNECTIONS TO WASTEWATER MAINS.** Building Sewer connections with any sewer shall be made only at manholes or other such junctions as may be provided or designated by the Village, and then only in such manner as directed. The connection of the building sewer shall be made at a wye branch, if such branch is available. The building service sewer shall generally enter the sewer main or lateral by way of an existing wye. In the event of absence of the wye, the connection to the sewer main or lateral shall be made by one of the methods indicated below.

- (A)                      Installation of a manhole
- (B)                      Circular saw-cut sewer main by proper tools ("Sewer Tap" machine or similar), and proper installation of hub wye saddle, in accordance with manufacturer's recommendation. This

method shall not be allowed when the wye branch is larger than **four (4) inches** in diameter. The entire sewer main in the location of the wye and the wye shall be encased in concrete.

(C) Using the pipe cutter only, neatly and accurately cut out desired length of pipe for insertion of proper fitting. Remove both hub and bell ends, or other compression couplings from wye branch fitting to allow the wye branch to be inserted with no more than a total of **one-half (1/2) inch** gap. Use "Band Seal" couplings, or similar couplings, and shear rings and clamps to fasten the inserted fitting and hold it firmly in place. The entire section shall then be encased in concrete having a minimum thickness of **four (4) inches** and extending **eight (8) inches** beyond each joint.

If another method is desired, a detail shall be submitted for review and approval by the Village before the connection is made. Indiscriminate breaking of the sewer main pipe is not allowed.

**On Site Inspection.** After the wye branch has been inserted and jointed, and before any additional fittings have been placed in the service line, the installation shall be approved by the Superintendent, or his authorized representative. After approval is granted the contractor shall encase the work area as specified herein.

**Backfill.** To be placed in accordance with The Standard Specifications for Water and Sewer Main Construction in Illinois, Current Edition. In addition, any building sewer crossing any street, or traveled alley shall be backfilled with CA-86 backfill material.

**Concrete Encasement.** When a riser is constructed and its height is **four (4) feet** or more measured from the flowline of the sewer main to the top of the riser pipe, the wye connection shall be encased in concrete to a height of at least **one foot six inches (1' 6")** above the flowline of the sewer main. When the height of the riser is less than **four (4) feet** above the flowline of the sewer main, the wye connection shall be backfilled to the top of the riser pipe with carefully placed and compacted granular backfill.

**38-4-32**      **CAPACITY OF WASTEWATER.** A building sewer permit will only be issued and a sewer connection shall only be allowed if it can be demonstrated that the downstream sewer facilities, including sewer, pump stations and sewer treatment facilities, have sufficient reserve capacity to adequately and efficiently handle the additional anticipated waste load.

**38-4-33**      **TAP-IN SUPERVISION AND TESTING.** The applicant for the building sewer permit shall notify the Village when the building sewer is ready for inspection and connection to the public sewer. The connection shall be made under the supervision of the Village or its representative.

At any time after the installation of the building sewer, the Village may test the building sewer for violation of this ordinance.

**38-4-34**      **INSPECTION.** After the building sewer has been constructed in the trench but before the sewer is backfilled, the applicant for the building sewer permit shall notify the Superintendent that the building sewer is ready for inspection. If the sewer has been constructed properly, permission will be given to backfill the trench. If the sewer construction is found to be unsuitable, the permit applicant will correct the installation to meet Village 's requirements.

**38-4-35**      **PUBLIC WASTEWATER CONNECTION.** The connection of the building sewer into the public sewer shall conform to the requirements of the building and plumbing code, or other applicable rules and regulations of the Village, or the procedures set forth in appropriate specifications of the American Society of Testing Materials, **Water Pollution Control Federation Manual of Practice No. 9**, and **Standard Specifications for Water and Sewer Main Construction in Illinois**. All such connections shall be made gastight and watertight. Any deviation from the prescribed procedures and materials must be approved by the Village before installation.

**38-4-36**      **PROTECTION OF PROPERTY.** All excavations for building sewer installation shall be adequately guarded with barricades and lights so as to protect the public from hazard. Streets, sidewalks, parkways, and other public property disturbed in the course of the work shall be restored in a manner satisfactory to the Village.

**38-4-37**      **BOND REQUIRED.** If the applicant for the building sewer permit does not have a general bond on file with the Village, the applicant shall furnish a corporate surety bond in an amount **one and one-half (1 1/2) times** the cost of the contemplated work for which the permit is to be issued.

**38-4-38**      **UNLAWFUL DISCHARGES.** All disposal by any person into the sewer system is unlawful except those discharges in compliance with Federal Standards promulgated pursuant to the Federal Act and more stringent State and local standards.

**38-4-39**      **SEPARATE SERVICES.** Each residence, home, mobile home, separate family living unit, or business shall have separate water meters and shall have separate water and sewer service lines connected directly to the Village's water mains and sewer mains. Duplexes and two-family apartments shall have separate water meters, separate water service lines, and separate sewer service lines for each living unit. Each duplex unit shall have their own **four (4) inch** sewer service lines. At that time, they can be hooked to a **six (6) inch** riser and **six (6) inch** lateral extended at the property line. Apartments (up to 20 units) shall have their own **four (4) inch** sewer service line. At that time, they can be hooked up to a **six (6) inch** riser and **six (6) inch** lateral extended at the property line. Separate water and sewer tap-in charges shall be paid for each separate water and sewer service line in the manner and amount described elsewhere in this Chapter.

**38-4-40 - 38-4-41**      **RESERVED.**

#### **DIVISION V - EXTENSION OF COLLECTING WASTEWATERS**

**38-4-42**      **PERMIT REQUIRED; AUTHORIZED PERSONNEL.** No person, other than an authorized employee of the Village, shall make any connection with, uncover, alter or disturb a Village sewer, or open any manhole, intercepting chamber, or any appurtenance thereof without first obtaining a written permit to do so from the Village, and no person shall make any connection or opening into any sewer, the flow of which is directly or indirectly discharged into any Village sewer, without first obtaining a written permit to do so from the Village. **(See Appendix #2)**

**38-4-43**      **EXTENSION PERMITS.** Issuance of sewer extension permits shall be initiated by an application for construction permit. The application shall be made on the forms provided by the IEPA, shall be fully completed by the applicable persons or parties, and shall be accompanied by a set of plans, specifications, and any other information as may be required by the Village.

Plans and specifications shall be prepared by a registered professional engineer and approval thereof must be obtained from the Village and IEPA.

If the application is in proper form, and the sewer extension indicated therein appears to be in accordance with this ordinance and all state and federal requirements, the Village shall issue the permit for construction of the sewer. If otherwise, the application for permit shall be denied by the Village. There shall be no fee charged for sewer extension application or permits.

If the application is denied by the Village, they shall state the reason or reasons therefore in writing, mailed or personally delivered to the applicant. The applicant shall have the right to amend such

application in conformity with the reasons given for denial and resubmit it to the Village for further consideration.

All permits issued under this Article V shall have an expiration date of **two (2) years** after the date of issuance. Any sewer not constructed prior to the date of expiration shall have a new application submitted and a new permit issued prior to their construction.

The applicant for the permit shall furnish a corporate surety bond in an amount **one and one-half (1 1/2) times** the cost of the contemplated work for which the permit is to be issued.

**38-4-44**      **MATERIALS.** All sewer extensions shall be constructed of the following materials:

(A) Sewer pipe with diameters **eight (8) inches** and larger shall be one of the following:

- (1) ABS composite pipe conforming to ASTM D-2680 with solvent weld joints or O-ring rubber gasket joints as referenced in ASTM D-2680.

(B) Laterals and fittings from the sewer to the property lines shall be **six (6) inch** diameter and

- (1) of comparable material to the sewer main for VCP and PVC pipe.
- (2) for ABS pipe use ABS solid wall pipe SDR-23.5 conforming to ASTM D-2751.

**38-4-45**      **INSPECTIONS OF CONSTRUCTION.** Construction of the sewer shall be inspected

under competent supervision supplied by a registered professional engineer and upon completion of construction, accurate detailed plans as constructed ("record drawings") shall be certified and submitted by the professional engineer to the Village before any applications for building sewer permits are filed; all at the expense of the Owner. These plans shall show all elevations as installed as well as accurate measurements showing the locations of service connections. The Engineer shall also submit a certified statement showing the source, place and volume of foreign waters.

All sewers shall be subjected to:

(A) A lamp test which shall provide that from one manhole to another, at least **one-half (1/2)** of the pipe end area shall be visible.

(B) Infiltration or exfiltration test with acceptable allowance of 200 gallons per day per inch diameter per mile;

(C) Under special circumstances, when approved by the Village, air pressure testing with allowance to be specified by the Village.

When any sewer line fails to pass the infiltration test, the exfiltration test, or an air pressure test, the sewer line shall be televised in the presence of the Village 's representatives to determine points of faulty construction. The Owner shall repair all defects; the method of repair shall be subject to the approval of the Village. **(See Appendix #5)**

**38-4-46**      **MANHOLES REQUIRED.** Manholes shall be installed at all changes in grade and/or direction and at distances not greater than **four hundred (400) feet** apart. All manhole covers shall be watertight and self-sealing, incorporating an "O" ring gasket. All covers shall have concealed pick holes. Where manhole covers may be subjected to frequent and extreme submergence, additional watertightness shall be ensured by using bolt down covers.

**38-4-47 - 38-4-48**      **RESERVED.**

## DIVISION VI - USE OF PUBLIC WASTEWATER FACILITIES

**38-4-49**      **DISCHARGE OF STORM WATER.** No person shall discharge, or cause to be discharged, any stormwater, surface water, groundwater, roof runoff, subsurface drainage, uncontaminated cooling water, or unpolluted industrial process waters to any sanitary sewer.

**38-4-50**      **STORM WATER.** Stormwater and all other unpolluted drainage shall be discharged to such sewer as are specifically designated as storm sewer, or to a natural outlet approved by the Superintendent. Industrial cooling water or unpolluted process waters may be discharged on approval of the Village, to a storm sewer, or natural outlet.

(B)              Any waters or wastes containing toxic or poisonous solids, liquids, or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, create a public nuisance, or create any hazard in the receiving waters of the sewage treatment plant.

(C)              Any waters or wastes having a pH lower than 5.5 or having any other corrosive property capable of causing damage or hazard to structures, equipment, and personnel of the sewage works.

(D)              Solid or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewer, or other interference with the proper operation of the sewage works such as, but not limited to, ashes, cinders, sand, mud, straw, shavings, metal glass, rags, feathers, tar, plastics, wood, unground garbage, whole blood, paunch manure, hair and fleshings, entrails and paper dishes, cups, milk containers, etc., either whole or ground by garbage grinders.

