

LIMB PICK-UP

The maintenance department would like to remind residents that the Village will pick-up limbs only after a storm. After a storm, tree limbs from storm damage can be set along the street for easy pickup and the Village will get them picked up when time allows.

VILLAGE DUMP

The Village's Yard Waste Dump is located along East First Street in the fenced-in area just outside of town. The dump is strictly only for yard waste. We've been having issues with people dumping things out there that are not yard waste. Violators will be ticketed for illegally dumping. If you have large items to get rid of, call Village Hall to see if Waste Management will take them. Three times a year, Waste Management provides roll off dumpsters for residents to get rid of large items. The next one will be September 26th - 28th.

VILLAGE-WIDE YARD SALES

Call Village Hall at 618-227-8331 to sign-up for the Village-wide yard sales which will be held on Saturday, September 13th. By signing up, you will get your address on the map. Maps will be available at Village Hall, Casey's and GTSB the week of the sales.