**38-4-52**      **HARMFUL EFFECTS OF CERTAIN MATERIALS.** No person shall discharge or cause to be discharged the following described substances, materials, waters, or wastes if it appears likely in the opinion of the Superintendent that such wastes can harm either the sewer, sewage treatment process or equipment; have an adverse effect on the receiving stream; or can otherwise endanger life, limb, public property, or constitute a nuisance. In forming his opinion as to the acceptability of these wastes, the Superintendent will give consideration to such factors as the quantities of subject wastes in relation to flows and velocities in the sewer, materials of construction of the sewer, nature of the sewage treatment process, capacity of the sewage treatment plant, degree of treatability of wastes in the sewage treatment plant, and maximum limits established by regulatory agencies. The substances prohibited are:

(F) Any waters or wastes containing phenols or other waste odor-producing substances, in such concentration exceeding limits which may be established by the Village as necessary after treatment of the composite sewage, to meet the requirements of the State, Federal, or other public agencies of jurisdiction for such discharge to the receiving waters.

(G) Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the Village in compliance with applicable State or Federal regulations.

(H) Any mercury or any of its compounds in excess of **0.0005 mg/l as Hq** at any time except as permitted by the Village in compliance with applicable State and Federal regulations.

(I) Materials which exert or cause:

- (1) unusual concentrations or inert suspended solids (such as, but not limited to, Fullers earth, lime slurries, and lime residues) or of dissolved solids (such as, but not limited to, sodium chloride and sodium sulfate);
- (2) excessive discoloration (such as, but not limited to, dye wastes and vegetable tanning solutions);
- (3) unusual BOD, chemical oxygen demand, or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works;

(L) Any cyanide in excess of 0.025 mg/l at any time except as permitted by the Village in compliance with applicable State and Federal regulations.

### **38-4-53      HARMFUL WASTES; APPROVAL.**

(A) If any waters or wastes are discharged or are proposed to be discharged to the public sewer, which waters contain the substances or possess the characteristics enumerated in **Section 38-4-52** of this Division, and/or which are in violation of the standards for pretreatment provided in 40 CFR 403, June 26, 1978 and any amendments thereto, and which in the judgment of the Superintendent may have a deleterious effect upon the sewage works, processes, equipment, or receiving waters, or which otherwise create a hazard to life or constitute a public nuisance, the Superintendent may:

- (1) reject the wastes;
- (2) require pretreatment to an acceptable condition for discharge; and/or;
- (3) require control over the quantities and rates for discharge; and/or;
- (4) require payment to cover the added costs of handling and treating the wastes not covered by existing taxes or sewer charges, under the provisions of **Section 38-4-42.**

(B) If the Superintendent permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Superintendent, and subject to the requirements of all applicable codes, articles, and laws.

(C) The owner of the pretreatment or equalization facilities shall obtain construction and operating permits from the Illinois Environmental Protection Agency prior to the issuance of final approval by the Superintendent.

(D) Where multiple process or discharges are present or contemplated at an industry, the Village shall have the authority to require the owner or person to furnish and install more than one control manhole with appurtenances and/or require that all sewer be discharged through a single control manhole or structure with appurtenances described herein.

**38-4-54            INTERCEPTORS PROVIDED.**

(A) Grease, oil, and sand interceptors shall be provided in accordance with the Illinois State Plumbing Code to assure the proper handling of liquid wastes containing grease in excessive amounts, or any flammable wastes, sand, or other harmful ingredients; except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Village and shall be located as to be readily and easily accessible for cleaning and inspection. All grease interceptors shall be serviced and emptied of accumulated waste content as required or at a minimum of once every **four (4) months** in order to maintain minimum design capability or effective volume of the grease interceptor and to prevent carry over of grease into the sanitary sewer system. All fast food and sit-down restaurants shall install a grease interceptor with a capacity of at least **one thousand five hundred (1,500) gallons** and designed in accordance with **Appendix "A"**. Food establishments that serve a minimum amount of fried foods such as deli sandwich shops, shall install a grease interceptor with a capacity of at least **one thousand (1,000) gallons**, and designed in accordance with **Appendix "B"**.

(B) Users whose operations cause or allow excessive grease to discharge or accumulate in the Village wastewater collection and treatment system may be liable to the Village for costs related to service calls for sewer line blockages, line cleaning, line and pump repairs, etc. including all labor, materials, and equipment. Failure to pay all service-related charges may also be grounds for sewer service discontinuance.

(C) **Maintenance Log.** A grease trap cleaning/maintenance log indicating each pumping for the previous **twenty-four (24) months** shall be maintained by each Food Service Facility. This log shall include the date, time, amount pumped, hauler, and disposal site and shall be kept in a conspicuous location for inspection. Said log shall be made available to the Village or his representative upon request.

(D) **Submittal of Records.** Each user shall submit all cleaning and maintenance records to the Village. The maintenance records shall include the following information:

- (1) Facility name, address, contact person, and phone number.
- (2) Company name, address, phone number, and contact name of person responsible for performing the maintenance, cleaning, pumping, or repair of grease trap.
- (3) Types of maintenance performed.
- (4) Dates maintenance was performed.
- (5) Date of next scheduled maintenance.
- (6) Copies of manifests.
- (7) The user shall be required to submit maintenance records to the Village on an annual basis. Records shall be submitted by **September 1<sup>st</sup>** of each year.  
The records shall be submitted to:  
Attn: Wastewater Superintendent

(E) The Village will perform periodic inspections of these facilities and shall notify the user of any additional required maintenance or repairs. Upon written notification by the Village, the user shall be required to perform the maintenance and records of said maintenance within **fourteen (14) calendar days**. Upon inspection by the Village the user may be required to install, at his expense, additional controls to provide a complete system which prevents discharges of undesirable materials into the wastewater collection system.

(F) **Control Plan for Fats, Oils, Greases (FOG) and Food Waste.**

- (1) Any new construction, renovation, or expansion of Food Service Facilities shall be required to submit to the Village a FOG and food waste control plan that will effectively control the discharge of undesirable materials into the wastewater collection system.
- (2) Any existing Food Service facilities shall also be required to submit a FOG and food waste control plan that will effectively control the discharge of undesirable materials into the wastewater collection system. Existing facilities shall not be exempt from the requirements of this Section. There will be no "Grandfathering".

(G) **Exceptions to the Above.** Should existing facilities be hampered by space constraints or restrictions caused by unchangeable plumbing, an alternative interceptor may be approved, provided that:

- (1) Said interceptor and installation is endorsed by a licensed plumbing contractor in regard to its operability.
- (2) Said interceptor and installation is endorsed by the Village Engineer.
- (3) Said interceptor and installation is approved by the Superintendent and the Water and Sewer Committee.

Such installations may be subject to more stringent inspections and maintenance schedules.

**38-4-55** **FLOW-EQUALIZING FACILITIES.** Where preliminary treatment or flow-equalizing facilities are provided, they shall be maintained continuously in satisfactory and effective operation by the owner at his expense.

**38-4-56** **INDUSTRIAL WASTES CONTROL MANHOLE.** Each industry shall be required to install a control manhole and, when required by the Superintendent, the owner of any property serviced by a building sewer carrying industrial wastes shall install a suitable control manhole together with such necessary meters and other appurtenances in the building sewer to facilitate observation, sampling, and measurement of the wastes. Such manhole, when required, shall be accessible and safety located, and shall be constructed in accordance with plans approved by the Superintendent. The manhole shall be installed by the owner at his expense and shall be maintained by him so as to be safe and accessible at all times.

**38-4-57** **INDUSTRIAL WASTE TESTING.**

(A) The owner of any property serviced by a building sewer carrying industrial wastes shall provide laboratory measurements, tests, and analyses of waters and wastes to illustrate compliance with this Code and any special conditions for discharge established by the Village or regulatory agencies having jurisdiction over the discharge.

(B) The number, type, and frequency of laboratory analyses to be performed by the owner shall be as stipulated by the Village, but no less than once per year the industry must supply a complete analysis of the constituents of the sewer discharge to assure that compliance with the Federal, State, and local standards are being met. The owner shall report the results of measurements and laboratory analyses to the Village at such times and in such a manner as prescribed by the Village. The owner shall bear the expense of all measurements, analyses, and reporting required by the Village. At such times as deemed necessary the Village reserves the right to take measurements and samples for analysis by an outside laboratory service.

**38-4-58** **MEASUREMENTS AND TESTS.** All measurements, tests, and analyses of the characteristics of waters and wastes to which reference is made in this Code shall be determined in accordance with the latest edition of **IEPA Division of Laboratories Manual of Laboratory Methods**, and shall be determined at the control manhole provided, or upon suitable samples taken at the control manhole. In the event that no special manhole has been required the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected. Sampling shall be carried out by customarily accepted methods to reflect the effect of constituents upon the sewage works and to determine the existence of hazards to life, limb, and property. (The particular analyses involved will determine whether a **twenty-four (24) hour** composite of all outfalls of a premise is appropriate or whether a grab sample or samples should be taken. Normally, but not always, BOD and suspended solids analyses are obtained from **twenty-four (24) hour** composites of all outfalls, whereas pH's are determined from periodic grab samples.)

**38-4-59**      **SPECIAL ARRANGEMENTS.** No statement contained in this Article shall be construed as preventing any special agreement or arrangement between the Village and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by the Village for treatment, subject to payment therefore, in accordance with the Code, hereof, by the industrial concern provided such payments are in accordance with Federal and State guidelines for User Charge System and Industrial Cost Recovery System. **(See Article IV - Division I of this Code)**

**38-4-60 - 38-4-64**      **RESERVED.**

#### **DIVISION VII - EXTENSION OF MAINS**

**38-4-65**      **DETERMINATION OF WHO PAYS EXPENSE OF EXTENSION.** The Village Board shall first determine if an extension of a sewer main is economically feasible based on the estimated cost of the extension and the number of existing potential users that will be served by the extension. If the extension is economically feasible, then the Village may install and pay the cost of the extension at the discretion of the Village Board. If the Village elects not to pay the cost of extending the sewer main, then the person or persons desiring sewer service shall install the extension at their own personal expense upon written consent by the Village Board. The Village shall not pay for any extension to an undeveloped area such as a subdivision being developed unless there are sufficient existing residents or businesses to make the extension economically feasible.

**38-4-66**      **REQUIREMENTS IF EXTENSION IS INSTALLED BY SOMEONE OTHER THAN THE VILLAGE.**

- (A)              The Village must approve all plans and specifications for any extensions.
- (B)              Before any extensions are installed, the plans and specifications must be reviewed and approved by the State of Illinois, Environmental Protection Agency.
- (C)              Ownership, rights-of-way, and title must be conveyed to the Village for all extensions installed by anyone rather than the Village. The Village will maintain the mains thereafter.
- (D)              No extension will be permitted if in the opinion of the Village Board, the System does not have necessary capacity to serve the proposed extension.

**38-4-67 - 38-4-69**      **RESERVED.**

#### **DIVISION VIII - INSPECTIONS**

**38-4-70**      **DAMAGE.** No unauthorized person shall maliciously, willfully, or negligently break, damage, destroy, or tamper with any structure, appurtenance, or equipment which is part of the sewage works. Any person violating this provision shall be subject to immediate arrest under charge of disorderly conduct.

**38-4-71**      **INSPECTION AND TESTING.**  
(A)              The Superintendent and other duly authorized employees of the Village, the Illinois Environmental Protection Agency, and the United States Environmental Agency, bearing proper credentials and identification, shall be permitted to enter all properties for the purposes of inspection, observation, measurement, sampling, and testing in accordance with the provisions of this Code.

(B) The Superintendent or his representative shall have no authority to inquire into any processes, including metallurgical, chemical, oil refining, ceramic, paper, or other industries beyond that point having a direct bearing on the kind and source of discharge to the sewer or waterway or facilities for waste treatment. **(See Appendix #5)**

**38-4-72**      **LIABILITY OF VILLAGE.** While performing the necessary work on private properties referred to in **Section 38-4-71** above, the Superintendent or duly authorized employees of the Village, the Illinois Environmental Protection Agency, and the United States Environmental Protection Agency shall observe all safety rules applicable to the premises established by the company and the company shall be held harmless for injury or death to the Village employees and the Village shall indemnify the company against liability claims and demands for personal injury or property damage asserted against the company and growing out of the gauging and sampling operation, except as such may be caused by negligence or failure of the company to maintain conditions as required in **Section 38-4-57**.

**38-4-73**      **PRIVATE PROPERTY INSPECTIONS.** The Superintendent and other duly authorized employees of the Village bearing proper credentials and identification shall be permitted to enter all private properties through which the Village holds a duly negotiated easement for the purposes of, but not limited to, inspection, observation, measurement, sampling, repair, and maintenance of any portion of the sewage works lying within the easement, shall be done in full accordance with the terms of the duly negotiated easement pertaining to the private property involved.

**38-4-74 - 38-4-75**      **RESERVED.**

#### **DIVISION IX – SEWER RATES**

**38-4-76**      **BUILDING UNIT DEFINED.** All persons or families residing in a building under one roof, be it an apartment or homes converted into more than one dwelling place, each family or individual resident residing therein shall be deemed an individual customer or such homes or apartments or dwellings shall be billed for at least one minimum water and/or sewer account according to the number of families or individual residents residing therein.

**38-4-77**      **SEWER REVENUES.** All revenues and moneys derived from the operation of the sewer system shall be deposited in the Water Fund. All such revenues and moneys shall be held by the Treasurer separate and apart from his private funds and separate and apart from all other funds of the Village and all of said sum, without any deductions whatever, shall be delivered to the Treasurer not more than **ten (10) days** after receipt of the same, or at such more frequent intervals as may, from time to time, be directed by the Village Board.

The Treasurer shall receive all such revenues from the water and sewer systems and all other funds and moneys incident to the operation of such system as the same may be delivered to him and deposit the same in the account of the fund designated as the "Water and Sewage Fund of the Village".

The Treasurer shall administer such fund in every respect in the manner provided by **65 ILCS 5/3.1-35-40 et seq.**

**38-4-78**      **SEWER ACCOUNTS.** The Treasurer shall establish a proper system of accounts and shall keep proper books, records, and accounts in which complete and correct entries shall be made of all transactions relative to the water and sewer systems and at regular annual intervals, he shall cause

to be made an audit by an independent auditing concern of the books to show the receipts and disbursements of the water and sewer systems.

In addition to the customary operating statements, the annual audit report shall also reflect the revenues and operating expenses of the sewer facilities, including a replacement cost, to indicate that sewer service charges under the waste cost recovery system and capital amounts required to be recovered under the industrial cost recovery system do, in fact, meet these regulations. In this regard, the financial information to be shown in the audit report shall include the following:

- (A) Flow data showing total gallons received at the sewer plant for the current fiscal year.
- (B) Billing data to show total number of gallons billed.
- (C) Debt service for the next succeeding fiscal year.
- (D) Number of users connected to the system.
- (E) Number of non-metered users.
- (F) A list of users discharging non-domestic wastes (industrial users) and volume of waste discharged.

**38-4-79**      **NOTICE OF RATES.** A copy of this Article, properly certified by the Village Clerk, shall be filed in the office of the County Recorder of Deeds and shall be deemed notice to all owners of real estate of the charges of the sewer system of the Village on their properties. Each user shall be notified at least annually, in conjunction with a regular bill, of the rate and that portion of the user charges which are attributable to sewer treatment services.

**38-4-80**      **ACCESS TO RECORDS.** The Illinois Environmental Protection Agency, United States Environmental Protection Agency, or its authorized representative shall have access to any books, documents, papers and records of the Village which are applicable to the Village's system of user charges or industrial cost recovery for the purpose of making audit, examination, excerpts and transcriptions thereof to insure compliance with the terms of the special and general conditions to any state grant.

**38-4-81**      **APPEALS.** The method for computation of rates and service charges established for user charges shall be made available to a user within **fifteen (15) days** of receipt of a written request for such. Any disagreement over the method used, or in the computation thereof, shall be remedied by a third party selected by both parties within **ninety (90) days** after notification of a formal written appeal outlining the discrepancies.

**38-4-82**      **BASIS FOR WASTEWATER SERVICE CHARGES.** The wastewater service charge for the use of and for service supplied by the wastewater facilities of the Village shall consist of a basic user charge, applicable surcharges, and debt service charge.

(A)            The **debt service charge** is computed by dividing the annual debt service of all outstanding bonds by the number of users.

(B)            The **basic user charge** shall be based on water usage as recorded by water meters for wastes having the following normal domestic concentrations:

- (1)            A **five (5) day twenty degree centigrade (20°C)** biochemical oxygen demand **BOD of 200 mg/l.**
- (2)            A suspended solids (SS) content of **225 mg/l.**

(C)            It shall be computed as follows:

- (1)            Estimate wastewater volume, pounds of SS and pounds of BOD to be treated.
- (2)            Estimate the projected annual revenue required to operate and maintain the wastewater facilities including a replacement fund for the year, for all work categories.

- (3) Proportion the estimated operation, maintenance and replacement (OM&R) costs to each user class by volume, BOD, and SS.
- (4) Proportion the estimated operation, maintenance and replacement (OM&R) costs to wastewater facility categories by Volume, Suspended Solids and BOD.
- (5) Compute costs per **one thousand (1,000) gallons** for normal sewage strength.
- (6) Compute surcharge costs per pound per **one thousand (1,000) gallons** in excess of normal sewage strength for BOD and SS.

(D) A **surcharge** will be levied to all users whose waste waters exceed the normal domestic concentrations for **BOD (200 mg/l)** and **SS (225 mg/l)**. The surcharge will be based on water usage as recorded by water meters or sewage meters for all wastes which exceed the **200 mg/l and 225 mg/l** concentration for BOD and SS respectively. (**Section 38-4-85** specifies the procedure to compute a surcharge.)

(E) The **adequacy of the wastewater service charge** shall be reviewed, not less often than annually, by Certified Public Accountants for the Village in their annual audit report. The wastewater service charge shall be revised periodically to reflect a change in operation and maintenance costs, replacement costs and reserve fund costs.

(F) The **capital improvement charge** is levied on users to provide for capital improvements, extensions or reconstruction of the sewage treatment works. The capital improvement charge is computed by apportioning the annual amount to be accrued as a charge per **one thousand (1,000) gallons**.

(G) The **users** of wastewater treatment services will be notified annually, in conjunction with a regular bill, of the rate and that portion of the user charges which are attributable to the wastewater treatment operation, maintenance and replacement.

**38-4-83      MEASUREMENT OF FLOW.** The volume of flow used for computing basic user charges and surcharges shall be the metered water consumption read to the lowest even increments of **one hundred (100) gallons**.

(A) If the person discharging wastes into the public sewers procures any part, or all, of his water from sources other than the Public Waterworks System, all or a part of which is discharged into the public sewers, the person shall install and maintain, at his expense, water meters of a type approved by the Village for the purpose of determining the volume of water obtained from these other sources.

(B) Devices for measuring the volume of waste discharged may be required by the Approving Authority if these volumes cannot otherwise be determined from the metered water consumption records.

(C) Metering devices for determining the volume of waste shall be installed, and maintained by the person and owned by the Village. Following approval and installation, such meters may not be removed, unless service is canceled, without the consent of the Village.

**38-4-84      SEWER USER CHARGE SYSTEM.** The following rates are established for the User Charge System:

(A)	<b><u>Sewer Rates Inside Village.</u></b>	
	First 2,000 gallons	\$16.32 per 2,000 gallons
	Over 2,000 gallons	\$17.85 per 1,000 gallons
(B)	<b><u>Sewer Rates Outside Village.</u></b>	
	First 2,000 gallons	\$16.32 per 2,000 gallons
	Over 2,000 gallons	\$17.85 per 1,000 gallons

**(Ord. No. 22-09; 06-13-22)**

**38-4-85**      **COMPUTATION OF WASTEWATER SERVICE CHARGE.** The wastewater service charge shall be computed by the following formula:

$$CW = CC + CD + CM + (Vu-X)CU + CS$$

Where CW = Amount of wastewater service charge (\$) per bill period.  
CC = Capital Improvement Charge  
CD = Debt Service Charge  
CM = Minimum Charge for Operation, Maintenance and Replacement  
Vu = Wastewater Volume for the billing period  
X = Allowable consumption in gallons for the minimum charge  
CU = Basic User Rate for Operation, Maintenance and Replacement  
CS = Surcharge, if applicable (**Section 38-4-86**)

**38-4-86**      **SURCHARGE RATE.** The rates of surcharges for BOD and SS shall be as follows:

per lb. of BOD:              \$0.26 in excess of 200 mg/l  
per lb. of SS:                \$0.39 in excess of 225 mg/l

**38-4-87**      **SEWER TAP-IN FEES.** Any person, firm or corporation inside the corporate limits of the Village who desires to connect to the sewer system of the Village for a **four (4) inch** service connection shall pay a minimum of **Five Hundred Dollars (\$500.00)**. Any person outside the corporate limits who desires to connect to the sewer system of the Village for a **four (4) inch** service connection shall pay a minimum of **Six Hundred Dollars (\$600.00)**. In all cases where the cost of such connection shall exceed the minimum cost or the corresponding size tap-in service, such person shall pay the cost thereof in excess of said minimum fee.

Such hook-up or connection fee does not include the laying of the sewer line from the property line of the applicant of the sewer and the connection with such sewer.

**38-4-88 - 38-4-90**      **RESERVED.**

#### **DIVISION X - PENALTIES**

**38-4-91**      **PENALTY.** Any person found to be violating any provision of this Code except **Section 38-4-70** shall be served by the Village with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

The Village may revoke any permit for sewage disposal as a result of any violation of any provision of this ordinance.

**38-4-92**      **CONTINUED VIOLATIONS.** Any person who shall continue any violation beyond the time limit provided for in **Section 38-4-50** shall be, upon conviction, be fined in the amount not exceeding **Seven Hundred Fifty Dollars (\$750.00)** for each violation. Each day in which any such violation shall continue shall be deemed a separate offense.

**38-4-93**      **LIABILITY TO VILLAGE.** Any person violating any of the provisions of this Code shall become liable to the Village by reason of such violation.

## APPENDIX "8"

### WATER PURCHASE CONTRACT

**THIS AGREEMENT** made and entered into by and between the **City of Carlyle, Clinton County, Illinois**, a municipal corporation, herein after referred to as the "**Seller**" and Village of Beckemeyer, an Illinois municipal corporation, hereinafter referred to as the "**Purchaser**".

#### **WITNESSETH:**

**WHEREAS**, the Seller has access to a consistent raw water supply and owns and operates a water treatment plant, for the purpose of treating, sterilizing and purifying water for public consumption;

**WHEREAS**, Purchaser owns and operates a potable water distribution system in an unincorporated area of Clinton County, Illinois and is in need of a reliable source of potable water for its residents and customers;

**WHEREAS**, Seller has sufficient capacity under present and future conditions as now foreseen, to furnish the Purchaser with an ample supply of purified and sterilized water to meet its demands;

**WHEREAS**, the Seller desires to sell to Purchaser and the Purchaser desires to purchase from Seller a continuing supply of sterilized, filtered and purified water;

**WHEREAS**, Seller, has passed a Resolution or Ordinance approving and authorizing the execution of this contract and the sale of water to Purchaser in accordance therewith; and

**WHEREAS**, Purchaser, has passed a Resolution or Ordinance approving and authorizing the execution of this Contract and the purchase of water from Seller in accordance therewith; and

**NOW, THEREFORE**, in consideration of the foregoing and mutual agreements hereinafter set forth,

#### **A. The Seller Agrees:**

1. **Quality and Quantity.** To furnish the Purchaser at the point of delivery hereinafter specified, during the term of this contract or any renewal or extension thereof, potable treated water meeting the applicable purity standards of the Ten State Standards, The Safe Drinking Water Act (Public Law 93-523) and such requirements and regulations of the State of Illinois, in such quantities as purchaser may desire, but not to exceed 4,500,000 gallons per month and/or 150,000 gallons per day, except in case of emergency. The water provided hereunder shall comply with the Illinois Environmental Protection Agency's purity standards for public suppliers of potable water.

2. **Pressure at Point of Delivery.** That water will be furnished at a reasonably constant static pressure calculated to meet or exceed IEPA regulations from an existing main at the point of delivery. If a greater pressure than that normally available at the point of delivery is required by the Purchaser, the cost of providing such pressure shall be borne by the Purchaser. Emergency failures of pressure or supply due to main supply line breaks, power failure, flood, fire, earthquake or other catastrophe shall excuse the Seller from this provision for such reasonable period of time as may be necessary to restore service.

3. **Billing.** To furnish the Purchaser, not later than **thirty (30) days** after the reading of the meter, an itemized statement of the amount of water furnished to the Purchaser during the preceding month specifying the amount due from Purchaser to Seller.

4. **Verification of Meter Reading.** To permit a representative of the Purchaser to be present and observe the reading of the delivery master meter or meters involved in determining Purchaser's usage at the central metering points when so requested.

**B. The Purchaser Agrees:**

1. **Minimum Purchases.** To purchase a minimum of **seventy percent (70%)** of its potable water requirements from Seller. Records reflecting aggregate gallons purchased by district from all sources shall be maintained and made available to Seller at the end of Seller's fiscal year (i.e. June 30) each year to verify compliance with this Purchase Agreement. In the event Seller requests Purchaser to Purchase less than **seventy percent (70%)** of Purchaser's potable water requirements during any given time period, Purchaser shall be relieved from its minimum purchase requirement for said time period.

2. **Water Rate.** To pay the Seller within **thirty (30) days** after receipt of each monthly invoice for water delivered, in accordance with the following schedule of rates:

a. For each **one thousand (1,000) gallons** of water delivered to the Purchaser, a sum equal to cost of production as hereinafter defined plus a **twenty-three percent (23%)** mark up on the cost of production.

b. The "cost of production" will be determined by the Seller and verified by Purchaser as a result of an annual audit of the Seller's accounts by a certified public accountant; Said cost of production will include costs of operation and maintenance of the Seller's treatment plant and a proportionate share (currently 9.17%) of administrative, financial, supervisory and other indirect overhead costs of the Seller reasonably attributable to water production, but shall not include any portion of the costs of installing, maintaining, repairing or operating any part of the Seller's distribution system. Likewise, the cost of production shall not include any portion of the cost for constructing, repairing, replacing, operating or maintaining any of Seller's existing or proposed ground or elevated storage tanks or any depreciation on the foregoing as the Purchaser maintains its own storage and the Seller is not hereby required to maintain storage for Purchaser. The parties agree to allocate salaries, FICA, IMRF and Health insurance for Administrative Personnel based upon the percentage that the Water Production Fund Expenses bear to all expenses for all funds maintained by the Seller.

3. **Point of Delivery, Metering, Testing, and Calibration.** Purchaser agrees to furnish, install, operate, maintain, repair and replace, at its expense, delivery master meter(s), metering equipment and metering housing, (at the locations specified in **Exhibit "A"**), in accordance with applicable standards and specifications of the American Water Works Association (AWWA). Seller is not responsible for distribution or metering beyond the delivery master meter. The master delivery meters shall measure the quantity of water flowing through the meters, and Seller reserves the right to test and calibrate any of the master meters at any time during the performance of this contract. Any time Seller tests and calibrates the master meter, Seller shall notify Purchaser at least **five (5) calendar days** in advance of the scheduled test date. A meter registering not more than **three percent (3%)** above or below the test result shall be deemed accurate. The previous readings of any meter disclosed by test to be inaccurate shall be corrected for the **six (6) months** before such test in accordance with the percentage inaccuracy found by such tests. If the master meter(s) fails to register for any period, the amount of water furnished during such period shall be deemed to be the amount of water flowing through such meter(s) in the corresponding period immediately prior to the failure, unless Seller and Purchaser otherwise agree. The metering equipment shall be read on the **sixteenth (16<sup>th</sup>) day** of each month. Seller and Purchaser shall both have access to the meter(s) to verify its readings.

4. **Metering Customer Usage.** That all water purchased from the Seller under the terms of this contract will be distributed by it to its customers and/or members through standard water meters which will, from time to time, reflect the gallons consumed by the Purchaser's customers, excepting only water used for flushing, emergency purposes by recognized volunteer fire departments or fire districts, or water lost through leakage or breaks in the Purchaser's distribution system. All of Purchaser's customers, including new customers, shall be served and metered from Purchaser's water distribution system. Records reflecting Purchaser's customer's aggregate usage, flushing and water loss shall be maintained and made available to Seller at the end of Seller's fiscal year (i.e. June 30) each year to verify compliance with this Purchase agreement.

5. **Emergency Relief.** The Seller will be temporarily relieved from any duty hereunder to supply water to the Purchaser during periods of emergency, increased consumption by reason of firefighting or during extreme and prolonged drought. In each instance it is understood and agreed that the representative of the Seller and the Purchaser will cooperate to provide sufficient water to protect the health and welfare of all of the residents and/or customers of both the Seller and the Purchaser.

6. **Payment and Discontinuance of Service.** The Purchaser agrees to pay to the Seller all amounts properly billed to it under the terms hereof within **thirty (30) days** after such bill is received. If the Purchaser fails to make any payments required hereunder the Seller may, upon giving **ten (10) days'** notice in writing to the Purchaser of its intention to do so, discontinue the supply of water to the Purchaser.

7. **Force Majeure.** The Seller shall not be liable to the Purchaser or to any of its customers or members because of any failure to provide a constant and ample supply of water hereunder which results from causes not within the reasonable control of the Seller, nor shall it be liable to deliver or supply water in the event of fire, flood, tornado, Acts of God or other calamity resulting in damage to or destruction of water supply system of the Seller.

**C. Seller and Purchaser Agree that:**

1. **Term.** This contract shall be in full force and effect from the date hereof for a period of **forty (40) years**.

2. **Purchaser's Usage.** The water distributed hereunder, shall be metered at the point of delivery to Purchaser from Seller and the meter reading shall be deemed to be the Purchaser's usage, for purposes of this contract, except as otherwise provided for in paragraph B(3).

3. **Diligent Operations and Cooperation.** Seller will, at all times, operate and maintain its system in an efficient manner and will take such action as may be necessary to furnish Purchaser with sufficient quantities of water as required by Purchaser. Temporary or partial failures to deliver water shall be repaired with all possible dispatch. If there is an extended shortage of water to supply to Purchaser, the quantity of water allocable to Purchaser shall be reduced in the same proportion as the supply to the Seller's other customers. The parties shall cooperate with each other in good faith in time of emergency so as to attempt to enable each to provide potable water service to its customers or residents.

4. **Good Faith.** The Seller agrees to act in good faith and to use every reasonable means to furnish and maintain a constant and ample supply of water to the Purchaser in accordance with the terms of this Agreement, so that the Purchaser will have at all times during the terms of this Agreement, an ample supply of water for the use of its customers and members for their general, commercial, and domestic purposes; provided, however, nothing herein contained shall require or obligate the Seller to deprive the citizens of the City of Carlyle, Illinois of an ample supply of water for all general, commercial and domestic uses, or to deprive the City of Carlyle of ample water for fire protection purposes. Furthermore, Purchaser shall provide Seller with Purchaser's telemetry readings upon request and shall coordinate with Seller to schedule times to draw said water. Both parties shall take into consideration, water emergencies of either Purchaser or Seller.

5. **Annual Review of the Cost of Production.** The "cost of production" as herein described is subject to annual audit, verification and review each year, at the end of Sellers' fiscal year (i.e. June 30). Any increase or decrease in rates shall be based on a demonstrable increase or decrease in the costs of production as defined above, but such costs shall not include any cost associated with the Seller's distribution system. A Certified Public Accountant or other duly qualified person for each party shall review the Seller's year end audit and specify in writing if he or she agrees with the rate determined thereby. In the event of a dispute, the two parties shall meet to review the audit together and discuss each line item to identify the precise area of disagreement. Once identified, the parties shall attempt in good faith to resolve any dispute prior to instituting litigation.

6. **Illinois Law.** This contract is subject to such rules, regulations, or laws as may be applicable to similar agreements in the State of Illinois.

7. **Modification.** This Agreement may only be modified in writing signed by both parties.

8. **Compliance with IEPA.** To comply with all Environmental Protection Agency regulations which are in effect at the time of water delivery as regards the operation and maintenance of the parties' respective water distribution systems, including but not limited to the maintenance of at least 20 psi of water pressure in each party's system.

9. **Assignability.** This contract is subject to successors and assigns of both parties.

10. **Effective Date.** This contract shall be effective as of the **first (1<sup>st</sup>) day of July, 2012.**

1. In the event the location of the sewer service connection is unknown, the Superintendent is to be contacted.
2. This office is to be notified the day before the work is to be done so that inspection may be arranged in accordance with specifications furnished. For example, if you desire inspection on Tuesday, contact us on Monday. If you desire inspection on Monday, contact us on Friday, etc.
3. If the sewer line is deep enough to drain your basement, if you have one, then the wastes from the basement as well as the other floor(s) of the property must go into the sanitary sewers. Downspout and surface drainage are prohibited inasmuch as this is not a storm sewer system.

**WARNING!** In order to coordinate our inspections, we must be advised a day in advance before the work is done. The inspection must be made before the trench is backfilled. If trench is backfilled before the inspection is made, it will have to be reopened to permit inspection.

## CHAPTER 40

### ZONING CODE

#### ARTICLE I – GENERAL PROVISIONS

**40-1-1**        **TITLE.** This Code shall be known as and cited as the “**Zoning Code of the Village of Beckemeyer, Illinois**”.

**40-1-2**        **INTENT AND PURPOSE.** It is the intent and purpose of this Code:

(A)            To promote and protect the public health, safety, morals, comfort and general welfare of the people;

(B)            To serve as an implementing tool of comprehensive planning;

(C)            To fix reasonable standards to which buildings or structures shall conform;

(D)            To encourage the development and arrangement of land uses and structures that will yield the greatest social and economic benefits for the Village;

(E)            To provide adequate light, air, privacy and safe, convenient access to property;

(F)            To divide the Village into zoning districts restricting and regulating the location, erection, construction, reconstruction, alteration, and use of buildings, structures and land for residential, business, manufacturing and other specified land uses;

(G)            To provide for the location, width, access points and design of existing and future streets;

(H)            To establish the extent to which water, sewer, storm water and other utility and community services are to be provided;

(I)            To establish minimum requirements and standards for development and redevelopment within the area of the Village’s jurisdiction to achieve reasonable initial costs and to reduce future maintenance costs of public and private improvements and services;

(J)            To conserve the taxable value of land and buildings throughout the Village;

(K)            To provide for the efficient administration and fair enforcement of all the substantive regulations in this Code. **(65 ILCS 5/1-13-1)**

**40-1-3**        **JURISDICTION.** This Code shall be applicable only within the corporate limits of the Village.

**40-1-4**        **INTERPRETATION, CONFLICT WITH OTHER ORDINANCES.** Every provision of this Code shall be construed liberally in favor of the Village and every requirement imposed herein shall be deemed minimal. Whenever the requirements of this Code differ from the requirements of any other lawfully adopted and effective ordinance, regulation, deed restriction, or covenant, the more stringent requirement shall prevail.

**40-1-5**        **DISCLAIMER OF LIABILITY.**

(A)            Except as may be provided otherwise by statute or ordinance, no official, board member, agent, or employee of the Village shall render himself personally liable for any damage that may accrue to persons or property as a result of any act required or permitted in the discharge of his duties under this Code. **(See “Local Governmental and Governmental Employees Tort Immunity Act”, 745 ILCS 10/1-101)**

(B)            Any suit brought against any official, board member, agent, or employee of the Village as a result of any act required or permitted in the discharge of his duties under this Code, shall be defended by the Village Attorney until the final determination of the legal proceedings.

**40-1-6**        **SEPARABILITY.** If any part or provision of this Code or the application thereof to any person, property, or circumstance is adjudged invalid by any court of competent jurisdiction such judgment shall be confined in its operation and direction to the part, provision, section or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the integrity or validity of the remainder of this Code or the application thereof to other persons, property or circumstances. The Village Board hereby declares that it would have enacted the remainder of this Code even without any such part, provision, section, or application.

**40-1-7**        **REVIEW.** This Code shall be reviewed every **ten (10) years** after its effective date by the Zoning Board of Appeals. After the review, they shall file their reports and recommendations with the Mayor and the Village Board.

**40-1-8**        **EXISTING RESTRICTIONS.** Where this Code imposes a greater restriction upon land, buildings or structures than is imposed or required by existing provisions of law, ordinance, contract or deed, the provisions of this Code shall govern.

(A)            **Existing Permits.** This Code is not intended to abrogate or annul any building permits, certificates of occupancy, variances or other lawful permits issued before the effective date of this Code.

(B)            **Completion Permitted.** Any building or structure for which a building permit has been issued prior to the date of enactment of this Code may be completed and used in accordance with the plans, specifications, and permits on which said building permit was granted, provided construction commences within **one hundred eighty (180) days** of passage of this Code and is diligently prosecuted to completion.

## **DIVISION II - PLANNED DEVELOPMENTS**

**40-3-23**      **PLANNED DEVELOPMENT DEFINED.** As used in this Division, the term "planned development" or "PD" means a development wherein, in accordance with an approved development plan:

- (A) common open space is reserved;
- (B) various housing types and other structures and uses may be mixed and/or
- (C) overall average density does not exceed the usual zoning district limit.

**40-3-24**      **OBJECTIVES.** This Section authorizes development of Planned Developments and establishes procedures in order to achieve the objectives enumerated in **Section 40-1-2** and the following additional objectives:

- (A) to provide a regulatory mechanism whereby the Village can be assured that upon completion, approved development projects will substantially conform to the plans or models which constituted the basis for the issuance of the necessary zoning and subdivision permits;
- (B) to permit development of a wide variety of housing types and other structures and uses in a single comprehensively planned project;
- (C) to preserve the natural topography, scenic features, mature trees and historic structures existing on sites proposed for development;
- (D) to encourage innovative site layouts and coordinated architectural treatment of different housing types and other structures;
- (E) to ensure the provision of usable, common, open space in planned developments, and to spur installation of various amenities therein;
- (F) to facilitate the economical installation of standard streets, sewers, utilities, and other improvements.

**40-3-25**      **COMPLIANCE WITH REGULATIONS GENERALLY REQUIRED.** Except as specifically provided otherwise in this Code, planned developments--including all structures and uses therein--shall, at a minimum, be built in conformity with all applicable codes and ordinances, including this Code and the Subdivision Code.

**40-3-26**      **DISTRICTS WHERE ALLOWED.** Planned Developments may be built in any Zoning District, but only upon the issuance of a special-use permit by the Zoning Board of Appeals. (**See Section 40-10-24**)

**40-3-27**      **PERMISSIBLE DEVIATION FROM CODE REQUIREMENTS.** The Planned Development concept is intended to afford both the developer and the Village considerable flexibility in formulating development proposals. Consequently, to the extent indicated in this Section, Planned Developments may deviate from generally applicable Code requirements without a variance. Any proposed deviation not listed below, however, shall require a variance.

(A) **Mixed Uses.** Planned Developments may include all types of residential structures and any other uses approved by the Zoning Board of Appeals, provided that in approving such mixed uses, the Zoning Board of Appeals may attach any conditions necessary to protect the public welfare.

(B) **Lot and Structure Requirements.** In Planned Developments, the Zoning Board of Appeals may approve any reasonable deviation from the lot and structure requirements of the particular zoning district so long as the different uses within the PD are appropriately interrelated and property abutting the PD is adequately protected from any potential adverse impacts of the development. "Lot and structure requirements" means minimum individual lot area, width and depth; minimum setbacks; and maximum structure height.

(C) **Accessory Uses.** In PDs the Zoning Board of Appeals may allow the developer to disregard the usual restrictions on accessory uses other than the prohibition against using an accessory structure as a dwelling.

(D) **Location of Parking/Loading Spaces.** By permission of the Zoning Board of Appeals, off-street parking and loading spaces in PDs need not be located in accordance with generally applicable requirements. The minimum number of such spaces, however, shall not be less than the number required as per **Article VI** of this Code.

**40-3-28 PROCEDURES FOR PLANNED DEVELOPMENTS.** Every applicant for Planned Development approval shall comply with the procedural requirements of this Section. The required procedures are as follows:

- (A) Filing development plan with the Zoning Administrator;

- (11) Appropriate seals of the licensed surveyor, engineer, or architect.

**40-3-30**      **CRITERIA CONSIDERED.** The Zoning Board of Appeals shall compile a written report which either accepts or rejects the Development Plan. In making their decision, the Zoning Board of Appeals shall consider the following criteria:

- (A) The extent to which the proposed development is consistent with the Comprehensive Plan and with the purposes of this Code and of all other applicable codes and ordinances;
  - (B) The extent to which the proposed development deviates from the regulations that are generally applicable to the property (including, but not limited to, the use, lot and building regulations of the district), and the apparent merits, if any, of said deviations.
  - (C) Whether the proposed design of the PD makes adequate provisions for vehicular and pedestrian circulation, off-street parking and loading, separation of residential and commercial uses, open space, recreational facilities, preservation of natural features, and so forth;
  - (D) The compatibility of the proposed PD with adjacent properties and surrounding area;
- and
- (E) Any other reasonable criteria that the Zoning Board of Appeals may devise.

**40-3-31**      **DECISION BY ZONING BOARD.** The Zoning Board of Appeals shall either approve or disapprove each and every Development Plan. However, the Zoning Board shall not approve any PD unless:

- (C) The proposed PD, as evidenced by the Development Plan, complies with all applicable codes, regulations and ordinances. (Deviations to the extent permitted under **Section 40-3-27** shall not be deemed as noncomplying.)

**40-3-32**      **CHANGES IN APPROVED PLANS.** No changes shall be made to any approved PD Development Plan, except as follows:

(A)            **Minor** changes, if required by engineering or other circumstances not foreseen at the time the final development plan was approved.

(B)            All other changes shall require a public hearing before the Zoning Board of Appeals.

(C)            No approved change shall have any effect until it is recorded with the County Recorder of Deeds as an amendment to the recorded copy of the Development Plan. **(See Article X - Division V)**

**40-3-33**      **FAILURE TO BEGIN DEVELOPMENT.** If a substantial amount of construction has not begun within the time stated in the approved construction schedule, the Development Plan shall lapse upon written notice to the applicant from the Zoning Administrator and shall be of no further effect. However, in his discretion and for good cause, the Zoning Administrator may extend for a reasonable time the period for the beginning of construction. If a final Development Plan lapses as per this Section, the following shall be applicable:

(A)            The special-use permit shall be automatically revoked; and

(B)            any zoning permits shall automatically become null and void; and

## ARTICLE VI - OFF-STREET PARKING AND LOADING

**40-6-1**        **PURPOSE.** The purpose of this Article is to alleviate or prevent congestion of the public streets and to promote the safety and welfare of the public by establishing minimum requirements for the off-street parking and loading and unloading of motor vehicles in accordance with the use to which property is put. For all buildings and structures erected and all land uses established after the effective date of this Code, accessory parking and loading facilities shall be provided as required by this Code. No part of an off-street parking area required for any building or use for the purpose of complying with the provisions of this Code shall be included as a part of an off-street parking or loading space similarly required for another building or use.

**40-6-2**        **ACCESSORY USES.** No motor vehicle repair work shall be permitted in conjunction with accessory off-street parking lots or areas provided in a Residence District for a commercial or industrial use. The sale of gasoline and motor oil when permitted in conjunction with accessory off-street parking areas shall be located with respect to residential properties so as not to create a nuisance.

**40-6-3**        **COMPUTATION.** When determination of the number of off-street parking spaces required by this Code results in a requirement of a fractional space any fraction of **one-half (1/2)** or less may be disregarded, while a fraction of or in excess of **one-half (1/2)** shall be counted as **one (1) parking space**.

**40-6-4**        **DAMAGE OR DESTRUCTION.** For any conforming building or use which is in existence on the effective date of this Code which is damaged or destroyed by fire, explosion or other similar cause and which is reconstructed, reestablished, or repaired, additional off-street parking or loading facilities need not be provided, except that parking or loading facilities equivalent to any maintained at the time of such damage or destruction shall be restored or continued in operation. However, in no case shall it be necessary to restore or maintain parking or loading facilities in excess of those required by this Code for equivalent new uses or construction.

**40-6-5**        **DESIGN STANDARDS.**  
(A)        **Access Aisle and Space Requirements.** Each off-street parking space shall not be less than **ten (10) feet** wide and **twenty (20) feet** long, except as approved by the Administrative Official.

One-way aisles in conjunction with **sixty (60) degree parking** shall be a minimum of **eighteen (18) feet** in width. Plans for other aisle widths with other angle parking shall be as approved.
- (2)        Access to off-street parking areas in all residential zone districts shall be a minimum of **ten (10) feet** wide except as follows:
  - (a)        If a driveway is longer than **one hundred (100) feet** or serves more than the required parking for **four (4) dwelling units**, the minimum width shall be **twenty (20) feet**.
  - (b)        **Two (2)** one-way driveways each **twelve (12) feet** wide may be provided in lieu of **one (1) twenty (20) foot** driveway.
- (3)        Access to off-street parking areas in all commercial and industrial zones shall be a minimum width of **twenty-four (24) feet** or **two (2)** separate driveways each **twelve (12) feet** wide.

(B)        **Ingress and Egress.** All parking areas in any multiple family, business, industrial or similar zone district shall be designed or arranged so that no vehicle can have direct access to or egress from any off-street parking space from a public right-of-way. In any instance stated in this Section ingress to

and egress from a parking space shall be from an aisle, driveway, or similar arrangement by forward motion of the vehicle.

- (1) No access way or lane shall be within **thirty (30) feet** of any corner formed by the intersection of the right-of-way of **two (2)** or more streets. On a corner where a traffic signal or stop sign exists, such entrance or exit shall be located at such distance and in such manner so as not to cause or increase traffic hazard or undue congestion.
- (2) The alignments of access ways shall be at right angles and offsets are not to exceed **twenty (20) degrees**.
- (3) Except in unusual circumstances no access way from a public street shall exceed **thirty-five (35) feet** in width.

(C) **Lot Lines.** All parking aisles and parking spaces shall be entirely within the lot lines, and not on a public right-of-way. Parking spaces and loading spaces shall be so arranged that no part of any vehicle overhangs the public right-of-way.

(D) **Screening and Landscaping.** All open automobile parking lots serving a commercial, industrial, institutional or similar use shall provide a landscaped screen, wall or fence along those property boundaries abutting a residential district or use. Such landscaped screen, wall or fence shall be maintained by the owner or lessee and a maintenance agreement shall be filed with the Administrative Official. Plans for the landscaping, wall or fence shall be as approved.

**40-6-6 SETBACK.** Where **two (2) lanes** of off-street parking is provided between any building and a street, in order to accommodate pedestrian and vehicular traffic, the building shall be set back at least **seventy-five (75) feet** from the lot line. A **six (6) inch** vertical curb shall be provided to separate such off-street parking areas from the public right-of-way. Similar parking in the rear of a building shall require a setback of at least **sixty-four (64) feet**.

**40-6-7 SURFACING.** All open off-street parking areas, lot and driveways shall be improved with a compacted stone base of not less than **four (4) inches** thick, surfaced with **two (2) inches** of bituminous concrete or an approved material with comparable construction.

(A) Whenever the existing use of a building or structure shall hereafter be changed to a new use, parking or loading facilities shall be provided as required herein for such new use. However, if the said building or structure was erected prior to the effective date of this Code, additional parking or loading facilities are mandatory only in the amount by which the requirements for the new use would exceed those for the existing use if the latter were subject to the parking and loading provisions of this Code.

(B) When the intensity of use of any building, structure, or premises shall be increased through addition of dwelling units, gross floor area, seating capacity, or other units or measurement specified herein for required parking or loading facilities, parking and loading facilities as required herein shall be provided for such increase in intensity of use.

**40-6-9 JOINT PARKING FACILITIES.** Off-street parking facilities for different buildings, structures, or uses, or for mixed uses, may be provided collectively in any zoning district in which separate parking facilities for each constituent use would be permitted, provided that the total number of spaces so located together shall not be less than the sum of the separate requirements for each use.

**40-6-10 OFF-STREET PARKING FACILITIES.**

In no instance shall a commercial vehicle exceeding **one (1) ton** capacity be parked in a residential area, except for normal loading, unloading or service, except by a special use permit. Commercial or related uses located in a residence district that cannot provide the required parking on the same zoning lot may provide parking on an adjacent lot or a lot across the street but not more than **two hundred (200) linear feet** from the commercial use served.

(C) **For Uses in Business and Industrial Districts.** All required parking spaces shall be within **one thousand (1,000) feet** of the use served, except that spaces accessory to dwelling units (other than those located in a transient hotel) shall be within **three hundred (300) feet** of the use served. However, no parking spaces accessory to a use in a Business or Industrial District shall be located in a Residence District, except that private, free, off-street parking accessory to such uses, and municipal parking lots, may be allowed by special use permit within **five hundred (500) feet** of and adjacent to any Business or Industrial District.

(D) **Off-Site Parking Facilities.** When required parking facilities are provided on land other than the zoning lot on which the building or use served by such facilities is located, they shall be and remain in the same possession or ownership as the zoning lot occupied by the building or use to which the parking facilities are accessory. No such off-site parking facilities shall be authorized and no building permit or occupancy permit shall be issued where the plans call for parking facilities other than on the same zoning lot until and unless the Administrative Official has reviewed the plans and heard the applicant and made findings that the common ownership or possession of the zoning lot and the site of the parking facilities are reasonably certain to continue and that the off-site parking facilities will be maintained at all times during the life of the proposed use or building.

## ARTICLE VII - SIGN REGULATIONS

**40-7-1**            **GENERAL PROHIBITION.** Any sign not expressly permitted in this Article shall be deemed prohibited.

**40-7-2**            **COMPUTATION OF SIGN AREA ALLOWANCE.** Within the limitations and restrictions as further provided in this Article, the total area of all signs which an establishment is permitted to display shall be computed according to the following formula:

**one (1) square foot of sign area per one (1) foot of street frontage or two (2) square feet of sign for each lineal foot of the front width of the business.**

provided, however, that no establishment in any district shall display more than **three hundred (300) square feet** of sign on any street front.

**40-7-2.1**        **DEFINITION OF SIGN AREA.** As used in this Article, the term "sign area" means the area of the one imaginary square or rectangle which would completely enclose all the letters, parts, or symbols of a sign. **(See Figures 3 and 4 at End of Code)**

**40-7-2.2**        **SPECIAL SITUATIONS.**

(A)                Except as specifically provided otherwise in this Article, if an establishment has frontage on **two (2)** or more streets, each side having such frontage shall be considered separately for purposes of determining compliance with the provisions of this Article. However, the area allowance for signs shall not be aggregated so as to permit such establishment to display on any one frontage a greater area of signs than would be permitted by application of the formula set forth above.

(B)                The side of an establishment adjacent to an off street parking area shall not be deemed frontage unless the establishment has no other frontage.

**40-7-3**            **SIGNS TO BE NON-HAZARDOUS, WELL-MAINTAINED.**

(A)                No sign shall be erected, relocated or maintained so as to prevent free access or egress from any door, window, fire escape, or driveway.

(B)                No sign shall be erected or maintained in such a manner that it interferes with, obstructs the view of, or is likely to be confused with any authorized traffic control device.

(C)                Every sign shall be designed and constructed in conformity with any applicable provisions of the adopted Building Code, if any.

(D)                Every sign and appurtenance shall be maintained in a neat and attractive condition by its owner. The sign supports shall be kept painted to prevent rust or deterioration.

**40-7-4**            **ILLUMINATION.** Illumination of signs is permitted, subject to the following requirements:

(A)                No sign shall employ red, yellow, or green lights in such a manner as to confuse or interfere with vehicular traffic.

(B)                No sign other than those providing time and temperature information shall have blinking, flashing, or fluttering lights or any other illuminating device which has a changing light intensity, brightness, or color; provided, however, that this provision shall not apply to any message on any electronically operated, changeable sign.

(C)                The light from any illuminated sign shall be shaded, shielded, or directed so that it creates neither a nuisance to adjacent property nor a traffic hazard.

**40-7-5**            **NONCONFORMING SIGNS.** A nonconforming sign means any lawfully erected sign or billboard that does not conform to one or more provisions of this Article or any amendment thereto.

**40-7-6**            **RESTRICTIONS.** Any nonconforming sign as defined in **Section 40-7-5** that does not pose an imminent peril to life or property may lawfully remain subject to all the restrictions on the enlargement, alteration, or relocation, or reconstruction of nonconforming structures set forth in **Article VIII** of this Code; provided as follows:

(A)                Merely changing the message displayed on a nonconforming sign shall not be construed as a prohibited alteration;

(B)                Whenever any sign is nonconforming solely because it is appurtenant to a nonconforming commercial/industrial use located in the Agricultural District or in any residential district, said sign shall be treated in the same manner as it would be if it were appurtenant to a commercial/industrial use located in any Business District or in the Industrial District.

**40-7-7**            **STRICTLY PROHIBITED SIGNS.** Except as specifically noted otherwise, henceforth, the following signs and street graphics are strictly prohibited throughout the City:

(B)                Signs attached to trees, fences or public utility poles, other than warning signs posted by government officials or public utilities.

A permit is required for all temporary signs. **(See Section 40-10-29)**

## ARTICLE VIII - NONCONFORMITIES

**40-8-1**        **PURPOSE OF ARTICLE.** The requirements imposed by this Code are designed to guide the use of land by encouraging the development of structures and uses that are compatible with the predominant character of each of the various residential, business, and industrial districts. Lots, structures, and uses of land or structures that do not conform to the requirements of the district in which they are located tend to impede appropriate development. For example, nonconformities are frequently responsible for heavy traffic on residential streets, the overtaking of parking facilities, the emission of noxious fumes or excessive noise, and/or the lowering of property values. **The regulations in this Article are intended to alleviate such existing/potential problems by encouraging the gradual elimination of nonconformities.**

**40-8-2**        **NONCONFORMING LOTS.** Any vacant lot that does not conform to one or more of the lot size requirements of the district in which it is located may be used in the manner indicated in **Section 40-8-2.1** and **40-8-2.2** if it:

- (A)            is of record on the date of the adoption or amendment of this Code in 1992; and
- (B)            has continuously remained in separate ownership from abutting tracts of land throughout the entire period during which the creation of such lot was prohibited by the applicable zoning code or other ordinances; and
- (C)            is at least **thirty (30) feet** wide.

**40-8-2.1**       **RESIDENTIAL.** On any such lot located in any district, any permitted structures may be erected, provided all the bulk (see definitions) and setback regulations of the particular district are observed.

**40-8-2.2**       **OTHER DISTRICTS.** On any such lot located in the business or industrial districts, any structure permitted in the particular district may be erected if the bulk and setback requirements of that district are met.

**40-8-2.3**       **TWO OR MORE LOTS IN COMMON OWNERSHIP.** If **two (2)** or more lots or combinations of lots and portions of lots with continuous frontage were of record and in common ownership on the date of the enactment or amendment of this Code, and if **one (1)** or more of those lots do not meet the minimum lot width, depth, and area requirements of the district in which they are located, the land involved shall be considered an undivided parcel for purposes of this Code. No portion of any such parcel shall be developed except in compliance with this Code, nor shall any such parcel be divided so as to create a lot that does not meet the requirements of this Code.

**40-8-3**        **NONCONFORMING STRUCTURES.** Any lawful structure which exists on the date of the enactment or amendment of this Code, but which could not be erected under the terms of this Code because of restrictions on the lot size, height, setbacks, lot coverage, or other characteristics of the structure, or its location on the lot, may lawfully remain, subject to the following provisions:

- (A)            **Enlargement, Alterations.** No such structure shall be enlarged or altered in any way which increases its nonconformity.
- (B)            **Relocation.** No such structure shall be relocated unless, after relocation, it will conform to all the regulations of the district in which it is located.
- (C)            **Reconstruction.** No such structure which is destroyed or damaged by any means shall be reconstructed if the Zoning Administrator determines that the cost of such reconstruction exceeds **fifty percent (50%)** of the structure's market value at the time of loss, unless after reconstruction the structure will conform to all applicable regulations of the district in which it is located. In the event the Zoning Administrator determines the estimated cost of reconstruction is less than **fifty percent (50%)** of

the structure's market value at the time of loss, repairs or reconstruction shall be permitted, provided such work starts within **six (6) months** from the date the damage occurred and is diligently prosecuted to completion.

A bona fide construction contractor shall make the reconstruction cost estimate, and a licensed real estate appraiser shall determine the structure's market value at the time of loss. The owner of the damaged structure shall be responsible for transmitting these estimates to the Zoning Administrator.

**40-8-4 NONCONFORMING USES OCCUPYING A STRUCTURE.** If any lawful use occupying a structure exists on the effective date of the enactment or amendment of this Code, but would not be allowed under the terms of this Code, such a use may lawfully continue, subject to the following provisions:

(A) **Maintenance.** Any structure housing a nonconforming use may be maintained through ordinary repairs.

(B) **Enlargement, Alteration, Reconstruction, Relocation.** No structure housing a nonconforming use shall be enlarged, structurally altered, reconstructed or relocated unless the use of the structure is changed to a permitted use.

(C) **Extension of Use.** No nonconforming use may be extended to any part(s) of the structure not intended or designed to be devoted to such use, nor shall the nonconforming use be extended to occupy any land outside such structure.

(D) **Change of Use.** A nonconforming use occupying a structure shall not be changed except to a use permitted under the applicable district regulations.

(E) **Discontinuance of Use.** When a nonconforming use of a structure, or of a structure and premises in combination, is discontinued for **twelve (12)** consecutive months or for **eighteen (18) months** during any **three (3) year** period, the nonconforming use shall not thereafter be resumed. Any discontinuance caused by government action and without any contributing fault by the nonconforming user shall not be counted in calculating the length of discontinuance.

**40-8-5 NONCONFORMING USE OF LAND.** Any lawful use of land existing on the date of the adoption or amendment of this Code that would not be permitted under the terms of this Code may lawfully continue, subject to the following provisions:

(A) **Intensification or Extension of Use.** A nonconforming use of land shall not be intensified, or extended to occupy a greater area of land than was occupied by such use on the date of the adoption or amendment of this Code.

(B) **Relocation.** No nonconforming use of land shall be moved, in whole or in part, unless, upon relocation, such use will conform to all pertinent regulations of the district in which it is proposed to be located.

(C) **Change of Use.** A nonconforming use of land shall not be changed except to a use that is permitted under the applicable district regulations.

(D) **Discontinuance.** When a nonconforming use of land is discontinued for a period of **twelve (12)** consecutive months, it shall not thereafter be resumed, and any subsequent use of such land shall conform to the applicable district regulations. Any discontinuance caused by government action and without any contributing fault by the owner or operator shall not be counted in calculating the length of discontinuance.

**40-8-6 NONCONFORMITIES UNDER PERMIT AUTHORITY.** The regulations of this Article shall not apply to any change in an existing structure or to any change in the use of a structure or of land for which a permit was issued prior to the enactment of this Code or any pertinent amendment thereto, provided that the work authorized by such permit is carried out and completed with diligence.

**40-9-7 FINAL CERTIFICATES OF ZONING COMPLIANCE.** No lot or part thereof that has been created, developed, erected, enlarged, altered, relocated, or reconstructed after the effective date of this Code shall be used or occupied until a permanent certificate of zoning compliance has been issued. The Administrator shall issue no permanent certificate of zoning compliance until he determines, **by inspection**, that:

- (A) the development or construction of such lot or structure has been completed in accordance with plans approved at the time the temporary certificate of zoning compliance was issued; and

**40-10-7 PERIOD OF VALIDITY.** No decision by the Zoning Board granting a variance or special-use permit shall be valid for a period longer than **twelve (12) months** from the date of such decision unless (1) an application for a zoning certificate is obtained within such period and construction,

moving, remodeling, or reconstruction is started, or (2) an occupancy certificate is obtained and a use is commenced. However, the Village Board may grant additional extensions of time not exceeding **one hundred eighty (180) days**, each upon written application made within the initial **twelve (12) month** period without further notice or hearing, but said right to so extend said time shall not include the right to grant additional relief by expanding the scope of the variation.

**40-10-8**      **FINALITY OF DECISIONS OF THE ZONING BOARD.** All decisions of the Zoning Board, shall in all instances be the final administrative determination and shall be subject to review by a court in the manner provided by applicable **Illinois Compiled Statutes**. No applicant shall apply for the same or identical request for a period of **one (1) year** unless the facts and/or request have substantially changed.

**40-10-9**      **OFFICE OF THE SECRETARY OF THE BOARD OF APPEALS.** The Secretary of the Board of Appeals shall be appointed by the Board of Appeals to serve until a successor is appointed. The Secretary shall record the minutes of the Board of Appeals proceedings and actions, showing the vote of each member upon each question or if absent or failing to vote, indicating such fact. The Secretary shall perform such other duties as may be assigned from time to time by the Board of Appeals.

**40-10-10**      **JURISDICTION OF BOARD.** The Zoning Board of Appeals has the power to hear and decide appeals, variances and requests for special-use permits pursuant to this Code. It has the power to hear and recommend requests for amendments to this Code.

**40-10-11**      **RESERVED.**

**[NOTE: Zoning Board discussions cannot be held in a closed session as the Board is a quasi-judicial body.]**

## **DIVISION II - APPEALS**

**40-10-12**      **NATURE OF AN APPEAL.** Any person aggrieved by any decision or order of the Zoning Administrator in any matter related to the interpretation or enforcement of any provision of this Code may appeal to the Zoning Board of Appeals on a prescribed form. Every such appeal shall be made and treated in accordance with Illinois law and the provisions of this Division. **(See 65 ILCS 5/11-13-12)**

**40-10-13**      **FILING, RECORD TRANSMITTAL.** Every appeal shall be made within **forty-five (45) days** of the matter complained of by filing with the Administrator and the Zoning Board of Appeals a written notice specifying the grounds for appeal. Every appeal shall also be filed with the **Soil and Water Conservation District** pursuant to State law. Not more than **five (5) working days** after the notice of appeal has been filed, the Administrator shall transmit to the Zoning Board of Appeals all records pertinent to the case. **(See 65 ILCS 5/11-13-12) (See 70 ILCS 405/22.02A)**

**40-10-14**      **STAY OF FURTHER PROCEEDINGS.** An appeal stays all further action on the matter being appealed unless the Administrator certifies to the Zoning Board of Appeals after the notice of appeal has been filed with him, that for reasons stated in the certificate, a stay would cause imminent peril to life or property. In such case, further action shall not be stayed unless the Zoning Board of Appeals or the Circuit Court grants a restraining order for due cause and so notifies the Administrator. **(See 65 ILCS 5/11-13-12)**

**40-10-15**     **PUBLIC HEARING, NOTICE.** The Zoning Board of Appeals shall hold a public hearing on every appeal within a reasonable time after the filing of the appeal notice. At the hearing, any interested party may appear and testify, either in person or by duly authorized agent or attorney. Notice indicating the time, date, and place of the hearing, and briefly describing the issue to be decided shall be given not more than **thirty (30) days** nor less than **fifteen (15) days** before the hearing:

- (A)           By publication in a newspaper of general circulation within this Municipality; and
- (B)           By certified mail to the applicant; and,
- (C)           By first-class mail to all owners of property contiguous to any property affected by the appeal.

**(See 65 ILCS 5/11-13-12)**

**40-10-16**     **DECISION BY BOARD OF APPEALS.** The Board of Appeals shall render a decision on the appeal within **thirty (30) days** after the hearing therein. The Board of Appeals may reverse or affirm, wholly or partly, or may modify or amend the decision or order appealed from the extent and in the manner that they deem appropriate. In so doing, the Board of Appeals has all the power of the Administrator. **(See 65 ILCS 5/11-13-3 and 5/11-13-12)**

**ED. NOTE: The Board of Appeals is delegated the task of hearing appeals from the decisions of the Zoning Administrator or other official charged with enforcement of an ordinance passed pursuant to the Zoning Enabling Act. This may, for example, entail determining whether there has been a discontinuance of a nonconforming use. It is important for the applicant to note the appeal process because of the requirement of exhaustion of administrative remedies before suit is filed as well as the more obvious reason of using a less expensive administrative process for correcting a mistake or error which may have been made by the Zoning Administrator. (See 65 ILCS 5/11-13-3)**

**40-10-17**     **RESERVED.**

### **DIVISION III - VARIANCES**

**40-10-18**     **VARIANCES.**

(A)           A variance is a relaxation of the requirements of this Code that are applicable to a particular lot or structure.

(B)           A so-called "use variance" (which would allow a use that is neither permitted nor special in the district in question) is not a variance, it is an amendment, and should be granted only as provided for in **Section 40-10-30**.

**40-10-19**     **APPLICATION.** Every application for a variance shall be filed with the Administrator on a prescribed form. Every variance application shall also be filed with the **Soil and Water Conservation District** as per State law. The Administrator shall promptly transmit said application, together with any device he might wish to offer, to the Zoning Board of Appeals. The application shall contain sufficient information to allow the Zoning Board of Appeals to make an informed decision and shall include, at a minimum, the following: **(NOTE: Filing fee required.) [See 70 ILCS 405/22.02(A)]**

- (A)           Name and address of the applicant;
- (B)           Location of the structure/use for which the variance is sought;
- (C)           Brief description of adjacent lots, structures, and/or uses;
- (D)           Brief description of the problems/circumstances engendering the variance request;
- (E)           Brief, but specific, explanation of the desired variance;
- (F)           Specific section(s) of this Code containing the regulations which, if strictly applied, would cause a serious problem; and

- (G) Any other pertinent information that the Administrator may require.

**40-10-20 PUBLIC HEARING, NOTICE.** The Zoning Board of Appeals shall hold a public hearing on each variance request within **sixty (60) days** after the variance application is submitted to them. At the hearing any interested party may appear and testify either in person or by duly authorized agent or attorney. Notice indicating the time, date, and place of the hearing, and the nature of the proposed variance shall be given not more than **thirty (30)** nor less than **fifteen (15) days** before the hearing;

- (A) By certified mail to the applicant and  
(B) By publication in a newspaper of general circulation within the Municipality and,  
(C) By first-class mail to all owners of property contiguous to the property affected by the proposed variance. **(See 65 ILCS 5/11-13-7)**

**40-10-21 STANDARDS FOR VARIANCES.** The Zoning Board of Appeals shall not decide favorably upon any variance unless they find that the proposed variance is consistent with the general purposes of this Code, and that the strict application of the district requirements would result in great practical difficulties of hardship to the applicant. More specifically the Board shall not decide upon a variance unless they determine, based upon the evidence presented to them, that:

- (A) The property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations in that zone; and  
(B) The plight of the owner is due to peculiar circumstances; and  
(C) The peculiar circumstances engendering the variance request are not applicable to other property within the district, and therefore, that a variance would be a more appropriate remedy than an amendment (rezoning); and  
(D) The variance, if granted, will not alter the essential character of the area where the premises in question are located, nor materially frustrate implementation of this Municipality's comprehensive plan. **(See 65 ILCS 5/11-13-5)**

**40-10-22 DECISION BY BOARD OF APPEALS.** The Board of Appeals shall decide upon every variance request within **thirty (30) days** after the final hearing thereon. A copy of the Board of Appeal's decision shall be transmitted to the applicant or appellant and to the Zoning Administrator. The Board of Appeals shall specify the terms of relief recommended (if any) in one statement and their findings of fact in another statement. The findings of fact shall clearly indicate the Board of Appeal's reasons for recommending or denying any requested variance.

**40-10-23 RESERVED.**

#### **DIVISION IV - SPECIAL USES**

**40-10-24 SPECIAL-USE PERMITS.** This Code divides the Village into various districts, and permits in each district as a matter of right only those uses which are clearly compatible with one another. Certain other uses, because of their special operational or physical characteristics, may or may not have a detrimental impact on nearby permitted uses, depending upon their precise location, manner of operation and other factors. Such "special uses" require careful case-by-case review, and may be allowed only after review and approval by the Zoning Board of Appeals.

**40-10-25 APPLICATION.** Every applicant for a special-use permit shall submit to the Zoning Administrator in narrative and/or graphic form, the items of information enumerated below. The Administrator shall promptly transmit the completed application, together with any comments or

recommendation he might have, to the Zoning Board of Appeals for further consideration. **(NOTE: Filing fee required in Section 40-9-14)**

**ITEMS OF INFORMATION:**

- (A) Name and address of the applicant;
- (B) Name and address of the owner or operator of the proposed structure or use, if different from (A);
- (C) Nature of the proposed use, including type of activity, manner of operation, number of occupants or employees, and similar matters;
- (D) Location of the proposed use or structure, and its relationship to existing uses of structures on adjacent lots;
- (E) Area and dimensions of the site for the proposed structure or use;
- (F) Existing topography of the site and proposed finished grade;
- (G) Existing and proposed screening, landscaping, and erosion control features on the site, including the parking area;
- (H) Height and setbacks of the proposed structure;
- (I) Number and size of the proposed dwelling units, if any;
- (J) Number and location of proposed parking/loading spaces and access ways;
- (K) Identification and location of all existing or proposed utilities, whether public or private; and/or
- (L) Any other pertinent information that the Administrator may require;
- (M) Location of any signs.

**40-10-26 PUBLIC HEARING, NOTICE.** The Zoning Board of Appeals shall hold a public hearing on every special-use permit application within **sixty (60) days** after the application is submitted to them. At the hearing, any interested party may appear and testify, either in person or by duly authorized agent or attorney. Notice indicating the time, date, and place of the hearing, and the nature of the proposed special-use shall be given not more than **thirty (30) days** nor less than **fifteen (15) days** before the hearing:

- (A) By certified mail to the applicant; and,
- (B) By publication in a newspaper of general circulation within this Municipality.
- (C) By first-class mail to all owners of property contiguous to the property affected by the proposed special-use request. **(See 65 ILCS 5/11-13-7)**

**40-10-27 BOARD'S DECISION, FACTORS CONSIDERED.** Within **thirty (30) days** after the public hearing, the Zoning Board of Appeals shall make a decision and shall consider the following factors:

- (A) Whether the proposed design, location, and manner of operation of the proposed special use will adequately protect the public health, safety, and welfare, and the physical environment;
- (B) Whether the proposed special-use is consistent with this Municipality's comprehensive plan, if any;
- (C) The effect the proposed special-use would have on the value of neighboring property and on this Municipality's overall tax base;
- (D) The effect the proposed special-use would have on the public utilities and on the traffic circulation on nearby streets; and
- (E) Whether there are any facilities near the proposed special-use (such as schools or hospitals) that require special protection. **(See 65 ILCS 5/11-13-7)**

**40-10-28 DECISION – FINDINGS OF FACTS.** The Board of Appeals shall reach a decision on every special-use permit application within a reasonable time after public hearing. In accordance with State law, the Board of Appeals shall specify the terms and conditions of the permit to be granted (if any) in one statement, and **their findings of fact in another statement**. The finding of fact shall be responsive

in the decision-making factors listed in the preceding section and shall clearly indicate the Board of Appeal's reasons for granting, with or without modifications and/or conditions, or denying the requested special-use permit. **(See 65 ILCS 5/11-13-1.1 and 5/11-13-11)**

**[ED. NOTE: The applicants and property owners for a variation or special-use should review Sec. 5/11-13-7A of the Illinois Compiled Statutes relative to subpoenas for persons to appear at the zoning hearings.]**

**40-10-29**      **TEMPORARY USE PERMITS: PROCEDURE FOR.** As set forth at **Section 40-3-20**, requests for temporary use permits shall be treated in the same manner as requests for special use permits. The Board of Appeals shall issue no temporary use permit for a period longer than **one (1) year** but may renew any such permit as they see fit.

## **DIVISION V - AMENDMENTS**

**40-10-30**      **AMENDMENTS.** The Village Board may amend this Code in accordance with State law and the provisions of this Section. Proposed alterations of district boundaries or proposed changes in the status of uses (permitted, special, prohibited) shall be deemed proposed amendments. Amendments may be proposed by the Village Board, the Zoning Board, the Plan Commission, the Zoning Administrator or any party in interest. **(See 65 ILCS 5/11-13-14)**

**40-10-31**      **FILING.** Every proposal to amend this Code shall be filed with the Zoning Administrator on a prescribed form. Every amendment proposal shall also be filed with the **Soil and Water Conservation District** pursuant to State law. The Administrator shall promptly transmit the proposal, together with any comments or recommendations he might wish to make to the Board of Appeals for a public hearing. **(NOTE: Filing fee required.)**

**40-10-32**      **PUBLIC HEARING - NOTICE.** The Board of Appeals shall hold a public hearing on every amendment proposal within **sixty (60) days** after said proposal has been submitted to them. At the hearing, any interested party may appear and testify, either in person or by duly authorized agent or attorney. Notice indicating the time, date, and place of the hearing and the nature of the proposed amendment shall be given not more than **thirty (30)** nor less than **fifteen (15) days** before the hearing:

- (A) By certified mail to the applicant; and,
- (B) By publication in a newspaper of general circulation within the Municipality.
- (C) By first-class mail to all owners of property contiguous to the property affected by the proposed amendment. **(See 65 ILCS 5/11-13-14)**

**40-10-33**      **ADVISORY REPORT - FINDINGS OF FACT.** Within **thirty (30) days** after the public hearing, the Board of Appeals shall submit their advisory report to the Village Board. The report shall state the recommendations of the Board of Appeals regarding adoption of the proposed amendment and their reasons therefor. If the effect of the proposed amendment would be to alter district boundaries or to change the status of any use, the Board of Appeals shall include in their advisory report findings of fact concerning each of the following matters:

- (A) Existing use and zoning of the property in question;
- (B) Existing uses and zoning of other lots in the vicinity of the property in question;
- (C) Suitability of the property in question for uses already permitted under existing regulations;
- (D) Suitability of the property in question for the proposed use;
- (E) The trend of development in the vicinity of the property in question, including changes (if any) which may have occurred since that property was initially zoned or last rezoned.

**40-10-34**      **ACTION BY VILLAGE BOARD.** The Village Board shall act on every proposed amendment at their next regularly scheduled meeting following submission of the advisory report of the Zoning Board of Appeals. Without further public hearing, the Village Board may approve or disapprove any proposed amendment or may refer it back to the Board of Appeals for further consideration by simple majority vote of all the members then holding office.

**40-10-35**      **WHEN TWO-THIRDS MAJORITY VOTE IS REQUIRED.** The favorable vote of at least **two-thirds (2/3)** of the members of the Village Board is required to pass an amendment to this Code in each of the following instances:

- (A)              When passage would be contrary to the recommendation of the Board of Appeals.
- (B)              When the amendment is opposed, in writing, by the owners of **twenty percent (20%)** of the frontage proposed to be altered, or by the owners of **twenty percent (20%)** of the frontage immediately adjoining or across an alley therefrom, or by the owners of **twenty percent (20%)** of the frontage directly opposite the frontage proposed to be altered.

**40-10-36**      **NOTICE TO APPLICANT OF WRITTEN PROTEST.** In cases of written opposition to an amendment of this Code as prescribed in **Section 40-10-35**, a copy of the written protest shall be served by the protester or protesters on the applicant for the proposed amendment and a copy upon the applicant's attorney, if any, by certified mail at the address of such applicant and attorney shown in the application for the proposed amendment.

**(See 65 ILCS 5/11-13-14)**
